Every student is welcome to join in, international or local/out of state. Freshmen International students are more than welcome to join in since this is a great way to meet people and learn not only about them but the background that they come from. If you would like to celebrate something about your culture you can join the club meetings to share your ideas and possibly help out in organizing and helping out in the event!

AIGA

We are specifically Seiwakai Goju-Ryu Karatedo; an organization part of the All-Japan Karatedo Federation (JKF). Basically, a very traditional and legitimate martial arts lineage. Starting with basics and exercises, we will work up to advanced kata and everything in between. Learn karate, work out a little, maybe pick up some Japanese, and have fun!

CCS ESPORTS GAMING

Our organization is dedicated to creating a competitive and friendly environment for professional gamers looking to grow in the Esports Collegiate scene. For fall semester 2021 we are excited to start our first team within OverWatch. Players/Staff will meet 2 days a week for scrims while playing in tournaments worth \$40,000+ in scholarship prizes.

QUEERS AND ALLIES (Q&A) CLUB

A space for LGBTQIA+ and Allies alike to discuss topics related to the community and general topics that affect the current global situation. Join our discord for topic info, meeting info, and general discussion!

RISO CLUB

We hold meetings monthly to work on collaborative Risograph projects. Meeting dates and times are posted on both our instagram (@ccs_risoclub) and discord! No previous Risograph experience is required! Come hang out, meet new friends, and work on fun stress free projects.

SCRIBBLE SPACE DOODLE CLUB

The Scribble Space is a group that meets twice a week where students can come to relax and draw for themselves: it's your place to draw whatever you want while not fretting over class requirements! Scribble Space will occasionally hold small, themed event days — providing optional prompts for fun or if you can't decide what to create. We will provide paper and pencils, but if you want to play with other supplies, you can, of course, bring your own!

THE GHIBLI GROUP

We're an organization/club that wants to bring new and veteran anime fans together to watch anime, and participate in other anime related activities such as: Art challenges, Anime Trivia, Making a short anime or manga, and more.

WOMEN IN ANIMATION

Women in Animation, or WIA, is an internationally recognized, non-profit organization with the goal to empower and promote female animators. WIA helps female animators navigate their way through the business side of animation. Membership benefits include, but are not limited to, things such as a members only talent database, scholarship opportunities, and mentorship programs. All are welcomed and encouraged to join regardless of their gender presentation.

YOUNG DEMOCRATIC SOCIALISTS OF CCS

With the support of MDDSA and YDSA National, the student engagement arm of Democratic Socialists of America, Young Democratic Socialists of CCS seeks to educate and mobilize students into actionable events and goals in order to understand capitalism, the devastating effects of that system, and what an alternative framework will look like.

CRIME PREVENTION TIPS

CCS Campus is located in a major metropolitan area. All the same precautions you would take for a visit to any other major city should apply when traveling around the city.

- Avoid walking alone - If you can, create a buddy system for walking to parking lots or public transportation after hours. If you are on campus, you can request a security officer to escort you.
- Walk in well-lit and regularly traveled pathways (especially at night)
- Don't be distracted - limit talking on your cell phone or wearing headphones
- Park your vehicle in attended parking lots or structures when possible
- Keep your money and cell phone in a safe, secure place
- Call 911 if you are in danger, need emergency assistance, or if you witness a crime

US INCOME TAXES AND FORM 8843

The ISSO staff are not tax professionals and cannot legally advise on individual tax issues, answer tax questions, or review documents. However, we can provide you with resources and services to help!

All international students who were present in the U.S. in F or J status for any portion of the previous year must file a Form 8843. Some students may also need to file taxes. The 8843 and taxes are typically **due April 15** in the United States.

Check your email during Winter Semester for the following important tax-related information:

- International Student Tax Workshops
- ISSO Tax Guide

FORM 8843

- If you need to file taxes, you may submit your taxes and Form 8843 together using Sprintax (see below)
- If you do not need to file taxes, you will only submit the Form 8843
 - Instructions for submitting Form 8843 are included in the ISSO Tax Guide

TAXES

International students are subject to special rules with respect to the taxation of their income:

Filing income taxes **is required** by nonresident international students and scholars who have:

1. *A taxable scholarship or fellowship*, as described in Chapter 1 of Publication 970, Tax Benefits for Education.
2. *Income partially or totally exempt from tax* under the terms of a tax treaty; and/or
3. *Any other income*, which is taxable under the Internal Revenue Code.

