Date _____

BFA Approval Signature _____

(Signature of Department Chair in designated Department/Program indicated above.)

Date _____

Graduate students are required to take undergraduate courses an upper level (300 or above) in order for the course to count towards their program requirements, unless there is a valid reason. If you are taking an undergraduate course as a graduate elective at a lower level (below 300) please summarize the reason below.

Students: You must register with your Academic Advisor within 3 business days of receipt of permission.
