Chapter 1

History, Mission, And Accreditation

1.1 History Of The College For Creative Studies

For more than a century, the College for Creative Studies (CCS) has distinguished itself as one of the premier institutions of higher learning in the world. The current College traces its heritage back to 1906 when a group of local civic leaders, inspired by the English Arts and Crafts movement, formed the Detroit Society of Arts and Crafts. The Society's mission was to keep the ideals of beauty and craftsmanship alive in what was rapidly becoming an industrialized world. At their original location on Farmer Street, Society members began teaching informal classes in basic design, drawing, and woodcarving. In 1911, they opened a gallery where students, as well as prominent modern artists, displayed and sold their work.

As Detroit's creative community continued to take root, the Society recognized the need to expand. They moved to a larger location on Watson Street (1916), and 10 years later became one of the first arts and crafts organizations to offer a formal, four-year program in Art (1926). Within a year, the Art School of the Detroit Society of Arts and Crafts grew to an enrollment of 280 students.

Much of the school's success was attributed to its close integration of rigorous courses with the progression of the art and design movements and world-class, contemporary exhibitions—a tradition that continues to prevail. In addition to hiring talented, local artists and designers, the school sought renowned painters, sculptors, and craftspeople from around the world to teach courses. In 1933, the Society's gallery garnered national media attention as one of the first art institutions to recognize the automobile as an art form. This was around the same time that programs in industrial design and commercial art were introduced to the school's curriculum.

The school relocated for a third time in 1958 to its current location near the city's cultural center. The move provided students with more convenient

access to the Detroit Institute of Arts' impressive collection. All classes and offices were initially housed in the Arts & Crafts building designed by Minoru Yamasaki.

In 1962, the school officially became a college when the Michigan Department of Education authorized the institution to offer a Bachelor of Fine Arts in Industrial Design. Eight years later, the College was awarded the right to provide degrees in all of its major programs. The National Association of Schools of Art and Design (NASAD) granted original accreditation in 1972, and the North Central Association of Colleges and Schools (NCA) granted regional accreditation in 1977.

The next four decades brought about several improvements and significant changes to the campus. In 1975, construction of the architectural award-winning Kresge-Ford Building was completed, and the Detroit Society of Arts and Crafts changed its name to the Center for Creative Studies—College of Art and Design. The school acquired an apartment building adjacent to campus (the Art Centre building) in 1988 that serves as the main dormitory on campus and the building that formerly housed Detroit's African American Museum of History in 1997 that was later transformed into the Academic Resource Center (now the Manoogian Visual Resource Center), which contains the Center Galleries and library. A parking structure was added to the campus in 1999, and in the fall of 2001, the College inaugurated the Walter B. Ford II building for design and technology-driven disciplines. The donation to fund this project was the largest ever given to an art college at the time. That year, two historic homes on the northern side of campus were also renovated to accommodate administration and admissions offices.

The year 2001 brought about a milestone critical to the future of the school. Results of a research study led to the Board of Trustees' decision to change the school's name to the College for Creative Studies (CCS) to more clearly communicate its identity as an accredited, degree-granting "college."

The Josephine F. Ford Sculpture Garden was added in the fall of 2005 to provide a gathering place for the campus community, and in 2007, the College renovated another home on historic Ferry Street to house the Institutional Advancement and Human Resources offices. In 2008, CCS embarked on its most significant project to date—a \$145 million redevelopment of the 760,000 sq. ft. historic Argonaut Building (formerly General Motors first research and design studio). Located in Detroit's New Center district (about a mile from the original Walter and Josephine Ford Campus), the building serves as the A. Alfred Taubman Center for Design Education.

The Taubman Center is home to the College's five undergraduate design departments, graduate degree programs in design and transportation design and the Henry Ford Academy: School for Creative Studies, an art and design charter school for middle and high school students. This site has enabled CCS to expand its curriculum to include new areas of the creative industries, improve facilities for all of its departments and connect with the local community through the Design Core Detroit. It represents the College's commitment toward accelerating metro Detroit's transition to an innovation-based economy by renewing

the infrastructure of an important urban neighborhood; attracting, developing and retaining talent in the creative industries; spurring research in sustainable product development; and creating jobs and new business opportunities. The original Ford campus continues to house arts and crafts disciplines as well as the majority of administrative offices.

The College's legacy has contributed to its recognition as an international leader in art and design education. In 2007, Bloomberg Business Week listed CCS among the top design schools in the world. The college now enrolls more than 1,400 students seeking undergraduate degrees across twelve majors and four graduate degrees. CCS also offers non-credit courses in the visual arts through its Precollege and Continuing Studies programs and annually provides over 4,000 high-risk Detroit youth with art and design education through the Community Arts Partnerships programs.

A century of tradition shaped by some of the most brilliant minds in the world has culminated in a truly unsurpassed institution of higher learning—a community where the creative spirit is free to soar.

In addition, the Assistant Dean for Institutional Equity and Inclusion is responsible for administering the Policy on Prohibited Discrimination, Harassment, and Sexual Misconduct, including Title IX, and its implementing procedures.

2.4.11 Dean of Students

Reporting to the Vice President for Enrollment and Student Services, the Dean of Students is responsible for the day-to-day management of the offices within Student Affairs. In addition, the Dean of Students oversees institutional retention initiatives, judicial affairs, Student Concerns Committee, the Student Handbook, and the Code of Student Conduct.

2.5 Faculty Assembly

The faculty of the College participate in the governance of the College through the Faculty Assembly and its committees. The faculty play a central role in developing curriculum and academic policies, in setting standards of excellence, and in maintaining the quality of a CCS education. The Faculty Assembly is the principal vehicle through which the faculty fulfill this role. While the Faculty Assembly cannot by its decisions bind the administration or Board of Trustees, the administration and Board accord great respect to the Assembly and seek to cooperate with it in all areas affecting the well-being of the College. The Faculty Assembly operates according to the Faculty Assembly By-laws and through a set of committees. The By-Laws and committee guidelines are posted on the College's Blackboard portal.

Employment Policies and Procedures

3.1 Policy on Equal Opportunity, Discrimination, and Harassment

3.1.1 Sexual and Gender-Based Harassment and Other Forms of Interpersonal Violence (Title IX Policy)

OVERVIEW

College for Creative Studies (hereinafter, “CCS” or “the College” is committed to providing an educational and employment environment that is free from Discrimination based on Protected Characteristics, Harassment, and Retaliation for engaging in protected activity. CCS’s Policy on Sexual and Gender-Based Harassment and Other Forms of Interpersonal Violence (“Title IX Policy”) and Policy on Preventing and Addressing Discrimination, Harassment and Retaliation, are designed to further these goals.

CCS’s Title IX Commitment

The College is committed to providing a safe and non-discriminatory learning, living, and working community for all members of CCS’s community. CCS does not discriminate on the basis of sex in any of its programs and activities. To that end, CCS’s “Policy on Sexual and Gender-Based Harassment and Other Forms of Interpersonal Violence” (“Title IX Policy”) prohibits specific forms of behavior that violate Title IX of the Education Amendments of 1972 (“Title IX”), Title VII of the Civil Rights Act of 1964 (“Title VII”) and Michigan’s Civil Rights Laws, including the Elliott Larsen Civil Rights Act. Such behavior also requires CCS to fulfill certain obligations under the Violence Against Women Reauthorization Act of 2013 (“VAWA”) and the Jeanne Clery Campus Safety Act (“Clery Act”).

CCS’s Commitment to Eliminating Discrimination and Harassment

The College must define and respond to certain types of misconduct as required by Title IX, codified at 34 C.F.R. Part 106 and related guidance (the “Title IX Regulations”). The Title IX Regulations allow the College to define and regulate misconduct that falls outside the scope of the Title IX Regulations, but which CCS is committed to addressing as a matter of CSS policy or as required by other law. These guidelines are set for CCS’s Policy, “Preventing and Addressing Discrimination, Harassment and Retaliation”.

CCS values and upholds the equal dignity of all members of its community and strives to balance the rights of the Parties in the resolution process during what is often a difficult time for all involved. Employees, including Faculty and Student Employees, or Students who violate these policies may face disciplinary action up to and including termination of employment or expulsion. The College will take prompt and equitable action to eliminate conduct that violates its policies, prevent recurrence, and remedy its effects. CCS conducts ongoing prevention, awareness, and training programs for Employees and Students to facilitate the goals of these policies.

CCS’s Commitment to a Fair Process for Resolving Disputes

To ensure compliance with federal, state, and local civil rights laws and regulations, and to affirm its commitment to promoting the goal of fairness in all aspects of the Education Program or Activity, CCS has developed policies and procedures that provide a prompt, equitable, and impartial resolution of allegations of violation of the Title IX Policy, in **Process A**, and violation of Policy on Preventing and Addressing Discrimination, Harassment and Retaliation, in **Process B**.

I. POLICY STATEMENT

CCS is committed to providing a safe and non-discriminatory campus community that is free from Sexual and Gender Based Misconduct and that enables individuals engaged in Programs or Activities to participate in the scholarly, research, educational and services of CCS. The College does not discriminate on the basis of sex or gender in any of its Programs or Activities.

It is a violation of CCS’s Title IX Policy to engage in Sexual Assault, Quid Pro Quo Sexual Harassment (as defined by the Title IX Policy or the Policy on Preventing and Addressing Discrimination, Harassment and Retaliation), Hostile Environment Sexual Harassment, Sexual Exploitation, Dating Violence, Domestic Violence and Stalking and Complicity in the commission of any act prohibited by this Policy, and Retaliation against a person for the good faith reporting of any of these forms of conduct or participation in any investigation or proceeding under this Policy (collectively “Prohibited Conduct”).

Prohibited Conduct under this Policy extends beyond the definitions of “sexual harassment” adopted by the Department of Education in the Title IX Regulations.

Some forms of Prohibited Conduct may also constitute crimes under Michigan law, which may subject a person to criminal prosecution and punishment in addition to any sanctions under this Policy. Complainants have the right to notify or decline to notify law enforcement in addition to any actions taken under this Policy. Complainants may also simultaneously pursue criminal and

3.1. POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT²³

CCS complaints.

II. SCOPE AND APPLICABILITY

This policy applies to Students, defined under this policy as those who are registered or enrolled for credit-or non-credit-bearing coursework (“Students”); College employees, defined under this policy as all full-time and part-time faculty, College Staff, Student employees, wage workers, (including temporary employees), professional research staff, and post-doctoral fellows (“Employees”); and third parties, consisting of contractors, vendors, visitors, applicants, guests, or other third parties (“Third Parties”).

Once the Grievance Process has been initiated following the issuance of a Notice of Investigation letter, the College retains the jurisdiction to investigate and resolve the matter even if Complainant or Respondent is no longer a member of the College community due to changes in enrollment (including graduation), employment, or other status in the College community.

This Policy covers acts of Prohibited Conduct, as defined in this Policy, that are committed by or against Students, Employees, and as applicable Third Parties, when the Prohibited Conduct occurs:

- On campus or other property owned or controlled by CCS;
- In the context of College Employment or Education Program or Activity including but not limited to College-sponsored study abroad, research, field work, practicums, internship programs, online programs, employment, a Program or Activity conducted by CCS for individuals who are neither College employees nor students (such as sports or academic camps offered to non-students); or
- Outside of a College Employment or Program or Activity, but potentially poses a serious threat of harm, has a continuing adverse effect on, or creates a hostile environment for Students, Employees or Third Parties while on campus or other property owned or controlled by CCS, or in any College Program or Activity.

CCS retains discretion to determine whether Prohibited Conduct occurring outside of the College Program or Activity is within the College’s jurisdiction. In determining whether the College has jurisdiction over off-campus or online conduct that did not occur in a College Program or Activity, CCS will consider the severity of the alleged conduct, the risk of on-going harm, whether both parties are members of the CCS Community, the impact on the College Employment or Program or Activity, and whether off-campus conduct is part of a series of actions that occurred both on and off campus.

III. DIRECTOR OF CIVIL RIGHTS AND TITLE IX COMPLIANCE

The CCS president and Assistant Vice President of Campus Life created a full-time position titled the Director of Civil Rights and Title IX Compliance (the “Director”), to coordinate the CCS’s compliance Title IX, and other federal, state or local law or ordinances.

The Director is responsible for providing comprehensive education and training; coordinating CCS’s timely, thorough, and fair response; investigation and resolution of all alleged Prohibited Conduct under the Policy; and monitoring the effectiveness of, and any barriers to, accessing the Policy and related

procedures to ensure an education and employment environment free from sex harassment and retaliation, or other violations under Title IX.

IV. PROHIBITED CONDUCT UNDER THIS POLICY

Prohibited Conduct under this Policy is defined as conduct defined as sexual harassment under Title IX and includes:

A. Sexual Assault: Any sexual act directed against another person, without the Consent of the Complainant including instances where the Complainant is incapable of giving consent.

1. Rape— Penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.

2. Sodomy—Oral or anal sexual intercourse with another person, without the Consent of the victim, including instances where the victim is incapable of giving Consent because of age or because of temporary or permanent mental or physical incapacity.

3. Sexual Assault with An Object—To use an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the Consent of the victim, including instances where the victim is incapable of giving Consent because of age or because of temporary or permanent mental or physical incapacity. An “object” or “instrument” is anything used by the offender other than the offender’s genitalia, e.g., a finger, bottle, handgun, stick.

4. Fondling— The touching of the private body parts of another person for the purpose of sexual gratification, without the Consent of the victim, including instances where the victim is incapable of giving Consent because of age or because of temporary or permanent mental or physical incapacity.

B. Sexual Assault: Nonforcible sexual intercourse

1. Incest—Nonforcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

2. Statutory Rape—Nonforcible sexual intercourse with a person who is under the statutory age of consent.

C. Quid Pro Quo Sexual Harassment: An employee of the College conditioning the provision of aid, benefit, or service on another individual’s participation in unwelcome sexual conduct.

D. Hostile Environment Sexual Harassment as Defined in Title IX Regulation (“Title IX Hostile Environment Sexual Harassment”): Unwelcome conduct based on sex that would be determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to CCS’s Employment or Education Program or Activity.

E. Dating Violence: Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the Complainant. The existence of such a relationship shall be determined based on the Complainant’s statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. Dating violence includes, but is not limited to, sexual or

3.1. POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT²⁵

physical abuse or the threat of such Dating violence does not include acts covered under the definition of domestic violence.

F. Domestic Violence: Violence committed by a current or former spouse or intimate partner of the Complainant; a person with whom the Complainant shares a child in common; a person who is cohabitating with, or has cohabitated with, the Complainant as a spouse or intimate partner; a person similarly situated to a spouse of the Complainant under the domestic or family violence laws of Michigan; by any other person against an adult or youth Complainant who is protected from that person's acts under the domestic or family violence laws of Michigan. To categorize an incident as Domestic Violence, the relationship between the Respondent and the Complainant must be more than just two people living together as roommates. The people cohabitating must be current or former spouses or have an intimate relationship.

G. Stalking: Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for the person's safety or the safety of others or suffer substantial emotional distress. Stalking may include the concept of "cyber-stalking," a particular form of stalking in which a person uses electronic media, such as the internet, social networks, blogs, cell phones, texts, or other similar devices to pursue, harass, or to make unwelcome contact with another person in an unsolicited fashion. When allegations of stalking are unrelated to sex and/or gender-based harassment, cases may be referred to the appropriate office and governed by Policy on Preventing and Addressing Discrimination, Harassment and Retaliation, or other CCS Policy, Code, Handbook or Manual.

V. PRESERVATION OF EVIDENCE

A. Preservation of evidence is critical to potential criminal prosecution and to obtaining restraining/protective orders and is particularly time sensitive. The College will inform the Complainant of the importance of preserving evidence by taking actions, if applicable, such as the following:

1. Sexual Assault

a. Seek forensic medical assistance at the nearest hospital, ideally within 12 hours of the incident (sooner is better);

b. Avoid urinating, showering, bathing, washing hands or face, or douching, if possible, but evidence may still be collected even if you do;

c. If oral sexual contact took place, refrain from smoking, eating, drinking, or brushing teeth;

d. If clothes are changed, place soiled clothes in a paper bag (plastic destroys evidence) or secure evidence container (if provided by law enforcement); and/or

e. Seeking medical treatment can be essential even if it is not for the purpose of collecting forensic evidence.

2. Stalking/Dating Violence/Domestic Violence/Sexual Harassment

a. Evidence in the form of text and voice messages will be lost in most cases if a party or witness changes their phone number;

b. Make a secondary recording of any voice messages and/or save the audio files to a cloud server;

- c. Take screenshots and/or a video recording of any text messages or other electronic messages (e.g., Instagram, Snapchat, Facebook);
- d. Save copies of email and social media correspondence, including notifications related to account access alerts;
- e. Take time-stamped photographs of any physical evidence including notes, gifts, etc. in place when possible;
- f. Save copies of any messages, to include those showing any request for no further contact;
- g. Obtain copies of call logs showing the specific phone number being used rather than a saved contact name if possible;
- h. If changing devices, make sure to transfer any files needed to the new device; and/or
- i. During the initial meeting between the Complainant and the Director, the importance of taking these actions will be discussed, if timely and appropriate.

VI. ADDITIONAL PROHIBITED CONDUCT UNDER THIS POLICY

To the extent that conduct does not fall under the definition of Title IX Quid Pro Quo Sexual Harassment, the following conduct violates CCS Policy, and will be investigated and addressed under Process A:

A. College Policy Quid Pro Quo Sexual Harassment: Unwelcome conduct based on sex where submission to or rejection of such conduct is used, explicitly or implicitly, as the basis for decisions affecting an individual's education, employment, or participation in a College program or activity.

B. Sexual Exploitation: Purposely or knowingly doing one or more of the following without Consent:

- 1. Taking sexual advantage of another person.
- 2. Taking advantage of another's sexuality.
- 3. Exceeding the boundaries of consensual Sexual Contact without the knowledge of the other individual.
- 4. Sexual Exploitation may be committed for any purpose, including sexual arousal or gratification, financial gain, or other personal benefit.
- 5. Examples include, but are not limited to, purposefully or knowingly:
 - a. Causing the incapacitation of another person through alcohol and/or drugs (or any other means) for the purpose of compromising that person's ability to give Affirmative Consent to sexual activity;
 - b. Allowing third parties to observe private sexual activity from a hidden location (e.g., closet) or through electronic means (e.g., Video Calls by any media or livestreaming of images) without consent of all parties;
 - c. Engaging in voyeurism (e.g., watching private sexual activity without the consent of the participants or viewing another person's intimate parts (including genitalia, groin, breasts or buttocks) in a place where that person would have a reasonable expectation of privacy);
 - d. Recording or photographing private sexual activity and/or a person's intimate parts (including genitalia, groin, breasts or buttocks) without consent;
 - e. Disseminating or posting images of private sexual activity and/or a person's intimate parts (including genitalia, groin, breasts or buttocks) without consent;

3.1. POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT²⁷

- f. Maliciously threatening to disclose or disclosing an individual's Sexual Orientation, Gender Identity, or Gender Expression;
- g. Prostituting another person;
- h. Possessing, creating, or distributing child pornography;
- i. Exposing another person to a sexually transmitted infection or virus without the other's knowledge; or
- j. Failing to use contraception or deliberately removing or compromising contraception (Stealth) without the other party's knowledge.

C. Complicity: Complicity is any act taken with the purpose of aiding, facilitating, promoting or encouraging the commission of an act of Prohibited Conduct under this Policy by another person. Examples of complicity include, but are not limited to, restraining another individual during a sexual assault, encouraging someone to commit dating violence or sexual assault, or intentionally not intervening for the purpose of facilitating another person committing Prohibited Conduct

D. Retaliation: No person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX or this Policy, or because the individual has made a report or complaint, testified, assisted, participated, or refused to participate in any manner in an investigation, proceeding, or hearing under Title IX or this Policy.

E. Violation of Supportive Measures

1. Supportive Measures are discussed in more detail in Section IX. Failure to comply with Supportive Measures as required is a separate violation of this Policy.

VII. DEFINITIONS

A. "Complainant" is used to refer to a Student, Employee, or Third Party who is reported to have experienced Prohibited Conduct. A Complainant also typically participates in a process undertaken by CCS to address a report of Prohibited Conduct. In some instances, the person who is reported to have experienced Prohibited Conduct may not wish to participate in the process. In those cases, CCS may pursue a resolution process under this Policy without a participating Complainant. "Complainant" will be used throughout this Policy and related procedures to refer generally to an individual who is reported to have experienced Prohibited Conduct, even if their specific identity is unknown to CCS and/or if they do not participate in any related process.

B. "Confidential And Non-Confidential Resources:

1. "Confidential Resources" are available to provide individuals with assistance, support, and additional information and are prohibited from disclosing confidential information unless: (1) given permission by the person who disclosed the information; (2) there is an imminent threat of harm to self or others; (3) the conduct involves suspected abuse of a minor under the age of 18; or (4) as otherwise required or permitted by law or court order. Confidential Resources may be required to report non-identifying information to CCS's Security Department for crime reporting purposes.

2. "Non-Confidential Resources" are available to provide individuals with assistance, support, and additional information, but may have broader obli-

gations than Confidential Resources to report information that is shared with them. Non-Confidential Resources will make reasonable efforts to respect and safeguard the privacy of the individuals involved. Privacy means that concerns about Prohibited Conduct will only be shared with College representatives responsible for assessment, investigation, or resolution of the report or otherwise properly responding to issues raised; to CCS's Security Department for crime statistics reporting; and to the extent required by law or court order.

C. "Confidential Employees" and "Non-Confidential Employees"

1. "Confidential Employees" are those employees who provide confidential, trauma informed counseling and support. Confidential Employees will not disclose information about Prohibited Conduct reported to them by a student or employee to the Director without the individual's permission, unless there is a continuing threat of serious harm to the patient/client or to others or there is a legal obligation to reveal such information (e.g., where there is suspected abuse or neglect of a minor).

2. "Non-Confidential Employees" are required to report to the Director all relevant details (obtained directly or indirectly) about any incident of Prohibited Conduct that involves a student or an employee as a Complainant, Respondent, and/or witness, including dates, times, locations, and names of parties and witnesses. This includes reports related to on- or off-campus conduct. Non-Confidential Employees are not required to report information disclosed

a. at public awareness events (e.g., "Take Back the Night," candlelight vigils, protests, "survivor speak-outs" or other public forums in which students may disclose incidents of Prohibited Conduct; collectively, "Public Awareness Events");

b. during a student's participation as a subject in an Institutional Review Board-approved human subjects research protocol; or

c. peer support groups.

D. "Consent" is a clear and unambiguous agreement, expressed outwardly through mutually understandable words or actions, to engage in "Sexual Activity."

1. CCS will consider the following issues to determine whether there has been consent within the meaning of this Policy.

a. Did the person initiating Sexual Activity know that the conduct in question was not consensual?

b. If not, would a Reasonable Person who is unimpaired by alcohol or drugs have known that the conduct in question was not consensual?

c. If the answer to either of these questions is "Yes," Consent was absent.

2. Consent is not to be inferred from silence, passivity, or a lack of resistance, and relying on non-verbal communication alone may not be sufficient to determine Consent.

3. Consent is not to be inferred from an existing or previous dating or sexual relationship. Even in the context of a relationship, there must be mutual Consent to engage in any Sexual Activity each time it occurs. In cases involving prior or current relationships, the manner and nature of prior communications

3.1. POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT²⁹

between the parties and the context of the relationship may have a bearing on the presence of Consent.

4. Consent to engage in a particular Sexual Activity at one time is not Consent to engage in a different Sexual Activity or to engage in the same Sexual Activity on a later occasion.

5. Consent can be withdrawn by any party at any point. An individual who seeks to withdraw Consent must communicate, through clear words or actions, a decision to cease the Sexual Activity. Once Consent is withdrawn, the Sexual Activity must cease immediately.

6. Given the inherent power differential in the context of a professional faculty-student, staff-student or supervisor-supervisee interactions, when the Respondent is the faculty member, staff member, or supervisor, the College will generally apply heightened scrutiny to an assertion of Consent.

E. “Employee” means all faculty (i.e., regular instructional, supplemental instructional, research track, and visiting faculty), librarians, archivists, curators, graduate student instructors, graduate student staff assistants, graduate student research assistants, postdoctoral research fellows, and all regular and temporary staff.

F. “Force” includes the use of physical violence, threats, and/or coercion.

1. Physical violence means that a person is exerting control over another person through the use of physical force. Examples of physical violence include hitting, punching, slapping, kicking, restraining, strangling, and brandishing or using any weapon.

2. Threats are words or actions that would compel a Reasonable Person to engage in unwanted Sexual Activity. Threats may be implicit or explicit but must be of such a nature that they would reasonably cause fear.

3. Examples include threats to harm a person physically or to cause a person academic, employment, reputational, or economic harm.

4. Coercion is the use of an unreasonable amount of pressure that would overcome the will of a Reasonable Person. Coercion is more than an effort to persuade, entice, or attract another person to engage in Sexual Activity. When a person makes clear a decision not to participate in a particular Sexual Activity, a decision to stop, or a decision not to go beyond a certain sexual interaction, continued pressure can become coercive.

5. In evaluating whether Coercion was used, CCS will consider:

- a. the frequency, intensity, and duration of the pressure;
- b. the degree of isolation of the person being pressured; and
- c. any actual or perceived power differential between the parties in the context of their respective roles within the College.

G. “Formal Complaint” means a document signed/filed by a Complainant or by the Title IX Coordinator or an electronic submission (e.g. email) containing the allegations that a Respondent engaged in Prohibited Conduct and requesting initiation of the CCS’s resolution processes.

H. “Incapacitation” or “Incapacitated” means that a person lacks the ability to make informed, deliberate choices about whether or not to engage in Sexual Activity.

1. Consent cannot be gained by taking advantage of the Incapacitation of another, where the person initiating Sexual Activity knows or reasonably should know that the other is Incapacitated.

2. A person who is Incapacitated is unable to give Consent because of mental or physical helplessness, sleep, unconsciousness, or lack of awareness that Sexual Activity was requested, suggested, initiated, and/or is taking place. A person may be Incapacitated as a result of the consumption of alcohol or other drugs, or due to a temporary or permanent physical or mental health condition.

3. When alcohol or other drugs are involved, Incapacitation is a state beyond drunkenness or intoxication. A person is not necessarily Incapacitated solely as a result of drinking or using drugs; the level of impairment must be significant enough to render the person unable to give Consent.

4. In evaluating Consent in cases of alleged Incapacitation, CCS considers:

a. Did the person initiating Sexual Activity know that the other party was Incapacitated?

b. If not, would a REASONABLE PERSON who is unimpaired by alcohol or drugs have known that the other party was Incapacitated?

c. If the answer to either of these questions is “Yes,” Consent was absent.

5. One is not expected to be a medical expert in assessing Incapacitation by drugs or alcohol. One must look for the common and obvious signs that show that a person may be Incapacitated, regardless of the amount of alcohol or drugs consumed. Although every individual may manifest signs of Incapacitation differently, typical signs include slurred or incomprehensible speech, unsteady manner of walking, combativeness, emotional volatility, vomiting, unconsciousness, or incontinence.

6. A person who is Incapacitated may not be able to understand some or all of the following questions:

a. Do you know where you are?

b. Do you know how you got here?

c. Do you know what is happening?

d. Do you know whom you are with?

7. It is important to be cautious before engaging in Sexual Activity when any person involved has been drinking alcohol or using drugs. The use of alcohol or other drugs may impair an individual’s ability to determine whether Consent has been sought or given. If there is doubt about an individual’s level of intoxication, the safe thing to do is to refrain from engaging in Sexual Activity. Being impaired by alcohol or other drugs is not a defense to a failure to obtain Consent.

I. “Mandatory Reporters” are individuals who are required to share with the Director of Civil Rights and Title IX Compliance, information they receive about alleged Prohibited Conduct. Individuals With Reporting Obligations are:

1. College administrators and supervisors;

CCS Faculty and Employees (including Student-Employees), other than those deemed Confidential Employees, are Mandated Reporters and are expected to promptly report all known details of actual or suspected Title Prohibited Con-

3.1. POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT³¹

duct to appropriate officials immediately, although there are some limited exceptions.

J. A “Program or Activity” includes:

1. any location, event, or circumstance where the College exercises substantial control over both the Respondent and the context in which conduct occurs;
 2. any building owned or controlled by a Student Organization recognized by CCS; and
 3. a College campus.
4. Conduct that occurs off campus in locations or at events with no connection to the College is unlikely to occur in a Program or Activity of CCS.

K. “Protected Activity” includes most elements of participation in CCS’s processes related to this Policy, including but not limited to reporting Prohibited Conduct; pursuing a resolution of Prohibited Conduct; providing evidence in any investigation or Hearing related to Prohibited Conduct; or intervening to protect others who may have experienced Prohibited Conduct. Retaliation against any person because of Protected Activity is prohibited under this Policy.

L. “Reasonable Person” means a person using average care, intelligence, and judgment in the known circumstances.

M. “Respondent” is an individual who is reported to have engaged in conduct that could constitute Prohibited Conduct. “Respondent” will be used throughout this Policy and related procedures to refer generally to an individual who is reported to have engaged in conduct that could constitute Prohibited Conduct, even if their specific identity is unknown to CCS and/or unknown to the Complainant, and/or even if they do not participate in any related process.

N. “Sexual Activity” refers to any conduct of a sexual nature for which Consent is required under this Policy. A person who initiates Sexual Activity is responsible for obtaining Consent for that conduct. Consent cannot be obtained by Force or in circumstances involving Incapacitation, which are defined in this Section.

O. “Student” generally means an individual who has gained admission to, and/or an individual who was admitted for enrollment in, an academic Program or Activity operated by the College, from the time they are admitted until either degree conferral or they are otherwise ineligible to register for courses without seeking readmission, and/or a person who has gained admission to CCS (to the extent to which CCS has a reasonable opportunity to control the environment in which the conduct is alleged to have occurred and/or the interactions between the parties).

P. “Supportive Measures” are individualized services, accommodations, and other assistance that CSS offers and may put in place, without fee or charge. Supportive Measures are designed to restore or preserve equal access to the College’s Programs and Activities, protect the safety of all parties and the College’s educational environment, and/or deter Prohibited Conduct, without being punitive or disciplinary in nature or unreasonably burdening the other party.

Q. “Third Party” means all CCS regents, contractors, guests, vendors, visitors, volunteers, and any individual who is participating in a College Program

or Activity, but who, for purposes of alleged Prohibited Conduct, has not gained admission to and/or is not enrolled in an academic program and/or course at the College and/or who is not acting as an Employee (e.g., an individual who is participating in a summer camp; an individual who is attending a Program or Activity by invitation or that is open to the public; or an individual who is not enrolled in an academic program and/or course at CCS, but who is participating in a College study abroad program).

VIII. REPORTING

A. Report of a Violation of Title IX

1. A report provides the Notice of an allegation or concern about Prohibited Conduct or Other Prohibited Conduct. It allows the Director to provide information, resources, and supportive measures.

2. Reporting carries no obligation to file a Formal Complaint, and in most situations, the College is able to respect a Complainant's request not to initiate an investigation or other appropriate resolution procedures.

a. However, there may be circumstances, such as pattern behavior, allegations of severe misconduct, or a compelling threat to health and/or safety, where the College may need to initiate an investigation or other appropriate resolution procedures.

3. If a Complainant does not wish to file a Formal Complaint, the College will maintain the privacy of information to the extent possible. The Complainant should not fear a loss of privacy by submitting a report that allows the College to discuss and/or provide supportive measures, in most circumstances.

B. Formal Complaint

A Formal Complaint informs the College that the Complainant would like to initiate an investigation or other appropriate resolution procedures. A Complainant or individual may initially make a report and may decide at a later time to make a Formal Complaint. Reports or Formal Complaints may be made using any of the following options:

1. Verbal Notice to the Director or one of the Director's staff in the Director's Office.

2. Written report or Formal Complaint may be made at any time (including during non-business hours) by email or by mail, to the office of the Director.

a. mhamilton@ccsdetroit.edu or Michelle Hamilton, 201 E. Kirby, Detroit, MI 48202

C. Anonymous Reports.

Anonymous reports are accepted but the report may give rise to a need to determine the Parties' identities. Anonymous reports typically limit the College's ability to investigate, respond, and provide remedies, depending upon what information is shared. Measures intended to protect the community or redress or mitigate harm may be enacted. It also may not be possible to provide supportive measures to Complainants who are the subject of anonymous reports.