Filing income taxes **is not required** by nonresident international students who have income **ONLY** from:

1. Foreign sources
2. Interest income from:
 - a. U.S. bank
 - b. U.S. savings + loan institution
 - c. U.S. credit union
 - d. U.S. insurance company

The International Student Services Office recommends using Sprintax to help you to file taxes.

HOLIDAY BREAKS

CHECK THE ACADEMIC CALENDAR FOR DETAILS

During Winter Break, CCS closes and all students need to vacate the buildings by a certain date. This date will be announced in the Academic Calendar and also by the Director of Residence Life. If you need to stay extra days or partial days, you will need to fill out an extended housing form request with Student Affairs before the holiday break. Students approved to stay may be charged. Please plan accordingly.

MOVING OUT

CHECK THE ACADEMIC CALENDAR FOR DETAILS

The dates for student move out are strict. Please contact the Student Affairs Office to arrange your specific move out date should it exceed the mandatory date.

SUMMER STAY FOR OPT STUDENTS

Graduating international students who have applied for OPT benefits through USCIS may stay in CCS housing during the summer. The deadline to apply for this is May 1st each year.

SUMMER STORAGE

There is a limited amount of on-campus storage available over the summer through the Student Affairs Office. Please contact them to see if storage space is available. NEED ASSISTANCE?

If you need assistance or have any questions regarding off campus housing, please contact ISSO.

- Most landlords require a security deposit upon move in. This protects them from any damage you may cause to the apartment. Security deposits costs can vary from a half month to two months of rent.
- Ask if utilities are included in the monthly rent. If not, ask the landlord about the average monthly utility bills costs.
- Most apartments will not have laundry facilities, so you'll want to know the location of the nearest laundromat, as well as the nearest grocery store.
- Apartment buildings should have a secure and well-lit parking lot. If only street parking is available, make sure it is well-lit and close to where you will be living.
- Leases are usually for the full year, so consider your summer plans when you sign the lease.

CELLULAR + MOBILE PHONE SERVICES

At the International Student Check-In during International Student Orientation, we will have Campus Sims available to get your phone working properly and quickly.

Website: <https://campussims.com/>

If you do not want to use Campus Sims, here are other options to consider:

- You may be able to bring your current cell phone and use it in the US if it is unlocked and has a SIM card slot.
- If you are staying in the US for a short time period, consider a prepaid plan. Prepaid plans have no contract and provide affordable data plans.
- If you plan on visiting a phone store, bring proof of identification (passport). All locations are off-campus.

If you have any questions or concerns about getting a phone plan, please contact ISSO.

CCS INTERNATIONAL STUDENT HEALTH INSURANCE POLICY

Website: <https://campus.collegeforcreativestudies.edu/policy/health-insurance-requirement-for-international-students/>

CCS requires that all international students enroll in the health insurance plan offered by Wellfleet through the college. All international students are automatically enrolled in this insurance program and their student accounts are billed. Coverage for the Fall term begins mid-August.

If you prefer alternative coverage, or already have coverage through a spouse or family member, you can submit a waiver form along with proof of your coverage to the ISSO by email. **Health insurance waivers must be submitted before the Course Drop/Add registration date each September. Fall 2021 Health insurance waivers are due September 14, 2021.**

HOW TO ACCESS YOUR WELLFLEET ACCOUNT ONLINE

You can log in to your account at this website: <https://www.studentinsurance.com/MyAccount/Account/Index/996>

The first time you access your Wellfleet account, you need to set up your account using this website:

<https://www.studentinsurance.com/MyAccount/Account/Create/996>

HOW TO RECEIVE YOUR HEALTH INSURANCE CARD

After you log in to your Wellfleet account (see above), find the "Student Options" tab then select either "Print ID Card(s)" or "Email ID Card(s)" from the list and download your health insurance card.

Physical health insurance cards will be mailed directly to your address used during enrollment. If an international address is used, your card may be sent to the Wellness Center in September/October and picked up there.

HOW TO USE YOUR HEALTH INSURANCE CARD

Tips and information about how to use your insurance card when you visit the doctor and/or pharmacist:

- When you schedule an appointment, ask the doctor's office if they accept the network you have. Wellfleet's supporting Provider Network is **Cigna (Choice Fund) PPO**.
- Bring your insurance card and your passport every time you see a doctor or have a health care visit. Show your insurance card to the doctor's front desk when you check in for your appointment.
- When you visit the doctor or pick up a prescription at a pharmacy, you will be asked to pay a **copay/copayment**. A copay is a specific amount of money that you pay for a health care service (e.g. Doctor visit) or prescription. The amount can vary by the type of service. Your insurance plan determines copay costs for different services.
- A **deductible** is the amount you pay for covered services before your health plan begins to pay.
- Your Wellfleet health plan does not include dental or vision coverage.

