---

In having the Art Education Program, the Liberal Arts of CCS BFA programs is usually reduced by nine credits, or three courses. When ending undergraduate participation in Art Education, a student's Liberal Art's requirements may increase to include courses that were forgiven with Art Education Program.

Students who opt to leave the Art Education Program during their undergraduate studies are welcome to return to CCS to complete the Art Education Certification upon completion of their BFA studio major.

**Student's Signature:** \_\_\_\_\_ **Date:** \_\_\_\_\_

This form will be kept on file in the AARO and copies will be distributed to the following:

- Student