D. Reports by Mandated Reporters

1. All CCS Faculty and Employees (including Student-Employees), other than those deemed Confidential Employees, are Mandated Reporters and are expected to promptly report all known details of actual or suspected Prohibited

3.1. POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT³³

Conduct to appropriate officials immediately, although there are some limited exceptions. Supportive measures may be offered as the result of such disclosures without formal CCS action.

2. If a Complainant wishes to pursue formal action regarding their allegations, they may report the incident to any Mandated Reporter. The Mandated Reporter will connect the Complainant with appropriate resources for reporting potential crimes and/or policy violations and will promptly forward the report to the Director.

a. Mandated Reporters are obliged to notify the Director of any potential allegations. Upon receiving the report, the Director will reach out to the Complainant to discuss next steps, including the option of involving law enforcement.

b. If a Complainant specifically asks that law enforcement be contacted, the Mandated Reporter will first inform the Director Civil Rights and Title IX Compliance, then immediately notify the appropriate authorities.

E. Anonymous Notice to Mandated Reporters

1. At the request of a Complainant, a Mandated Reporter may give the Director notice without identifying the Complainant. The Mandated Reporter cannot remain anonymous themselves.

2. If a Complainant has requested that a Mandated Reporter maintain the Complainant's anonymity, the Mandated Reporter may do so unless it is reasonable to believe that a compelling threat to health or safety could exist. The Mandated Reporter can consult with the Director on that assessment without revealing personally identifiable information.

3. Anonymous notices will be investigated by the Director to the extent possible, both to assess the underlying allegation(s) and to determine if supportive measures or remedies can be provided. However, anonymous notices typically limit the Director's ability to investigate, respond, and provide remedies, depending on what information is shared.

4. When a Complainant has made a request for anonymity, the Complainant's personally identifiable information may be withheld by a Mandated Reporter, but all other details must be shared with the Director. Mandated reporters may not be able to maintain requests for anonymity for Complainants who are minors, elderly, and/or disabled, depending on state reporting of abuse requirements. Consult with the Director in such situations.

5. Mandated Reporters who fail to report an incident of Prohibited Conduct of which they become aware, violate CCS policy and can be subject to disciplinary action for failure to comply/failure to report.

a. This also includes situations when a Respondent is a Mandated Reporter. Such individuals are obligated to report their own misconduct, and failure to do so is a chargeable offense under the Policy.

F. Reporting options for a Complainant or third party (including parents/guardians when appropriate) seeking Confidential Resources only:

1. Confidential Resources

To enable Complainants to access support and resources without filing a Formal Complaint, CCS has designated specific employees as Confidential Resources. Those designated by the College as Confidential Resources are not re-

quired to report Prohibited Conduct in a way that identifies the Parties. They will, however, provide the Complainant with the Director's contact information and offer options and resources without any obligation to inform an outside agency or CCS official unless a Complainant has requested the information be shared.

2. If a Complainant would like the details of an incident to be kept confidential, the Complainant may speak with the following:

- a. On-campus licensed professional counselors and staff;
- b. U-will, online telehealth platform for students and employees; or
- c. Institutional counselors are available to help free of charge and may be consulted on an emergency basis during normal business hours.

3. In addition, Complainants may speak with individuals unaffiliated with the CCS without concern that the Policy will require them to disclose information to the institution without permission. Such individuals include:

- a. Licensed professional counselors and other medical providers
- b. Local rape crisis counselors
- c. Domestic Violence resources
- d. Local or state assistance agencies
- e. Clergy/Chaplains
- f. Attorneys

G. Confidential Employees, as defined in this policy, who receive reports within the scope of their confidential roles, will timely submit anonymous statistical information for Clery Act purposes unless they believe it would be harmful.

H. Time Limits on Reporting

1. There is no time limitation on providing Notice/Formal Complaints to the Director. However, if the Respondent is no longer subject to the College's jurisdiction and/or significant time has passed, the ability to investigate, respond, and/or provide remedies may be more limited or impossible.

2. Acting on Notice/Formal Complaints significantly impacted by the passage of time (including, but not limited to, the rescission or revision of Policy) is at the Director's discretion; they may document allegations for future reference, offer supportive measures and/or remedies, and/or engage in informal or formal action, as appropriate.

IX. CONFIDENTIAL AND NON-CONFIDENTIAL RESOURCES

A. Supportive (Interim) Measures are available at CCS. Some of these are designated as Confidential Resources. Others provide support but may need to involve the Director of Civil Rights and Title IX or the Security Department.

1. Regardless of whether the College determines that Prohibited Conduct occurred, the College will offer resources or assistance to Complainants, Respondents, Witnesses, and other affected Community members after receiving notice of Alleged Prohibited Conduct. CCS will also assist those individuals in identifying and contacting external law enforcement agencies and community resources.

2. Confidential Resources and Non-Confidential Resources are generally available regardless of whether an individual reports, makes a Formal Complaint, participates in a resolution process under this Policy, whether the alleged

3.1. *POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT* 35

conduct occurred outside the scope of this Policy, or whether the Complainant knows the specific identity of the Respondent.

B. The Director of Civil Rights and Title IX may, in their discretion, designate specific programs or events as confidential, under appropriate circumstances.

C. Non-Confidential Resources

Non-Confidential Resources are available to provide individuals with assistance, support, and additional information, but who are not designated as confidential and may have broader obligations to report information that is shared with them. Non-Confidential Resources will make reasonable efforts to respect and safeguard the privacy of the individuals involved. Privacy means that concerns about Prohibited Conduct will only be shared with CCS representatives for assessment, investigation, or resolution of the report or otherwise properly responding to issues raised; to the Security Department for crime statistics reporting; and to the extent required by law or court order.

D. Emergency Measures.

1. The College can act to remove a Student Respondent accused of Title IX Sexual Harassment from its Education Program or Activities, partially or entirely, on an emergency basis when an individualized safety and risk analysis has determined that an immediate threat to the physical health or safety of any Student or other individual justifies removal.

a. This risk analysis is performed by the Director and may be done in conjunction with the Behavioral Intervention Team using its standard objective violence risk assessment procedures.

2. Students accused of other forms of Discrimination, Harassment, or Other Prohibited Conduct (not Sex-based) are subject to interim suspension, which can be imposed for safety reasons.

3. Employees are subject to existing procedures for interim actions and leaves.

X. AMNESTY

The CCS community encourages the reporting of misconduct and crimes by Complainants and witnesses. Sometimes, Complainants or witnesses are hesitant to report alleged misconduct to CCS officials or participate in resolution processes because they fear that they themselves may be in violation of certain policies, such as underage drinking or use of illicit drugs at the time of the incident. Respondents may hesitate to be forthcoming during the process for the same reasons.

It is in the best interests of the CCS community that Complainants choose to report misconduct to CCS officials, that witnesses come forward to share what they know, and that all Parties be forthcoming during the process.

A. Amnesty for Minor Policy Violations

To encourage reporting and participation in the process, CCS offers Parties and witnesses amnesty from minor policy violations, such as underage alcohol consumption or the use of illicit drugs, related to the incident. Granting amnesty is a discretionary decision made by the College, and amnesty does not apply

to more serious allegations, such as physical abuse of another or illicit drug distribution.

1. Students

The College also maintains an amnesty policy for Students in addition to witnesses who offer help to others in need.

2. Employees

Sometimes, Employees are hesitant to report for fear that they may get in trouble themselves. The College may, at its discretion, offer Employee Complainants amnesty from such policy violations (typically more minor policy violations) related to the incident.

XI. CLERY ACT COMPLIANCE AND TIMELY WARNINGS

If a report of Prohibited Conduct discloses a serious and immediate threat to the campus community, CCS Campus Safety and Security Department will issue a timely notification to protect the health or safety of the community as required by the Clery Act. The notification will not include identifying information about a Reporting Party.

Pursuant to the Clery Act and the 2019 Amendments to the Violence Against Women Act, anonymous statistical information regarding reported criminal incidents must be shared with the CSS Campus Safety and Security Department for inclusion in the Daily Crime Log. This information will also be included in the College's Annual Security Report. CCS may also share aggregate and not personally identifiable data about reports, outcomes, and sanctions.

XII. PREVENTION AND AWARENESS TRAINING PROGRAMS

CCS provides training to students and employees on this Policy and topics and issues related to maintaining an education and employment environment free from harassment and discrimination. All employees are required to attend Title IX training as part of orientation and then complete an in-person online training annually.

The Director, Title IX Investigators, Title IX Case Managers and supporting Staff, and Title IX Hearing/Appeal Officers shall all receive training as required in the Title IX Regulations, including training on the definition of sexual harassment under the Title IX Regulations and this Policy, the scope of the College's education program or activity, how to conduct an investigation and grievance process including hearings, appeals, and informal resolution processes, as applicable, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. Additionally, Title IX Hearing/Appeal Officers shall receive training on any technology to be used at a hearing and on issues of relevance of questions and evidence, including when questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant. Title IX Investigators shall receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence. All trainings shall be available on the Title IX website.

XIII. OBLIGATION TO PROVIDE TRUTHFUL INFORMATION

All CCS community members are expected to provide truthful information in any report or proceedings under this Policy. Submitting or providing false or misleading information in bad faith or with a view to personal gain or intentional

3.1. POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT³⁷

harm to another in connection with an incident of Prohibited Conduct is prohibited and subject to disciplinary sanctions under the College's Student Code of Conduct and disciplinary action under the appropriate employee disciplinary policy. This provision does not apply to reports made or information provided in good faith, even if the facts alleged in the report are not later substantiated.

PROCESS A

PROCESS A

COLLEGE FOR CREATIVE STUDIES PROCEDURES FOR ALLEGED VIOLATIONS OF ITS SEXUAL MISCONDUCT AND OTHER ACTS OF INTERPERSONAL VIOLENCE

(TITLE IX POLICY)

1. Overview

The College will act on any Notice/Formal Complaint of violation of the College for Creative Studies Sexual Misconduct and Other Acts of Interpersonal Violence Policy ("the Title IX Policy"), or the Policy on Preventing and Addressing Discrimination, Harassment and Retaliation that the Director of Civil Rights and Title IX Compliance ("the Director") or any other Official with Authority receives. The College uses two sets of procedures, known as Process A and Process B. Process A is compliant with the federal Title IX regulations. It involves an investigation and live hearing, including cross-examination. It also includes an Informal Resolution option.

Process A is applicable to all Formal Complaints of Title IX Policy.

All other behaviors occurring off campus and/or outside of the College's Education Program or Activity that are covered by the Policy are subject to resolution under Process B, which is less formal than Process A. Occasionally, a Formal Complaint will include conduct that falls within both Processes A and B. When that occurs, Process A will typically be used to address all allegations. The choice between applying Process A or B is solely at the Director's discretion.

2. Notice/Complaint

Upon receipt of Notice or a Formal Complaint of an alleged Policy violation, the Director will initiate a prompt initial assessment to determine the College's next steps. The Director will contact the Complainant to offer supportive measures, provide information regarding resolution options, and determine how they wish to proceed.

3. Initial Assessment

The Director conducts an initial assessment, typically within five (5) business days of receiving Notice or a Formal Complaint. The initial assessment typically includes:

- Assessing whether the reported conduct may reasonably constitute a Policy violation
- Determining whether the reported conduct falls within the scope of the Policy
- Offering and coordinating supportive measures for the parties
- Notifying the Complainant, or the person who reported the allegation(s), of the available resolution options
- Determining whether the Complainant wishes to file a Formal Complaint
- Notifying the Respondent of the available resolution options if a Formal Complaint is made

4. Helping a Complainant Understand Resolution Options

If the Complainant indicates they wish to file a Formal Complaint, the Director will work with the Complainant to determine which resolution option they prefer. The Director will seek to abide by the Complaint's wishes but may have to take another approach depending upon their assessment of the situation.

If the Formal Grievance Process is pursued, the Director will initiate an investigation.

If any party indicates that they want to pursue an Informal Resolution option, the Director will refer the matter to the appropriate individuals(s) if the Director determines Informal Resolution is available and the other Parties consent to participate. Informal Resolution cannot be used to resolve a Formal Complaint of Title IX Sexual Harassment involving an Employee Respondent and a Student Complainant.

If the Complainant does not want any action taken, the Director will consider that request. Typically, allegations of Student-on-Student and Employee-on-Employee misconduct will not prompt the Formal Grievance Process unless deemed necessary by the Director, though the Complainant can elect to pursue the formal process in the future. The Director may need to refer allegations of Employee-on-Student misconduct to the Formal Grievance Process regardless of the Complainant's wishes, depending on the nature of the allegations.

The Director may consider elements such as patterns of behavior, predation, grooming behaviors, threats, violence, use of weapons, or involvement of minors in determining whether to sign a Formal Complaint.

5. Administrator Authority to Initiate a Complaint

The Director has ultimate discretion as to whether a Formal Complaint is made and may consult with appropriate CCS Employees, and/or conduct a

3.1. POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT 39

violence risk assessment to aid their determination whether to sign a Formal Complaint on behalf of the Complainant.

If a Complainant is not participating or attempting to participate in the CCS's Education Program or Activity at the time of making a Formal Complaint, they can request that the Director sign a Formal Complaint. When the Director signs a Formal Complaint, they do not become the Complainant. The Complainant is the person who experienced the alleged misconduct. If the Director declines to sign a Formal Complaint, alternative processes may be available and can be explored with the Director.

6. Collateral Misconduct

Collateral misconduct includes potential violations of other CCS policies that occur in conjunction with alleged violations of the Policy, or that arise through the course of the investigation, for which it makes sense to provide one resolution for all allegations. Thus, the collateral allegations may be charged along with potential violations of the Policy, to be resolved jointly under these Procedures. In such circumstances, the Director may consult with other CCS officials who typically oversee such conduct (e.g., Human Resources, Student Conduct, Academic Affairs) to solicit their input as needed on what charges should be filed, but the exercise of collateral charges under these procedures is within the Director's discretion. All other allegations of misconduct unrelated to incidents covered by the Policy will typically be addressed separately through procedures described in the Student, Faculty, and Staff handbooks.

7. Dismissal (Mandatory and Discretionary)

a. The College must dismiss a Formal Complaint or any allegations therein if, at any time during the investigation or hearing, it is determined that:

i. The conduct alleged in the Formal Complaint would not constitute Title IX Sexual Harassment as defined above, even if proven;

ii. The Sex-based conduct did not occur in the College's Education Program or Activity (including buildings or property controlled by recognized student organizations) and/or the College does not have control of the Respondent;

iii. The Sex-based conduct did not occur against a person in the United States and was not affiliated with any international CCS program such as study abroad programs; and

iv. The Complainant alleging Sex-based conduct is not participating in or attempting to participate in the CCS's Education Program or Activity at the time of filing the Formal Complaint, and based on the available information, the Director has determined that they do not need to sign a Formal Complaint on behalf of the College.

b. The Director may dismiss a Formal Complaint or any allegations therein if at any time during the investigation or hearing:

i. A Complainant notifies the Director of Civil Rights and Title IX Compliance in writing that the Complainant would like to withdraw the Formal Complaint or any allegations therein;

ii. The Respondent is no longer enrolled in or employed by the College;

iii. Specific circumstances prevent the College from gathering sufficient evidence to reach a determination as to the Formal Complaint or allegations therein

c. A Complainant who decides to withdraw a Formal Complaint may later request to reinstate it or refile it.

d. Upon any dismissal, the Director will promptly and simultaneously send the parties written notice of the dismissal and the rationale for doing so.

e. This dismissal decision is appealable by any party. The decision not to dismiss is also appealable by any party claiming that a dismissal is required or appropriate.

f. When the Director has signed a Formal Complaint and later determines that the basis for signing is no longer compelling, the Director may rescind the Formal Complaint and notify the parties accordingly. This is not a dismissal, and there is no opportunity to appeal because the Complainant may still file a Formal Complaint if they wish to, in most circumstances.

g. A complaint that has been dismissed may still be referred to other relevant CCS departments if the conduct described constitutes a violation of additional CCS policies.

8. Appeal of Dismissal

The parties may appeal a decision to dismiss or not to dismiss their Formal Complaint. All dismissal appeal requests must be filed within three (3) business days of the notification of the dismissal decision.

i. A dismissal may be appealed on the following grounds:

(1) A procedural irregularity affected the outcome of the matter;

(2) New evidence that was not reasonably available at the time the determination regarding dismissal was made, that could affect the outcome of the matter;

(3) The Director, Investigator(s), or Decision-maker(s) had a conflict of interest or bias for or against Complainants or Respondents generally or the specific Complainant or Respondent that affected the outcome of the matter; and

(4) The dismissal was erroneously granted or denied.

ii. The appeal should specify at least one of the grounds above and provide any reasons or supporting evidence for why the ground is met. Upon receipt of a written dismissal appeal request from one or more parties, the Director will share the request and supporting documentation with all other parties and provide three (3) business days for other parties and the Director to respond to the request. At the conclusion of the response period, the Director will forward the request, as well as any response provided by the other parties and/or the Director to the Dismissal Appeal Decision-maker for consideration.

(1) If the appeal request does not provide information that meets the grounds in the Policy, the Dismissal Appeal Decision-maker will deny the request, and the parties, their advisors, and the Director will be notified in writing of the denial and the rationale.

(2) If any of the asserted grounds in the appeal satisfy the grounds described in the Policy, then the Dismissal Appeal Decision-maker will notify all parties and their advisors, and the Director of their decision and rationale in writing. The effect will be to reinstate the Complaint.

iii. In most circumstances, appeals are confined to a review of the written documentation or record of the original determination and pertinent documen-

3.1. *POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT* 41

tation regarding the specific appeal grounds. The Dismissal Appeal Decision-maker has seven (7) business days to review and decide on the appeal, though extensions can be granted at the Director's discretion, and the parties will be notified of any extension.

iv. Appeal decisions are deferential to the original determination, making changes only if there is a compelling justification to do so.

v. The Dismissal Appeal Decision-maker may consult with the Director and/or legal counsel on questions of procedure or rationale for clarification, if needed. The Director will maintain documentation of all such consultations.

9. Emergency Removal/Interim Suspension of a Student

The College may remove a student accused of Title IX Policy violations emergently upon receipt of a Formal Complaint or at any time during the Formal Grievance Process.

a. Prior to an emergency removal, the College will conduct an individualized risk assessment and may remove the student if that assessment determines that an immediate threat to the physical health or safety of any student or other individual justifies removal.

b. When an emergency removal or interim suspension is imposed, wholly or partially, the affected student will be notified of the action, which will include a written rationale, and the option to challenge the emergency removal or interim suspension within two (2) business days of the notification.

c. Upon receipt of a challenge, the Director will meet with the student (and their Advisor, if desired) as soon as reasonably possible thereafter to allow them to show cause why the removal/action should not be implemented or should be modified.

(1) This meeting is not a hearing on the merits of the allegation(s), but rather is an administrative process intended to determine solely whether the emergency removal or interim suspension is appropriate, should be modified, or should be lifted.

(2) When this meeting is not requested within two (2) business days, objections to the emergency removal or interim suspension will be deemed waived.

(3) A student can later request a meeting to show why they are no longer an immediate threat because conditions related to the threat have changed.

(4) A Complainant and their Advisor may be permitted to participate in this meeting if the Director determines it is equitable for them to do so.

(5) The Respondent may provide information, including expert reports, witness statements, communications, or other documentation for consideration prior to or during the meeting. When applicable, a Complainant may provide information to the Director for review.

d. An emergency removal or interim suspension may be affirmed, modified, or lifted as a result of a requested review or as new information becomes available. The Director will communicate the final decision in writing, typically within three (3) business days of the review meeting.

10. Placing Employees on Leave

When the Respondent is an Employee, or a Student-Employee accused of misconduct in the course of their employment, existing provisions in the Staff

Handbook and Faculty Handbook for interim action are typically applicable instead of the above emergency removal process.

11. Counter-Complaints

The College is obligated to ensure that the Formal Grievance Process is not abused for retaliatory purposes. Although the College permits the filing of counter-complaints, the Director will use an initial assessment, described above, to assess whether the allegations in the counter-complaint are made in good faith. When counter-complaints are not made in good faith, they will not be permitted. They will be considered potentially retaliatory and may constitute a Policy violation.

Counter-complaints determined to have been reported in good faith will be processed using the Formal Grievance Process. At the Director's discretion, investigation of such claims may take place after resolution of the underlying initial Formal Complaint.

12. Advisors in the Formal Grievance Process

The parties may each have an Advisor of their choice present with them for all meetings, interviews, and hearings within the Formal Grievance Process, if they choose.

Choosing an Advisor who is also a witness in the process creates potential for bias and conflict of interest. A party who chooses an Advisor who is also a witness can anticipate that issues of potential bias will be explored by the Decision-maker.

a. Who Can Serve as an Advisor

i. The parties may each have an Advisor (friend, mentor, family member, attorney, or any other individual a party chooses) present with them for all meetings, interviews, and hearings within the resolution process, including intake. The parties may select whomever they wish to serve as their Advisor as long as the Advisor is eligible and available. Parties have the right to choose not to have an Advisor in the initial stages of the Formal Grievance Process, prior to a hearing.

ii. The Director will offer to assign a trained Advisor to any party. If the parties choose an Advisor from the College's Resolution Process Pool, the Director will have trained the Advisor and familiarize them with the College's Formal Grievance Process. College-appointed advisors are employees of the college and are bound by rules of confidentiality. Therefore, they do not need to have a signed release.

iii. The College cannot guarantee equal advisory rights, meaning that if one party selects an Advisor who is an attorney, but the other party does not, or cannot afford an attorney, the College is not obligated to provide an attorney to advise that party. However, all institutionally appointed Advisors will be provided with similar training.

iv. If the parties choose an Advisor from outside the Resolution Process Pool, the Advisor may not have been trained by the College and may not be familiar with CCS's policies and procedures.

(1) Any Advisor outside of the Resolution Process Pool will need to have a signed release from the Complainant/Respondent stating the Director can share

3.1. *POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT* 43

all case information with the Advisor. Until that release is signed, the Director must not share any case information with that Advisor.

v. A party may elect to change Advisors during the process and is not obligated to use the same Advisor throughout. Parties are expected to provide the Director with timely notification if they change Advisors.

(1) If a party changes Advisors, consent to share information with the previous Advisor is assumed to be terminated, and a release for the new Advisor must be submitted.

vi. The College may permit parties to have more than one Advisor, or an Advisor and a support person, upon special request to the Director. The decision to grant this request is at the Director's sole discretion and will be granted equitably to all parties.

vii. If a party requests that all communication be made through their attorney Advisor instead the College will agree to copy both the party and their Advisor on all communications.

b. Advisor's Role in the Formal Grievance Process

i. Advisors should help the parties to prepare for each meeting or hearing and are expected to advise ethically, with integrity, and in good faith. Advisors may not provide testimony or speak on behalf of their advisee unless given specific permission to do so.

ii. The parties are expected to respond to questions on their own behalf throughout the Formal Grievance Process. Although the Advisor generally may not speak on behalf of their advisee, except for conducting cross-examination during a hearing, the Advisor may consult with their advisee, either privately as needed,. For longer or more involved discussions, the parties and their Advisors should ask for breaks to allow for private consultation.

iii. The Title IX Regulations require a form of indirect questioning during the hearing, which must be conducted by the Parties' Advisors. The parties are not permitted to directly question each other or any witnesses. If a party does not have an Advisor for a hearing, the College will appoint a trained Advisor for the limited purpose of conducting any questioning of the parties and witnesses.

c. Records Shared with Advisors

i. Advisors are entitled to the same opportunity as their advisee to receive copies of the Draft and Final Investigation Reports, as well as the Directly Related Evidence file. Parties will be asked to sign releases for the Director to share materials with an Advisor.

ii. Advisors are expected to maintain the confidentiality of the records the Director shares with them. The Director may restrict the role of any Advisor who does not respect the sensitive nature of the process or who fails to abide by the college's confidentiality expectations.

d. Advisor Expectations

i. The Director generally expects an Advisor to adjust their schedule to allow them to attend investigative meetings/interviews/hearings when planned, but the Director may change scheduled meetings/interviews/hearings to accommodate an Advisor's inability to attend, if doing so does not cause an unreasonable delay.

ii. The Director may also make reasonable provisions to allow an Advisor who cannot be present in person to attend a meeting/interview/hearing by telephone, video conferencing, or other similar technologies as may be convenient and available.

iii. All Advisors are subject to the same CCS policies and procedures, whether they are attorneys or not, and whether they are selected by a party or appointed by the College. Advisors are expected to advise without disrupting proceedings.

e. Advisor Policy Violations

Any Advisor who oversteps their role as defined by the Policy, who shares information or evidence in a manner inconsistent with the Policy, or who refuses to comply with the College's established rules of decorum will be warned. If the Advisor continues to disrupt or otherwise fails to respect the limits of the Advisor role, the meeting/interview/hearing may be ended, or other appropriate measures implemented, including the College requiring the party to use a different Advisor or providing a different CCS-appointed Advisor. Subsequently, the Director will determine how to address the Advisor's non-compliance and future role.

13. Resolution Options Overview

a. Formal Resolution Process

The Formal Grievance Process is the College's primary resolution approach unless all parties and the Director agree to an Informal Resolution. The process considers the parties' preferences but is ultimately determined at the Director's discretion.

i. Resolution proceedings are private. All persons present at any time during a resolution process are expected to maintain the privacy of the proceedings in accordance with the Policy. If the privacy of the case is compromised, the Director will open an additional investigation to preserve the integrity of the case.

ii. There is an expectation of privacy around what Investigators share with parties during interviews and for any materials the institution shares with the Parties during the resolution process. The parties have discretion to share their own knowledge and evidence with others if they choose, except for information the parties agree not to disclose as part of an Informal Resolution. CCS encourages parties to discuss any sharing of information with their Advisors before doing so.

iii. The procedures for the Formal Grievance Process are described in Section 14.

b. Informal Resolution

To initiate Informal Resolution, a Complainant or Respondent may make such a request to the Director at any time prior to a Final Determination, or the Director may offer the option to the parties. The Director will obtain voluntary, written confirmation that all parties wish to resolve the matter through Informal Resolution before proceeding and will not pressure the parties to participate in Informal Resolution. To engage in Informal Resolution, a Complaint must first submit a Formal Complaint.

3.1. POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT⁴⁵

i. Three approaches to Informal Resolution are detailed in this section.

(1) Supportive Resolution. When the Director can resolve the matter informally by providing supportive measures (only) designed to remedy the situation. Supportive Resolution involves only the party who opts for it.

a. Most commonly offered once a Formal Complaint is filed (whereas supportive measures, as described in Section 9 of the Policy, are offered in response to Notice). The Director will meet with the Complainant to determine reasonable supports that are designed to restore or preserve the Complainant's access to the College's Education Program and Activity.

b. Such supports can be modified as the Complainant's needs evolve over time or circumstances change.

c. If the Respondent has received the Notice of Investigation and Allegations, the Director may also provide reasonable support for the Respondent as deemed appropriate.

d. This option is available when the Complainant does not want to engage the other resolution options and the Director does not believe there is a need to sign a Formal Complaint.

e. At the discretion of the Director, this resolution option can result in an agreement between the Complainant and the College that does not require assent from any other party, as long as it does not unduly burden any other party or function punitively with respect to them.

(2) Accepted Responsibility. When the Respondent accepts responsibility for violating Policy and accepts the recommended sanction(s), and the Complainant(s) and the Director are agreeable to the resolution terms.

a. The Respondent may accept responsibility for any or all of the alleged Policy violations at any point during the Formal Grievance Process. If the Respondent indicates an intent to accept responsibility for all alleged Policy violations, the ongoing process will be paused, and the Director will determine whether Informal Resolution is an option.

b. If Informal Resolution is available, the Director will determine whether all parties and the College are able to agree on responsibility, restrictions, sanctions, restorative measures, and/or remedies. If so, the Director implements the accepted Finding that the Respondent is in violation of CCS Policy, implements agreed-upon restrictions and remedies, and determines any other appropriate responses in coordination with other appropriate administrator(s), as necessary.

c. This resolution is not subject to appeal once all parties indicate their written agreement to all resolution terms. When the parties cannot agree on all terms of resolution, the Formal Grievance Process will either begin or resume.

d. When a resolution is reached, the appropriate sanction(s) or responsive actions are promptly implemented to effectively stop the Discrimination or Harassment, prevent its recurrence, and remedy the effects of the discriminatory conduct, both on the Complainant and the community.

(3) Alternative Resolution. When the parties agree to resolve the matter through an alternative resolution mechanism (which could include, but is not limited to, mediation, shuttle negotiation, restorative practices, facilitated dialogue, etc.), as described below.

a. The College offers a variety of alternative resolution mechanisms to best meet the specific needs of the parties and the nature of the allegations.

i. Alternative resolution may involve agreement to pursue individual or community remedies, including targeted or broad-based educational programming or training; supported direct conversation or interaction between the parties; indirect action by the Director or other appropriate CCS officials; and other forms of resolution that can be tailored to the needs of the parties. Some alternative resolution mechanisms will result in an agreed-upon outcome, while others are resolved through dialogue.

b. All parties must consent to the use of an alternative resolution approach, and the parties may, but are not required to, have direct or indirect contact during an alternative resolution process.

c. The Director has the authority to determine whether alternative resolution is available or successful, to facilitate a resolution that is acceptable to all Parties, and/or to accept the parties' proposed resolution, usually through their Advisors, often including terms of confidentiality, release, and non-disparagement.

d. Parties do not have the authority to stipulate restrictions or obligations for individuals or groups that are not involved in the alternative resolution process. The Director will determine whether additional individual or community remedies are necessary to meet the institution's compliance obligations in addition to the alternative resolution.

e. The Director maintains records of any resolution that is reached and will provide notification to the parties of what information is maintained. Failure to abide by the resolution agreement may result in appropriate responsive/disciplinary actions (e.g., dissolution of the agreement and resumption of the Formal Grievance Process, referral to the conduct process for failure to comply, application of the enforcement terms of the agreement). Where the failure to abide by the Informal Resolution agreement terms results in a failure to remedy a Policy violation, the Director must consider whether to dissolve the agreement and reinstate the Formal Grievance Process to remedy the impact as required by law. The results of Formal Complaints resolved by alternative resolution are not appealable.

f. If an Informal Resolution option is not available or selected, the Director will initiate or continue an investigation and subsequent Formal Grievance Process to determine whether the Policy has been violated.

ii. It is not necessary to pursue Informal Resolution first in order to pursue a Formal Grievance Process. Any party participating in Informal Resolution can withdraw from the Informal Resolution process at any time and initiate or resume the Formal Grievance Process.

iii. The parties may agree, as a condition of engaging in Informal Resolution, on what statements made or evidence shared during the Informal Resolution process will not be considered in the Formal Grievance Process should Informal Resolution not be successful.

iv. If an investigation is already underway, the Director has discretion to determine if the investigation will be paused, if it will be limited, or if it will continue during the Informal Resolution process.

3.1. POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT⁴⁷

v. Prior to engaging in Informal Resolution, the Director will provide the parties with written notice of the reported misconduct and any sanctions (only in the case of Accepted Responsibility) or measures that may result from participating in such a process, including information regarding any records that the Director will maintain and under which circumstances they may be released.