DOCTORS IN THE AREA

It is important to establish care with a doctor when you arrive in the USA - especially if you have any type of health condition that needs monitoring. Taking care of your health is a priority that can ensure success in your classes. We understand that health systems in the US are complicated and can be intimidating. If you need assistance, please ask us and we will help you. Do not put off getting treatment because it is too confusing.

Please do not go to the emergency room (hospital) unless you have a severe life-threatening condition that needs to be treated immediately. The hospital is expensive, even for minor treatments.

If you have illnesses that are more severe than the ones listed for the CCS Wellness Center (e.g. flu, strep throat, ear infection, food poisoning, etc.), we suggest seeing a **primary care physician** who accepts the school insurance. A primary care physician is a healthcare professional who practices general medicine. If you need to see a doctor regularly, primary care physicians offer affordable and convenient medical care. Find a doctor who accepts your insurance using this site:

Website: https://consolidatedhealthplan.com/general/provider_search

Some examples of reasons to schedule a doctor appointment are:

- Preventative Care & Well Checks
- Vaccines
- Coughs and colds
- Sprains and cuts
- Pain, irritation or swelling in ears, eyes, or nose
- Maintaining asthma, diabetes, and other chronic conditions

PHARMACY

Pharmacies provide basic medical supplies, prescriptions from your doctor, and **over the counter** medication. Over the counter medications are non-prescription medicines that you can buy without a doctor's permission. This includes headache medication, cold/flu medication, vitamins, etc.

If your doctor prescribes medicine for you, they may call the pharmacy or write your prescription as a note for you to take. They may ask if you have a preferred pharmacy location - we suggest writing down the address and phone number of a pharmacy listed below to share with the doctor. If the doctor calls the pharmacy, you can pick up your prescription at your convenience. If the doctor writes you a prescription note, bring it with you to the pharmacy to pick up your prescription.

Provided below are some pharmacies near CCS campus for when you need to pick up medication or other health necessities.

SUSPENSION, DISMISSAL, ENROLLMENT WITHHELD, EXPULSION, OR ANY OTHER SIMILAR ACTION WHICH PREVENTS ENROLLMENT MAY HAVE AN EFFECT ON LEGAL IMMIGRATION STATUS.

ACADEMIC INTEGRITY

The College condones NO form of academic dishonesty, including but not limited to plagiarism, copying, cheating, and other forms of misrepresentation. Students who violate the standards of academic integrity face serious disciplinary consequences, including letters documenting the incident in their permanent record, immediate course failure and/or dismissal from the College. Students should make sure they have a clear understanding of this important issue and how it applies to both Liberal Arts and Studio Classes. *Students who are found guilty of any form of academic dishonesty on two or more occasions will be dismissed from the College.*

SLP 007 CCS FIRST YEAR EXPERIENCE COURSE

The First Year Experience course is designed to acclimate new CCS students to campus culture, academic expectations and life as a college student. The course strives to equip new students with the skills needed to be successful students and artists/designers while providing the support needed to meet the challenges set before them by CCS. Topics for this course will include career exploration, transitioning into college life, Canvas skills, campus technology, presentation skills, and community service. The course will also strive to assess student strengths and weaknesses relative to college success and to act as a support system for new CCS students.

This course is not required for international students if you have attended 24 credits or more at the university or college level.

CONCURRENT ENROLLMENT ELIGIBILITY + REQUIREMENTS

F-1 students are eligible to simultaneously enroll at two institutions if they meet the following criteria:

- The combined credits taken at both institutions must total a full-time course load, at least 12 credit hours.
- Students must maintain at least 9 credit hours at CCS and a minimum of 3 credit hours at the second institution.
- Courses taken at a second institution must be transferable to CCS and must fulfill curricular requirements for the student's CCS degree program.
- Course eligibility and approval will be confirmed by the International Student Services Office.
- *Students are eligible for Concurrent Enrollment in their final semester at CCS but certain regulations apply. Check with the International Student Services Academic Advisor, (Hailee Ridge) to confirm your eligibility.*

Students must schedule an appointment with the International Student Services (Hailee Ridge) in order to submit an approval form. Concurrent Enrollment must be approved by the ISSO before you enroll at a second institution.

If approved, the ISSO will issue a new I-20 reflecting approval for Concurrent Enrollment. The new I-20 will record the secondary institution under the "Remarks" section on Page 1 of your I-20.

