P&D Hobby Shop

31280 Groesbeck Hwy.
Fraser, MI
586.296.6116

METAL

We have been asked by the fab lab to avoid stainless steel. Most stainless shops work specifically with it due to cross contamination of tooling and materials. *Cold Rolled Mild Steel has a smooth finish without mill scale found on all hot rolled mild steel. It is more expensive but depending on the desired finish may be worth the cost.

C.R. Hill Co.

2734 11 Mile Rd.
Berkley, MI
248.543.1555

Jeweler's supplies. Precious metals and jeweler's tools.

Federal Pipe & Supply

6464 East McNichols
Detroit, MI
313.366.3000(ph)

Same as above with better prices on some things (especially pipe).

Meco Metal Company

21430 Coolidge
Oak Park, MI
248.547.0088

Best steel place in town. Nice people. Great supply in stainless, aluminum and steel in all types of shapes and sizes, they can order special stuff too.

Metal Mart

31164 Dequindre
Warren, MI
586.977.5820

Great Stock- pretty good prices

Phoenix Wire Cloth, Inc.

585 Stephenson Hwy.
(btwn 14Mile & Maple Rd.), Troy
248.585.6350

Amazing manufacturer dedicated to woven metals in both ferrous, non-ferrous, and stainless. Set up a tour it is worth it.