14. Formal Grievance Procedure Process

a. Notice of Investigation and Allegations (NOIA)

i. The Director will provide the parties written Notice of the Investigation and Allegations (the “NOIA”) upon commencement of the Formal Grievance Process. Amendments and updates to the NOIA may be made as the investigation progresses and more information becomes available. For climate/culture investigations that do not have an identifiable Respondent, the NOIA will be sent to the department/office/program head for the area/program being investigated.

ii. Notification will be made in writing and may be delivered by one or more of the following methods: in person, mailed to the parties’ local or permanent address(es) as indicated in official CCS records, or emailed to the Parties’ CCS-issued email or other approved accounts. Once mailed, emailed, and/or received in-person, notice is presumptively delivered.

b. The NOIA will include:

- A meaningful summary of all allegations;
- The names of the parties involved (if known);
- The precise misconduct being alleged;
- The date and location of the alleged incident(s) (if known);
- The specific policies/offenses implicated;
- A description of, link to, or copy of the applicable procedures;
- A statement that the College presumes the Respondent is not responsible for the reported misconduct unless and until the evidence supports a Final Determination that the Policy has been violated;
- The name(s) of the Investigator(s), along with a process to notify the Director of any conflict of interest that the Investigator(s) may have in advance of the interview process;
- A statement that determinations of responsibility are made at the conclusion of the process and that the Parties will be given an opportunity during the review and comment period to inspect and review all Relevant and Directly Related Evidence obtained;
- A statement of the potential sanctions/responsive actions that could result;
- A statement about the CCS’s policy on Retaliation;
- Information about process confidentiality;
- Information on the need for each party to have an Advisor of their choosing and suggestions for ways to identify an Advisor;
- A statement informing the parties that the CCS’s Policy prohibits knowingly making false statements, including knowingly submitting false information during the Formal Grievance Process;
- Information about how a party may request disability accommodations or other support assistance during the Formal Grievance Process; and

- An instruction to preserve any evidence that is directly related to the allegations.

- c. Investigations

- i. Purpose

The Formal Grievance Process involves an objective evaluation of all Relevant Evidence obtained, including evidence that supports that the Respondent violated the Policy and evidence that supports that the Respondent did not violate the Policy. Credibility determinations may not be based solely on an individual's status or participation as a Complainant, Respondent, or witness. All parties have a full and fair opportunity, through the investigation process, to suggest witnesses and questions, to provide evidence, and to receive a written Investigation Report that accurately summarizes this evidence.

- ii. All investigations are thorough, reliable, impartial, prompt, neutral, and fair. They involve interviewing all available, relevant parties and witnesses, obtaining Relevant Evidence, and identifying sources of expert information, as necessary.

- iii. Investigation Process:

- Determining the names of and contacting all involved parties and potential witnesses to participate in an investigation interview;

- Identifying issues and developing a strategic investigation plan, including a witness list, evidence list, intended investigation timeframe, and order of interviews for the parties and witnesses;

- Providing written notification of the date, time, and location of all investigation meetings, including the expected participants and purpose;

- Conducting any necessary follow-up interviews with parties or witnesses;

- Providing the parties and witnesses an opportunity to verify the accuracy of either a summary or transcript of their interview(s);

- Soliciting the names of suggested witnesses and questions each party wishes to have asked of another party or witness;

- Writing a Draft Investigation Report that gathers, assesses, and synthesizes the evidence, accurately summarizes the investigation and party and witness interviews, and provides all Relevant Evidence;

- Compiling a Directly Related Evidence File;

- Providing the parties and their respective Advisors an electronic or hard copy of the Draft Investigation Report as well as an opportunity to inspect and review all of the evidence obtained as part of the investigation that is directly related to the reported misconduct, including evidence upon which the Investigation does not intend to rely in reaching a determination, for a ten (10)-business-day review and comment period so that each party may meaningfully respond to the evidence. The parties may elect to waive the full ten (10) days.

- Incorporating any new, Relevant Evidence and information obtained through the parties' review of the Draft Investigation Report and any follow-up meetings into the Final Investigation Report;

- Responding in writing (typically within the Final Investigation Report) to the relevant elements of the Parties' responses to the Draft Investigation Report;

3.1. POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT 49

- Sharing the Final Investigation Report with the Director and/or legal counsel for their review and feedback; and
- Providing the Director with the Final Investigation Report and Directly Related Evidence File.

d. Investigation Interviews.

i. Witnesses who are CCS employees are strongly encouraged to cooperate with and participate in the College's investigation and Formal Grievance Process.

ii. Student witnesses and witnesses from outside the CCS community are encouraged to cooperate with any CCS investigations and to share what they know about a Formal Complaint.

iii. Interviews may be conducted in person, via online video platforms (e.g., Zoom, Microsoft Teams, FaceTime, WebEx), or, in limited circumstances, by telephone. The Director will take appropriate steps to ensure the security/privacy of remote interviews.

iv. Parties and witnesses may also provide written statements in lieu of interviews or choose to respond to written questions, if deemed appropriate by the Investigator(s), though not preferred.

v. Interview Recording

(1) It is standard practice for Investigators to create a record of all interviews pertaining to the Formal Grievance Process, by recording, transcript, or written summary. All involved persons should be made aware that they are being recorded. The parties may review copies of their own interviews upon request. No unauthorized audio or video recording of any kind is permitted during investigation meetings.

(2) A summary will be prepared by the Investigator from the witness interviews and review of the recorded interview.

(3) After an interview, parties and witnesses will be asked to verify the accuracy of the summary of their interview. They may submit changes, edits, or clarifications. If the parties or witnesses do not respond within the time period designated for verification, objections to the accuracy of summary will be deemed to have been waived, and no changes will be permitted.

e. Neither the investigation nor the hearing will consider:

i. Questions or evidence about the Complainant's sexual predisposition;

ii. Questions or evidence about the Complainant's prior sexual behavior, unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the Respondent committed the alleged conduct, or if the questions or evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent;

iii. Questions or evidence about a party or witness's records that are made or maintained by a physician, psychologist, or psychiatrist unless the party or witness provides voluntary, written consent for the records to be considered;

f. The parties must provide all evidence to the Investigator(s) prior to completion of the Final Investigation Report. Evidence offered after that time will be evaluated by the Hearing Officer for relevance. If deemed relevant, the parties

and Hearing Officer must agree to admit it into the record. If the evidence is deemed not relevant, the Hearing Officer may proceed with the hearing absent the new evidence.

i. The new Relevant Evidence will be admitted to the record if:

(1) All parties and the Hearing Officer assent to the new evidence being included in the hearing without remanding the Formal Complaint back to the Investigator;

(2) The evidence is not duplicative of evidence already in the record; and

(3) The new evidence was either not reasonably available prior to the conclusion of the Final Investigation Report, or the failure to provide it in a timely manner was not the result of bad faith by the parties, witnesses, or others.

ii. If the above criteria are not met, but the evidence is deemed materially relevant and not duplicative, the Hearing Officer may, at their discretion, engage in any of the following actions:

(1) Delay the hearing;

(2) Provide the parties with at least five (5) business days to review the Relevant Evidence;

(3) Remand the Formal Complaint back to the Investigator for further investigation or analysis;

(4) Allow the parties time to review and comment on the new evidence;

(5) If the evidence is deemed not relevant, the Hearing Officer may proceed with the hearing without allowing the new evidence.

g. Time Line

i. Investigations are completed expeditiously, normally within sixty (60) business days, though some investigations may take longer, depending on the nature, extent, and complexity of the allegations, witness availability, law enforcement involvement, and other factors.

ii. The investigation may be briefly delayed, ranging from several days to a few weeks—if warranted by specific circumstances. Such circumstances include, but are not limited to, a request from law enforcement to temporarily delay the investigation, the need for language assistance, the absence of parties and/or witnesses, and/or health conditions. The College will promptly resume its Formal Grievance Process as soon as feasible. During such a delay, the Director will implement and maintain supportive measures for the parties as deemed appropriate.

iii. Criminal Charges

CCS action(s) or processes are not typically altered or precluded on the grounds that civil or criminal charges involving the underlying incident(s) have been filed or that criminal charges have been dismissed or reduced.

15. Ensuring Impartiality

a. No individual materially involved in the administration of the Formal Grievance Process, including the Director, Investigator(s), and Decision-maker(s), may have or demonstrate a conflict of interest or bias for a party generally, or for a specific Complainant or Respondent.

b. The Director will vet the assigned Investigator(s), Hearing Officer (s), and Appeal Officer (s) for impartiality by ensuring there are no actual or apparent

3.1. *POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT* 51

conflicts of interest or disqualifying biases. The parties may raise a concern regarding bias or conflict of interest at any time during the Formal Grievance Process, and the Director will determine whether the concern is reasonable and supportable. If so, another Pool member, or other trained individual, will be assigned, and the impact of the bias or conflict, if any, will be remedied. If the source of the conflict of interest or bias is the Director, concerns should be raised with the Assistant Vice President of Campus Life.

16. Referral for Hearing

a. Provided that the Formal Complaint is not resolved through Informal Resolution, once the Final Investigation Report is shared with the parties, the Director will refer the matter for a hearing.

b. The hearing cannot be held less than ten (10) business days from the conclusion of the investigation – when the Final Investigation Report is transmitted to the parties and the Decision-maker – unless all Parties and the Decision-maker agree to an expedited timeline.

c. The Director will select an appropriate Decision-maker from the Pool and provide a copy of the Final Investigation Report and the file of Directly Related Evidence.

17. Hearing Officer – Neutral Decision-maker

a. Hearing Officer (Neutral Decision-maker) will not have had any previous involvement with the Formal Complaint. The Director may elect to have an alternate from the Pool sit in throughout the hearing process if a substitute is needed for any reason.

b. Those who have served as Investigators will be witnesses in the hearing and therefore may not serve as Hearing Officers. Those who are serving as Advisors for any party may not serve as Hearing Officers in that matter.

c. The Director of Civil Rights and Title IX Compliance may not serve as a Hearing Officer in the matter but may serve as an administrative facilitator of the hearing if their previous role(s) in the matter does not create a conflict of interest. Otherwise, a designee, such as case manager or hearing coordinator may fulfill the facilitator role. The hearing will be convened at a time and venue determined by the Director.

d. Conflicts of Interest or Bias.

i. The Decision-maker must not have a bias for or against Complainants or Respondents generally or the individual Complainant or Respondent involved in the Formal Complaint.

ii. The Decision-maker must recuse themselves if such bias or conflict of interest exists.

iii. If the Decision-maker believes there is possible conflict of interest or bias, they will consult with the Director about possible recusal or removal.

iv. The Parties may raise challenges that the Decision-maker is biased or has a conflict of interest. The Parties must raise challenges with the Director within two (2) business days of receiving the hearing notice.

(1) The Director will only remove and replace a Decision-maker in situations of demonstrated bias or conflicts of interest. Perceptions of bias or conflict are not sufficient to cause removal.

(2) If a Decision-maker recuses themselves as the result of a conflict of interest or bias, or is removed, the Director will promptly appoint a new Decision-maker who does not have a conflict of interest or bias and notify the parties accordingly.

18. Live Hearing Requirements

a. Hearing Notice

i. The Director will send the parties a notice of hearing letter no less than ten (10) business days prior to the hearing. Once mailed, emailed, and/or received in-person, notice is presumptively delivered. The notice includes:

ii. A description of the alleged violation(s), a list of all policies allegedly violated, a description of the applicable hearing procedures, and a statement of the potential sanctions/responsive actions that could result

iii. The time, date, and location of the hearing

iv. A description of any technology that will be used to facilitate the hearing

v. Relevant information regarding hearing logistics, pre-hearing meetings, the Final Investigation Report, the parties and witnesses participating in the hearing, the identity of the Hearing Officer, details related to questioning, the role of Advisors, impact/mitigation statements, and how to request disability accommodations or other assistance

b. The Hearing Officer or the Case Manager/Scheduling Coordinator will offer to convene pre-hearing meeting(s) with the parties and their Advisors to familiarize them with the hearing process and invite them to submit the questions or topics they wish to ask or discuss at the hearing. This allows the Hearing Officer to consider their relevance ahead of time to avoid any improper evidentiary introduction in the hearing or to provide recommendations for more appropriate phrasing.

i. However, this advance review opportunity does not preclude the Advisors from asking a question for the first time at the hearing or from asking for a reconsideration of a Hearing Officer's pre-hearing decision based on any new information or testimony offered at the hearing. The Hearing Officer will consider arguments that evidence identified as relevant in the Final Investigation Report is, in fact, not relevant. Similarly, evidence identified by the Investigator(s) as directly related but not relevant may be argued to be relevant. The Hearing Officer will document and share their rationale for any evidence or question exclusion or inclusion, if any, at a pre-hearing meeting with each party.

ii. The Hearing Officer or the Case Manager/Scheduling Coordinator will work with the parties to finalize a witness list for the hearing, and the Director will notify any witnesses of the hearing's logistics. The Hearing Officer, only with the agreement of all parties, may decide in advance of the hearing that certain witnesses do not need to be present if their testimony can be adequately summarized by the Investigator(s) in the Final Investigation Report or during the hearing, and their presence is not essential to assess their credibility.

iii. Pre-hearing meeting(s) will not be recorded. The pre-hearing meetings will typically be conducted as separate meetings with each party/Advisor, and can be done remotely, or as a written communication exchange. The Hearing Officer or the Case Manager/Scheduling Coordinator will work with the parties

3.1. POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT⁵³

to establish the format and timing of the meetings and will circulate a summary of any rulings made to ensure all parties and advisors are aware.

iv. During the pre-hearing meeting, and live hearing, parties may only be accompanied by their Advisor. No other persons (e.g., additional support persons, advisors, friends, family) may accompany, attend, or listen in on the hearing unless explicitly authorized by the Director, with each party being provided the same opportunity.

c. Evidence provided to the Hearing Officer and parties.

i. The Hearing Officer will be provided electronic copies of the Final Investigation Report and all relevant but not impermissible evidence, including the names of all parties, witnesses, and Advisors, at least ten (10) business days in advance of the hearing.

ii. The parties will be provided with electronic copies of all the materials provided to the Hearing Officer as part of the hearing notice, unless those materials have already been provided.

d. Witness Participation

i. Witnesses are encouraged to participate in, and make themselves reasonably available for, the hearing. They may participate in-person or via video technology that allows the Hearing Officer and the parties to see and hear the witness while that person is speaking.

(1) Witnesses are not permitted to be accompanied by an Advisor without the Director's express permission. At the discretion of the Hearing Officer, a witness may participate by phone if no other reasonable alternative is available.

ii. The Director will notify all witnesses of their requested participation in the hearing at least five (5) business days prior to the hearing. Witnesses will be present for the hearing only during their testimony.

iii. If any party or witness does not appear at the scheduled hearing, the hearing may be held in their absence. For compelling reasons, the Director may reschedule the hearing.

iv. Any witness scheduled to participate in the hearing must have been first interviewed by the Investigator(s), unless:

(1) All parties and the Hearing Officer assent to the new witness's participation in the hearing without remanding the Formal Complaint back to the Investigator,

(2) The Hearing Officer deems the evidence presented by the new witness to be relevant and not information already established in the record, and

(3) The witness's late involvement was not the result of bad faith by the witness, the parties, or others.

(4) If the above criteria are not met, but the witness's evidence is deemed relevant and not duplicative, the Hearing Officer may, at their discretion, engage in any of the following actions:

a. Delay the hearing

b. Provide the parties with at least five (5) business days to review the relevant portions of the new witness' statements, if such statements are submitted

c. Remand the Formal Complaint back to the Investigator for further investigation or verification

d. Allow the parties to review and comment on the testimony of the new witness

e. If the evidence is deemed not relevant, the Hearing Officer may proceed with the hearing absent the new witness's participation.

e. The following provisions apply to a live hearing:

- Hearing Venue Options and Recordings. The live hearing will be via video technology. The Hearing Officer and parties must be able to simultaneously see and hear a party or witness while that person is speaking. Both options are considered fair and equitable. Alternative arrangements including a live hearing may also be made at the Director's discretion.

- The Parties may make a request to the Director that the hearing be held in person or via video technology, but they must do so at least three (3) business days prior to the hearing. The Director retains discretion to determine whether the hearing will occur in person or via video technology.

- All hearings will be recorded, and parties may request a copy of the recording from the Administrator following the live hearing.

- No unauthorized recordings are permitted.

- The College may use AI technology to assist in the preparation of a transcript of the recording of the hearing. The AI will preserve the confidentiality of the process.

- Hearing Participants. Persons who may be present for a hearing include the Hearing Officer, hearing facilitator, Investigator(s), the Parties and their Advisors, anyone providing authorized accommodations, interpretation, and/or assistive services, and anyone else deemed necessary by the Hearing Officer. Witnesses are present only during their portion of the testimony.

- Advisors. The parties may have the assistance of an Advisor of their choice at the hearing or can request that the College appoint a trained Advisor for them. Appointed Advisors are not attorneys. If a party wishes to have an attorney as their Advisor, they must locate and pay for that attorney themselves.

- Parties and Advisors may be requested to turn off their phones and acknowledge, if the hearing is being held remote, that they are alone with no other persons present in their location.

f. Scheduling. Hearings for possible violations that occur near or after the end of an academic term (assuming the Respondent is still subject to the Policy) and are unable to be resolved prior to the end of term will typically be held immediately after the end of the term, including during the summer, as needed, to meet the College's resolution timeline and ensure a prompt resolution. Employees, including parties and witnesses, who do not have 12-month contracts are still expected to participate in Formal Grievance Processes that occur during months between contracts.

g. Disability Accommodations and Other Assistance. Parties should contact the Director at least three (3) business days prior to the hearing to arrange any disability accommodations, language assistance, and/or interpretation services that may be needed at the hearing, if possible.

h. Introductions and Hearing Procedure Explanation

3.1. *POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT* 55

i. The Hearing Officer will:

(1) Explain the hearing procedures;

(2) Introduce the participants;

(3) Answer any procedural questions prior to and as they arise throughout the hearing;

i. Investigator Presentation of Final Investigation Report

The Investigator(s) will present a summary of the Final Investigation Report, including a review of the facts that are contested and those that are not. The Investigator may be questioned first by the Hearing Officer and then by the parties through their Advisors. The Investigator may attend the duration of the hearing or be excused after their testimony at the Hearing Officer's discretion.

j. Testimony and Questioning

The parties and witnesses may provide relevant information in turn, beginning with the Complainant's opening statement, then the Respondent's, and then questioning in the order determined by the Hearing Officer. The Hearing Officer will facilitate questioning of the parties and witnesses first by the Hearing Officer and then by the parties through their Advisors.

i. All questions are subject to the Hearing Officer's relevance determination. The Advisor will pose the proposed question orally, electronically, or in writing (orally is the default, but other means of submission may be permitted). The proceeding will pause to allow the Hearing Officer to consider the question (and state it if it has not already been stated aloud), and the Hearing Officer will determine whether the question will be permitted, disallowed, or rephrased. The Hearing Officer will explain any decision to exclude a question as not relevant, or to reframe it for relevance.

ii. The Hearing Officer will limit or disallow questions they deem not appropriate on the basis that they are irrelevant, unduly repetitious (and thus irrelevant), seek or pertain to impermissible evidence, or are abusive and has the final say on all questions and relevance determinations. The Hearing Officer may consult with legal counsel on any admissibility questions.

iii. If the parties raise an issue of bias or conflict of interest of an Investigator or Hearing Officer at the hearing, the Hearing Officer may elect to address those issues, consult with legal counsel, refer them to the Director, and/or preserve them for appeal. If bias is not an issue at the hearing, the Hearing Officer should not permit irrelevant questions that probe for Investigator bias.

k. Refusal to Submit to Questioning and Inferences

i. Any party or witness may choose not to offer evidence and/or answer questions at the hearing, either because they do not attend the hearing, or because they attend but refuse to participate in some or all questioning. The Hearing Officer can only rely on the available Relevant Evidence in making a Final Determination. The Hearing Officer may not draw any inference solely from a party's or witness' absence from the hearing or refusal to answer any or all questions. Typically, after brief opening statements, the order of questioning will be questions from the Hearing Officer, questions from the party's own Advisor, then questions from the other parties' Advisors. The same order will be used for questioning witnesses, who do not typically make opening statements. The

parties then make brief closing statements, and then the hearing transitions into closed session for deliberation.

- ii. An Advisor may not be called as a witness at a hearing to testify to what their advisee has told them during their role as an Advisor unless the party being advised consents to that information being shared.

- 1. Advisor's Role During the Hearing.

- i. all questions that a party wishes to ask must be posed by the Advisor, not the Parties;

- ii. If the party does not have an Advisor, the Director will provide the party with an Advisor for the purpose of Advisor-conducted questioning.

- m. Evidentiary Considerations

- i. The Investigator(s) and the Hearing Officer (s) will only consider Relevant or Directly Related Evidence.

- ii. Within the boundaries stated above, the investigation and the hearing can consider character evidence, if offered, but that evidence is unlikely to be relevant unless it is fact evidence or relates to a pattern of conduct.

- iii. Previous disciplinary action of any kind involving the Respondent may not be considered unless there is an allegation of a pattern of misconduct. Such information may also be considered in determining an appropriate sanction upon a determination of responsibility. Barring a pattern allegation, this information is only considered at the sanction stage of the process and is not shared until then.

- n. The Director may consolidate Complaints against more than one Respondent, or by more than one Complainant against one or more Respondent(s), when the allegations arise from the same facts or circumstances or implicate a pattern, collusion, and/or other shared or similar actions.

- o. Impact Statements. Each party may submit an impact and/or mitigation statement to the Director that the Decision-maker will review during any sanction determination.

- i. Upon receipt of an impact and/or mitigation statement, the Director will review the impact/mitigation statement to determine whether any immediate needs exist (i.e. homelessness, suicidal thoughts, or threats of violence).

- ii. The Director will only provide the impact statements to the Decision-maker if the Hearing Officer determines that the Policy has been violated. When the Director shares the impact statements with the Hearing Officer, they will also be shared with the Parties.

19. Collateral Misconduct

The Hearing Officer has the authority to hear and make determinations on all allegations of Discrimination, Harassment, Retaliation, and Other Prohibited Conduct under the Policy and may also hear and make determinations on any additional alleged collateral misconduct that occurred in concert with the Discrimination, Harassment, Retaliation, or Other Prohibited Conduct, even though those collateral allegations may not specifically fall within the Policy.

20. Joint Hearings

In Complaints involving more than one Respondent and/or involving more

3.1. POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT⁵⁷

than one Complainant accusing the same person of substantially similar conduct, the default procedure will be to hear the allegations jointly.

However, the Director may permit the investigation and/or hearings pertinent to each Respondent or Formal Complaint to be conducted separately if there is a compelling reason to do so. In joint hearings, separate determinations of responsibility will be made for each Respondent and/or for each Formal Complaint with respect to each alleged policy violation.

21. Hearing Recordings

a. The College records hearings (but not deliberations) for purposes of review in the event of an appeal. No unauthorized audio or video recording of any kind is permitted during the hearing.

b. The Hearing Officer, the parties, their advisors, Appeal Hearing Officers, and other appropriate CCS officials will be permitted to review the recording or review a transcript of the recording upon request to the Director. No unauthorized disclosure, including sharing, copying, or distribution of the recording or transcript, is permitted.

22. Deliberation and Determination

a. After closing statements from the parties, the Hearing Officer will deliberate in closed session to determine whether the Respondent is responsible for the alleged Policy violation(s) based on the standard of evidence. If a panel is used, a simple majority vote is required to determine the Finding. Deliberations are not recorded.

b. The Hearing Officer will then prepare a written statement detailing all Findings and Final Determinations, the rationale(s) explaining the decision(s), the evidence used in support of the determination(s), the evidence not relied upon in the determination(s), any credibility assessments, and any sanction(s) and rationales explaining the sanction(s) and will deliver the statement to the Director.

c. This statement must be submitted to the Director within twenty (20) business days of the end of deliberations unless the Director grants an extension. If an extension is granted, the Director will notify the parties.

23. Notice of Outcome

a. When there is a Finding of responsibility on one or more of the allegations, the Hearing Officer may make a recommendation for sanctions or the continuation of supportive measures, including consideration of any party impact and/or mitigation statement(s) for these recommendations.

b. The Hearing Officer will also review any pertinent conduct history provided by the CCS Student Affairs or the Human Relations Office in regard to the appropriate sanction(s) in consultation with other appropriate administrators, if required.

c. The Director will provide the sanctioning authority with Notice of the Hearing Final Determination and a copy of any Impact or Mitigating Statements submitted by the Parties.

i. Where the Student is the Respondent, the sanctioning authority lies with the Office of Student Affairs in consultation with the Director and legal counsel as appropriate.

ii. Where a Faculty Member is the Respondent, the sanctioning authority lies with the Human Relations Office in consultation with the Director and legal counsel as appropriate.

iii. Where an Employee is the Respondent, the sanctioning authority lies with the Office of Student Affairs in consultation with the Director and legal counsel as appropriate.

d. The Director will provide the parties with a written outcome notification within ten (10) business days of the conclusion of the Formal Grievance Process, which concludes with the sanctioning authority's imposition of the sanction. The outcome notification will specify the Finding for each alleged Policy violation, any sanction(s) that may result, which the College is permitted to share pursuant to federal or state law, and a detailed rationale, written by the Hearing Officer, supporting the Findings to the extent the College is permitted to share under federal or state law.

e. If the Hearing Officer does not find a violation of any CCS Policy, the Director will provide the parties with a written outcome notification within ten (10) business days of the conclusion of the Formal Grievance Process, which in this case concludes with the Hearing Officer issuing the Final Determination.

f. The notification will also detail the parties' equal rights to appeal, the grounds for appeal, the steps to request an appeal, and when the determination is considered final if no party appeals.

g. The Director will provide the parties with the outcome notification simultaneously, or without significant time delay between notifications. The written outcome notification may be delivered by one or more of the following methods: in person, mailed to the parties' local or permanent address as indicated in official Recipient records, or emailed to the parties' CCS-issued or other approved email account. Once mailed, emailed, and/or received in person, the outcome notification is presumptively delivered.

24. Sanctions.

a. Factors the sanctioning authority may consider when determining sanctions and responsive actions include, but are not limited to:

- i. The nature, severity of, and circumstances surrounding the violation(s);
- ii. The Respondent's disciplinary history;
- iii. The need for sanctions/responsive actions to bring an end to the Policy violations;
- iv. The need for sanctions/responsive actions to prevent the future recurrence of Policy violations;
- v. The need to remedy the effects of the Policy violation on the Complainant and the community;
- vi. The impact on the Parties;
- vii. The Respondent's acknowledgement of responsibility or contrition;
- viii. Any other information deemed relevant by the sanctioning authority.
- ix. The sanctions will be implemented as soon as is feasible once a Determination is final, either upon the outcome of any appeal or the expiration of the window to appeal, without an appeal being requested.

3.1. POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT⁵⁹

b. The sanctions described in the Procedures are not exclusive of, and may be in addition to, other actions taken, or sanctions imposed, by external authorities.

i. Student Sanctions

The following are the common sanctions that may be imposed upon students singly or in combination:

(1) Reprimand: A formal statement that the conduct was unacceptable and a warning that further violation of any CCS policy, procedure, or directive will result in more severe sanctions/responsive actions

(2) Required Counseling: A mandate to meet with and engage in either Recipient-sponsored or external counseling to better comprehend the misconduct and its effects

(3) Restrictions: A student may be restricted in their activities, including, but not limited to, being restricted from locations, programs, participation in certain activities or extracurriculars, study abroad, or holding leadership roles in student organizations

(4) Probation: An official sanction for violation of CCS policy, providing for more severe disciplinary sanctions if the student is found in violation of any CCS policy, procedure, or directive within a specified period of time. Terms of the probation will be articulated and may include denial of specified social privileges, exclusion from co-curricular activities, exclusion from designated areas of campus, no-contact orders, and/or other measures deemed appropriate.

(5) Suspension: Separation from the College, or one or more of its facilities, for a defined period of time, typically not to exceed two (2) years, after which the student is eligible to return. Eligibility may be contingent upon satisfaction of specific conditions noted at the time of suspension, on successfully applying for readmission, or upon a general condition that the student is eligible to return if the College determines it is appropriate to re-enroll/readmit the student.

a. The student is typically required to vacate CCS property within 24 hours of notification of the action, though this deadline may be extended at the discretion of the Director or other appropriate official.

b. During a college-wide suspension, the student is banned from CCS property, functions, events, and activities unless they receive prior written approval from an appropriate CCS official. This sanction may be enforced with a trespass action, as necessary. This sanction may be noted as a Disciplinary Suspension on the student's official academic transcript, per CCS policy and/or state law.

(6) Expulsion: Permanent separation from the College. The student is banned from CCS property, and the student's presence at any CCS-sponsored activity or event is prohibited. This action may be enforced with a trespass action, as necessary. This sanction may be noted as Disciplinary Expulsion on the student's official academic transcript, per CCS policy and/or state law.

(7) Withholding Diploma: The College may withhold a student's diploma for a specified period of time and/or deny a student participation in commencement activities as a sanction if the student is found responsible for violating the Policy

(8) Revocation of Degree: While very rarely exercised, the College reserves the right to revoke a degree previously awarded by the College for fraud, mis-

representation, and/or other violation of CCS policies, procedures, or directives in obtaining the degree, or for other serious violations committed by a student prior to graduation

(9) Other Actions: In addition to, or in place of, the above sanctions, the College may assign any other sanctions as deemed appropriate

ii. Student Organization Sanctions

The following are the common sanctions that may be imposed upon student groups organizations singly or in combination:

(1) Reprimand: A formal statement that the conduct was unacceptable and a warning that further violation of any CCS policy, procedure, or directive will result in more severe sanctions/responsive actions

(2) Probation: An official sanction for violation of CCS policy, providing for more severe disciplinary sanctions if the group or organization is found in violation of any CCS policy, procedure, or directive within a specified period of time. Terms of the probation will be articulated and may include denial of specified social and event privileges, denial of CCS funds, ineligibility for honors and awards, restrictions on new member recruitment, no-contact orders, and/or other measures deemed appropriate.

(3) Suspension: Termination of student group or organization recognition and/or CCS support for a defined period of time not to exceed two (2) years and/or until specific criteria are met. During the suspension period, a student group or organization may not conduct any formal or informal business or participate in CCS-related activities, whether they occur on or off campus. Re-recognition is possible but not guaranteed and will only be considered after the end of the suspension period and based on meeting all re-recognition criteria and obtaining clearance from the Director.

(4) Termination: Permanent termination of student group or organization recognition and revocation of the privilege to congregate and conduct business on campus as an organization for any reason

(5) Loss of Privileges: Restricted from accessing specific CCS privileges for a specified period of time

(6) Other Actions: In addition to, or in place of, the above sanctions, the Director may assign any other sanctions as deemed appropriate

iii. Employee Sanctions/Responsive/Corrective Actions

Responsive actions for an Employee who has engaged in Discrimination, Harassment, Retaliation, and/or Other Prohibited Conduct include:

- (1) Verbal or Written Warning
- (2) Performance Improvement Plan/Management Process
- (3) Enhanced Supervision, Observation, or Review
- (4) Required Counseling
- (5) Required Training or Education
- (6) Probation
- (7) Denial of Pay Increase/Pay Grade
- (8) Loss of Oversight or Supervisory Responsibility
- (9) Demotion
- (10) Transfer

3.1. POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT 61

- (11) Shift or schedule adjustments
- (12) Reassignment
- (13) Delay of (or referral for delay of) Tenure Track Progress
- (14) Assignment to a New Supervisor
- (15) Restriction of Stipends, Research, and/or Professional Development

Resources

- (16) Suspension/Administrative Leave with Pay
- (17) Suspension/Administrative Leave without Pay
- (18) Termination
- (19) Other Actions: In addition to, or in place of, the above sanctions/responsive

actions, the Director may assign any other responsive actions as deemed appropriate

25. Resolution Timeline

a. The College will make a good faith effort to complete the Formal Grievance Process within ninety (90) business days, excluding any appeals, which the Director can extend as necessary for appropriate reasons. The parties will receive regular updates on the progress of the Formal Grievance Process, as well as notification and a rationale for any extensions or delays, and an estimate of how much additional time will be needed to complete the process.

b. It shall not be grounds for appeal, or a procedural irregularity, that the resolution process is not concluded within ninety (90) days. Many factors can impact the timeline for the Resolution Process including, for example, unavailability of witnesses for interviews, unavailability or scheduling conflicts of advisors, re-opening of the Investigation for new evidence, school breaks, leaves of absence, and other causes.