LEAVE OF ABSENCE

Many students may need to take a semester off, or leave for a few years to serve mandatory military service. *The college policy is that your original admission and scholarship are valid for up to 2 years or 4 semesters off (for Military Leave only). If you are on a mandatory military leave this time period is extended to accommodate your service.*

Other Leaves of Absence: Please contact the ISSO (Ford Campus, Yamasaki Building 2F) to fill out the **Non-Return Form and F-1 Departure Form**. Depending on the duration of your leave, you may need a new I-20 form or a new student visa. Please schedule an appointment to receive instructions regarding your return. *We recommend contacting the ISSO at least 6 months prior to your return to be certain of a smooth reentry.*

REDUCED COURSE LOAD

A reduced course load is defined as anything below 12 credit hours for undergraduate (BFA) students, and anything below 9 credit hours for graduate (MFA) students.

Please note, requests for reduced course loads are only considered for exceptional circumstances:

- The student is in their final term of their degree and does not require a full-time course load to complete the program
- The student is having English language or reading difficulties
- The student is having difficulties in understanding American teaching methods
- The student has a serious medical condition which will interfere with his/her ability to enroll in and attend a full-time course of study for the specified term
 - Medical conditions must be verified by a doctor or physician with supporting documentation. The verification should specify the amount of time required for full treatment. Verification is required ahead of each new term, for the course of the condition, and cannot exceed 12 consecutive months.

CHANGE OF ACADEMIC LEVEL

Should you find it is necessary to change your academic level you will need to do the following:

1. Apply to the new program using a **Change of Academic Level form** found on the ISSO Campus Offices page
2. Once approved, extend or shorten your program end date on your I-20 form by meeting with Katherine
3. Update your I-20 with your new program

CHANGE OF MAJOR OR PROGRAM

Obtain the Change of Major or Program form on the ISSO Campus Offices page and work with Hailee and Katherine to update your I-20 with the new information once approved. Meet with the new program chair to determine any transfer credit and gain the approval signature needed to complete the change.

IMMIGRATION REGULATIONS

International students are responsible for maintaining their immigration status; however, the ISSO is here to help! A DSO, or Designated School Official, is the person at CCS who will assist you with all matters regarding your immigration status.

At CCS:

Katherine Campbell Primary Designated School Official (PDSO)

Hailee Ridge Designated School Official (DSO)

Students must attend CCS International Student Orientation before their first semester at CCS.

Students will submit their passport, Visa, and I-20 as part of the International Student Orientation (digital copies are to be submitted during COVID). ISSO will verify that each new international student is registered full-time (at least 12 credit hours for BFA and 9 for MFA) and record local addresses in SEVIS. This documentation will be used to process each students' official immigration record in the US Government online reporting database, **SEVIS**. By processing all international students in SEVIS, at the beginning of every semester, the ISSO confirms to the American government that each international student is maintaining status.

Each student will sign the "F-1 Understanding Agreement" as part of International Student Orientation.

Please consult this useful website to refresh your knowledge regarding immigration regulations and how to successfully maintain your F-1 student status.

Website: <https://studyinthestates.dhs.gov/maintaining-status>

Failure to abide by any of the below regulations is a direct violation of F-1 student or J-1 exchange student status. **If a student fails to follow these regulations, the student's I-20 or DS-2019 will be terminated, F-1 or J-1 student status will end, and the student will be required to leave the USA immediately.**

1. If any of the items listed below change, students **MUST** inform the International Student Services Office (ISSO) within 10 days:
 - Local or home country address (includes changing apartments in the same building)
 - Name
 - Major Change/Program Change
 - Scholarship amount
 - Addition of minor
 - Concurrent Enrollment (taking courses at a local community college)
 - Source or amount of funding from original Statement of Financial Feasibility
2. Students must **NOT** engage in off-campus employment without prior authorization from the ISSO and USCIS.
3. On-campus employment is permitted but must be limited to no more than 20 hours per week during the academic year, and 40 hours per week during summer vacation. **On-campus employment must be reported to the ISSO. Fill out an On-Campus Employment Form.**

6. Students must be in good academic standing (BFA: 2.0GPA, MFA 3.0GPA) and make progress toward an academic program.

DS-2019

Website: <https://j1visa.state.gov/>

Form DS-2019 allows a J Exchange Visitor to apply for a Visa. The Department of State-designated Sponsor issues this form. The Form DS-2019 identifies the exchange visitor (or J-2 dependent) and the designated sponsor and provides a brief description of the exchange visitor's program, including the start and end date, category of exchange, and an estimate of the cost of the exchange program. For more information about exchange visitor programs, please visit the website above.

