HOW TO DECLARE A CONCENTRATION in ENTREPRENEURIAL STUDIES

1. Understand that a Concentration in Entrepreneurial Studies is 12 credits. Students declaring a 12 credit hour concentration may transfer in a maximum of 3 credits from an accredited institution. Students may be asked to provide a course description or syllabus for transfer credit in question.
2. A Concentration in Entrepreneurial Studies Form must be signed by the Liberal Arts Chair and returned to the Academic Advising and Registration Office (AARO) for processing.

The Concentration in Entrepreneurial Studies will appear on the Student's final official transcript and is not printed on the diploma.

I understand that by declaring a Concentration in Entrepreneurial Studies I must complete the requirements listed in addition to my major (or any other programs added to my degree requirements) to graduate. Should I change my mind, I may remove my Concentration in Entrepreneurial Studies at any time.