26. Withdrawal or Resignation Before Complaint Resolution

a. Students

Should a Respondent decide not to participate in the Formal Grievance Process, the process proceeds absent their participation to a reasonable resolution. If a Student Respondent withdraws from the College, the Formal Grievance Process typically ends with a dismissal, as the College has lost primary disciplinary jurisdiction over the withdrawn student. However, the College may continue the Formal Grievance Process when, at the discretion of the Director, doing so may be necessary to address safety and/or remedy any ongoing effects of the alleged Policy violation.

Regardless of whether the Formal Complaint is dismissed or pursued to completion of the Formal Grievance Process, the College will continue to address and remedy any systemic issues or concerns that may have contributed to the alleged violation(s), and any ongoing effects of the alleged Policy violation.

When a student withdraws or takes a leave of absence while the process is pending, the Student may not return to the College in any capacity until the Formal Complaint is resolved and any sanctions imposed are satisfied. If the student indicates they will not return, the Director has the discretion to dismiss the Formal Complaint and bar the student from returning. The Registrar, Office of Student Affairs, and HR will be notified accordingly.

If the Student Respondent takes a leave of absence for a specified period of time (e.g., one semester or term), the Formal Grievance Process may continue remotely. If found in violation, that student is not permitted to return to the College unless and until all sanctions, if any, have been satisfied.

b. Employees

Should an Employee Respondent decide not to participate in the Formal Grievance Process, the process proceeds absent their participation to a reasonable resolution. If an Employee Respondent leaves their employment with the College with unresolved allegations pending, the Formal Grievance Process typically ends with dismissal, as the College has lost primary disciplinary jurisdiction over the former Employee. However, the College may continue the Formal Grievance Process when, at the discretion of the Director, doing so may be necessary to address safety and/or remedy any ongoing effects of the alleged Discrimination, Harassment, Retaliation, and/or Other Prohibited Conduct.

Regardless of whether the Formal Complaint is dismissed or pursued to completion of the Formal Grievance Process, the College will continue to address and remedy any systemic issues or concerns that may have contributed to the alleged violation(s), and any ongoing effects of the alleged Policy violation.

When an Employee resigns and the Formal Complaint is dismissed, the employee may not return to the College in any capacity. The CCS HR department will be notified accordingly. A note will be placed in the employee's file that they resigned with allegations pending and are not eligible for rehire with the College. The records retained by the Director will reflect that status.

27. Appeal of the Final Determination

The Director will designate an Appeal Decision-maker from the pool, or other trained internal or external individuals, to hear the appeal. No Appeal Decision-maker will have been previously involved in the Formal Grievance Process for the Formal Complaint. If a panel is used, the Director will designate a voting chair.

a. Appeal Grounds

Appeals are limited to the following grounds:

- i. A procedural irregularity affected the outcome of the matter;
- ii. There is new demonstrable evidence that was not reasonably available at the time the determination regarding responsibility was made that could affect the outcome of the matter;
- iii. The Director, Investigator(s), or Hearing Officer(s) had a conflict of interest or bias for or against Complainants or Respondents generally or the specific Complainant or Respondent that affected the outcome of the matter.

b. Appeal Request

Any party may submit a written appeal request to the Director within five (5) business days of the delivery of the notice of outcome.

The appeal request will be forwarded to the Appeal Officer for consideration to determine if the request meets the appeal grounds (a Review for Standing). This is not a review of the merits of the appeal, but solely a determination as to whether the request could reasonably be construed to meet the grounds and is timely filed.

3.1. *POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT* 63

If the appeal request does not provide information that meets the grounds in the Procedures, the request will be denied by the Appeal Officer, and the parties and their Advisors will be simultaneously notified in writing of the denial and the rationale.

If any of the information in the appeal request meets the grounds in the Procedures, then the Appeal Officer will notify all parties and their Advisors, the Director, and, when appropriate, the Investigator(s) and/or the original Hearing Officer.

i. All other parties and their Advisors, the Director, and, when appropriate, the Investigator(s) and/or the Hearing Officer will be provided a copy of the appeal request with the approved grounds and then be given ten (10) business days to submit a response to the portion of the appeal that was approved and involves them. The Appeal Officer will forward all responses, if any, to all Parties for review and comment.

ii. The non-appealing party (if any) may also choose to appeal at this time. If so, that appeal request will be reviewed by the Appeal Officer to determine if it meets the grounds in the Procedures and will either be approved or denied. If approved, it will be forwarded to the party who initially requested an appeal, the Director, and the Investigator(s) and/or original Decision-maker, as necessary, who will submit their responses, if any, within ten (10) business days. Any such responses will be circulated for review and comment by all parties. If denied, the parties and their Advisors will be notified in writing.

iii. No party may submit any new appeal request after this time period. The Appeal Officer will collect any additional information needed and all documentation regarding the approved appeal grounds, and the subsequent responses will be shared with the Appeal Officer, who will promptly render a decision.

c. Appeal Determination Process

In most circumstances, appeals are confined to a review of the written documentation or record of the original determination and pertinent documentation regarding the specific appeal grounds. The Appeal Officer will deliberate as soon as is practicable and discuss the merits of the appeal.

Appeal decisions are to be deferential to the original determination, making changes to the Finding/Final Determination only if there is a compelling justification to do so. All decisions are made by majority vote and apply the preponderance of the evidence OR the clear and convincing standard of evidence.

An appeal is not an opportunity for the Appeal Officer to substitute their judgment for that of the original Hearing Officer merely because they disagree with the Finding and/or sanction(s).

The Appeal Officer may consult with the Director and/or legal counsel on questions of procedure or rationale, for clarification, if needed. The Director will maintain documentation of all such consultation.

d. Appeal Outcome

An appeal may be granted or denied. Appeals that are granted should normally be remanded (or partially remanded) to the original Investigator(s) and/or Hearing Officer with corrective instructions for reconsideration. In rare

circumstances where an error cannot be cured by the original Investigator(s) and/or Hearing Officer or the Director (as in cases of bias), the Appeal Officer may order a new investigation and/or a new hearing with new pool members serving in the Investigator and Hearing Officer roles.

A notice of appeal outcome letter will be sent to all parties simultaneously, or without significant time delay between notifications. The appeal outcome letter will specify the Finding on each appeal ground, any specific instructions for remand or reconsideration, all sanction(s) that may result which the College is permitted to share according to federal or state law, and the rationale supporting the essential Findings to the extent the College is permitted to share under federal or state law.

Written notification may be delivered by one or more of the following methods: in person, mailed to the parties' local or permanent address as indicated in official institutional records, or emailed to the parties' CCS-issued email or other approved account. Once mailed, emailed, and/or received in person, the appeal outcome letter will be presumptively delivered.

Once an appeal is decided, the outcome is final and constitutes the Final Determination; further appeals are not permitted, even if a decision or sanction is changed on remand (except in the case of a new determination). When appeals result in no change to the finding or sanction, that decision is final.

e. Sanction Status During the Appeal

Any sanctions imposed as a result of the Final Determination are stayed (i.e., not implemented) during the appeal process, and supportive measures may be maintained or reinstated until the appeal determination is made.

If any of the sanctions are to be implemented immediately post-determination, but pre-appeal, then the procedure discussed in regarding Emergency Removal/Interim Suspension of a Student shall be followed.

28. Long-Term Remedies/Other Actions

Following the conclusion of the Formal Grievance Process, and in addition to any sanctions implemented or Informal Resolution terms, the Director may implement additional long-term remedies or actions with respect to the Parties and/or the CCS community that are intended to stop the Discrimination, Harassment, Retaliation, and/or Other Prohibited Conduct, remedy the effects, and prevent recurrence.

These remedies/actions may include, but are not limited to:

- Referral to counseling and health services
- Referral to the Employee Assistance Program
- Course and registration adjustments, such as retroactive withdrawals
- Education to the individual and/or the community
- Permanent alteration of housing assignments
- Permanent alteration of work arrangements for employees
- Provision of campus safety escorts
- Climate surveys
- Policy modification and/or training
- Provision of transportation assistance
- Implementation of long-term contact limitations between the parties

3.1. *POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT* 65

- Implementation of adjustments to academic deadlines, course schedules, etc.

At the Director's discretion, the Parties may be provided certain long-term support or measures even if no Policy violation is found.

When no Policy violation is found, the Director will address any remedies the College owes the Respondent to ensure no effective denial of educational access.

The Director will maintain the confidentiality of any long-term remedies/actions/measures, provided confidentiality does not impair the College's ability to provide these services.

29. Failure to Comply with Sanctions and/or Responsive Actions

All Respondents are expected to comply with the assigned sanctions, responsive actions, corrective actions, and/or Informal Resolution terms within the timeframe specified by the final Hearing Officer, including the Appeal Officer or the Informal Resolution agreement.

Failure to abide by the sanction(s)/action(s) imposed by the date specified, whether by refusal, neglect, or any other reason, may result in additional sanction(s)/action(s), including suspension, expulsion, and/or termination from the College.

Supervisors are expected to enforce completion of sanctions/responsive actions for their employees.

A suspension imposed for non-compliance with sanctions will only be lifted when compliance is achieved to the Director's satisfaction.

30. Recordkeeping

For a period of at least seven (7) years following the conclusion of the Formal Grievance Process, the College will maintain records of:

- a. Each Discrimination, Harassment, Retaliation, and Other Prohibited Conduct Formal Grievance Process, including any Final Determination regarding responsibility or appeal, and any audio or audiovisual recording or transcript required under federal regulation;
- b. Any disciplinary sanctions imposed on the Respondent;
- c. Any supportive measures provided to the parties and any remedies provided to the Complainant or the community designed to restore or preserve equal access to the College's Education Program or Activity;
- d. Any appeal and the result therefrom;
- e. Any Informal Resolution and the result therefrom;
- f. All materials used to train the Director of Civil Rights and Title IX Compliance and designees, Investigators, Decision-makers, Appeal Decision-makers, Informal Resolution Facilitators, and any person who is responsible for implementing the College's resolution processes. CCS will make these training materials publicly available on CCS's website;
- g. Any other actions taken in response to a report or Formal Complaint including:
- i. The basis for all conclusions that the response was not deliberately indifferent;

ii. Any measures designed to restore or preserve equal access to the CCS's Education Program or Activity; and

iii. CCS will also maintain any and all records in accordance with federal and state laws.

31. Disability Accommodations

CCS is committed to providing reasonable accommodations and support to qualified students, employees, or others with disabilities to ensure equal access to the College's resolution processes.

Anyone needing such accommodations or support should contact the Director, who will work with disability support as appropriate to review the request and, in consultation with the person requesting the accommodation, determine which accommodations are appropriate and necessary for full process participation.

32. Other Support

CCS will address other reasonable requests for support for the parties and witnesses, including:

- Language services/Interpreters
- Access and training regarding use of technology throughout a resolution process
- Other support as deemed reasonable and necessary to facilitate participation in a resolution process

Process A is applicable to all Formal Complaints of that fall within the scope of CCS' Title IX Policy. If the Formal Complaint involves violations of the Title IX Policy and the Policy on Preventing Discrimination, Harassment, and Retaliation, the Director has the option to follow the Formal Grievance Process outlined in Process A or B in the Director's sole discretion.

33. Resolution Process Pool

The Recipient relies on a pool of individuals ("the Pool") to carry out the resolution options.

a. Pool Member Roles

Pool members are trained annually, and can serve in any of the following roles at the Administrator's discretion:

- Appropriate intake of and initial guidance pertaining to Formal Complaints
- Perform or assist with initial assessment
- Advisor to Parties
- Informal Resolution Facilitator
- Investigator
- Hearing Facilitator
- Decision-maker
- Appeal of Dismissal Decision-maker
- Appeal Decision-maker

b. Pool Member Appointment

The Administrator [, in consultation with senior administrators as necessary,] appoints the Pool, which acts with independence and impartiality. Although members of the Pool are typically trained in a variety of skill sets

3.1. POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT⁶⁷

and can rotate amongst the different roles listed above in different Formal Complaints, the Recipient can also designate permanent roles for individuals in the Pool.

- c. Pool Member Training (See training materials posted online)]

3.1.2 Policy on Preventing and Addressing Discrimination, Harassment and Retaliation

OVERVIEW

College for Creative Studies (hereinafter, “CCS” or “the College” is committed to providing an educational and employment environment that is free from Discrimination based on Protected Characteristics, Harassment, and Retaliation for engaging in protected activity. CCS’s Policy on Preventing and Addressing Discrimination, Harassment and Retaliation, are designed to further these goals.

CCS’s Commitment to Eliminating Discrimination and Harassment

The College must define and respond to certain types of misconduct as required by Title VI and Title VII of the Civil Rights Act of 1964 (“Title VII”) and Michigan’s Civil Rights Laws, including the Elliott Larsen Civil Rights Act. These guidelines are set for CCS’s Policy, “Preventing and Addressing Discrimination, Harassment and Retaliation.” The College must also respond to reports of sexual and gender based discrimination as required by Title IX.

CCS values and upholds the equal dignity of all members of its community and strives to balance the rights of the Parties in the resolution process during what is often a difficult time for all involved. Employees, including Faculty and Student Employees, or Students who violate these policies may face disciplinary action up to and including termination of employment or expulsion. The College will take prompt and equitable action to eliminate conduct that violates its policies, prevent recurrence, and remedy its effects. CCS conducts ongoing prevention, awareness, and training programs for Employees and Students to facilitate the goals of these policies.

CCS’s Commitment to a Fair Process for Resolving Disputes

To ensure compliance with federal, state, and local civil rights laws and regulations, and to affirm its commitment to promoting the goal of fairness in all aspects of the Education Program or Activity, CCS has developed policies and procedures that provide a prompt, equitable, and impartial resolution of allegations of violation of Policy on Preventing and Addressing Discrimination, Harassment and Retaliation, in **Process B**.

I. SCOPE

The Policy applies to all Faculty, Employees, Students, College contractors or visitors, and other individuals participating in or attempting to participate in the CCS’s Education Program or Activities, including education and employment.

The Policy prohibits all forms of Discrimination on the basis of the Protected Characteristic(s), and may be applied to incidents, to patterns, and/or to the institutional culture/climate, all of which may be addressed in accordance with the Policy.

II. NOTICE OF NONDISCRIMINATION

CCS seeks to comply with all federal, state, and local laws, regulations, and ordinances prohibiting Discrimination in private postsecondary education institutions, including Titles IV, VI and VII of the Civil Rights Act of 1964, the Michigan Elliott Larsen Civil Rights Act, Titles I, II, and III of the Americans with Disabilities Act, the Age Discrimination Act of 1975, the Age Discrimination in Employment Act of 1967, Section 504 of the Rehabilitation Act, the Michigan Persons with Disabilities Civil Rights Act, the Equal Pay Act of 1963, the Pregnancy Discrimination Act of 1978, Section 106-Nondiscrimination on the Basis of Sex in Education Programs or Activities Receiving Federal Financial Assistance, the Uniformed Services Employment and Reemployment Rights Act (USERRA, Title IX of the Educational Amendments of 1972, Genetic Information Nondiscrimination Act of 2008 (GINA), Pregnant Workers Fairness Act, (PWFA) and the PUMP for Nursing Mothers Act.

CCS does not discriminate against any Employee, applicant for employment, Student, or applicant for admission on the basis of: age (40 years and over in the employment context), citizenship status, color, creed, disability (physical or mental), domestic violence victim status, ethnicity and ethnic characteristics, family responsibilities, gender identity/expression, genetic information (including family medical history), height, marital status, national origin (including shared ancestry), place of business, political belief or affiliation, pregnancy or related conditions, race, religion, residence, sex (including sex characteristics and sex stereotypes), sexual orientation, source of income/social class status, veteran or military status (including disabled veteran, recently separated veteran, active-duty, wartime, or campaign badge veteran, and Armed Forces Service Medal veteran), weight, hair style, or other similar aspect of appearance or any other Protected Characteristic under applicable federal, state, or local law, including protections for those opposing Discrimination or participating in any resolution process within the institution, with the Equal Employment Opportunity Commission, and/or other human/civil rights agency.

The Policy covers nondiscrimination in both access to educational opportunities and employment. Therefore, any member of the CCS community whose acts deny, deprive, or limit the educational or employment, residential and/or social access, benefits, and/or opportunities of any member of the CCS community, guest, or visitor on the basis of that person's actual or perceived Protected Characteristic(s) listed above, is in violation of the Policy.

CCS will promptly and effectively address any such Discrimination of which it has Notice or violation of this Policy using **Process B**. (For violations of the Title IX Policy, **Process A** will be utilized).

III. DIRECTOR OF CIVIL RIGHTS AND TITLE IX COMPLIANCE

The CCS president and Assistant Vice President of Campus Life created a full-time position titled the Director of Civil Rights and Title IX Compliance, to coordinate the CCS's compliance with federal, state, and local civil rights laws and ordinances.

The Director is responsible for providing comprehensive nondiscrimination education and training; coordinating the CCS's timely, thorough, and fair response; investigation and resolution of all alleged prohibited conduct under the Policy; and monitoring the effectiveness of, and any barriers to, accessing the Policy and related procedures to ensure an education and employment environment free from Discrimination, Harassment, Title IX, and Retaliation.

CCS recognizes that allegations under the Policy may include multiple forms of Discrimination and Harassment as well as violations of other CCS policies; may involve various combinations of Students, Employees, and other members of the CCS community; and may require the simultaneous attention of multiple CCS departments. Accordingly, all CCS departments will share information, combine efforts, and otherwise collaborate, to the maximum extent permitted by law and consistent with other applicable CCS policies, to provide uniform, consistent, efficient, and effective responses to alleged Discrimination, Harassment, Title IX, or Retaliation.

IV. PROHIBITED CONDUCT

A. Prohibited Discrimination includes any form of discrimination described in this Section.

Discrimination is different treatment with respect to a person's employment or participation in an Education Program or Activity based, in whole or in part, upon the person's actual or perceived Protected Characteristic(s). Discrimination also includes allegations of a failure to provide reasonable accommodations as required by law or policy, such as for disability, religion, or creed.

Discrimination can take two primary forms:

1. Disparate Treatment Discrimination:

a. Any intentional differential treatment of a person or persons that is based on a person's actual or perceived Protected Characteristic(s) and that:

- (1) Excludes a person from participation in;
- (2) Denies the person benefits of; or
- (3) Otherwise adversely affects a term or condition of a person's participation in a College program or activity.

2. Disparate Impact Discrimination:

a. Disparate impact occurs when policies or practices that appear to be neutral unintentionally result in a disproportionate impact on a protected group or person that:

- (1) Excludes a person from participation in;
- (2) Denies the person benefits of; or

(3) Otherwise adversely affects a term or condition of a person's participation in a College program or activity.

B. Hostile Environment Discrimination

1. Unwelcome conduct on the basis of actual or perceived Protected Characteristic(s),

- a. based on the totality of the circumstances,
- b. that is subjectively and objectively offensive, and
- c. is so severe or pervasive,

d. that it limits or denies a person's ability to participate in or benefit from the College's program or activity.

e. All elements described above must be present to have an allegation of Discriminatory Harassment.

2. Unwelcome conduct can include oral, written, graphic, physical, or other conduct by an employee, a student, or a third party; as well as conduct that is physically threatening, harmful, or humiliating. Mere offensive is not enough to constitute hostile environment discrimination.

3. Hostile Environment discrimination based on sex is not covered by this Policy or included within this definition and is covered and investigated under CCS' Sexual Misconduct and Other Forms of Interpersonal Violence (Title IX) Policy

4. Online Harassment and Misconduct

a. CCS policies are written and interpreted broadly to include online manifestations of any of the prohibited behaviors below, when those behaviors occur in or have an effect on the College's Education Program or Activities or when they involve the use of CCS networks, technology, or equipment.

b. Although CCS may not control websites, social media, and other venues through which harassing communications are made, when such communications are reported to the College, it will engage in a variety of means to address and mitigate the effects.

c. Members of the community are encouraged to be good digital citizens and to refrain from online misconduct, such as feeding anonymous gossip sites; sharing inappropriate content via social media; unwelcome sexual or sex-based messaging; distributing, or threatening to distribute, nude or semi-nude photos or recordings; breaches of privacy; or otherwise using the ease of transmission and/or anonymity of the Internet or other technology to harm another member of the CCS community.

d. Nothing in the Policy is intended to infringe upon or limit a person's free speech rights. Any Student's online postings or other electronic communications, including technology-facilitated Bullying, Stalking, Harassment, etc., occurring completely outside of the Recipient's control (e.g., not on Recipient networks, websites, or between Recipient email accounts) will only be subject to the Policy when such online conduct can be shown to cause (or will likely cause) a substantial in-program disruption or infringement on/harm to the rights of others. Otherwise, such communications are considered speech protected by the First Amendment. Supportive measures for Complainants will be provided.

3.1. POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT⁷¹

e. Employees' off-campus harassing speech, whether online or in person, may be regulated by the College only when such speech is made in an Employee's official or work-related capacity, refers to other students or employees by personally identifiable use, or has a substantial impact on the CCS community.

(1) A substantial CCS impact includes:

(a) Any action that constitutes a criminal offense as defined by law. This includes, but is not limited to, single or repeat violations of any federal, state, or local law;

(b) Any situation in which it is determined that the Respondent poses an immediate threat to the physical health or safety of any Student, Employee, or other individual;

(c) Any situation that significantly impinges upon the rights, property, or achievements of others, significantly breaches the peace, and/or causes social disorder; or

(d) Any situation that substantially interferes with the College's educational interests or mission.

C. Retaliation

The College or any member of the CCS community, taking or attempting to take materially adverse action, by intimidating, threatening, coercing, harassing, or discriminating against any individual,

1. for the purpose of interfering with any right or privilege secured by law or Policy, or

2. because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under the Policy and associated procedures.

3. Any Adverse Action taken against an individual because they engaged in Protected Activity.

a. Protected Activity

Complaining about or reporting discrimination based on a protected characteristic (formally or informally) to any College employee or to any external government entity responsible for enforcement of anti-discrimination laws, participating in or cooperating with the investigation of a complaint of discrimination or a related disciplinary process, or opposing in a reasonable manner an action reasonably believed to constitute a violation of this Policy. Being accused of discrimination is not protected activity.

b. Adverse Action

For retaliation purposes, an adverse action is any action taken against a person that is harmful to the point that it could dissuade a reasonable person from making or supporting a complaint of discrimination.

4. The exercise of rights protected under the First Amendment does not constitute Retaliation. It is also not Retaliation for the College to pursue disciplinary action against those who make materially false statements in bad faith in the course of a resolution process under the Policy. However, the determination of responsibility, by itself, is not sufficient to conclude that any party has made a materially false statement in bad faith.

D. Inclusion Related to Gender Identity/Expression

In accordance with the Michigan's Elliott-Larsen Civil Rights Act and the Persons with Disabilities Act, CCS strives to ensure that all individuals are safe, included, and respected in their education and employment environments, regardless of their gender identity or expression, including intersex, nonbinary, transgender, agender, two-spirit, and gender-diverse students and employees.

1. CCS does not tolerate Discrimination and Harassment on the basis of gender identity or expression. If a member of the CCS community believes they have been subjected to Discrimination or Harassment under the Policy, they should follow the appropriate reporting process described herein.

2. In upholding the principles of belonging, CCS supports the full integration and healthy development of those who are gender diverse and seeks to eliminate any stigma related to gender identity and expression.

3. The College is committed to fostering a climate where all identities are valued, contributing to a more vibrant and diverse community. CCS will administratively address issues some students and employees, including those identifying as intersex, nonbinary, transgender, agender, two-spirit, and gender diverse, may confront as they navigate systems originally designed around the assumption that gender is binary. As our society's understanding of gender evolves, so do the College's processes and policies.

4. Concepts like Misgendering and Deadnaming may not be familiar to all but understanding them is essential to CCS's goal of being as welcoming and inclusive a community as possible.

- a. Misgendering or mispronouncing is the intentional or unintentional use of pronouns or identifiers that are different from those used by an individual. Unintentional misgendering is usually resolved with an apology if someone clarifies their pronouns for you. Intentional misgendering is inconsistent with the type of community we hold ourselves out to be. We each have a right to determine our own gender identity and expression, but we don't get to choose or negate someone else's.

- b. Deadnaming, along with misgendering, can be very traumatic to a person who is transgender, transitioning, nonbinary, or gender diverse. Deadnaming means using someone's birth-assigned (cisgender) name, rather than the name they have chosen.

- (1) To a person who is transgender, transitioning, nonbinary, or gender diverse, their cisgender identity may be something that is in their past — dead, buried, and behind them.

- (2) To then revive their deadname could trigger stressors, traumas, and experiences of the past that the individual has moved past, or is moving past, and can interfere with their health and well-being.

- (3) Unintentional deadnaming can be addressed by an apology and an effort to use the person's name. Intentional deadnaming could be a form of bullying, outing, or otherwise harassing an individual, and thus should be avoided.

5. The Policy should be interpreted consistent with the goals of maximizing the inclusion of intersex, nonbinary, transgender, transitioning, agender, two spirit, and gender-diverse Students and Employees, including:

- a. Maintaining the privacy of all individuals consistent with law

3.1. POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT⁷³

b. Ensuring all Students equal access to educational programming, activities, and facilities, including restrooms and locker rooms

c. Providing professional development for Employees and education for Students on topics related to gender inclusion

d. Encouraging all Students and Employees to respect the pronoun usage and identities of all CCS community members

6. The College uses a number of interventions to address concerns that are raised related to gender-based Discrimination or Harassment, including problem-solving, intervention, confrontation, investigation, and Policy enforcement. When conflicts arise between the rights of members of the community to be free from gender-identity Discrimination and those exercising their right to religious freedom, the College will try to balance rights and interests to find mutually agreeable outcomes or compromises. When that is not possible, the College will offer remedial solutions or enforce its Policies while also respecting the rights of all members of its community.

E. Other Prohibited Conduct (when motivated by the Complainant's Protected Characteristic(s)/status)

1. Bullying:

a. Repeated and/or severe aggressive behavior;

b. that is likely to intimidate or intentionally hurt, control, or physically or mentally diminish the Complainant, and

c. that is not speech or conduct that is otherwise protected by the First Amendment.

2. Endangerment:

a. Threatening or causing physical harm;

b. extreme verbal, emotional, or psychological abuse; or

c. other conduct which threatens or endangers the health or safety of any person or damages their property.

3. Hazing:

a. Any act or action

b. which does or is likely to endanger the mental or physical health or safety of any person

c. as it relates to a person's initiation, admission into, or affiliation with any CCS group or organization.

d. For the purposes of this definition:

(1) It is not necessary that a person's initiation or continued membership is contingent upon participation in the activity, or that the activity was sanctioned or approved by the student group or student organization, for an allegation of Hazing to be upheld.

(2) It shall not constitute an excuse or defense to a Hazing allegation that the participants took part voluntarily, gave consent to the conduct, voluntarily assumed the risks or hardship of the activity, or that no injury was suffered or sustained.

e. The actions of alumni, active, new, and/or prospective members of a student group or student organization may be considered Hazing

F. Failure to Comply/Process Interference

1. Intentional failure to comply with the reasonable directives of the Director in the performance of their official duties, including with the terms of a no contact order;
2. Intentional failure to comply with emergency removal or interim suspension terms;
3. Intentional failure to comply with sanctions;
4. Intentional failure to adhere to the terms of an Informal Resolution agreement;
5. Intentional failure to comply with mandated reporting duties as defined in the Policy; or
 - a. Intentional interference with a resolution process, including, but not limited to:
 - (1) Destroying or concealing evidence;
 - (2) Seeking or encouraging false testimony or providing false testimony or evidence; or
 - (3) Intimidating or bribing a witness or party.

G. Disability-Based Complaints

Complaints related to disability status and/or provision of accommodations are to be addressed to the Assistant Vice President of Campus Life at dlong@ccsdetroit.edu. However, allegations of Discrimination or Harassment on the basis of an actual or perceived disability, including instances in which the provision of reasonable accommodations has a discriminatory effect, will be resolved through this policy.

V. REPORTING DISCRIMINATION, HARASSMENT AND RETALIATION

A. By Complainant

A Formal Complaint informs the College that the Complainant would like to initiate an investigation or other appropriate resolution procedures. A Complainant or individual may initially make a report and may decide at a later time to make a Formal Complaint. Reports or Formal Complaints may be made using any of the following options:

1. Verbal Notice to the Director or one of the Director's staff in the Director's Office.
2. Written report or Formal Complaint may be made at any time (including during non-business hours) by email or by mail, to the office of the Director.
 - a. mhamilton@ccsdetroit.edu or Michelle Hamilton, 201 E. Kirby, Detroit, MI 48202

B. By CCS Faculty and Employees (including Student-Employees), other than those deemed Confidential Employees,

Reports may be made using any of the following options:

3. Verbal Notice to the Director or one of the Director's staff in the Director's Office.
4. Written report or Formal Complaint may be made at any time (including during non-business hours) by email or by mail, to the office of the Director.

3.1. *POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT* 75

a. mhamilton@ccsdetroit.edu or Michelle Hamilton, 201 E. Kirby, Detroit, MI 48202

C. Anonymous Complaints If a Complainant wishes to pursue formal action regarding their allegations, they may report the incident to any Mandated Reporter. The Mandated Reporter will connect the Complainant with appropriate resources for reporting potential crimes and/or policy violations and will promptly forward the report to the Director. If the Complainant requests, or if required by law, the report will also be shared with law enforcement. Mandated Reporters are obligated to notify the Director of any potential allegations. Upon receiving the report, the Director will reach out to the Complainant to discuss next steps, including the option of involving law enforcement. If a Complainant specifically asks that law enforcement be contacted, the Mandated Reporter will first inform the Director, then immediately notify the appropriate authorities.

1. At the request of a Complainant, a Mandated Reporter may give the Director notice without identifying the Complainant. The Mandated Reporter cannot remain anonymous themselves.

2. If a Complainant has requested that a Mandated Reporter maintain the Complainant's anonymity, the Mandated Reporter may do so unless it is reasonable to believe that a compelling threat to health or safety could exist. The Mandated Reporter can consult with the Director on that assessment without revealing personally identifiable information.

3. Anonymous notices will be investigated by the Director to the extent possible, both to assess the underlying allegation(s) and to determine if supportive measures or remedies can be provided. However, anonymous notices typically limit the Director's ability to investigate, respond, and provide remedies, depending on what information is shared.

4. When a Complainant has made a request for anonymity, the Complainant's personally identifiable information may be withheld by a Mandated Reporter, but all other details must be shared with the Director. Mandated reporters may not be able to maintain requests for anonymity for Complainants who are minors, elderly, and/or disabled, depending on state reporting of abuse requirements. Consult with the Director in such situations.

VI. CONFIDENTIAL RESOURCES WITHOUT FILING A FORMAL COMPLAINT

A. The following sections describe the available reporting options for a Complainant or third party (including parents/guardians when appropriate):

To enable Complainants to access support and resources without filing a Formal Complaint, CCS has designated specific employees as Confidential Resources. Those designated by the College as Confidential Resources are not required to report actual or suspected Discrimination, Harassment, Retaliation, or Other Prohibited Conduct in a way that identifies the Parties. They will, however, provide the Complainant with the Director's contact information and offer options and resources without any obligation to inform an outside agency or CCS official unless a Complainant has requested the information be shared.

1. If a Complainant would like the details of an incident to be kept confidential, the Complainant may speak with the following:
 - a. On-campus licensed professional counselors and staff (students)
 - b. U-will, online telehealth platform (students)
 - c. Ulliance, online telehealth platform (employees)
 - d. Institutional counselors are available to help free of charge and may be consulted on an emergency basis during normal business hours.
2. In addition, Complainants may speak with individuals unaffiliated with the CCS without concern that Policy will require them to disclose information to the institution without permission. Such individuals include:
 - a. Licensed professional counselors and other medical providers
 - b. Local rape crisis counselors
 - c. Domestic Violence resources
 - d. Local or state assistance agencies
 - e. Clergy/Chaplains
 - f. Attorneys
3. Employees who have confidentiality as described above, and who receive reports within the scope of their confidential roles, will timely submit anonymous statistical information for Clery Act purposes unless they believe it would be harmful.
4. Failure of a Mandated Reporter, as described above, to report an incident of Discrimination, Harassment, Retaliation, Title IX, or Other Prohibited Conduct of which they become aware is a violation of CCS policy and can be subject to disciplinary action for failure to comply/failure to report. This also includes situations when a Respondent is a Mandated Reporter. Such individuals are obligated to report their own misconduct, and failure to do so is a chargeable offense under the Policy.
5. A Mandated Reporter who is themselves a target of Discrimination, Harassment, Retaliation, Title IX, or Other Prohibited Conduct under the Policy is not required to report their own experience, though they are encouraged to do so.