I-20

For F-1 Visa Students an I-20 is a "Certificate of Eligibility for *Nonimmigrant* Student Status - For Academic and Language Students." The Form I-20 is an important document that you should keep safe, as you will need it throughout the international student life cycle. You need to have the *original copy of your I-20 with ink signature on hand as you enter the country.

DO NOT PACK IT AWAY IN YOUR SUITCASE. A *U.S. Customs and Border Protection Officer* will instruct you to present your I-20 at the Port of Entry. You may arrive up to 30 days before the start date listed on your I-20.

*According to special allowances, given in the DHS/ICE Guidance from March of 2020, you may have a printed copy of an electronically issued I-20. Please treat these as original documents.

WHEN TO GET A NEW FORM I-20

After receiving the initial I-20, upon program acceptance, students may receive a new Form I-20 from the DSO in the following circumstances:

- If the physical copy of the form is destroyed or misplaced
- CPT is Authorized
- For travel endorsement: Your I-20 signature must be valid at least one year or your entry back into the USA is not guaranteed
- When the student's SEVIS status changes (e.g. - Initial to Active)
- For any substantive change to student information, such as changes to student's personal information, program of study, Optional Practical Training (OPT), etc
- Concurrent Enrollment Authorized

INTERNATIONAL STUDENTS MUST KEEP ALL I-20S FOR THEIR RECORDS:

Copies of previous I-20 documents may be required for future immigration benefits, applications, or petitions to demonstrate lawful status over the course of the student's academic career.

I-94

Website: <https://i94.cbp.dhs.gov/i94/#/home>

The I-94 is an official Department of Homeland Security document that records the admission date and status of all non-immigrant visitors to the United States. The I-94 used to be a paper document that visa-holders would be issued at the Port of Entry. In recent years, DHS has automated and digitized the process. As a result, your I-94 can now be accessed and printed online.

A copy of the I-94 is required for many official government applications, including driver's license, Social Security Number, and Optional Practical Training (OPT).

TRAVEL OUTSIDE THE U.S. + RE-ENTRY

While studying at CCS and traveling outside the United States, F-1 students must have proper documents in order to re-enter the United States:

- A valid F-1 Visa (the Visa stamp in your passport)
- Passport validity of at least 6 months into the future
- Current, valid I-20 with a travel signature less than one year old (Travel signatures must be less than 6 months old on a DS-2019)

If you are on a J Visa and would like to travel outside the United States and then re-enter the U.S., please schedule an appointment with Katherine Campbell.

EXTENSION OF STAY/PROGRAM EXTENSION

Request an extension of your I-20 prior to its expiration date if you are unable to complete your academic program by the original expiration date. This request must be received by the ISSO at least 30-60 days prior to the expiration date on your current I-20. If you fail to meet the deadline, there is no guarantee that your request will be processed before your current I-20 expires. This will have a negative impact on your immigration status.

PROGRAM EXTENSION ELIGIBILITY REQUIREMENTS:

- You must be maintaining status, making normal progress toward completion of your degree, and have academic requirements remaining
- Extensions may only be granted in situations where students can demonstrate compelling academic or medical circumstances
- Delays caused by academic probation or suspension are not acceptable reasons for program extensions [8 CFR 214.2(f)(7)(iii)]
- Extension requests will not be granted due to delays caused solely by employment, such as Curricular Practical Training (CPT)

CHANGE OF STATUS

In general, you may apply to change your nonimmigrant status if you were lawfully admitted to the United States with a nonimmigrant visa, your nonimmigrant status remains valid, you have not violated the conditions of your status and you have not committed any crimes that would make you ineligible. Until you receive approval from US Citizenship and Immigration Services (USCIS), do not assume the status has been approved and do not change your activity in the United States.

USCIS recommends that you apply as soon as you determine that you need to change to a different nonimmigrant category. If USCIS denies your application, be prepared to leave the United States when your current status expires.

There are two methods by which an international student may change Visa status:

1. The Travel Method: The student may return to his/her home country and use his/her new CCS I-20 to apply for a new Visa at a local U.S. Embassy or Consulate. When they return to the U.S. on the new CCS Visa, they will re enter in F-1 category.
2. The Non-Travel Method: The student may submit the "Application to Change Nonimmigrant Status" directly to USCIS, while remaining in the United States.

Each method has advantages and disadvantages. The travel option is potentially faster, but perhaps more expensive since it involves international travel. In the case of method 2, USCIS warns that it may take as long as 1 year to approve a Change of Status application. During the waiting process, the student cannot travel outside the U.S. at all.

