Career Services coordinates career events and personalized on-campus recruiting throughout the year as well as providing the following services:

Workshops: This professional series covers resume and cover letter preparation, information on securing an internship, interview skills, and everything in between!

CCS 4 Year Plan: A guide to keep you on track throughout your time here.

Handshake: Students and alumni have the opportunity to post their resumes and portfolios for employers to view as well as search for employment and internships. (www.collegeforcreativestudies.handshake.com)

Internships: Opportunities to work alongside professionals, gain confidence in your abilities, and build relationships with key people in your industry.

Industry Professionals Visit CCS: Career Services hosts many career events throughout the year, including: On Campus Recruiting, Panels and Roundtable Discussions, Professional Portfolio Reviews and Company Information Sessions.

Individual Career Counseling: Individual appointments are available to all CCS students and alumni for career counseling and guidance. To make an appointment please e-mail partnerships@collegeforcreativestudies.edu or call 313.664.7490.

Find us on Handshake to learn more about these services and other additional resources!