B. Time Limitations.

There is no time limitation on providing Notice/Formal Complaints to the Director. However, if the Respondent is no longer subject to the College's jurisdiction and/or significant time has passed, the ability to investigate, respond, and/or provide remedies may be more limited or impossible.

1. Acting on Notice/Formal Complaints significantly impacted by the passage of time (including, but not limited to, the rescission or revision of Policy) is at the Director's discretion; they may document allegations for future reference, offer supportive measures and/or remedies, and/or engage in informal or formal action, as appropriate.

C. False Reports

1. Deliberately false and/or malicious accusations under the Policy are a serious offense and will be subject to appropriate disciplinary action. This does not include allegations that are made in good faith but are ultimately shown to be erroneous or do not result in a Policy violation determination. False

3.1. POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT⁷⁷

allegations may be a form of Harassment or Retaliation or may fall within other CCS policies.

2. Witnesses and Parties who knowingly provide false evidence, tamper with or destroy evidence, or deliberately mislead an official conducting an investigation, hearing, or informal resolution can be subject to discipline under appropriate CCS policies.

VII. SUPPORTIVE MEASURES

A. Supportive Measures Offered to all Parties.

1. CCS will offer and implement appropriate and reasonable supportive measures to the Parties upon Notice of alleged Discrimination, Harassment, Retaliation, and/or Other Prohibited Conduct. Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate and as reasonably available. They are offered, without fee or charge to the Parties, to restore or preserve access to the College's Education Program or Activity, including measures designed to protect the safety of all Parties and/or the College's educational environment and/or to deter Discrimination, Harassment, Retaliation, and/or Other Prohibited Conduct.

2. The Director promptly makes supportive measures available to the Parties upon receiving Notice or a Formal Complaint. At the time that supportive measures are offered, if a Formal Complaint has not been filed, the Director will inform the Complainant, in writing, that they may file a Formal Complaint with the Director either at that time or in the future. The Director will work with a party to ensure that their wishes are considered with respect to any planned and implemented supportive measures.

3. The Director will maintain the confidentiality of the supportive measures, provided that confidentiality does not impair the College's ability to provide those supportive measures. CCS will act to ensure as minimal an academic/occupational impact on the Parties as possible. The College will implement measures in a way that does not unreasonably burden another party.

4. These actions may include alternative campus housing assignments, alternative work arrangements, academic support service including extensions or adjustments to assignments, and any other actions deemed appropriate by the Director.

5. Violations of no contact orders or other restrictions may be referred to appropriate Student or Employee conduct processes for enforcement or added as collateral misconduct allegations to an ongoing resolution process under the Policy.

VIII. CONFIDENTIALITY/PRIVACY

CCS makes every effort to preserve the Parties' privacy. The College will not share the identity of any individual who has made a report of Discrimination, Harassment, Retaliation, or Other Prohibited Conduct; any Complainant; any

individual who has been reported to be the perpetrator of Discrimination, Harassment, Retaliation, or Other Prohibited Conduct; any Respondent; or any witness, except as permitted by, or to fulfill the purposes, of applicable laws and regulations (e.g., Title IX), the Family Educational Rights and Privacy Act (FERPA) and its implementing regulations, or as required by law; including any investigation or resolution proceeding arising under these policies and procedures.

Further, Parties and Advisors are expected to maintain the confidentiality of all information created by or shared with them by the Director during any investigation and/or resolution process. Parties are entitled to share their own accounts and experiences but are encouraged to consider the sensitivity of the matter if they do so and should consult with their Advisors on any potential implications of doing so.

IX. AMNESTY

A. The CCS community encourages the reporting of misconduct and crimes by Complainants and witnesses. Sometimes, Complainants or witnesses are hesitant to report alleged misconduct to CCS officials or participate in resolution processes because they fear that they themselves may be in violation of certain policies, such as underage drinking or use of illicit drugs at the time of the incident. Respondents may hesitate to be forthcoming during the process for the same reasons.

1. It is in the best interests of the CCS community that Complainants choose to report misconduct to CCS officials, that witnesses come forward to share what they know, and that all Parties be forthcoming during the process.

2. To encourage reporting and participation in the process, CCS offers Parties and witnesses amnesty from minor policy violations, such as underage alcohol consumption or the use of illicit drugs, related to the incident. Granting amnesty is a discretionary decision made by the College, and amnesty does not apply to more serious allegations, such as physical abuse of another or illicit drug distribution.

B. Students

The College also maintains an amnesty policy for Students in addition to witnesses who offer help to others in need.

C. Employees

Sometimes, Employees are hesitant to report Discrimination, Harassment, Retaliation, or Other Prohibited Conduct they have experienced for fear that they may get in trouble themselves. The College may, at its discretion, offer Employee Complainants amnesty from such policy violations (typically more minor policy violations) related to the incident.

X. FEDERAL STATISTICAL REPORTING OBLIGATIONS

A. Certain institutional officials (those deemed Campus Security Authorities) have a duty to report the following for federal statistical reporting purposes

3.1. POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT⁷⁹

(Clery Act):

1. All “primary crimes,” which include criminal homicide, Sexual Assault, robbery, aggravated assault, burglary, motor vehicle theft, and arson
2. Hate crimes, which include any bias-motivated primary crime as well as any bias-motivated larceny or theft, simple assault, intimidation, or destruction/damage/vandalism of property
3. Violence Against Women Act (VAWA-based crimes), which include Sexual Assault, Domestic Violence, Dating Violence, and Stalking
4. Arrests and referrals for disciplinary action for weapons law violations, liquor law violations, and drug law violations
5. All personally identifiable information is kept private, but statistical information regarding the type of incident and its general location (on or off campus or in the surrounding area, but no addresses are given) must be shared with the Clery Coordinator for publication in the Annual Security Report and daily campus crime log. Campus Security Authorities include Student Affairs, student conduct staff, campus security, local police, coaches, residence life staff, student activities staff, human resources staff, advisors to student organizations, and any other official with significant responsibility for student and campus activities.

XI. INDEPENDENCE AND CONFLICT OF INTEREST

The Director manages and acts with independence and authority, free from bias and conflicts of interest. The Director oversees all Resolutions under the Policy and associated procedures. The members of the Resolution Process Pool are vetted and trained to ensure they are not biased for or against any party in a specific Formal Complaint, or for or against Complainants and/or Respondents, generally.

A. To raise any concern involving bias, conflict of interest, misconduct, or Discrimination by the Director, contact the Assistant Vice President of Campus Life and Dean of Students.

B. Concerns of bias, misconduct, Discrimination, or a potential conflict of interest by any CCS member should be raised with the Director.

XII. POLICY REVISION

The Policy and associated procedures succeed all previous policies addressing Discrimination, Harassment, sexual misconduct, and/or Retaliation, for incidents occurring on or after August 14, 2020. The Director regularly reviews and updates the Policy and procedures. Incidents occurring before August 14, 2020, will be addressed using the policy that was in place at the time of the incident, but the procedures used will be those in place at the time of the Formal Complaint. The College reserves the right to make changes to this document as necessary, and those changes are effective once they are posted online.

A. If laws or regulations change or court decisions alter policy or procedural requirements in a way that impacts this document, this document will be

construed to comply with the most recent laws, regulations, or court holdings.

B. This document does not create legally enforceable protections beyond the protections of the background federal and state laws that frame such policies and codes, generally.

C. A change required by a court or government order could occur during an active investigation or resolution process. If that happens, the College reserves the right to adjust the Policy and Procedures accordingly and notify the Parties of any necessary mid-process changes. This could include entirely replacing the Policy or associated procedures, which could necessitate restarting an investigation or resolution process. The College will make every effort to minimize the impact on the Parties as much as possible if changes are unavoidable.

D. The Policy is effective on the date signed by the President of the College.

COLLEGE FOR CREATIVE STUDIES ADMINISTRATIVE RESOLUTION PROCEDURES FOR ALLEGED CIVIL RIGHTS AND NON-TITLE IX VIOLATIONS OF ITS POLICY ON PREVENTING AND ADDRESSING DISCRIMINATION, HARASSMENT, AND RETALIATION

PROCESS B

1. Overview

The College will act on any Notice/Formal Complaint of violation of the College for Creative Studies Policy on Preventing and Addressing Discrimination, Harassment, and Retaliation (Non-Title IX Policy).

This Process applies to all allegations that fall outside of the College's Sexual Misconduct and Other Acts of Interpersonal Violence Policy (the "Title IX Policy"). Occasionally, a Formal Complaint will include conduct that falls within both Processes A and B. When that occurs, Process A will typically be used to address all allegations. The choice between applying Process A or B is solely at the Director's discretion.

2. Notice/Complaint

Upon receipt of Notice or a Formal Complaint of an alleged Policy violation, the Director of Civil Rights and Title IX Compliance (hereafter "the Director" or "Director") will initiate a prompt initial assessment to determine the College's next steps. The Director will contact the Complainant to offer supportive measures, if applicable, and provide information regarding resolution options, and determine how they wish to proceed.

3. Initial Assessment

The Director of Civil Rights and Title IX Compliance (hereafter "the Director" or "Director") conducts an initial assessment, typically within five (5) business days of receiving Notice. The initial assessment typically includes:

- Assessing whether the reported conduct may reasonably constitute a Policy violation
- Determining whether the College has jurisdiction over the reported conduct
- Offering and coordinating supportive measures for the Parties
- Notifying the Complainant, or the person who reported the allegation(s), of the available resolution options
- Determining whether the Complainant wishes to file a Formal Complaint
- Notifying the Respondent of the available resolution option if a Formal Complaint is made

4. Helping a Complainant to Understand Resolution Options

If the Complainant indicates they wish to initiate Formal Grievance Process, the Director will work with the Complainant to determine which resolution option they want to pursue. The Director will seek to abide by the wishes of the Complainant but may have to take an alternative approach depending on their analysis of the situation.

Upon receiving a complaint that falls under the Administrative Resolution Process, the Director will initiate an investigation.

If any party indicates that they want to pursue an Informal Resolution option, the Director will refer the matter to the appropriate individuals(s) if the Director determines Informal Resolution is available and the other parties consent to participate.

If the Complainant does not want any action taken, the Director will consider that request, and in most circumstances no resolution process will be initiated (unless deemed necessary by the Director), though the Complainant can elect to initiate one later, if desired.

The Director may consider elements such as patterns of behavior, predation, threats, violence, use of weapons, involvement of minors, or threat(s) to the CCS community, in determining whether to initiate a resolution process.

5. Director's Authority to Initiate the Administrative Resolution Process

The Director has ultimate discretion as to whether to pursue an Administrative Resolution Process and may consult with appropriate CCS Employees, and/or conduct a violence risk assessment to aid their determination whether to initiate a complaint.

When the Director initiates a complaint, they do not become the Complainant. The Complainant is the person who experienced the alleged misconduct. If the Director declines to initiate a complaint, alternative processes may be available and can be explored with the Director.

The process followed considers the Parties' preference but is ultimately determined at the Director's discretion. If at any point during the initial assessment or investigation the Director determines that reasonable cause does not support the conclusion that Respondent violated the Policy, the process will end, and the Parties will be notified.

The Complainant may request that the College review the reasonable cause determination and/or re-open the investigation. This decision lies in the sole discretion of the Director, but the request is usually only granted in extraordinary circumstances.

6. Interim Suspension

The College may interim suspend a Student accused of a violation of this Policy upon receipt of Notice or at any time during the Administrative Resolution Process.

When an interim suspension is imposed, wholly or partially, the affected Student will be notified of the action, which will include a written rationale, and the option to challenge the interim suspension within two (2) business days of the notification. Upon receipt of a challenge, the Director will meet with the student (and their Advisor, if desired) as soon as reasonably possible thereafter.

3.1. POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT⁸³

to allow them to show cause why the removal/action should not be implemented or should be modified.

This meeting is not a hearing on the merits of the allegation(s), but rather is an administrative process intended to determine solely whether the interim suspension is appropriate, should be modified, or should be lifted. When this meeting is not requested within two (2) business days, objections to the interim suspension will be deemed waived. A student can later request a meeting to show why they no longer pose a safety concern because the related conditions have changed. A Complainant and their Advisor may be permitted to participate in this meeting if the Director determines it is fair for them to do so.

The Respondent may provide information, including expert reports, witness statements, communications, or other documentation for consideration prior to or during the meeting. When applicable, a Complainant may provide information to the Director for review.

An interim suspension may be affirmed, modified, or lifted as a result of a requested review or as new information becomes available. The Director will communicate the final decision in writing, typically within three (3) business days of the review meeting.

7. Placing an Employee on Leave

When the Respondent is an Employee, or a Student-Employee accused of misconduct in the course of their employment, existing provisions within the Staff Handbook² or Faculty Handbook³ for interim action are typically applicable instead of the above emergency removal process.

8. Counter-Complaints

The College is obligated to ensure that the Administrative Resolution Process is not abused for retaliatory purposes. Although the College permits the filing of counter-complaints, the Director will use an initial assessment, described above, to assess whether the allegations in the counterclaim are made in good faith. When counter-complaints are not made in good faith, they will not be permitted. They will be considered potentially retaliatory and may constitute a Policy violation.

Counter-complaints determined to have been reported in good faith will be processed using the Administrative Resolution Process below. At the Director's discretion, investigation of such claims may take place after resolution of the underlying initial allegations.

9. Advisors in the Administrative Resolution Process

The Parties may each have an Advisor of their choice present with them for all meetings and interviews within the Administrative Resolution Process. For employees, CCS will comply with federal, state, or local laws and regulations concerning representation at meetings (e.g., Weingarten Rules) that may potentially lead to discipline.

A party may elect to change Advisors during the process and is not obligated to use the same Advisor throughout. Parties are expected to provide the

²Staff Handbook (<https://campus.collegeforcreativestudies.edu/staff-handbook/>)

³Faculty Handbook (<https://campus.collegeforcreativestudies.edu/faculty-handbook/>)

College with timely notification if they change Advisors. If a party changes Advisors, consent to share information with the previous Advisor is assumed to be terminated, and a release for the new Advisor must be submitted.

a. Who Can Serve as an Advisor?

The parties may each have an Advisor (friend, mentor, family member, attorney, or any other individual a party chooses) present with them for all meetings, interviews, and hearings within the resolution process. The parties may select whomever they wish to serve as their Advisor as long as the Advisor is eligible and available.

The Director will offer to assign a trained Advisor to any party. If the parties choose an Advisor from the CCS's Resolution Process Pool, the College will have trained the Advisor and familiarize them with the College's Administrative Resolution Process.

The College cannot guarantee equal advisory rights, meaning that if one party selects an Advisor who is an attorney, but the other party does not, or cannot afford an attorney, the College is not obligated to provide an attorney to advise that party.

If a party requests that all communication be made through their attorney Advisor instead of to the party, the College will agree to copy both the party and their Advisor on all communications.

b. Advisor's Role in the Administrative Resolution Process

Advisors should help the Parties to prepare for each meeting and are expected to advise ethically, with integrity, and in good faith. Advisors may not provide testimony or speak on behalf of their advisee unless given specific permission to do so.

The parties are expected to respond to questions on their own behalf throughout the Administrative Resolution Process. Although the Advisor generally may not speak on behalf of their advisee, the Advisor may consult with their advisee, either privately as needed. For longer or more involved discussions, the Parties and their Advisors should ask for breaks to allow for private consultation.

c. Advisor Expectations

The College generally expects an Advisor to adjust their schedule to allow them to attend case-related meetings/interviews when planned, but the Director may change scheduled meetings to accommodate an Advisor's inability to attend, if doing so does not cause an unreasonable delay.

The College may also make reasonable provisions to allow an Advisor who cannot be present in person to attend a meeting/interview by telephone, video conferencing, or other similar technologies as may be convenient and available.

All Advisors are subject to the same CCS policies and procedures, whether they are attorneys or not. Advisors are expected to advise without disrupting proceedings.

d. Advisor Policy Violations

Any Advisor who oversteps their role as defined by the Policy, who shares information in a manner inconsistent with the Policy, or who refuses to comply with the College's established rules of decorum will be warned. If the Advisor continues to disrupt or otherwise fails to respect the limits of the Advisor

3.1. POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT⁸⁵

role, the meeting/interview may be ended, or other appropriate measures implemented, including the College requiring the party to use a different Advisor or providing a different CCS-appointed Advisor. Subsequently, the Director will determine how to address the Advisor's non-compliance and future role.

10. Resolution Options Overview

The Administrative Resolution Process is the College's primary resolution approach unless all parties and the Director agree to an Informal Resolution. The process considers the parties' preferences but is ultimately determined at the Director's discretion.

Resolution proceedings are private. All persons present at any time during a resolution process are expected to maintain the privacy of the proceedings in accordance with the Policy.

a. Informal Resolution

To initiate Informal Resolution, a Complainant or Respondent may make such a request to the Director at any time prior to a Final Determination, or the Director may offer the option to the parties. The Director will obtain voluntary, written confirmation that all parties wish to resolve the matter through Informal Resolution before proceeding and will not pressure the parties to participate in Informal Resolution.

Three approaches to Informal Resolution are detailed in this section.

- **Supportive Resolution.** When the Director can resolve the matter informally by providing supportive measures (only) designed to remedy the situation. Supportive Resolution involves only the party who opts for it.

- **Accepted Responsibility.** When the Respondent accepts responsibility for violating Policy and accepts the recommended sanction(s), and the Complainant(s) and CCS are agreeable to the resolution terms.

- **Alternative Resolution.** When the Parties agree to resolve the matter through an alternative resolution mechanism (which could include, but is not limited to, mediation, shuttle negotiation, restorative practices, facilitated dialogue, etc.), as described below.

It is not necessary to pursue Informal Resolution first in order to pursue an Administrative Process. Any party participating in Informal Resolution can withdraw from the Informal Resolution Process at any time and initiate or resume the Administrative Resolution Process.

The parties may agree, as a condition of engaging in Informal Resolution, on what statements made or evidence shared during the Informal Resolution process will not be considered in the Administrative Resolution Process should Informal Resolution not be successful.

If an investigation is already underway, the Director has discretion to determine if an investigation will be paused, if it will be limited, or if it will continue during the Informal Resolution process.

Prior to implementing Informal Resolution, the Director will provide the parties with written notice of the reported misconduct and any sanctions (only in the case of Accepted Responsibility) or measures that may result from participating in such a process, including information regarding any records that will be maintained or shared by the Director.

i. Supportive Resolution

Most commonly offered once a complaint is filed (whereas supportive measures are offered in response to Notice. The Director will meet with the Complainant to determine reasonable supports that are designed to restore or preserve the Complainant's access to the College's education program and activity. Such supports can be modified as the Complainant's needs evolve over time or circumstances change. If the Respondent has received the Notice of Investigation and Allegations (NOIA), the Director may also provide reasonable support for the Respondent as deemed appropriate. This option is available when the Complainant does not want to engage the other resolution options, and the Director does not believe there is a need to sign a complaint. At the discretion of the Director, this resolution option can result in an agreement between the Complainant and the Director that does not require assent from any other party, as long as it does not unduly burden any other party or function punitively with respect to them.

ii. Accepted Responsibility

The Respondent may accept responsibility for any or all of the alleged policy violations at any point during the Administrative Resolution Process. If the Respondent indicates an intent to accept responsibility for all alleged Policy violations, the ongoing process will be paused, and the Director will determine whether Informal Resolution is an option.

If Informal Resolution is available, the Director will determine whether all parties and the College are able to agree on responsibility, restrictions, sanctions, restorative measures, and/or remedies. If so, the Director will enter a finding that the Respondent is in violation of CCS Policy, and will implement agreed-upon restrictions and remedies, and determines the appropriate responses in coordination with other appropriate administrator(s), as necessary.

This resolution is not subject to appeal once all parties indicate their written agreement to all resolution terms. When the parties cannot agree on all terms of resolution, the Administrative Resolution Process will either begin or resume.

When a resolution is reached, the appropriate sanction(s) or responsive actions are promptly implemented to effectively stop the Discrimination or Harassment, prevent its recurrence, and remedy the effects of the discriminatory conduct, both on the Complainant and the CCS community; and other forms of resolution that can be tailored to the needs of the parties.

iii. Alternative Resolution

Some alternative resolution mechanisms will result in an agreed-upon outcome, while others are resolved through dialogue. All parties must consent to the use of an alternative resolution approach, and the parties may, but are not required to, have direct or indirect contact during an alternative resolution process.

The Director may consider the following factors to assess whether alternative resolution is appropriate, or which form of alternative resolution may be most successful for the parties:

- The parties' amenability to alternative resolution
- Likelihood of potential resolution, considering any power dynamics

3.1. POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT⁸⁷

between the parties

- The nature and severity of the alleged misconduct
- The parties' motivation to participate
- Civility of the parties
- Results of a violence risk assessment/ongoing risk analysis
- Respondent's disciplinary history
- Whether interim action is needed
- Skill of the alternative resolution facilitator with this type of complaint
- Complaint complexity
- Emotional investment/capability of the parties
- Rationality of the parties
- Goals of the parties
- Adequate resources to invest in alternative resolution (e.g., time, staff)

The Director has the authority to determine whether alternative resolution is available or successful, to facilitate a resolution that is acceptable to all parties, and/or to accept the parties' proposed resolution, usually through their advisors, often including terms of confidentiality, release, and non-disparagement.

Parties do not have the authority to stipulate restrictions or obligations for individuals or groups that are not involved in the alternative resolution process. The Director will determine whether additional individual or community remedies are necessary to meet the institution's compliance obligations in addition to the alternative resolution.

The Director maintains records of any resolution that is reached and will provide notification to the parties of what information is maintained. Failure to abide by the resolution agreement may result in appropriate responsive/disciplinary actions (e.g., dissolution of the agreement and resumption of the Administrative Resolution Process, referral to the conduct process for failure to comply, application of the enforcement terms of the agreement). Where the failure to abide by the Informal Resolution agreement terms results in a failure to remedy a policy violation, the Director must consider whether to dissolve the agreement and reinstate the Administrative Resolution Process to remedy the impact as required by law. The results of reports resolved by alternative resolution are not appealable.

If an Informal Resolution option is not available or selected, the Director will initiate or continue an investigation and subsequent Administrative Resolution Process to determine whether the policy has been violated.

b. Administrative Resolution Process

Administrative Resolution can be pursued at any time during the process for any behavior for which the Respondent has not accepted responsibility that would constitute conduct covered under this Policy if proven. Administrative Resolution starts with a thorough, reliable, and impartial investigation.

i. If Administrative Resolution is initiated, the Director will provide written notification of the investigation to the parties at an appropriate time during the investigation. Typically, notice is given at least two (2) business days in advance of an interview. Advanced notice facilitates the parties' ability to identify and choose an Advisor, if any, to accompany them to the interview.

ii. Written notification will include a meaningful summary of the allegations and the policies alleged to have been violated and may be delivered by one or more of the following methods: in person, mailed to the parties' local or permanent address as indicated in official CCS records, or emailed to the parties' CCS-issued or other approved email account. Once mailed, emailed, and/or received in-person, notice is presumptively delivered.

iii. The College aims to complete all investigations within a sixty (60) business days' time period, which can be extended by the Director as necessary for appropriate cause. Investigations can take weeks or even months, depending on the nature, extent, and complexity of the allegations, availability of witnesses, police involvement, etc.

iv. Once an investigation is initiated, the Director appoints an Investigator(s) to conduct it. These investigators may be members of the pool, or any other properly trained investigator, whether internal or external to the CCS community.

(1) The College will make a good faith effort to complete the investigation as promptly as circumstances permit and will communicate regularly with the parties to update them on the progress and timing of the investigation.

(2) The Director may undertake a short delay in its investigation (several days to a few weeks) if circumstances require. Such circumstances include, but are not limited to, a request from law enforcement to temporarily delay the investigation, the need for language assistance, the absence of parties and/or witnesses, and/or health conditions. The Director will promptly resume its Resolution Process as soon as feasible. During such a delay, the Director will implement and maintain supportive measures for the parties as deemed appropriate.

(3) CCS action(s) are not typically altered or precluded on the grounds that civil or criminal charges involving the underlying incident(s) have been filed or that criminal charges have been dismissed or reduced.

(4) All investigations are thorough, reliable, impartial, prompt, and fair. They involve interviewing all available, relevant parties and witnesses, obtaining Relevant Evidence, and identifying sources of expert information, as necessary.

11. Notice of Investigation and Allegations

The Director will provide the parties written Notice of the Investigation and Allegations (the "NOIA") upon commencement of the Administrative Resolution Process. Amendments and updates to the NOIA may be made as the investigation progresses and more information becomes available. For climate/culture investigations that do not have an identifiable Respondent, the NOIA will be sent to the department/office/program head for the area/program being investigated.

The NOIA will include:

- A meaningful summary of all allegations
- The names of the parties involved (if known)
- The precise misconduct being alleged
- The date and location of the alleged incident(s) (if known)
- The specific policies/offenses implicated

3.1. POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT⁸⁹

- A description of, link to, or copy of the applicable procedures
- A statement that the College presumes the Respondent is not responsible for the reported misconduct unless and until the evidence supports a Final Determination that the Policy has been violated
- The name(s) of the Investigator(s), along with a process to notify the Director of any conflict of interest that the Investigator(s) may have in advance of the interview process
- A statement that determinations of responsibility are made at the conclusion of the process
- A statement of the potential sanctions/responsive actions that could result
- A statement about CCS's policy on Retaliation
- Information about process confidentiality
- Information on the option for each party to have an Advisor of their choosing and suggestions for ways to identify an Advisor
- A statement informing the parties that the College's Policy prohibits knowingly making false statements, including knowingly submitting false information during the Administrative Resolution Process
- Information about how a party may request disability accommodations or other support assistance during the Administrative Resolution Process
- An instruction to preserve any evidence that is directly related to the allegations

Notification will be made in writing and may be delivered by one or more of the following methods: in person, mailed to the parties' local or permanent address(es) as indicated in official CCS records, or emailed to the parties' CCS-issued email or other approved accounts. Once mailed, emailed, and/or received in-person, notice is presumptively delivered.

12. Respondent Admits Responsibility

If a Respondent elects to admit to the charged violations and waive further process at any point in the Administrative Resolution Process, the Director is authorized to accept that admission, adopt it as their Finding/Final Determination, and administer sanctions. If the Respondent rejects the Finding/Final Determination/sanctions, or does not admit to all charged violations, the Administrative Resolution Process continues to its conclusion. The Complainant retains their right to appeal a Final Determination when a Respondent admits responsibility.

13. Investigation Process

a. All investigations are thorough, reliable, impartial, prompt, and fair. They involve interviewing all available, relevant parties and witnesses, obtaining Relevant Evidence, and identifying sources of expert information, as necessary.

b. After an interview, parties and witnesses will be asked to verify the accuracy of the recording, transcript, or summary of their interview. They may submit changes, edits, or clarifications. If the parties or witnesses do not respond within the time period designated for verification, objections to the accuracy of the recording, transcript, or summary will be deemed to have been waived, and no changes will be permitted.

c. The College may consolidate Complaints against more than one Respondent, or by more than one Complainant against one or more Respondent(s), when the allegations arise from the same facts or circumstances or implicate a pattern, collusion, and/or other shared or similar actions.

d. Investigations involve the following:

- Determining the identity of and contacting all involved parties and potential witnesses to participate in an investigation interview
- Identifying issues and developing a strategic investigation plan, including a witness list, evidence list, intended investigation timeframe, and order of interviews for the parties and witnesses
- Providing written notification of the date, time, and location of all investigation meetings, including the expected participants and purpose
- Conducting any necessary follow-up interviews with parties or witnesses
- Providing the parties and witnesses an opportunity to verify the accuracy of either a summary or transcript of their interview(s)
- Soliciting the names of suggested witnesses and questions each party wishes to have asked of another party or witness
- Writing an Investigation Report that gathers, assesses, and synthesizes the evidence, accurately summarizes the investigation and party and witness interviews, and provides all Relevant Evidence
- Providing the Director with a Draft Investigation Report, including assessment and synthesis of Relevant Evidence, and engaging in discussions with the Director and/or legal counsel
- Making recommendations for the Director regarding factual support for a determination on whether the Respondent(s) engaged in conduct that violated the Policy
- Making credibility determinations relating to the findings and recommendations

14. Witness Role and Participation in the Investigation

a. Witnesses who are CCS employees are strongly encouraged to cooperate with and participate in the College's investigation and Administrative Resolution Process. Student witnesses and witnesses from outside the CCS community are encouraged to cooperate with the College's investigations and to share what they know about a complaint.

b. Party and/or witness interviews may be conducted in person, via online video platforms (e.g., Zoom, Microsoft Teams, FaceTime, WebEx), or, in limited circumstances, by telephone. The College will take appropriate steps to ensure the security/privacy of remote interviews.

c. Parties and witnesses may also provide written statements in lieu of interviews or choose to respond to written questions, if deemed appropriate by the Investigator(s), though not preferred.

d. It is standard practice for Investigators to create a record of all interviews pertaining to the Administrative Resolution Process, by recording, transcript, or written summary. The parties may review copies of their own interviews upon request. No unauthorized audio or video recording of any kind is permitted during investigation meetings.

3.1. *POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT* 91

e. All interviews are transcribed, and all involved persons should be made aware that their interviews are being recorded. The transcript of those meetings will be provided to the parties for their review, after which the parties may suggest additional questions to be asked of another party or witness or additional witnesses. Those subsequent meetings or interviews are also recorded and/or transcribed.

15. Ensuring Impartiality

a. No individual materially involved in the administration of the Administrative Resolution Process, including the Director, Investigator(s), and Decision-maker(s), may have or demonstrate a conflict of interest or bias for a party generally, or for a specific Complainant or Respondent.

b. The Director will vet the assigned Investigator(s), Decision-maker(s), and Appeal Decision-maker(s) for impartiality by ensuring there are no actual or apparent conflicts of interest or disqualifying biases. The Parties may raise a concern regarding bias or conflict of interest at any time during the Administrative Resolution Process, and the Director will determine whether the concern is reasonable and supportable. If so, another pool member, or other trained individual, will be assigned, and the impact of the bias or conflict, if any, will be remedied. If the source of the conflict of interest or bias is the Director, concerns should be raised with the Assistant Vice President of Campus Life.

c. The Administrative Resolution Process involves an objective evaluation of all Relevant Evidence obtained, including evidence that supports that the Respondent violated the Policy and evidence that supports that the Respondent did not violate the Policy. Credibility determinations will not be based solely on an individual's status or participation as a Complainant, Respondent, or witness. All parties have a full and fair opportunity, through the investigation process, to suggest witnesses and questions, to provide evidence, and to receive a written Investigation Report that accurately summarizes this evidence.

16. Evidentiary Exclusions

a. Unless the Investigator determines it is appropriate, the investigation and the Finding do not consider: (1) incidents not directly related to the possible violation(s), unless they evidence a pattern; (2) the irrelevant sexual behavior of the parties (though there may be a limited exception made with regard to the sexual behavior between the parties); (3) irrelevant character evidence.

b. Although the Respondent's previous conduct violations (if any) are not generally admissible as information supporting the current allegation(s), the Director may supply the Investigator with information about previous good faith allegations and/or findings when that information suggests potential pattern and/or predatory conduct.

c. The Recipient uses a progressive discipline system, thus previous disciplinary action of any kind involving the Respondent may be considered in determining the appropriate sanction(s).

d. Character witnesses or evidence may be offered. The Investigator will determine if the character evidence is relevant. If so, it may be considered. If not, it will be excluded.

e. A party or witness' records that are made or maintained by a physician,

psychologist, or psychiatrist are inadmissible unless the party or witness provides voluntary, written consent for the records to be considered.