The Application to Change Non-Immigrant Status may be submitted as a paper application through the mail, or it may be e-filed entirely online.

A student in F-2 or J-2 status is eligible to attend college without changing status. Potential drawbacks include the following:

1. Student will be ineligible for Curricular Practical Training (CPT - having a job in the U.S. during their time at CCS) or Optional Practical Training (OPT - having a job in the U.S. after graduation).
2. The student's Visa will be entirely contingent on the continued sponsorship of their parent/guardian's Visa. Their immigration status, in this respect, is out of their control.

The only perceivable advantage to not changing status is that an F-2 or J-2 student attending college is not required to maintain a full-time courseload. They are eligible to take as many, or as few, classes as they wish.

H-1B AND THE CAP GAP EXTENSION

If you are an F-1 student seeking to switch nonimmigrant classification from F-1 student status to H-1B temporary employment status after completing a program of study or post-completion OPT, talk to your DSO (Katherine Campbell) about the cap gap extension.

The cap gap extension may allow you to extend your F-1 status and/or authorized period of post-completion OPT until you transition to the H-1B status. This transition occurs on October 1st each year. Additional information can be found on the **H-1B and Cap Gap Extension** page on the following website.

EMPLOYMENT

U.S. government regulations require F-1 students to be in the U.S. for the primary purpose of attending school. In general, employment in the U.S. is restricted. The following employment possibilities exist for F-1 students:

ON-CAMPUS EMPLOYMENT:

On-campus employment is defined as work done on the premises of the school who issued I-20 and which is supervised and paid for by the school. Limited to 20 hours per week while school is in session (this may be extended to full-time during school vacation and holidays).

OFF-CAMPUS EMPLOYMENT:

Under certain conditions you may be eligible for off-campus employment either based on economic need or practical training. However, international students on F-1 Visas may not engage in any off-campus employment without first receiving proper authorization. *Under no circumstances can a student work Off-Campus during the first academic year without authorization.*

Students must have a Social Security Number in order to work on or off campus. A student may apply for a Social Security Number with a written job offer letter and a Letter of Verification from the ISSO - see section titled "APPLYING FOR A SOCIAL SECURITY NUMBER" above for more details.

WHAT ABOUT UNPAID INTERNSHIPS?

Unpaid internships do not usually qualify as "volunteer" activity. Therefore, regardless of pay or whether a position is "volunteer," international students must obtain work authorization (CPT or OPT) before commencing employment/work.

Please review the following sections for more information about Curricular Practical Training (CPT) and Optional Practical Training (OPT).

CURRICULAR PRACTICAL TRAINING (CPT)

Curricular Practical Training (CPT) gives international students authorization to gain employment training and to work in positions directly related to the student's major during their enrollment at CCS.

- This type of employment does not require adjudication by the United States Citizenship and Immigration Services (USCIS). *It is the only type of employment for international students that does not require USCIS adjudication.*
- CPT can be optional internships or required parts of the curriculum for a given major. It must be directly related to the student's major of study.
- CPT cannot be granted for employment unrelated to the student's major.
- **CPT must be for-credit**; therefore, the student is required to register for classes during their employment.
- CPT cannot exceed 20 hours per week during the academic term, when class is in-session.
- *During the academic term, regardless of CPT authorization, F-1 students must maintain full-time enrollment.*
- CPT may exceed 20 hours per week during the summer, when the F-1 student is eligible for the annual break. However, even if class is not in session, the student must still be enrolled for credit toward CPT.

ELIGIBILITY CRITERIA FOR CPT

- Junior standing: Completion of all freshman and sophomore courses, including liberal arts requirements
- Minimum cumulative grade point average of 2.8 BFA and 3.0 MFA
- Enrollment on a full-time basis for at least one entire academic year (two consecutive semesters)
- You **MUST** have a job or internship offer to apply for CPT and the job/internship must relate directly to your CCS field of study as an integral part of the established curriculum. *This must be verified and approved by your Department Chair.*

YOUR CPT APPLICATION MUST INCLUDE:

- **Career Development Internship Approval Form**
Signed by: Department Chair, Associate Dean, Academic Advising, Career Development, and International Student Services
- **Current I-20 and I-94**
- **Degree Audit**
- **Job/Internship Offer Letter**
- **Registration of appropriate credit**
If your CPT will occur in the summer, you must register for the internship course that corresponds to your major. Internships for credit must be authorized by Career Development.

CPT APPLICATION PROCESS:

- When you receive a job or internship offer, notify Katherine Campbell in ISSO and Kirstin in Career Development.
- You will work with Kirstin to have the internship approved for credit, and you will work with Katherine to obtain CPT approval and a new I-20.
- The ISSO and Career Development both have paperwork that must be completed, submitted, and approved before you will be able to engage in CPT.
- When your CPT is approved, you will receive a new I-20 which includes your employer on Page 2.
- CPT approval takes time. Please plan accordingly.

INTERNSHIPS, BOTH PAID AND UNPAID, ARE PRIMARILY OFFERED BY THE PRIVATE SECTOR AND MUST RELATE TO THE STUDENT'S MAJOR FIELD OF STUDY.

YOU MAY NOT ENGAGE IN EMPLOYMENT BEFORE YOUR I-20 IS AUTHORIZED FOR CURRICULAR PRACTICAL TRAINING (CPT).

OPTIONAL PRACTICAL TRAINING (OPT)

Optional Practical Training (OPT) is temporary employment that is directly related to an F-1 student's major area of study after their enrollment at CCS.

- This type of employment requires adjudication by the United States Citizenship and Immigration Services (USCIS).
- Generally, OPT authorization is for post-graduation employment and takes place after a student has graduated.
- **Student must apply 3 months in advance of needing the employment authorization.**
- Student may not begin working until he/she is approved for OPT and has received the Employment
- Student may be in the country legally 60 days between end of program and start of OPT. **Note: "Start of OPT" is different from "start of work".*
- **Students must be employed in a position DIRECTLY related to his or her major. If the student is found to be working outside his/her major, the OPT will be cancelled by the DSO.**
- **The student has a cumulative 90 days of unemployment during OPT.** The student must begin working within 90 days of the start date of OPT. If the student has not secured employment and physically reported to and begun working by the 90th day of OPT, then the student must depart the country on the 90th day. There is no grace period.
- Students are required to maintain valid health insurance during OPT.

OPT REQUIRED MATERIALS

- Permission of DSO in SEVIS (Katherine Campbell)
- I-20 stating that the student is applying for OPT
- I-765 Form
- Copies of all I-20's
- Copy of passport
- I-94
- 2 passport photos (must have white background) - 2x2 inches
- Application fee drawn from a US bank

While on OPT, students are required to continue reporting information to the ISSO. This includes:

- Change of local address in USA
- Change of address in home country
- Name change
- Abandonment of OPT and departure from the USA
- Change of employer
- While on OPT, the student must have an updated travel signature every 6 months if traveling outside the United States

STEM OPT

OPT approval is 12 months. Specific fields of study are eligible for an additional 24-month STEM Extension. STEM Extension eligibility is determined by the program of study Classification of Instructional Program (CIP) code, as recorded on the student's I-20. The following programs at CCS are currently eligible for STEM extensions: Communication Design, Entertainment Arts, Transportation Design (MFA, BFA), Product Design, User Experience Design* formerly Interaction Design (MFA), Motion Design (MFA). **Start your application during OPT 90 days before OPT end date.** STEM OPT applicants are required to work with an E-Verified Employer to create an I983 Training Plan. Please refer to the Study in the States Website STEM OPT HELP HUB for a comprehensive overview of the requirements of STEM OPT.

DEPART AFTER PROGRAM COMPLETION

Students who have maintained status and finished a program of study, or authorized period of post-completion OPT, have a 60-day grace period to depart from the United States. Failure to depart within this grace period could adversely impact your ability to re-enter the United States under a different nonimmigrant or immigrant classification. The 60-day grace period

may also be used to transfer to a new program of study at a different SEVP-approved institution. *Please note: J-1 Visa students have only a 30 day grace period.*

TRAVEL OUTSIDE THE U.S. + RE-ENTRY: DURING OPT

During OPT, international travel becomes more complicated. F-1 students on OPT who wish to travel internationally should schedule an appointment with Katherine Campbell at the ISSO. If you do leave, you must have the following documents:

- Letter of support from ISSO
- Job offer
- EAD card
- I-20 with signature within 6 months
- A valid F-1 Visa (the Visa stamp in your passport)
- Passport validity of at least 6 months into the future
- Current, valid I-20 with a travel signature less than one year old

**Please check your Visa requirements for all travel including travel to Canada.
Re-entry is not guaranteed!**

F-1 STUDENT INFORMATION

DEPENDENTS

As an F-1 international student, you may bring your spouse (e.g. - husband, wife, legal partner) and children with you while you study in the United States. However, they will also need to receive a Form I-20 from your DSO and follow specific rules while they are in the USA. F-2 Dependents can study at Part-Time Status, but they cannot work in the USA. Consult the ISSO office for more guidance.