17. Resolution Timeline

The College will make a good faith effort to complete the Administrative Resolution Process within sixty (60) business days. The parties will receive regular updates on the progress of the Administrative Resolution Process, as well as notification and a rationale for any extensions or delays, and an estimate of how much additional time will be needed to complete the process.

Investigations are completed expeditiously, normally within thirty (30) business days, though some investigations may take longer, depending on the nature, extent, and complexity of the allegations, witness availability, law enforcement involvement, and other factors.

CCS action(s), or processes are not typically altered or precluded on the grounds that civil or criminal charges involving the underlying incident(s) have been filed or that criminal charges have been dismissed or reduced.

The College will make a good faith effort to complete the Administrative Resolution Process as promptly as circumstances permit and will regularly communicate with the parties to update them on the progress and timing of the process.

18. Final Determination and Sanctions

a. Within two to three (2-3) business days of receiving the Investigator's Final Investigation Report, the Director, in consultation with the other administrators (Human Relations or Student Affairs Office, or legal counsel) then makes the Final Determination by applying the standard of a preponderance of the evidence. If the record is incomplete, the Director may direct the Investigator(s) to reopen the investigation, or may direct or conduct any additional inquiry necessary, including meeting informally with the parties or any witnesses if needed.

b. Once the Investigator closes the Investigation and issues its Final Determination, the Director will contact the sanctioning authority who will determine the appropriate sanction to be applied. The sanctioning authority may consider any impact or mitigation statements provided by the parties.

c. The Director will provide the parties with a written outcome notification within three (3) business days of the issuance of the Final Report.

d. After receipt of the sanction determined by the sanctioning authority, the Director will provide notification to the parties of the Final Outcome and the sanction to be imposed, if applicable. The notice from the Director will also specify whether any continuing supportive measures will be continued.

e. Notice may be delivered by one or more of the following methods: in person, mailed to the parties' local or permanent address as indicated in official CCS records, or emailed to the parties' CCS-issued or other approved email account. Once mailed, emailed, and/or received in-person, notice is presumptively delivered.

19. Sanctions

Factors the Decision-maker may consider when determining sanctions and responsive action include, but are not limited to:

3.1. POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT 93

- The nature, severity of, and circumstances surrounding the violation(s)
- The Respondent's disciplinary history
- The need for sanctions/responsive actions to bring an end to the Policy violation
- The need for sanctions/responsive actions to prevent the future recurrence of the Policy violation
- The need to remedy the effects of the Policy violation upon the Complainant and the community
- The impact on the parties or community
- The Respondent's acknowledgement of responsibility or contrition
- Any remedial measures or mitigation undertaken by the Respondent
- Any other information deemed relevant by the sanctioning authority

The sanctions will be implemented as soon as is feasible once a Determination is final, either upon the outcome of any appeal or the expiration of the window to appeal, without an appeal being requested.

The sanctions described in the procedures are not exclusive of, and may be in addition to, other actions taken, or sanctions imposed, by external authorities.

a. Student Sanctions

The following are the common sanctions that may be imposed upon students singly or in combination:

- *Warning:* A formal statement that the conduct was unacceptable and a warning that further violation of any CCS policy, procedure, or directive will result in more severe sanctions/responsive actions

- *Required Counseling:* A mandate to meet with and engage in either CCS-sponsored or external counseling to better comprehend the misconduct and its effects

- *Restrictions:* A student may be restricted in their activities, including, but not limited to, being restricted from locations, programs, participation in certain activities or extracurriculars, study abroad, or holding leadership roles in student organizations

- *Probation:* An official sanction for violation of CCS policy, providing for more severe disciplinary sanctions if the student is found in violation of any CCS policy, procedure, or directive within a specified period of time. Terms of the probation will be articulated and may include denial of specified social privileges, exclusion from co-curricular activities, exclusion from designated areas of campus, no-contact orders, and/or other measures deemed appropriate.

- *Suspension:* Separation from the College, or one or more of its facilities, for a defined period of time, typically not to exceed two (2) years, after which the student is eligible to return. Eligibility may be contingent upon satisfaction of specific conditions noted at the time of suspension, on successfully applying for readmission, or upon a general condition that the student is eligible to return if the College determines it is appropriate to re-enroll/readmit the student. The student is typically required to vacate CCS property within 24 hours of notification of the action, though this deadline may be extended at the discretion of the Director of Civil Rights and Title IX Compliance or other appropriate official. During a college-wide suspension, the student is banned from CCS property,

functions, events, and activities unless they receive prior written approval from an appropriate CCS official. This sanction may be enforced with a trespass action, as necessary. This sanction may be noted as a Disciplinary Suspension on the student's official academic transcript, per CCS policy and/or state law.

- *Expulsion*: Permanent separation from the College. The student is banned from CCS property, and the student's presence at any CCS-sponsored activity or event is prohibited. This action may be enforced with a trespass action, as necessary. This sanction may be noted as Disciplinary Expulsion on the student's official academic transcript, per CCS policy and/or state law.

- *Withholding Diploma*: The College may withhold a student's diploma for a specified period of time and/or deny a student's participation in commencement activities as a sanction if the student is found responsible for violating the Policy

- *Revocation of Degree*: While very rarely exercised, the College reserves the right to revoke a degree previously awarded by the College for fraud, misrepresentation, and/or other violation of CCS policies, procedures, or directives in obtaining the degree, or for other serious violations committed by a student prior to graduation

- *Other Actions*: In addition to, or in place of, the above sanctions, the College may assign any other sanctions as deemed appropriate

b. Student Organization Sanctions

The following are the common sanctions that may be imposed upon student groups organizations singly or in combination:

- *Warning*: A formal statement that the conduct was unacceptable and a warning that further violation of any CCS policy, procedure, or directive will result in more severe sanctions/responsive actions

- *Probation*: An official sanction for violation of CCS policy, providing for more severe disciplinary sanctions if the group or organization is found in violation of any CCS policy, procedure, or directive within a specified period of time. Terms of the probation will be articulated and may include denial of specified social and event privileges, denial of CCS funds, ineligibility for honors and awards, restrictions on new member recruitment, no-contact orders, and/or other measures deemed appropriate.

- *Suspension*: Termination of student group or organization recognition and/or CCS support for a defined period of time not to exceed two (2) years and/or until specific criteria are met. During the suspension period, a student group or organization may not conduct any formal or informal business or participate in CCS-related activities, whether they occur on or off campus. Re-recognition is possible but not guaranteed and will only be considered after the end of the suspension period and based on meeting all re-recognition criteria and obtaining clearance from the College.

- *Expulsion*: Permanent termination of student group or organization recognition and revocation of the privilege to congregate and conduct business on campus as an organization for any reason

- *Loss of Privileges*: Restricted from accessing specific CCS privileges for a specified period of time

3.1. POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT⁹⁵

· *Other Actions:* In addition to, or in place of, the above sanctions, the College may assign any other sanctions as deemed appropriate

c. Employee Sanctions/Responsive/Corrective Actions

Responsive actions for an employee who has engaged in a violation of the Policy include, singly or in combination:

- *Verbal or Written Warning*
- *Performance Improvement Plan/Management Process*
- *Enhanced Supervision, Observation, or Review*
- *Required Counseling*
- *Required Training or Education*
- *Probation*
- *Denial of Pay Increase/Pay Grade*
- *Loss of Oversight or Supervisory Responsibility*
- *Demotion*
- *Transfer*
- *Shift or schedule adjustments*
- *Reassignment*
- *Delay of (or referral for delay of) Tenure Track Progress*
- *Assignment to a New Supervisor*
- *Restriction of Stipends, Research, and/or Professional Development Resources*
- *Suspension/Administrative Leave with Pay*
- *Suspension/Administrative Leave without Pay*
- *Termination*

· *Other Actions:* In addition to, or in place of, the above sanctions/responsive actions, the College may assign any other responsive actions as deemed appropriate

20. Withdrawal or Resignation Before Complaint Resolution

a. Students

i. Should a Respondent decide not to participate in the Administrative Resolution Process, the process proceeds absent their participation to a reasonable resolution. If a Student Respondent withdraws from the College, the Administrative Resolution Process typically ends with a dismissal, as the College has lost primary disciplinary jurisdiction over the withdrawn student. However, the College may continue the Administrative Resolution Process when, at the discretion of the Director, doing so may be necessary to address safety and/or remedy any ongoing effects of the alleged Policy violation.

ii. Regardless of whether the Formal Complaint is dismissed or pursued to completion of the Administrative Resolution Process, the College will continue to address and remedy any systemic issues or concerns that may have contributed to the alleged violation(s), and any ongoing effects of the alleged Policy violation.

iii. When a student withdraws or takes a leave of absence while the process is pending, the Student may not return to the College in any capacity until the allegations are resolved and any sanctions imposed are satisfied. If the student indicates they will not return, the Director has discretion to dismiss

the allegations and bar the student from returning. The Registrar, Office of Admissions, and HR may be notified accordingly.

iv. If the Student Respondent takes a leave of absence for a specified period of time (e.g., one semester or term), the Administrative Resolution Process may continue remotely. If found in violation, that student is not permitted to return to CCS unless and until all sanctions, if any, have been satisfied.

b. Employees

i. Should an Employee Respondent decide not to participate in the Administrative Resolution Process, the process proceeds, absent their participation to a reasonable resolution. If an Employee Respondent leaves their employment with the College with unresolved allegations pending, the Administrative Resolution Process typically ends with dismissal, as the College has lost primary disciplinary jurisdiction over the former employee. However, the College may continue the Administrative Resolution Process when, at the discretion of the Director, doing so may be necessary to address safety and/or remedy any ongoing effects of the alleged Policy violation.

ii. Regardless of whether the allegations are dismissed or pursued to completion of the Administrative Resolution Process, the College will continue to address and remedy any systemic issues or concerns that may have contributed to the alleged violation(s), and any ongoing effects of the alleged violation.

iii. When an employee resigns and the allegations are dismissed, the employee may not return to the College in any capacity. The Registrar, Office of Admissions, and HR will be notified accordingly. A note will be placed in the employee's file that they resigned with allegations pending and are not eligible for academic admission or rehire with the College. The records retained by the Director will reflect that status.

21. Appeals

There are no appeals from the decision on a Policy violation under Process B unless a contract or collective bargaining agreement provides otherwise. In that case, CCS will follow the contractually mandated process for administering the appeal.

22. Long-Term Remedies/Actions

Following the conclusion of the Administrative Resolution Process, and in addition to any sanctions implemented or Informal Resolution terms, the Director may implement additional long-term remedies or actions with respect to the parties and/or the CCS community that are intended to stop the Discrimination, Harassment, Retaliation, and/or Other Prohibited Conduct, remedy the effects, and prevent its recurrence.

These remedies/actions may include, but are not limited to:

- Referral to counseling and health services
- Referral to the Employee Assistance Program
- Course and registration adjustments, such as retroactive withdrawals
- Community education
- Permanent alteration of housing assignments
- Permanent alteration of work arrangements for employees
- Provision of campus safety escorts

3.1. POLICY ON EQUAL OPPORTUNITY, DISCRIMINATION, AND HARASSMENT⁹⁷

- Climate surveys
- Policy modification and/or training
- Provision of transportation assistance
- Implementation of long-term contact limitations between the parties
- Implementation of adjustments to academic deadlines, course schedules, etc.

At the Director's discretion, the parties may be provided with certain long-term support or measures even if no Policy violation is found.

When no policy violation is found, the Director will address any remedies the College owes the Respondent to ensure no effective denial of educational access.

The College will maintain the confidentiality of any long-term remedies/actions/measures, provided confidentiality does not impair the College's ability to provide these services, and disclosure of confidential information will be limited to those individuals with a need to know.

23. Failure to Comply with Sanctions and/or Responsive Actions

a. All Respondents are expected to comply with the assigned sanctions, responsive actions, corrective actions, and/or Informal Resolution terms within the timeframe specified by the sanction or the Informal Resolution agreement.

b. Failure to abide by the sanction(s)/action(s) imposed by the date specified, whether by refusal, neglect, or any other reason, may result in additional sanction(s)/action(s), including suspension, expulsion, and/or termination from the College.

c. Supervisors are expected to enforce completion of sanctions/responsive actions for their employees.

d. A suspension imposed for non-compliance with sanctions will only be lifted when compliance is achieved to the College's satisfaction.

24. Recordkeeping

In implementing the Policy and Procedures, the Director will maintain records of all allegations, investigations, and resolutions, indefinitely, or as required by federal or state law or institutional policy. The College will comply with all federal, state, and local laws and regulations, including FERPA, in maintaining the confidentiality and record retention requirements.

25. Disability Accommodations

The College for Creative Studies is committed to providing reasonable accommodations and support to qualified students, employees, or others with disabilities to ensure equal access to the CCS's Resolution Process.

Anyone needing such accommodations or support should contact the Director, who will work with disability support as appropriate to review the request and, in consultation with the person requesting the accommodation, determine which accommodation is appropriate and necessary for full process participation.

26. Other Support

The College will address other reasonable requests for support for the parties and witnesses, including:

- Language services/interpreters;

- Access/training regarding use of technology throughout a resolution process; or
- Other support deemed reasonable and necessary to facilitate participation in a resolution process.

27. **Resolution Process Pool**

The College relies on a pool of individuals to carry out the resolution options.

a. **Member Roles**

b. **Pool members** are trained annually, and can serve in any of the following roles, at the Administrator's discretion:

- Appropriate intake of and initial guidance pertaining to Notice
- Perform or assist with initial assessment
- Advisor to Parties
- Informal Resolution Facilitator
- Investigator

c. **Member Appointment**

The Administrator [in consultation with senior administrators as necessary,] appoints the **Pool**, which acts with independence and impartiality.[12] Although members of the **Pool** are typically trained in a variety of skill sets and can rotate amongst the different roles listed above in different complaints, the School can also designate permanent roles for individuals in the **Pool**.

d. **Member Training** (See training materials posted online)]

3.1.3 Intimate Relationships

Between Students And Faculty

Faculty members are in positions of authority and influence in regard to students. Therefore, intimate relationships between a faculty member and student, whether or not the student is in the faculty member's class or department, can compromise the integrity of the student-faculty relationship. Faculty members, therefore, may not engage in romantic or intimate relationships with students, even if the relationship is welcomed and wholly consensual.

Between Non-Supervisory Official And Faculty/Staff

Consensual relationships between a non-supervisory official and a faculty/staff person, while not prohibited, must be disclosed to the Human Resources Director so that the Director can take any steps necessary to protect the parties involved and avoid even the appearance of favoritism.

3.2 Alcohol and Other Drug Policy for Students, Faculty and Staff

(updated July 2023)

3.2. ALCOHOL AND OTHER DRUG POLICY FOR STUDENTS, FACULTY AND STAFF99

3.2.1 Introduction

The College for Creative Studies is committed to providing a safe, healthy learning community for all its members. The College recognizes that the improper and excessive use of alcohol and other drugs may interfere with the College's mission by negatively affecting the health and safety of students, faculty and staff. Due to the harm caused by excessive and illegal use of alcohol and other drugs, the College has a vested interest in establishing policies to prohibit unlawful behavior and sanctions to address policy violations by members of the CCS community.

Under the **Drug-Free Workplace Act** and the **Drug-Free Schools and Communities Act**, the College is required to have an alcohol and other drug policy and must distribute this policy annually to all employees and students. This Policy must outline the College's prevention, education and intervention efforts, and consequences that may be applied by both the College and external authorities for policy violations. The law also requires that individuals be notified of possible health risks associated with the use and abuse of alcohol and other drugs, and sources of assistance for problems that may arise as a result of use.

3.2.2 Scope

This policy applies to all faculty and staff, as well as students enrolled in credit bearing and non-credit bearing courses at CCS, including any and all programs located off site. Guests, on campus or at College events, who are violating a College policy, may be asked to leave campus/the event and their CCS host will be held responsible for their guest's actions.

Students visiting other countries to attend academic programs are reminded that they may be subject to arrest and legal sanctions for alcohol and drug offenses under the laws and regulations of that particular country or institution in addition to the judicial process of the College.

3.2.3 Definitions

The following terms are defined for the purposes of this policy and are important for purposes of expressing the College's policy on a drug and alcohol-free environment:

College refers to the College for Creative Studies.

College activities include programs affiliated with the College, including study-abroad programs, and any on-campus or off-campus event or function conducted, approved, sponsored or funded, in whole or in part, by the College or any officially recognized student organization.

College premises includes all buildings and land owned, leased, or used by the College (including adjacent streets and sidewalks), and motor vehicles operated by employees, including personal motor vehicles, when used in connection with work performed for or on behalf of the College.

Controlled Substance means a controlled substance in schedules I through V of section 202 of the Controlled Substances Act (21 U.S.C. 812), as further defined by regulations at 21 CFR 1300.11 through 1300.15.

Contract means a legal instrument reflecting a relationship between the federal government and a recipient whenever the principal purpose of the instrument is the acquisition by purchase, lease, or barter, of property or services for the direct benefit or use of the federal government; or whenever an executive agency determines in a specific instance that the use of a type of procurement contract is appropriate.

Conviction means finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the federal or state criminal drug statutes.

Criminal drug statute means a federal or non-federal criminal statute involving the manufacture, sale, distribution, dispensation, use, or possession of any controlled substance.

Drug For the purpose of this Policy, the term “drug” includes:

- controlled substances, as defined in 21 USC 812, which cannot be legally obtained
- legally obtainable controlled substances which were not legally obtained, including:
- Prescribed drugs when prescription is no longer valid (e.g. use of medication after a course of treatment is completed);
- Prescribed drugs used contrary to the prescription;
- Prescribed drugs issued to another person.

Federal agency or agency means any United States executive department, military department, government corporation, government-controlled corporation, or any other establishment in the executive branch, or any independent regulatory agency.

Guest means a person who is not a direct member of the College community, such as a student or employee.

Host means the person who is responsible for a guest being on campus or at a College event.

Illicit drug use means the use, manufacture, sale, distribution, dispensation, or possession of illegal drugs.

Over the Counter Substances means items that are available for purchase from retailers that do not need a prescription.

Prescribed Drug means any substance prescribed for use by a licensed medical practitioner.

Student means an individual registered or enrolled for a credit or non-credit course or program offered by the College.

3.2.4 CCS Alcohol and Drugs Policy

All members of the CCS community also are governed by laws, regulations and ordinances established by the state and local municipalities and will be held accountable by law enforcement representatives of those entities for any illegal activity. It is the responsibility of all campus members to be aware of these laws.

Alcohol

Employees, students, and campus guests, regardless of age, are expected to refrain from the possession, consumption or transportation of alcoholic beverages while on any part of the campus or at College-sponsored/supported events, while driving a College vehicle or while otherwise engaged in College business. Possession of an empty container of an alcoholic beverage will be dealt with as though the individual responsible for the empty container consumed the contents.

The only exception to this Policy is that individuals of legal age may consume alcohol on College property in a manner consistent with College policy and State of Michigan law within the approved designated area of events coordinated by the President of the College. To request an exception to this Policy for events not coordinated by the President, approval must be obtained from the employee's Vice President or Dean with final approval given by the President of the College using the Request for Approval to Serve Alcohol at a CCS Sponsored Event form (see link at the end of this paragraph). For all College related events involving alcohol, a licensed, third-party bartender must be present to serve the alcohol and the bartender must refrain from using a tip jar.

CCS Request Approval to Serve Alcohol – Revised Feb 2020⁴

Drug/Controlled Substance

Students, CCS employees and guests are prohibited from using, possessing, transferring or selling any illegal drug, controlled substance, or related paraphernalia, including hookahs, while on any part of the campus or at College sponsored/supported events.

Any person taking prescription drugs or over-the-counter medication is personally responsible for ensuring that while taking such drugs or medications, he or she is not a safety risk to themselves and others while on College property, while driving a College or privately owned vehicle, or while otherwise engaged in College business. It is illegal to misuse prescription medication, i.e. continue to use medication when the prescription is no longer valid, use prescribed drugs contrary to the prescription, and give or sell prescribed drugs to another person. Misusing prescription drugs can result in conviction with jail time.

CCS Alcohol And Other Drug Prevention Strategies

The College uses the following strategies to provide a positive influence on the campus culture regarding alcohol and drug abuse:

- Students, employees and campus guests, regardless of age, are expected to refrain from the possession, consumption or transportation of alcoholic beverages on campus. (see details and exceptions described in the above section)
- Alcohol and drug awareness education is provided to all new students during New Student Orientation
- Providing education and awareness activities
- All student social, extracurricular, and public service options are substance-free
- Prohibiting the marketing and promotion of alcohol and other drugs
- Developing and enforcing campus policies and enforce laws to address high-risk and illegal alcohol and other drug use
- Providing early intervention and referral for treatment

Health Risks

The use or abuse of alcohol and other drugs increases the risk for a number of health-related and other medical, behavioral and social problems. Below is a general description of the health risks associated with drug use.

ALCOHOL Can cause short-term effects such as loss of concentration and judgment; slowed reflexes; disorientation leading to higher risk of accidents and problem behavior; long-term effects include risk of liver and heart damage, malnutrition, cancer and other illnesses; can be highly addictive to some persons.

AMPHETAMINES Can cause short-term effects such as rushed, careless behavior and pushing beyond your physical capacity, leading to exhaustion; tolerance increases rapidly; long-term effects include physical and psychological dependence and withdrawal can result in depression and suicide; continued high doses can cause heart problems, infections, malnutrition and death.

CANNABIS Can cause short-term effects such as slow reflexes; increase in forgetfulness; alters judgment of space and distance; aggravate pre-existing heart and/or mental health problems; long-term health effects include permanent damage to lungs, reproductive organs and brain function; can interfere with physical, psychological, social development of young users.

DESIGNER DRUGS/SYNTHETIC CANNABINOIDS (bath salts, K2, spice) Can cause short-term effects such as elevated heart rate, blood pressure and chest pain; hallucinations, seizures, violent behavior and paranoia; may lead to lack of appetite, vomiting and tremor; long-term use may result in kidney/liver failure, increased risk of suicide and death.

HALLUCINOGENS (PCP, LSD, ecstasy, dextromethorphan) Can cause extreme distortions of what is seen and heard; induces sudden changes in behavior, loss of concentration and memory; increases risk of birth defects in user's children; overdose can cause psychosis, convulsions, coma and death. Frequent and long-term use can cause permanent loss of mental function.

INHALANTS (nitrous oxide, amyl nitrite, butyl nitrite, chlorohydrocarbons, hydrocarbons) Can cause short-term effects such as nausea, dizziness, fatigue, slurred speech, hallucinations or delusions; may lead to rapid and irregular heart rhythms, heart failure and death; long-term use may result in loss of feeling, hearing and vision; can result in permanent damage to the brain, heart, lungs, liver and kidneys.

OPIATES/NARCOTICS (heroin, morphine, opium, codeine, oxycodone, china white) Can cause physical and psychological dependence; overdose can cause coma, convulsions, respiratory arrest and death; long-term use leads to malnutrition, infection and hepatitis; sharing needles is a leading cause of the spread of HIV and hepatitis; highly addictive, tolerance increases rapidly.

SEDATIVES Can cause reduced reaction time and confusion; overdose can cause coma, respiratory arrest, convulsions and death; withdrawal can be dangerous; in combination with other controlled substances can quickly cause coma and death; long-term use can produce physical and psychological dependence; tolerance can increase rapidly.

TOBACCO (cigarettes, cigars, chewing tobacco) Can cause diseases of the cardiovascular system, in particular smoking being a major risk factor for a myocardial infarction (heart attack), diseases of the respiratory tract such as Chronic Obstructive Pulmonary Disease (COPD) and emphysema, and cancer, particularly lung cancer and cancers of the larynx and mouth; nicotine is highly addictive.

3.2.5 Counseling and Treatment Programs

Students

All students are encouraged to seek help early if they feel they have a problem with drugs and/or alcohol and to learn how to assist others with substance abuse problems. With early assistance, it is less likely that serious consequences will result from an alcohol or drug problem.

The College offers the following alcohol and drug abuse services:

⁵The National Institute on Drug Abuse (<http://www.drugabuse.gov/>)

Information and Referral

All students are eligible to consult with the professional staff of the Wellness Center; personal counselors and/or health care professional, regarding the availability of drug abuse assistance programs. Drug and alcohol abuse counseling and rehabilitation program referrals are made to mutual help organizations, private hospitals, public treatment programs, and private drug treatment practitioners.

Individual Counseling

Individuals are seen on a short-term basis for assistance with drug-related problems. However, it is likely that students will be referred out for alcohol and drug dependence. This service is available to students at no charge.

Free Rehab Centers – Detroit - <https://www.freerehabcenters.org/city/mi-detroit>⁹

CCS Sanctions

The use or abuse of alcohol and other drugs also increases the risks for behavioral and social problems such as negative effects on academic work performance; conflicts with co-workers, classmates, family, friends and others; conduct problems resulting in disciplinary action, including loss of employment or dismissal from an academic program; and legal problems resulting in ticketing, fines and imprisonment.

Students

When a student is found responsible for violating the CCS Alcohol and Other Drug Policy, their case will be evaluated and an appropriate sanction will be implemented.

The sanctions described are minimum sanctions and do not limit the disciplinary power of the College in any matter involving Code of Conduct violations.

A **Warning** is a written notification that a particular action is not acceptable.

Disciplinary Probation is a formal written notice that a student is in poor judicial standing with the College.

Loss of College Housing Eligibility (if applicable) is the termination of a student's admissibility to live in College housing.

Suspension is the termination of an individual's status as a student, with the loss of all rights and privileges, for a specific time period.

Dismissal is the permanent termination of an individual's status as a student, with the loss of all rights and privileges.

Community Service Hours is a required number of hours to be worked in unpaid College or public service within a specific period of time.

Educational Project is a project that is focused on educating the student about a particular issue.

Employees

CCS will take appropriate action, up to and including immediate termination, with employees in violation of this policy. Employees are notified that action under this policy may include requiring successful participation in an alcohol or drug rehabilitation or assistance program as a condition of continued employment.

External Sanctions

Federal Law

Violations of laws and ordinances may result in misdemeanor or felony convictions accompanied by the imposition of legal sanctions, which include, but are not limited to, the following:

- Fines as determined under local, state, or federal laws;
- Imprisonment, including up to life imprisonment, for possession or trafficking in drugs such as heroin, cocaine, marijuana and prescription drugs;
- Forfeiture of personal and real property;
- Denial of federal benefits such as grants, contracts and student loans;
- Loss of driving privileges;
- Required attendance at substance abuse education or treatment programs.

A full description of federal sanctions for drug felonies can be found at: ¹⁰. This section is not intended as legal advice; consult with an attorney regarding your specific legal issues.

Michigan Law

Alcohol: Under Michigan law, it is illegal for anyone under the age of 21 to purchase, consume or possess, or have any bodily content of alcohol. A first-time conviction may result in a fine, substance abuse education and treatment, community service and court-ordered drug screenings. There also is a provision for possible imprisonment or probation for a second or subsequent offense. Use of false identification by minors in obtaining alcohol is punishable with a fine, loss of driver's license, probation and community service.

Individuals can be arrested and possibly convicted of Operating While Intoxicated with a blood alcohol concentration (BAC) level at .08 or higher, or the lesser offense of Operating While Visibly Impaired for BAC less than .08. Operating a motor vehicle with a BAC of .17 or higher may subject an individual to a charge of Operating While Intoxicated with a High BAC. All of these drunk driving charges are misdemeanors that carry potential jail time. If a student is under 21, there is a "zero tolerance" law in the state of Michigan and any blood alcohol level of .01 or higher can lead to a minor in possession (MIP) citation as well as being cited for Operating While Intoxicated, if applicable. All of these driving offenses can result in the suspension of driving privileges in the State of Michigan.

Medical Amnesty as a result of alcohol intoxication: To better ensure that minors at medical risk as a result of alcohol intoxication will receive prompt

¹⁰DEA Drug Policy <https://www.dea.gov/drug-information/drug-policy>

3.2. ALCOHOL AND OTHER DRUG POLICY FOR STUDENTS, FACULTY AND STAFF¹⁰⁷

and appropriate medical attention, the State of Michigan provides for medical amnesty to remove perceived barriers to calling for or seeking help.

Michigan law continues to prohibit a minor from purchasing, consuming, or possessing, or attempting to purchase, consume, or possess, alcoholic liquor and from having any bodily alcohol content.

The medical amnesty law provides an exemption from prosecution for the following:

- A minor (under the age of 21) who, after consuming alcohol, voluntarily presents themselves to a health facility or agency for treatment or observation, including medical examination and treatment for any condition as a result of sexual assault (as defined in Michigan law).
- Any minor (under the age of 21) who accompanied an individual who, after consuming alcohol, voluntarily presented themselves to a health facility or agency for treatment or observation, including medical examination and treatment for any condition as a result of sexual assault (as defined in Michigan law).
- Any minor (under the age of 21) who initiated contact with law enforcement or emergency medical services personnel for the purpose of obtaining medical assistance in connection with a legitimate health care concern.

Medical Amnesty as a result of an overdose of any controlled substance, including a prescription drug: To better ensure that individuals at medical risk as a result of an overdose of any controlled substance, including a prescription drug, will receive prompt and appropriate medical attention, the State of Michigan provides for medical amnesty to remove perceived barriers to calling for or seeking help.

The medical amnesty law provides an exemption from prosecution for the following when the amount of the drug possessed is sufficient only for personal use:

- Any individual who voluntarily seeks medical assistance for themselves as a result of an overdose of any controlled substance, including a prescription drug.
- Any individual who accompanies or procures medical assistance for another individual as a result of an overdose of any controlled substance, including a prescription drug.
- Any individual who as a result of an overdose of any controlled substance, including a prescription drug, is presented for medical assistance by a third party.

The College for Creative Studies maintains the discretion to refer the individual for appropriate educational intervention(s).

Marijuana: On November 6, 2018, Michigan voters passed Proposal 18-1, which legalizes possession and use of limited amounts of recreational marijuana by individuals 21 years and older. Neither this new state law, nor the Michigan Medical Marihuana Act, authorize the use or possession of marijuana on any property owned or managed by CCS and by CCS' faculty, staff, or students on any CCS property or during off-campus CCS business or events.

Marijuana possession and use remains illegal under federal law and is categorized as an illicit substance under the Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act Amendment of 1989. Therefore, even though the State of Michigan has legalized limited amounts of marijuana for recreational or medicinal use for some individuals, the possession, use, storage, and cultivation of marijuana remains prohibited for all faculty, staff and students under CCS policy.

Employees and students who violate CCS policy prohibiting the use or possession of illegal drugs on campus will continue to be subject to disciplinary action.

Sanctions for Illegal Use, Possession and/or Delivery of Controlled Substances

A full description of the State of Michigan sanctions for the controlled substances (Public Health Code Act 368 of 1978) can be found at: Public Health Code Act 368 of 1978 Part 74 Offenses and Penalties¹¹. This section is not intended as legal advice; consult with an attorney regarding your specific legal issues.

Employee Reporting Requirement

Under the Drug-Free Workplace Act, in addition to the other requirements of this Policy, the College requires all employees who work in any capacity under a federal grant or contract to notify his or her supervisor or department head in writing of his or her conviction for a violation of any criminal drug statute occurring in the workplace or on work-related activities no later than five (5) calendar days after such conviction. The supervisor or department head will notify the Office of Human Resources.

Distribution of Policy

A copy of this Policy statement will be distributed to all faculty, staff and students annually via email at the beginning of fall and winter semesters. New employees will receive this information from Human Resource when they are hired. Prospective students and employees are made aware of this policy upon their initial connection to the College.

Review of the College's Prevention Program and Policy

Annually, the College shall review its Alcohol and Other Drug Policy and prevention strategies to determine effectiveness and to ensure that the College's disciplinary sanctions are consistently enforced. This annual review will be conducted in May and the minutes from the review are available to students and employees upon request.

For more information concerning this Policy, employees should contact the Office of Human Resources at 313-664-7652 and students should contact the Office of Student Affairs at 313-664-7879.

3.3 Weapons

Engaging or participating in unauthorized possession or use of explosives, firearms, dangerous weapons, or other hazardous objects or substances on College premises is expressly prohibited. Weapons, explosives, and other hazardous objects or substances covered by this regulation shall include, but not be limited to, the following:

- all handguns, rifles, and shotguns
- all longbows, crossbows, and arrows
- all knives having a blade length of three inches or more that are not solely used for the purpose of creating art or for the preparation and eating of meals
- all BB guns, pellet guns, air/CO2 guns, blow guns, paint guns, splat balls and altered toy guns
- all fireworks
- all explosives, laboratory chemicals, dangerous compounds, gunpowder, firearm ammunition, and flammable petroleum fuels
- any martial arts weapons, e.g., numb chucks and throwing stars
- any substance that is considered poisonous
- any item used as a weapon in the commission of a crime
- any operative animal trap or other device that is used to ensnare animals.
- any 3D printed firearm, bladed weapon, bow and arrow, or other items considered weapons
- any improper use of a prop weapon and/or the use of a prop weapon to threaten or intimidate

3.4 Confidentiality

Due to the nature of the College's work, you may be privy to confidential information. Certain information is required to be confidential by law, while other material must remain confidential in order to comply with contracts or good professional practice.

If you have access to confidential information, you must not disclose it to anyone inside or outside the College unless express authorization has been obtained from the College. If you have any questions about the confidentiality of the work you perform or the information that you receive, either in written or verbal form, please contact your supervisor or the director of Human Resources.

3.5 Employee Conflict of Interest

CCS administrative staff should avoid situations where their own interests materially conflict with their obligations to CCS, or create the perception of a conflict. All decisions and actions by administrative staff in the course of their professional responsibilities are to be made consistent with their obligations to CCS.

Generally, a conflict of interest arises when an administrative staff member has a personal or financial interest in a transaction or event – or is a party to a transaction or event – that might adversely affect his or her judgment in performing professional or employment duties for CCS. Examples of potential conflicts of interest include, but are not limited to, the following:

1. Engaging in any business with, or employment by, an employer that is in competition or in conflict with any transaction, activity, or objective of CCS.
2. Engaging in business with or employment by a supplier of goods or services to CCS without prior approval of CCS.
3. Using equipment, supplies, or services owned or provided by CCS in conjunction with any external work, without obtaining prior agreement in writing from CCS.
4. Making use of any confidential information acquired through employment with CCS for personal profit or advantage, or the advantage of a third-party.
5. Publicly associating CCS or its prestige with an outside business interest for personal gain.

Administrative staff members who believe they have a financial, personal or professional interest that is (or could potentially become) a conflict of interest must fully disclose the nature of the potential conflict in writing to the Director of Human Resources. All decisions concerning whether a conflict of interest exists are within the sole discretion of CCS.

3.6 Health and Safety

CCS is committed to a safe and healthful environment. We observe all federal, state and local laws governing occupational health and safety. Our policies encourage adherence to safe and healthful work practices.

Each employee is required to perform their job in a safe and careful manner. If required by law or best practices, use protective clothing or devices. If any employee observes any dangerous or potentially harmful situation, they are required to report it to their immediate supervisor or the Director of Facilities and Administrative Services. Each employee is asked to submit suggestions concerning safety in the workplace to their immediate supervisor. While direct responsibility for the safety of any operation rests with the supervisor of that operation, each employee is personally responsible for performing assigned duties with the primary concern for their own safety, as well as the safety of students and other CCS employees.

CCS Safety Rules:

1. Any accident or injury requiring medical attention must be immediately reported to a supervisor and the Office of Human Resources. An Accident/Injury Report form is available from Campus Security.
2. Hazardous conditions or unsafe job practices must be brought to the attention of a supervisor.
3. Every employee is required to know and follow all safety procedures that apply to their job.
4. Every employee must keep work areas neat and clean.
5. Employees must wear proper and prescribed protective equipment and clothing for a job or task.
6. Employees must submit health and safety guidelines pertinent to the tools and materials used in each of their courses.
7. All CCS employees must think and practice safety at all times.
8. Flammable and dangerous articles and materials must be kept in their required storage places.
9. Fire extinguishers must be readily available when working with volatile materials.
10. There is no smoking allowed in any CCS building or within 15 feet of a building entrance.
11. Employees must be familiar with machinery and equipment that they use.
12. Never attempt to operate equipment that is broken or not complete.
13. Safety is every CCS employee's responsibility.

3.6.1 Health and Safety Committee of the Faculty Assembly

The Health and Safety Committee of the Faculty Assembly assists in overseeing the safety and appropriate operation of academic facilities, and helps to ensure that instructional practices support the safe operation of these facilities. Working with the Director of Facilities and the Director of Campus Safety, the Committee performs an annual review of academic facilities and instructional practices. Any concerns that faculty or students have regarding health and safety may be reported to the Committee, which will work with the appropriate department to ensure corrective action is taken. The Committee also works with the academic departments to identify new equipment and practices which might improve the academic working environment.

3.7 Administrative Staff Teaching at the College

Full-time exempt staff may, from time to time, with permission from their direct supervisor and the appropriate Dean, teach classes in the degree, PreCollege and Continuing Studies, and Community Arts Partnerships Programs. Full-time exempt staff may teach classes in these programs provided the classes do not interfere with their primary responsibilities and scheduled work times. Full-time exempt staff may only teach classes outside their regular position responsibilities and contracted hours and may in no way compromise the student experience. Exempt staff may teach 3 courses per year but may not exceed more than 9 credits (2/1 or 1/2).

Full-time non-exempt staff may, from time to time, under special circumstances and with permission from their direct supervisor and the appropriate Dean, teach classes in the degree, PreCollege and Continuing Studies, and Community Arts Partnerships Programs. Full-time non-exempt staff may teach classes in these programs provided the classes do not interfere with their primary responsibilities and scheduled work times. Full-time non-exempt staff may only teach classes outside their regular position responsibilities and contracted hours and may in no way compromise the student experience.

Part-time staff may teach classes as long as the combined number of hours per week do not exceed 29 and with permission from their direct supervisor and the appropriate Dean. Part-time staff may teach provided the classes do not interfere with their primary responsibilities and work times. Teaching may in no way compromise the student experience.

Follow the instructions on the Staff Teaching at the College Request Form and Instructions¹² page. The form should be completed two weeks before the class is due to begin.

¹²Staff Teaching at the College Request Form and Instructions (<https://campus.collegeforcreativestudies.edu/human-resources/staff-teaching-form-instructions/>)

3.7.1 Recruitment

Recruitment for new and existing staff positions begins with the department chair or director submitting a position description to the Director of Human Resources. The appropriate Dean or Vice President and Director of Human Resources approve the position description. Recruitment takes place through internal posting, advertisement in websites, newspapers, and professional journals. All applications are reviewed. In some cases, a formal search committee may be convened by the President, Vice President, or a Dean. In others, one or more interviews may be scheduled with appropriate personnel. Interviews are scheduled by Human Resources. In certain circumstances, the President may appoint a position.

3.7.2 Selection

Human Resources secures transcripts, references, credit and criminal checks as appropriate. Pre-employment physicals may be required for certain positions. Recommendations for employment are made by the hiring supervisor or search committee to the appropriate Dean, Vice President or President as necessary. Offers of employment, including salary, are approved by the appropriate Dean, Director of Human Resources, Vice President or President. Employment offers are presented to the candidate by Human Resources. All candidates interviewed are contacted regarding the disposition of the selection process.

Employment offers are made in letter form. Candidates will accept offers by signing and returning a copy of the letter of offer detailing position title, department, supervisor, salary and starting date to Human Resources.

New employees will report on their first day to the Office of Human Resources. A new hire orientation is conducted by Human Resources and other appropriate offices.

3.8 Temporary Employment

Temporary employment is defined as any employment period expected to last less than six (6) months. All college policies and practices apply to all temporary positions.

3.9 Pay Policies

3.9.1 Salaries and Wages

Salaries and wages are reviewed annually, based on the administrative staff member's performance and on salary policies established each year by the Board of Trustees. Based on performance evaluations, the department director makes salary and wage recommendations. These recommendations are submitted to

the President who considers and approves them in consultation with the appropriate Dean or Vice President. CCS is committed, within the constraints of its budget, to recognizing excellent administrative staff performance through salary adjustments. Poor performance may be recognized through low or, if appropriate, no salary increases. Final decisions concerning salaries and wages are at the discretion of the College.

3.9.2 Pay Periods

Salaried staff are paid twice per month (semi-monthly / 24 checks annually) on the 15th and last working day of the month.

Hourly staff and work study are paid biweekly (26 checks annually). When biweekly employees receive three paychecks within a calendar month, benefits are not deducted from the third pay of the month.

If the regular payday falls on a Saturday, Sunday or holiday, paychecks will be issued on the last workday before the regular payday.

Online access to pay information is available through WebAdvisor.

3.9.3 Overtime and Non-Exempt Employee Pay

Non-exempt employees are those who do not fit within any of the exemptions to the Fair Labor Standards Act. They receive overtime at the rate of one and one-half ($1\frac{1}{2}$) times the regular rate of pay for hours worked in excess of 40 in any one week, or as required by law. For non-exempt employees who have a 35 hour workweek, hours worked between the regularly scheduled 35 hours and 40 hours will be compensated at straight time rates. Hours over 40 in a workweek will be compensated at time and a half. Paid Time Off and College holidays do not count as hours worked and will not count toward overtime calculations. The College defined work week is 12:00 a.m. Sunday to 11:59 p.m. Saturday.

Any work above non-exempt employee's scheduled hours must be approved by the employee's supervisor in advance. Non-exempt employees who work overtime that is not authorized in advance will be paid for all time worked, but may be subject to disciplinary action.

Each non-exempt employee is responsible for his/her own time record keeping, and non-exempt employees must accurately report all hours worked. It is a violation of CCS policy for a non-exempt employee to record more hours than worked or fewer hours than worked. Likewise, it is a violation of CCS policy for anyone to instruct a non-exempt employee to record more or fewer hours than worked. Further, it is a violation of CCS policy to alter or falsify time records. CCS takes such offenses extremely seriously, and even a single violation may result in immediate termination of employment.

Non-exempt employees are entitled to paid rest periods and an unpaid meal period, which will be discussed with the employee's supervisor. If an employee is not able to take his or her meal or break periods at the usual time on any given day, then they should be taken at a different time. Generally, employees must be completely relieved of all duties during the meal period and free to use the

time as they choose. Employees should not be required to perform any work during meal or break periods. However, in the event that an employee does perform work due to business needs that arise during the meal or break period, the employee must be paid for the meal period or, to the extent allowed by law, the meal or break period will be extended. Meal periods must be reported accurately on employee timesheets, including both the start and end times to ensure that employees are properly compensated. Break times are not reported as they are paid.

3.9.4 Deductions

CCS will withhold deductions required by law and all voluntary deductions authorized by the employee. Deductions required by law are federal, state and local income tax, Social Security tax, Medicare tax, state disability, and unemployment tax. These deductions are made automatically. In addition, the employee may authorize voluntary deductions for health insurance, a tax-deferred annuity plan, and reimbursement accounts. It is the policy of CCS not to make any salary deductions that are inconsistent with the requirements of federal or state wage/hour laws.

Circumstances in which CCS may make deductions from pay

Deductions from pay of an exempt employee (who is otherwise required to be paid on a salary basis) are permissible in some situations. These include employee absences from work for one or more full days for personal reasons other than sickness or disability; employee absences of one or more full days due to sickness or disability if the deduction is made in accordance with a bona fide plan, policy or practice of providing compensation for salary lost due to illness; to offset amounts employees receive as jury or witness fees; or for military pay; for unpaid disciplinary suspensions of one or more full days imposed in good faith for violation of written workplace conduct rules. Also, an employer is not required to pay the full salary in the initial or terminal week of employment, for penalties imposed in good faith for infractions of safety rules of major significance, or for weeks in which an exempt employee takes unpaid leave under the Family Medical Leave Act.

What to do if an improper deduction occurs

If you believe that an improper deduction has been made from your salary or from that of another exempt employee, you should immediately report this information to the Director of Human Resources. Reports of improper deductions will be promptly investigated. To ensure that CCS understands your concern and is able to conduct a proper investigation, any complaint that seeks payment or a change in policy should be submitted in writing. If it is determined that an improper deduction has occurred, the employee will be promptly reimbursed for

any improper deductions made. Employees will not suffer reprisals for making good faith reports of improper deductions.

3.9.5 Direct Deposit Banking

All employees must have their paycheck automatically deposited in the bank(s) or credit union(s) of their choice. Paychecks may be deposited in more than one account and more than one bank or credit union. Employees must complete a Direct Deposit form or Debit Card enrollment form with the Human Resources office.

3.9.6 Advances

CCS generally does not authorize pay advances. Exceptions may be made for emergency situations and only with the approval of your immediate supervisor and the Vice President for Administration and Finance.

3.10 Promotion

3.10.1 Definition of Promotion

College for Creative Studies defines a *Promotion* as a move to a job with greater responsibility which may either fall within the same pay band or include an elevation to a higher pay band (e.g. a move from Professional Support 2 to Professional Support 3). To assure all employees are treated equitably, it is the College's policy that all employees will be evaluated for promotion in accordance with the follow criteria:

- Promotions must meet or address a need within the college/business unit.
- When considering an employee's experience and education, the employee must meet at least the minimum requirements outlined in the job description, evaluation criteria, and skill assessments.
- The College and/or department unit funds promotions. Promotions are based on the College's strategic and operational plans and must meet or address a critical need within the College. The appropriate departmental budget must be able to support the promotion.

3.10.2 Promotion Policy

College for Creative Studies believes in providing opportunities for employees to advance within the College. Promotion opportunities to positions of higher responsibilities for existing staff members will be limited only by the individual's ambition, attitude and qualifications in experience, education and capabilities. Promotions may come in the form of reclassification, reorganization or through competitive recruitment.

Approved promotions go into effect once the approval and selection process is complete. All promotion requests will be submitted by the applicable department supervisor to the Director of Human Resources.

In accordance with the applicable laws and the College's commitment to access, equity and diversity, the College does not discriminate against any employee for employment or promotion on the basis of age, color, citizenship status, covered veteran status, disability, gender, gender identity and expression, genetic information, national origin, marital status, race, religion, sexual orientation, or for any other reason protected by federal, state, and county laws and regulations. The College also prohibits retaliation against employees who, in good faith, bring complaints regarding perceived discrimination.

CCS is committed to providing equal employment opportunities for all employees and applicants.

Confidentiality will be maintained at all times during this process, where appropriate.

3.10.3 Promotion Criteria

Promotions come with greater job expectations and the addition and/or expansion of significant duties and/or key areas of responsibility.

When considering a promotion, the first two items to review are:

- Does a need exist within the college for a higher-level position?
- Is there money available in the budget to fund a promotional increase?

In addition, the supervisor must assess a staff member's readiness for a promotion. To ensure an employee is ready to take on additional responsibility, a promotion must be supported by performance, experience and/or education. When considering an employee's performance, managers should consider a mix of criteria that reflect the larger picture of an employee's work.

An employee is **required** to meet the following criteria to be considered for a promotion and should be submitted with the Memorandum of Support¹³:

- Meet at least the *minimum* required qualifications on the position description and have a skill set that matches the requirements of the position description as determined by their supervisor.
- Is in good standing and shows high and sustained performance levels in at least the two most recent review cycles.
- If there has been any record of past disciplinary or performance issues, there is documented evidence to support that said issues have been resolved.
- Has demonstrated steps taken to gain new skills and continued growth in their career.

¹³See the Promotion Process below for more information on the Memorandum of Support

- Has demonstrated personal motivation and willingness for an increase in level and responsibility.

College for Creative Studies will not consider promotion requests due to the following:

- Based on a manager's subjective opinion unsupported by performance evaluations.
- Based solely on an employee's length of service with the College.
- Based solely on an employee's completion of a degree or addition of a new skill.
- Request is based on discrimination, fraternization, favoritism or nepotism.
- Employee is on a performance improvement plan.

Managers should keep records of important accomplishments that they might want to consider when it is time to promote one of their team members. To help support an employee's readiness, managers should begin supporting an employee through mentorship and with education on additional duties delivery.

3.10.4 Employees Can Be Promoted In The Following Ways:

Job posting: employee applies for an open position and is offered the position upon application and completion of the recruitment process.

Career promotion: department supervisor determines the need within the department, and employee has a demonstrated history of performance and ability to manage increased duties or workload, but the purpose of the job itself is not majorly changed. This can either be a recent vacancy or a newly created position. For Example: Admissions Counselor to Senior Admissions Counselor.

3.10.5 Promotion Process

Job Posting Or Transfer To Another Department

1. When a vacancy occurs within a department, the department Supervisor along with the Vice President of that division and the Human Resources Director should assess opportunities for cross-functional or interdepartmental realignment in the department.
2. If cross-functional or interdepartmental realignment in the department is not appropriate, the department supervisor should submit the updated job description, along with a *Position Request Form* outlining recommended salary and job title with a Memorandum of Support recommendation detailed in the comments section via DocuSign.

3. The Human Resources department will perform a review of the position description, appropriate job classification, and recommended compensation taking into consideration CCS' salary band structure and internal equity for the Position Review Committee (PRC) review. For full consideration of new position requests, all of the following must be included:
 - The type of request (new position, increased job duties, change in compensation to an existing position, or replacement position).
 - Comments in the Memorandum of Support section on the Position Request Form that addresses promotion criteria.
 - Information regarding work station/space for employee and funding plan from evaluating the impact on CCS' budget.
 - Additional details as needed by Human Resources and/or PRC.
4. After review by Human Resources, the CCS's Position Review Committee (PRC) which includes the Vice President of Finance, appropriate Vice President or Dean, and Director of Human Resources, will determine if the recommendation should be supported, modified, or denied. The Committee membership is subject to change periodically.
5. If the recommendation is approved by the PRC, the job vacancy is posted internally for seven calendar days and is open to all eligible employees of the College.
6. The position may be posted externally to ensure fairness and equity in the process.
7. Employees who are interested in a posted position should follow procedures noted in the job posting for applying for positions.
8. If an internal applicant is interviewed, offered a position in another department and accepts the offer, their current supervisor will be notified of the employee's application, job offer and employee's acceptance by HR.
9. HR will work with both supervisors and the employee on a transition timeline, when necessary.
10. This process will be updated as determined by the Leadership Team to assess effectiveness, equitable execution and delivery. In the event that modifications are made, updates will be circulated accordingly.

Career Promotion

1. Department Supervisors wishing to recommend a promotion for an employee because of a vacancy or a change in job duties being performed should review and revise the employee's job description in accordance with that employee's actual job duties, making note of major changes in responsibility that would warrant consideration of a promotion. Promotions should be considered at evaluation time or when deemed necessary.

2. The department supervisor should submit the updated job description, along with a *Position Request Form* outlining recommended salary and job title with a Memorandum of Support recommendation detailed in the comments section via Docusign.
3. The Human Resources department will perform a review of the position description, appropriate job classification, and recommended compensation taking into consideration CCS' salary band structure and internal equity for the PRC review. For full consideration of Career Promotion requests, all of the following must be included on the Position Request Form:
 - The type of request (promotion or job change), increased job duties, change in compensation and any other relevant information.
 - Comments in the Memorandum of Support section on the Position Request Form that addresses promotion criteria.
 - Information regarding work station/space for employee and funding plan from evaluating the impact on CCS' budget.
 - Additional details as needed by Human Resources and/or PRC.
4. After initial review by Human Resources, the CCS's Position Review Committee (PRC) which includes the Vice President of Finance, appropriate Vice President or Dean, and Director of Human Resources, will determine if the recommendation should be supported, modified, or denied. The Committee membership is subject to change periodically.
5. After PRC concludes the review process, the supervisor will be notified of the decision by HR.
6. This process will be updated as determined by the Leadership Team to assess effectiveness, equitable execution and delivery. In the event that modifications are made, updates will be circulated accordingly.

3.10.6 Position Review Committee

The Position Review Committee (PRC) at CCS includes the Vice President of Finance and the Director of Human Resources.

The PRC meets weekly to consider new requests and works toward resolving requests that require further deliberation and analysis. From time to time, the PRC may ask for additional information regarding the request. Monthly, the committee clearly communicates status updates to managers with outstanding position requests.

HR will be responsible for initiating job offers, with consultation from the appropriate department supervisors. Employees can choose to accept or decline offers without repercussions in their current position.

The President may, from time to time, promote an employee or create and fill a position without a recruitment procedure in consultation with the Leadership Team.

All Vice President level positions require Board of Trustee Executive Council approval.

3.10.7 Pay Changes

All changes in pay should be consistent with the College's compensation guidelines. Salary offered for a new position will be determined primarily on the employee's qualifications for the new position and CCS' Salary Band structure.

Individuals receiving a change in salary related to a promotion are not eligible for a merit increase if that merit increase occurs within six months of the promotion/salary increase. For example, if merit increases are effective on October 1, an employee that has received a promotion/salary increase on or after April 1 of that year will not be eligible. This does not apply to an employee who has made a lateral job change that did not include a salary increase.

3.11 Fair Labor Standards Act (FLSA)

The Fair Labor Standards Act (FLSA) is a federal law requiring covered employees be paid at least the federal minimum wage for all hours worked and overtime pay (generally computed at time and one-half the regular rate of pay for all hours worked over 40 hours in a workweek), unless the employee falls into one of several designated exemptions. To qualify for exemption, employees generally must meet certain tests regarding their job duties and, for some exemptions, be paid on a salary basis at not less than the minimum designated by the FLSA. Job titles do not determine exempt status. In order for an exemption to apply, an employee's specific job duties and salary must meet all the requirements of the FLSA. You will be advised whether your position is classified as exempt (and not subject to the minimum wage and/or overtime provisions of FLSA) or nonexempt (and subject to the minimum wage and overtime provisions of FLSA) at the time you are hired.

To qualify for many exemptions applicable at CCS, employees must be paid on a salary basis. Consistent with CCS's long-standing policy and practice, exempt employees are paid on a salary basis as required by law. Being paid on a "salary basis" means an employee regularly receives a predetermined amount of compensation each pay period on a weekly, or less frequent, basis. Absent an exception listed below, the predetermined amount cannot be reduced because of variations in the quality or quantity of the employee's work and an exempt employee must receive the full salary for any workweek in which the employee performs any work, regardless of the number of days or hours worked. However, exempt employees do not need to be paid for any workweek in which they perform no work. Generally, if the employer makes deductions for an employee's predetermined salary because of the operating requirements of the business, that

employee is not paid on a “salary basis.” That is, if the employee is ready, willing and able to work, deductions typically may not be made for time when work is not available.

3.11.1 FLSA Compliance

It is CCS’s policy to comply with all FLSA requirements and applicable wage and hour laws and regulations. Therefore, college supervisors are prohibited from making or authorizing any improper deductions from the salaries of exempt employees.

3.12 Administrative Staff Benefits

3.12.1 Benefits

Full-time administrative staff members are entitled to participate in all the benefit programs available to full-time employees. The current programs are briefly described below. CCS periodically reviews its benefit programs and will make modifications as it deems appropriate from time to time. All benefits are subject to the terms and conditions of the underlying insurance policies and plan documents, and the terms of the insurance policies control all decisions concerning eligibility and coverage.

3.12.2 Tax Sheltered Annuity Plan (403b)

Because CCS is a non-profit organization, the IRS allows CCS employees to place a portion of their pay in a Tax Sheltered Annuity Plan without paying current federal, state and city income taxes on the amount contributed. Full-time employees, and qualified part-time employees, are eligible to participate on the first of the month following thirty (30) days of employment. CCS contributes 3% of an employee’s gross earnings per pay. Employees may choose to contribute a percentage of their pay on a pretax basis, up to IRS limitations. CCS offers numerous investment funds for employees to choose from. The CCS Tax Sheltered Annuity Plan is administered by TIAA/CREF.

3.12.3 Social Security

Employees of CCS are covered by Social Security. As provided by law, CCS pays one half of your total Social Security taxes, and the other half is paid by you through withholding from your paycheck. In addition to providing you with retirement, Social Security may provide disability pay, burial benefits, and monthly survivor benefits for your spouse and minor children if you qualify.

3.12.4 Health Insurance

Medical, dental and vision insurance are available to all full-time employees on the first of the month following thirty days of employment. Employees may from time to time have a choice of plans and are required to pay a portion of the premium. Refer to individual plan summaries from the Office of Human Resources for details. The employee will have his/her contribution deducted on a pre-tax basis.

In certain instances, federal law requires availability of continued coverage where coverage under the group plan would otherwise end. In compliance with the federal COBRA program, CCS offers employees and their families the opportunity for a temporary extension of health coverage at group rates with the employee paying the full cost of coverage plus a 2% administrative fee.

3.12.5 Employee Reimbursement Accounts

The Employee Reimbursement Account enables you to pay a portion of your Uninsured Health Care and Dependent Care expenses with pretax dollars. Prior to the beginning of each plan year, you will have the opportunity to elect to fund your Reimbursement Account for the coming year. The amount that you select will be deducted from your gross salary through automatic payroll deductions. Then, during the plan year, you may submit claims to the Administrator to reimburse yourself for health care expenses and/or dependent care expenses incurred during the plan year that were not reimbursed by your insurance plans.

3.12.6 Short-Term Disability

The short-term disability (STD) benefit provided by CCS is a payroll practice plan providing income replacement for eligible employees unable to work due to a non-work-related illness/ injury or pregnancy and/or childbirth. STD is governed by the applicable Program Document.

Eligibility

A regular, full-time, active employee who has completed six months (180 days) of continuous employment and who is unable to work due to a covered non-work-related illness/ injury or pregnancy/childbirth is eligible. An employee receiving worker's compensation or disability pay under any state or federal plan is ineligible for this benefit. To be eligible for the STD disability benefits, the employee must not engage in outside employment. Part-time employees are not eligible. For purposes of this benefit, regular, full-time employees are Maintenance/Environmental employees who are scheduled to be actively at work at least 40 hours a week and other administrative staff who are scheduled to be actively at work at least 35 hours each week.

Length of Employment	PTO required	Percent of Pay			
		100%	90%	80%	70%
Less than 180 days		n/a	n/a	n/a	n/a
180 days to 2 years	Waiting period	n/a	n/a	12 weeks	13 weeks
2 years to <5 years	Waiting period	6 weeks	n/a	7 weeks	12 weeks
5 years or more	Waiting period	12 weeks	13 weeks	n/a	n/a

Medical Certification

Employees should notify Human Resources 30 days prior to leave, if known ahead of time, or immediately upon learning of the need for leave if the need for leave is not known 30 days prior to the leave. Human Resources will provide the employee with a short-term disability application form and a medical certification form. The employee's healthcare provider must complete the medical certification that includes the start and expected end date of the disability and other medical facts. This application and medical certification must be submitted to the third-party administrator, which will review the employee's eligibility and the STD certification and make a determination on benefit qualification as defined in the Program Document. Exclusions and limitations are described in the Program Document and apply. Periodic medical certification may be required for the continuation of benefits. Failure to provide the requested certification will result in the discontinuation of the STD benefits.

CCS or the third-party administrator has the discretion to require an independent medical examination as a condition for receiving or continuing short-term disability benefits.

Benefit Payment

The amount of the short-term disability benefit is calculated on the employee's base wage/salary at the time of claim initiation at the following percentage payment schedule.

Waiting period: 7th day of illness/injury (calendar days)

Employees will be required to use accrued PTO during the waiting period prior to disability benefits beginning, and should no accrued PTO be available, the waiting period will be unpaid.

The short-term disability benefit may be paid for up to a maximum of 26 weeks, which includes the waiting period. Although the claims must be submitted to the third-party administrator for review and approval, upon approval payments will be made by CCS on regularly scheduled pay dates and will be taxable income.

If an employee has a serious health condition and is eligible for leave under the Family and Medical Leave Act (FMLA), the employee may be simultaneously entitled to up to 12 weeks of job-protected leave under the FMLA and income benefits under this short-term disability plan.

Employees will continue to be maintained on CCS's health plan while receiv-

ing STD benefits, and the employee portion of the premiums will be deducted from the employee's STD payments.

Return To Work

The employee must return to work (with or without accommodation) as soon as permitted by his or her healthcare provider and must submit a fitness for duty clearance to the Human Resources Director prior to returning. The Human Resources office will confirm an employee's actual return to work date with the employee and supervisor.

Should an employee's medical condition prevent them from returning to work after 26 weeks, the employee may be eligible for income replacement benefits under the Long-Term Disability Plan.

Temporary Recovery

If an employee who has returned to work after receiving STD benefits is unable to work for the same cause(s) for which STD benefits were approved within 90 days of returning to work, this will be considered a temporary recovery. This means that the second period of disability will be considered part of the prior claim, and STD benefits will be limited to a total of 26 weeks for the successive periods of disability. Where another period of disability for the same reason occurs after the employee has been back at work for 90 days, that will be considered a new claim rather than a temporary recovery.

Please note that the STD benefits are income replacement, and the STD policy does not guarantee a job for any particular period of time. An employee's right to job continuation is governed by CCS's leave policies.

CCS expressly reserves the right to amend or terminate the short-term disability policy at any time in its sole discretion. This statement is a brief description of the current short-term disability benefits offered. In any instances in which this document and the program document conflict, the program document language, and not this description, will control.

3.12.7 Long-Term Disability

CCS provides long-term disability ("LTD") insurance through a private insurer for full-time employees after they have worked at CCS for one year. Through this insurance policy, full-time employees who are unable to work for more than twenty-six weeks as the result of a non-work-related illness/injury are eligible to receive up to 60% of their regular salary, up to a maximum of \$10,000 per month when integrated with other benefits, as specified in the policy. Employees will remain eligible for benefits for as long as they meet the definition of disability and satisfy certification requirements and all other requirements imposed by the policy, up to the maximum age as specified in the policy. This insurance policy has a twenty-six-week qualification period, during which the employee

may be eligible to receive short-term disability benefits as described above. This statement is a brief description of the current long-term disability benefits insurance offered. In any instances in which this document and the policy conflict, the policy language, and not this description, will control.

CCS expressly reserves the right to amend or terminate the provision of long-term disability insurance at any time in its sole discretion.

3.12.8 Workers Compensation

Workers compensation insurance is designed to cover all occupational injuries and illnesses. It is paid by the College and is effective from your first day of work. Workers compensation insurance provides benefits that may apply as a result of a work-related illness or injury. These benefit payments may cover expenses incurred for medical care, replacement of a portion of your income lost as a result of disability, and lump-sum payments to beneficiaries in case of death.

If you are injured while you are at work, or become ill as a result of your job, you must report this to your supervisor immediately. In all cases of work related injury or illness, no matter how minor, an Accident/Injury Report form must be completed and forwarded to the Office of Human Resources. This record-keeping is required by OSHA and MIOSHA.

3.12.9 Liability Insurance / Errors and Omissions

CCS carries insurance that covers employees if they are sued as a result of actions taken within the scope of their duties at CCS. This insurance provides for the cost of legal defense as well as financial settlements. The total amount of coverage per claim is \$5,000,000. The aggregate coverage for a single year is also \$5,000,000.

Scope of duties for an administrative staff member would include anything reasonably expected in the course of their administrative duties and any assigned tasks by CCS. This coverage includes defense costs as well. This coverage would not apply in those cases where an employee has actually committed an unlawful act, as such acts are generally not insurable.

3.12.10 Life Insurance and Accidental Death and Dismemberment

Full-time employees are eligible to participate in the group life insurance plan on the first of the month following thirty days employment. CCS pays 100% of the premium. The amount of the insurance is two times the employees' annual salary, rounded to the next highest thousand. The same amount of coverage is applied to accidental death and dismemberment coverage. Employees have optional supplemental life insurance and dependent life insurance plans available.

3.12.11 Unemployment Insurance

This insurance provides a continuation of a certain portion of your salary in the event you lose your job through no cause of your own. If your employment is terminated, you may be eligible to receive unemployment compensation from the state. If it is your choice to leave CCS, generally you will not be eligible for benefits. If your termination was the choice of CCS, you may be entitled to receive unemployment benefits, depending on the circumstances.

3.12.12 Paid Time Off (PTO)

Eligibility

Full-time and part-time staff employees who work at least ten hours per week are eligible to accrue Paid Time Off (PTO) according to the schedule below. PTO must be scheduled and approved in advance by the employee's supervisor, except for last minute illnesses, injury or emergencies. In these instances, employees should notify their supervisor as soon as possible. Part-time staff that work less than 10 hours per week and temporary employees or contractors are not eligible for PTO.