ECONOMIC HARDSHIP

F-1 Student Severe Economic Hardship (SEH) Eligibility

You may be eligible to apply for employment authorization due to severe economic hardship if:

- You have been in lawful F-1 student status for one full year
- You are in good academic standing, and currently enrolled full-time
- Employment will not interfere with your studies

You **must** demonstrate that the employment is **necessary** due to unforeseen economic circumstances beyond your control. If your application for employment authorization as a result of severe economic hardship is approved by the ISSO, you will be issued a new I-20 with an official "Employment Recommendation." You will use this new I-20 to submit your application to the United States Citizenship and Immigration Services (USCIS). Your employment authorization will depend on USCIS approval. You can find the form on the ISSO Campus Office page.

AUTHORIZED EARLY WITHDRAWAL

When an F-1 student chooses to suspend his or her program of study, and depart the country before the program end-date as recorded on their immigration document (I-20), they must notify the ISSO in order to have their SEVIS record properly terminated. With proper notification, a student may be eligible for Authorized Early Withdrawal. To assist with this notification, the ISSO manages the F-1 Student Departure Form.

TERMINATION

If an F-1 student falls out of lawful F-1 status, the student's I-20 will be terminated. **Students have 15 days to exit the United States or transfer from the date of termination.** If a student falls out of status as a result of failing to maintain a full-course study due to academic suspension, they will be notified by the AARO (in coordination with the ISSO). After receiving notice of suspension, the student may appeal the decision.

The termination of the student's I-20 will be delayed, pending the result of the appeal. A suspended F-1 student must either seek admission to another SEVP-approved institution within the 15-day window, or prepare to leave the country immediately. If the student is admitted to a new SEVP-institution, the ISSO will transfer the student's I-20 to the new institution.

REINSTATEMENT

If a student violates F-1 student status, the student may be eligible to regain lawful status through the process of "reinstatement." This process currently takes 12 months or more. You must maintain current status during the application adjudication.

The USCIS district director may consider reinstating an F-1 student who makes a request for reinstatement on Form I-539 accompanied by a properly completed Form I-20 indicating the Designated School Official (DSO)'s recommendation for reinstatement. The district director may consider granting the request if the student:

- Has not been out of status for more than 5 months at the time of filing the request for reinstatement (or demonstrates that the failure to file within the 5-month period was the result of exceptional circumstances and that the student filed the request for reinstatement as promptly as possible under these exceptional circumstances).
- Does not have a record of repeated or willful violations.
- Is currently pursuing, or intending to pursue, a full-course study in the immediate future at the school which has issued the Form I-20.
- Has not engaged in unauthorized employment.
- Is not deportable on any grounds other than Section 237(a)(1)(B) or (C)(i) of the Act.
- **Establishes to the satisfaction of the Service by a detailed showing, either that:**
 - The violation of status resulted from circumstances beyond the student's control. Such circumstances might include serious injury or illness, closure of the institution, a natural disaster; or
 - The violation related to a reduction in the student's course load that would have been within a DSO's power to authorize and that failure to approve reinstatement would result in extreme hardship to the student.
 - Student must continue current status while reinstatement is pending.

REACTIVATION

If a student takes a leave of absence from their program of study, follows appropriate protocol for requesting the leave of absence, and has their I-20 terminated for "Authorized Early Withdrawal," they may be eligible for reactivation. Through reactivation, a student's SEVIS record is restored from "terminated" to "active" status, thereby allowing the student to return to the USA without having to apply for a new, initial I-20 Form. To be eligible, a student must be returning to the United States from a leave of absence that does not exceed five months and must request the leave prior to the start of the term.

Contact the ISSO 90 days in advance of returning to CCS.

TRANSFER OUT

International students occasionally choose to transfer to a new school. If the new school is another American SEVP-approved institution, the DSO will transfer the student's SEVIS record accordingly. The student can begin the transfer-out process by notifying the ISSO of their intention to transfer and by sharing the acceptance letter from their new institution with the ISSO. Generally, the international advisor at the new school will ask the DSO to complete and return a form similar to the CCS Transfer Certification Form.

When the DSO has the required information (desired transfer-out date and the destination school's SEVIS school code), they will prepare the student's SEVIS record for transfer. Once a student's SEVIS record has been transferred, the new school will be able to begin the process of creating the student's new I-20.

Forms Required:

- Transfer form from new school indicating school code
- Official Acceptance Letter from new school