Accruals

PTO is accrued at the following rates for full-time employees:

Employee Type	Calendar years beginning prior to completion of 5 years of full-time status	Calendar years beginning after completion of 5 years of full-time status*
Executive	31 days per year	31 days per year
Full Time 12 Month Employee	24 days per year	31 days per year
Full Time 10 Month Employee	20 days per year	26 days per year
Full Time 10 Month, Half time 2 (10 and 2)	22 days per year	26 days per year
Full Time 9 Month Employee	18 days per year	24 days per year

**Employees start accruing at the 5 year rate on January 1st following their 5 year anniversary of their hire date.*

Part Time Staff Employees

Effective January 1, 2024, Part-Time, hourly staff employees will accrue PTO at a rate of .0923 hours for each hour worked.

Employees are permitted to take more PTO than they have earned, if approved by their supervisor. An employee who does so will be considered to have a "negative PTO balance." Employees cannot borrow PTO from future years.

Full Time Staff Employees

On January 1st of each year, Full time staff employees will have their PTO entitlement for the entire calendar year deposited into their PTO bank and available for immediate use. Although it will be available for immediate use, it will be earned on a pro-rated basis each month.

For example, a 12-month Full Time employee who has worked for CCS less than five years will have 24 days of PTO deposited into their PTO bank on January 1. The employee can begin using this immediately. Employees are permitted to take more PTO than they have earned, if approved by their supervisor. An employee who does so will be considered to have a “negative PTO balance.” Employees cannot borrow PTO from future years.

PTO will be prorated accordingly when an employee is hired or terminates mid-month. When hired on or before or terminated on or after the 15th of the month, a full month’s accrual will be credited. If hired after the 15th of the month or terminated before the 15th of the month, no PTO will be accrued for the month. An employee may carry over a maximum of 1 year of PTO into the new calendar year. Excess PTO that is not taken and cannot be carried over will be forfeited.

Using PTO

Employees should follow their department procedures when requesting time off. Non-exempt employees may take PTO in increments as small as 1 hour. Exempt employees may take PTO in increments as small as one-half day. All PTO is to be used before time is taken without pay in the case of emergent situations only.

Please note that even if an employee has PTO available, excessive use of unscheduled time off is disruptive and may lead to disciplinary action. See Attendance and Timeliness policy¹⁴. CCS’s PTO policy is intended to and will be interpreted to comply with the provisions of Michigan’s Paid Medical Leave Act.

PTO In Conjunction With STD And Workers’ Compensation

1. A seven calendar day waiting period is required before short term disability begins to pay any benefits. Employees are required to use their PTO during the seven day waiting period. Employees will not accrue PTO while on Short Term Disability, but they will accrue PTO during the seven day waiting period when PTO is used. If the seven day waiting period when PTO is used ends on or after the 15th of the month, PTO will be accrued for that month. If the seven day waiting period ends before the 15th of the month, PTO will not be accrued for the month. An employee cannot use PTO to bring their pay up to 100% if they are receiving less than 100

¹⁴Attendance and Timeliness policy (<https://campus.collegeforcreativestudies.edu/staff-handbook/attendance-and-timeliness/>)

2. An employee receiving benefits under workers' compensation will not be paid from both PTO and workers' compensation for the same hours. They may use PTO if there is a waiting period before income replacement benefits begin.

Payout Of PTO

Payment of earned, unused PTO time will be made at the employee's regular rate of pay when employment terminates. If a negative PTO balance exists at the time of termination, the employee's last paycheck will be reduced by this amount (subject to compliance with applicable state law). The employee's Timeclock Plus record will need to be up to date before any PTO payout is issued. PTO payouts are generally paid on the pay date after the employee's last paycheck.

3.12.13 Holidays

The college provides fourteen (14) paid holidays annually for full-time employees as follows: New Year's Day, Martin Luther King Jr. Day, Memorial Day, June-teenth, Independence Day, Labor Day, Thanksgiving Day, Day after Thanksgiving, Christmas Eve Day, Christmas Day, (3) three seasonal days, and New Year's Eve Day. College offices are closed on all these days.

3.12.14 Tuition Remission

After one year of service, full-time and part-time employees (including adjunct faculty), their spouses/domestic partners, and dependents may be eligible for tuition remission up to the equivalent of one full-time enrollment in the College's undergraduate and graduate programs per year. In addition, full-time employees and their spouses/domestic partners and dependents may be eligible for tuition remission toward Pre College and Continuing Studies (PCS) classes. Eligibility and amount are determined by employment status, as defined in the tables below. Dependents are defined as spouses or children up to age 25, who can legally be claimed on the employee's annual tax filings with the IRS. Domestic partners must have an Affidavit of Domestic Partnership on file with the Human Resources office. Audited courses do not qualify for tuition remission. Full-time and part-time employees may not be enrolled in courses during their normal work schedule with the exception of courses that begin at 4pm provided the courses do not interfere with their primary responsibilities and scheduled work times. These exceptions must have supervisor approval on file with the Human Resources Office prior to enrolling.

Full-time and part-time non-degree seeking employees, spouses/domestic partners, and dependents must follow the registration policy for Guest/Non-Matriculated Students located in the College's Policy Database.

¹⁵click here (<https://payplan.acipayonline.com/PlanEnrollment/SelectEntityStep.aspx>)

Staff members who are pursuing a CCS degree are ineligible for Student development funds. Staff members who attend classes at CCS already receive tuition benefits. CCS reserves the student development funds for tuition paying undergraduate or graduate students.

Precollege And Continuing Studies Courses

For PCS classes, full-time employees, their spouses/domestic partners, and dependents are eligible for tuition remission on a space available basis for the fall and winter semesters, as well as adult classes during the summer. Summer semester youth and teen classes will be available to eligible dependents of CCS full-time employees at a discounted tuition rate. Additional materials and various fees must be paid in full, along with the discounted tuition, when registering for the classes. Please contact the PCS office or Human Resources for the current discounted tuition rate.

Withdrawals, Dropped Courses, Or Failing Grade

Employees, their spouse/domestic partner, or dependents will be responsible for the tuition charges/surrender fees for a withdrawn, dropped, or failed course(s).

Free Application For Federal Student Aid (FAFSA) And CCS Scholarships And Grants

Degree Seeking Students Degree seeking employees, spouses/domestic partners, and dependents receiving tuition remission must file the Free Application for Federal Student Aid (FAFSA) by February 1st to determine eligibility for financial aid from the federal and state governments and the student must accept all federal and state scholarships and grants awarded. The FAFSA may be completed at www.fafsa.gov¹⁶. The CCS Tuition Remission Voucher will cover the remaining eligible tuition after grants from the State of Michigan have been applied to the student's tuition and mandatory fee charges. Funding from Federal Pell Grants and Federal Direct Stafford Loans may be refunded to the student after all applicable charges have been paid in full.

CCS scholarships and grants are not available if tuition costs are covered in full by tuition remission. If the student is eligible for a partial tuition remission, this amount is compared to the amount they may be eligible for in CCS scholarship and grant funds. The student will receive the higher of the two amounts.

Non-Degree Seeking And PCS Students Non-degree seeking/non-matriculating and PCS students are not required to complete the FAFSA since their enrollment status is ineligible for Title IV aid.

¹⁶www.fafsa.gov (www.fafsa.gov)

Withdrawals, Dropped Courses, Or Failing Grade

Non-degree seeking/non-matriculating and PCS students are not required to complete the FAFSA since their enrollment status is ineligible for Title IV aid.

Employees should contact the Office of Human Resources to determine tuition remission eligibility and to obtain the Tuition Remission Voucher and instructions.

3.12.15 Employee Assistance Program (EAP)

The College provides access to an Employee Assistance Program (EAP), which is currently through an outside organization called Ulliance. Ulliance provides confidential assistance to employees and family members to help resolve any concerns that may affect the employee's personal or work life. Services are provided for such concerns as family and children problems, marital and relationship conflicts, stress or other emotional difficulties, grief and loss issues, and alcohol or other drug use. Ulliance also provides assistance with legal issues, financial concerns, elder care referrals, and child care resources. Ulliance's role is to guide the employee and family members in finding whatever type of assistance is needed, either by providing that service directly, or connecting with an organization that can help. Ulliance is an outside vendor under contract to the College. The College pays for the services of Ulliance, up to limits set forth in its agreement with Ulliance. However, individuals providing services for Ulliance do not work for the College, and the College disclaims any liability related to the provision of services by Ulliance or any other EAP provider with whom the College may contract.

3.12.16 Pre-Paid Legal

The College provides two voluntary benefit plans for employees. The Family Legal Plan provides for services such as creating a will, traffic violations, home purchase, civil suits, document review, and attorney consultations. Identity Theft Shield provides for Credit Report Analysis and Monitoring, Identity Theft Restoration, and protection against crimes and unauthorized credit use in your name.

3.12.17 Discounts

A discount of 20% is generally offered to CCS employees in the bookstore on supplies, books, clothing and souvenir items.

3.12.18 Part-Time Administrative Staff Benefits

Part-time administrative staff are defined as working fewer than 30 hours per week for up to 50 weeks per year. Part-time staff are eligible for the following limited number of benefit programs.

Tax Sheltered Annuity Plan (403b) – employees receive a 3% contribution from the College to their tax sheltered annuity plan. Employees can contribute pre-tax from their paycheck up to the maximum allowed by the Internal Revenue Service.

Paid Time Off (PTO) – Part-time employees who work at least 10 hours a week accrue 1 PTO day per month worked. Employees may carry over up to 1 PTO day per month worked each year. The PTO days that accrue are the same length as the employee's workday. For example, employees who work four hours a day will accrue one four-hour PTO day each month.

Tuition Remission – Employees are eligible for a part-time tuition waiver. Part-time administrative staff must be regularly scheduled for a minimum of 20 hours per week and are eligible for up to a half-time tuition waiver.

3.13 Remote Work Arrangement (RWA) Guidelines

General Information and Guidelines for CCS Staff
(July 2021)

3.13.1 Overview

The College for Creative Studies (CCS) is committed to providing an in-person learning environment with face-to-face experiences for students and employees. An energetic in-person campus is necessary to learning and creating an engaging and dynamic campus culture. The College also recognizes the benefits of offering a remote work option for up to two days per week to some of its employees under appropriate circumstances and has established the Remote Work Arrangement (RWA) Guidelines. By allowing for remote work arrangements, CCS may be able to retain valued employees, attract quality applicants, increase productivity, improve morale, and optimize use of office space.

The RWA option is a six (6) month temporary pilot program, subject to be continued as is, with modifications or discontinued.

3.13.2 Guidelines

All academic and student support offices must be open and staffed for in-person assistance Monday through Friday during regular business hours. Supervisor approval is necessary for all RWA requests. Supervisors must provide, in writing on the RWA Request Form, their decision to approve or deny an RWA request. Any such decision should be based on the guidelines set forth below.

Guidelines for Supervisors

1. Supervisors must determine an employee's suitability for an RWA based on:

- The nature of the employee's position and the need for face-to-face interaction with students, co-workers, faculty, and clients/customers or vendors. Some positions do not qualify for RWA due to the nature of the work performed.
 - How student/faculty/staff/external partner interaction may be affected by an employee's RWA.
 - The likelihood the employee will be able to perform the essential functions of the position while on an RWA at the same or higher level of performance as when not on an RWA.
 - The employee's performance and disciplinary history. Employees with current performance or disciplinary concerns may not be eligible for an RWA.
2. Remote Work Arrangements cannot exceed two days per week. RWAs are subject to be continued/discontinued, suspended, or modified at any time at the discretion of the supervisor. RWAs can also be discontinued if the College changes or terminates its policy with regard to RWAs.
 3. Supervisors should be careful to avoid unfairly distributing work to other employees in order to accommodate another employee's RWA. An employee on an RWA is responsible for performing all of their own job duties.

Guidelines for Employees Seeking a Remote Work Arrangement

All employees should discuss their potential eligibility for an RWA with their supervisor. Eligible employees are required to submit the Remote Work Arrangement Form to their supervisor for consideration.

Employees Who Seek an RWA Must Comply with the Following:

1. If working remotely, understand the expectations to perform your job duties remain the same as if you are working from your office (e.g., attend meetings remotely, interface with your co-workers as required, be responsive during established work hours, and complete assigned work timely).
2. An RWA should not cause additional work for co-workers or your supervisor.
3. Be available to work in person on campus if requested.
4. Remote working cannot be used as an alternative method to provide dependent care. Employees need to ensure that dependent care responsibilities do not interfere with their agreed upon work schedule or completion of work.
5. Employees accept responsibility for maintaining the security and confidentiality, if required, of all work-related information, data, documents,

and other materials kept at their remote workplace or stored on personal electronic equipment. In the event of a breach of security or if CCS information is lost or stolen, the employee will immediately report the incident to their supervisor.

6. For remote work, familiarize yourself with remote access and accessing your voicemail from off campus.

Extreme Winter Weather and Other Emergency Closures In the event of a campus closure due to severe weather or other emergencies, the process for an employee working under an RWA is the same as it is with employees under a non-RWA. If the campus is closed, employees are not expected to work unless they have been identified by their supervisor as a critical infrastructure worker.

3.14 Americans With Disabilities Act

The Americans with Disabilities Act (ADA)¹⁷ is meant to provide fair and equitable treatment of the disabled through non-discriminatory practices and reasonable accommodations.

The ADA protects people who are disabled – defined as anyone with a physical or mental impairment that substantially limits one or more major life activities. The law protects both job applicants and employees.

CCS supports and follows the provisions of the Americans with Disabilities Act and Michigan law, as stated in the law. It is CCS's policy not to discriminate against any qualified employee or applicant with regard to any terms or conditions of employment because of such individual's disability or perceived disability so long as the employee can perform the essential functions of the job. In addition, CCS provides reasonable accommodation for qualified individuals with a disability in accordance with the ADA and other applicable laws, except where such an accommodation is unreasonable or would create an undue hardship on CCS. Reasonable accommodation may also be provided to pregnant employees, even where they do not qualify as disabled under the ADA or state law.

Employees with a disability who believe they need a reasonable accommodation to perform the essential functions of their job should contact Human Resources. Requests for accommodation should be made as soon as possible after the need is known. Under Michigan law, the request for reasonable accommodation must be made in writing within 182 days of knowing of the need for such accommodation.

Employees who believe they or another employee have been treated in violation of this policy should follow the reporting procedure set forth above in the College's Policy on Equal Opportunity, Discrimination and Harassment.

¹⁷The Americans with Disabilities Act (ADA) (
<https://www.ada.gov/pubs/adastatute08.pdf>)

3.14.1 ADA Request For Academic Accommodations Process

Students should:

- Contact the Dean of Students at 313-664-7675 to set up a meeting to discuss academic accommodations.
- Submit official documentation substantiating the disability. Regardless how obvious a disability may be, official documentation is needed. A disabilities intake form is available on the College website and on BlackBoard.

CCS will then:

- Review requests for academic accommodations.
- Take appropriate measures to make approved accommodations.

Information disclosed to CCS regarding disabilities will not be shared with anyone, except CCS personnel who need to know based on the academic accommodations being requested. Disclosure will be determined on an individual basis and the student will be notified prior to the dissemination of any information. All students are encouraged to self-disclose their disabilities which they feel may affect their academic work before the start of each term. Retroactive accommodations cannot be made for students disclosing after an assignment and/or exam.

Questions can be directed to the Dean of Students at 313-664-7675.

3.15 Pregnant Workers Fairness Act Policy

The College provides reasonable accommodation for an employee's pregnancy, childbirth, or any condition related to the employee's pregnancy, including, but not limited to, lactation or the need to express breast milk for a nursing child, unless the accommodation causes undue hardship to the College. Employees are entitled to reasonable accommodations for pregnancy of related conditions, even if the employee is not experiencing a pregnancy-related disability. Reasonable accommodations may include, but are not limited to:

- More frequent or longer paid or unpaid breaks
- Time off for appointments, pregnancy complications, or recovery from childbirth
- Acquisition or modification of equipment or seating
- A temporary transfer to a less strenuous or hazardous position, including light duty
- Job restructuring

- Private non-bathroom space for expressing breast milk
- Assistance with manual labor
- Modification of work schedule

Requests for accommodation should be directed to Human Resources. The accommodation request should include an explanation of the pregnancy-related limitations, the accommodation requested, and any alternative accommodation(s) that might be reasonable. Depending on the nature of the accommodation, the individual may be requested to submit a statement from a health care provider substantiating the need for the accommodation. The College engages in an interactive process with the employee to determine an appropriate accommodation. Accommodations are provided unless it creates an undue hardship. The College prohibits retaliation against an employee who requests or receives an accommodation under this policy law. Employees have the right to be free from discrimination in relation to pregnancy or related conditions, including but not limited to lactation or the need to express breast milk for a nursing child, as well as a right to reasonable accommodations as stated above.

3.16 Basic Rights For Pregnant Students

- Pregnant students have equal access to classes and activities. They are entitled to academic adjustments for pregnancy and childbirth.
- The school/department must excuse student absences and reschedule exams due to pregnancy or childbirth for as long as a student's doctor says is necessary.
- When a student returns, the student's school/department must allow the student to return to the same academic and extracurricular status student had before they left.
- The school/department cannot make a student take time off if the student doesn't want to.
- The school/department cannot exclude a student from a special program because the student is pregnant.

3.16.1 Classes And Coursework

- **The school/department cannot make a student change their major or degree program** because the student is pregnant or parenting. They also cannot force a student to attend an alternate program, like an evening program.
- **Faculty and staff should not ask the student for documentation. A student should work directly with the Title IX Coordinator for assistance.**

3.16.2 School Activities And Extracurriculars

A pregnant student can take part in activities for as long as they want. The school/department cannot stop a student from joining clubs, going to events, or participating in research unless the same rules apply for all students who have a temporary medical condition.

3.16.3 Support And Adjustments

- **Reasonable adjustments** to support a student during their pregnancy can include, but is not limited to a larger desk, elevator access, or allowing a student to make frequent trips to the restroom, when necessary.
- **Excused Absences are required** for as long as a doctor says it is necessary.
- **Faculty and staff may not refuse to allow a student to submit work after a missed deadline because of pregnancy or childbirth.** If grading is based in part on class participation or attendance the student should be allowed to make up the participation or attendance credits they didn't have the chance to earn.
- **Special services provided to students with temporary medical conditions will be granted to pregnant students.** This includes homebound instruction/at-home tutoring/independent study.

3.17 Family and Medical Leave Policy

CCS has a Family and Medical Leave policy that conforms to the federal Family and Medical Leave Act (FMLA). The act entitles qualifying employees to a job-protected, unpaid leave of absence in certain circumstances. All rights and obligations under the FMLA and this policy are interpreted according to the law. All leaves of absence, including workers' compensation, temporary disability and FMLA leaves, will be coordinated and will run concurrently as allowed by law. The policy is described here. Contact Human Resources for appropriate forms.

3.17.1 Family and Medical Leave Act (FMLA)

Purpose

The College affords eligible employees family or medical leave in accordance with the federal Family and Medical Leave Act¹⁸ (FMLA). All rights and obligations under the FMLA and this policy are interpreted according to the law. All leave of absence, including workers' compensation, temporary disability and FMLA leaves, will be coordinated and will run concurrently as allowed by law.

¹⁸Family and Medical Leave Act (<https://www.dol.gov/whd/fmla/employeeeguide.pdf>)

The Leave Policy

You may be eligible for a job-protected, unpaid leave of absence for up to twelve (12) weeks each leave year if you:

1. have been employed by CCS for at least 12 months (the months need not be consecutive);
2. worked at least 1,250 hours of service in the 12 months immediately preceding the leave; and
3. are taking the leave for a qualifying reason.

A leave year is defined as the rolling 12-month period measured backward from the date you first took FMLA leave. During FMLA leave, you will be entitled to group health benefits as if you were still working. Upon completion of FMLA leave, you will be restored to your same or equivalent job with the same pay, benefits and conditions of employment. After 12 weeks, the FMLA provisions regarding job restoration do not apply. If your leave exceeds 12 weeks, your right to job restoration and/or benefits, if any, will be determined by CCS's existing policies and any applicable laws, including the Americans with Disabilities Act. Please note that CCS's short-term and long-term disability plans are income protection plans for eligible employees and do not guarantee a job, or any particular job, following an absence.

Reasons for Leave

FMLA leave may be taken for any of the following reasons:

1. the birth of a son or daughter and in order to care for such child;
2. the placement of a child with you for adoption or foster care;
3. to care for your spouse, child or parent ("covered relation") with a serious health condition; or
4. because your own serious health condition renders you unable to perform the essential functions of your position.
5. because of a "qualifying exigency" arising out of active duty or a call to covered active duty of a covered relation in the Armed Forces or;
6. to care for a covered relation or next of kin who is a covered service member and has incurred a serious injury or illness in the line of duty while on active duty in the Armed Forces, including the National Guard or Reserves.

FMLA leave may not exceed 12 weeks per leave year, except where the leave is to care for an injured or ill service member, in which case an eligible employee may take up to 26 workweeks of leave during a single 12-month period to care

for the service member. Leave to care for an injured or ill service member, when combined with other FMLA-qualifying leave, may not exceed 26 weeks on a single 12-month period. A leave to care for a newborn son or daughter or due to the placement with you of a foster or adopted son or daughter must conclude within 12 months of the birth or placement. Spouses who both work for CCS will be entitled to a combined 12 weeks of FMLA in a given leave year when leave is take for the birth of a child, placement of a child for adoption or foster care, or care of a parent with a serious health condition. Similarly, spouses who both work for the College may take only a combined 26 workweeks of leave to care for a covered service member with a serious injury or illness.

A child includes a biological, adopted, foster or stepchild (or legal ward) who is under 18 years old. Children over 18 who are incapable of self-care because of physical or mental disability are also included. (However, where leave is due to a qualifying exigency arising out of active duty or a call to active duty or to care for an injured or ill service member, there is no age limit on the child). A “parent” includes your biological parent or person who stood in the position of parent to you when you were a child. A parent does not include your spouse’s parent.

“Spouse” as defined in the FMLA, means a husband or wife as defined or recognized in the state where the individual was married and includes individuals in a same-sex marriage or common law marriage. Spouse also includes a husband or wife in a marriage that was validly entered into outside of the United States if the marriage could have been entered into in at least one state.

A “serious health condition” is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee’s job, or prevents the qualified family member from participating in school or other daily activities. Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than three consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

A “qualifying exigency” means short-notice deployment (notice of seven days or less), military events, child care and school activities, financial and legal arrangements, counseling, rest and recuperation, post-deployment activities, and additional activities where CCS and the employee agree.

“Covered active duty” means, in the case of a member of a regular component of the Armed Forces, duty during the deployment of the member with the Armed Forces to a foreign country, and, in the case of a member of a reserve component of the Armed Forces, duty during the deployment of the member with the Armed Forces to a foreign country under a call or order to active duty.

A “covered service member” is (1) a member of the Armed Forces, including the National guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise in the

temporary disability retired list, for a serious injury or illness or (2) a veteran who is undergoing medical treatment, recuperation, or therapy, for a serious injury or illness and who was a member of the Armed Forces, including the National Guard or Reserves, at any time during the period of five years preceding the date on which the veteran undergoes that medical treatment, recuperation, or therapy.

A “serious injury or illness” is one that was incurred in the line of duty on active duty (or existed before the beginning of active duty and was aggravated by service in the line of duty on active duty) and that may render the service member medically unfit to perform duties of the member’s office, grade, rank, or rating. With respect to a veteran who was a member of the Armed Forces at any time during the period of five years preceding the date on which the veteran undergoes medical treatment, recuperation or therapy, a serious injury or illness means that qualifying injury or illness that was incurred in the line of duty on active duty or existed before the beginning of active duty and was aggravated by service in the line of duty and that manifested itself before or after the member became a veteran.

Use of Paid Leave

In general, FMLA leave is unpaid. However, CCS generally requires that you substitute any paid leave (assuming you are eligible for paid leave) for unpaid leave. Your entitlement to up to 12 weeks of FMLA leave will run concurrently with any workers’ compensation or temporary disability absence as long as the criteria for a serious health condition is met. You may use any available unused paid time off (PTO) to supplement your worker’s compensation or temporary disability pay, up to 100% of your regular pay.

Notice of Leave

If it is foreseeable that you will need FMLA leave, you must give CCS at least 30 days’ advance written notice. If your need for FMLA leave, or the timing of the leave, is unforeseeable, you must give CCS notice as soon as practicable, generally within two business days after the need for leave becomes known to you. You are also expected to comply with CCS’s normal call-in or reporting practices and procedures. Failure to give the required notice may result in the delay of your leave. If the leave is due to planned medical treatment, you must make a reasonable effort to schedule the treatment to minimize disruption to CCS. Requests for leave must be submitted to Human Resources and forms are available in that office.

Medical and Family Certificates

If you request leave because of your own or a covered relation’s serious health condition, you and the relevant health care provider must supply an appropriate medical certification to CCS. You may obtain Medical Certification forms

from Human Resources. Generally, for foreseeable leave, any required medical certification must be provided to Human Resources before your leave begins, unless it is impractical to do so, in which case a medical certification must be provided as soon as possible. Also, if the leave is for the birth, placement of a child for adoption or foster care, or care of a covered relation, CCS may require you to provide reasonable documentation or a statement confirming the family relationship. In addition, if you are requesting leave for a qualifying exigency related to military service, you may be required to provide an appropriate certification. Failure to timely provide the requested medical certification or other documentation may result in a delay or denial of your leave.

CCS may, at its discretion and expense, require an examination by a second health care provider designated by CCS. If the second health care provider's opinion conflicts with the original medical certification, CCS may require a third, mutually acceptable health care provider to conduct an examination and provide a binding opinion. (Second and third opinions will not be requested for a covered service member's serious injury or illness, however.)

Notice: The Genetic Information nondiscrimination act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we are asking that you not provide any genetic information when responding to requests for medical information. "Genetic information" as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Reporting During Leave and Upon Return From Leave

If you take an FMLA leave due to your own or a covered relation's serious health condition, CCS will require you to provide medical re-certifications, at reasonable intervals during your leave, generally not more than every 30 days. While on an FMLA leave, you must periodically report on your status and intent to return to work. If the circumstances precipitating the need for an FMLA leave change while you are on leave, you must promptly notify the Human Resources office in writing of those changes, generally within two (2) business days.

CCS will require you to provide a certificate of fitness to return to work, which may address your ability to perform the essential functions of your job, at your expense, when your leave was due to your own serious health condition. A fitness to return to work certificate will not be required if the leave was taken on an intermittent or reduced schedule basis. Failure to timely provide the above status reports, re-certifications or fitness to return to work certificates may result in the delay or denial of leave, or restoration to your position.

Medical and Other Benefits During Leave

During an approved FMLA leave, CCS will maintain your group health benefits as if you continue to work. All other benefits will be maintained in accord with CCS established policies. Paid time off (PTO) days do not accrue during leaves of absence, including FMLA and temporary disability absences (except during the time period that the leave is being covered by PTO).

If you normally pay a portion of your group health or other elective benefit premium, and if you are on a paid leave, CCS will deduct your portion of the health plan premium as a regular payroll deduction. If your leave is unpaid, you must pay your portion of the premium to the Human Resources office by the 20th day of the month prior to the month the premium will cover. Failure to timely pay your portion of the premium may result in termination of coverage, provided you are notified in advance that coverage will lapse. If CCS pays your portion of any elective benefit premium or group health premium during your leave, CCS will seek reimbursement from you when you return to work.

If you do not return to work at the end of the leave period, you will be required to reimburse CCS for its share of the premiums paid for maintaining your group health benefits during any unpaid leave, unless you cannot return to work due to a serious health condition or other circumstances beyond your control.

Intermittent and Reduced Schedule Leave

Leave may be taken intermittently (in separate blocks of time due to a single health condition) or on a reduced leave schedule (reducing the usual number of hours you work) when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt CCS's operations. Leave for qualifying exigencies may also be taken on an intermittent basis.

If your leave is unpaid, CCS will reduce your salary as permitted by law based upon the amount of time actually worked. In some situations, while you are on an intermittent or reduced schedule leave, CCS may temporarily transfer you to an available alternative position (with equivalent pay and benefits) that better accommodates your leave request. Intermittent or reduced schedule leave to care for a newborn child or child placed with you for adoption or foster care requires prior consent of CCS (unless the leave is due to a serious health condition). **Special FMLA Rules Applicable to Instructional Employees**

The FMLA contains special rules for instructional employees who seek intermittent leave or a leave near the end of an academic term. "Instructional employees" include, for example, faculty members. Generally, teacher assistants and counselors are not considered instructional employees. The purpose of the special rules is to avoid undue disruption to students. If the special rules apply to you, CCS may require you to remain on leave until the end of the semester. If you have requested intermittent or reduced schedule leave, CCS may require that you take leave in a block of time or it may temporarily transfer you to

another position. If you have any questions regarding these special FMLA rules and whether they apply to you, contact Human Resources.

Additional Information

The FMLA makes it unlawful for any employer to interfere with, restrain, or deny the existence of any right provided under the FMLA or discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA. An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer. FMLA does not affect any Federal or State law prohibiting discrimination, or supersede and State or local law or collective bargaining agreement which provides greater family or medical leave rights. If you have any questions regarding this policy, please contact Human Resources.

CCS reserves the right to modify this policy when circumstances warrant modification, or to change any provision of this policy as determined by CCS in its discretion, consistent with the FMLA and any other applicable law.

3.18 Performance Appraisal

It is CCS's goal to evaluate the performance of each full-time administrative staff member annually. The purpose of the evaluation is to provide the immediate supervisor and the staff member an opportunity to review the administrative staff member's work during the past year, to outline the strengths and weaknesses in the staff member's performance, to share concerns and criticisms, to lay out a plan for the staff member's work in the coming year, and generally to provide support, encouragement, and direction to the administrative staff member in the pursuit of excellence.

Annual performance appraisal meetings are customarily scheduled during the month of July. The performance appraisal form is prepared by the supervisor, reviewed by the second level supervisor, and then presented to the employee during a performance appraisal meeting. Employee feedback concerning job satisfaction, position responsibility and career goals is encouraged during the appraisal and any time during the year.

3.19 Separations

3.19.1 Resignation

An employee who voluntarily resigns should submit a letter of resignation to his/her supervisor, with a copy to the Director of Human Resources. A minimum of two weeks notice is preferred.

3.19.2 Termination

In accepting and maintaining employment with the College, you acknowledge and agree that your employment is at-will and may be terminated either by you or the College, with or without cause or notice, at any time. The College is committed to encouraging the professional development of its employees and to providing a supportive environment in which to work. It also has high standards for its employees' performance. While the College attempts to resolve instances of poor performance and to help employees correct deficiencies, it reserves the right to terminate staff members for reasons including, but not limited to, incompetence or inefficiency, unsatisfactory performance, violation of College policy, dishonesty, mistreatment of students or other employees, and other factors determined at the sole discretion of the College.

3.19.3 Exit Interview

When an employee leaves CCS for any reason, he/she is requested to meet with the Office of Human Resources for an exit interview. The exit interview will allow for converting benefit plans and the return of any College property.

3.20 Employment of Relatives

The College may hire relatives of current employees, based on their qualifications for the job. However, an employee may not directly supervise an immediate family member. An immediate family member under this policy is your spouse, parent, child, grandparent, grandchild, brother, sister, in-law, uncle, aunt, nephew, niece or a domestic partner. Further, an immediate family member of a current employee will not be hired (or transferred into a position) where this would have the potential for creating an adverse impact on work performance or create an actual or apparent conflict of interest.

3.21 Complaint Procedure

If an employee faces a problem relating to his/her work, the College wants the employee to have every possible opportunity to resolve it. An employee should always first attempt to resolve the problem by meeting with his/her supervisor. If this approach is not successful, you should discuss the matter with the Director of Human Resources, or the supervisor's Dean or Vice President. If the complaint relates to a dean or vice president, you should discuss it with the Director of Human Resources. You are strongly encouraged to provide the College with a written complaint as early as possible that details the issues of concern. Written complaints prepared by you ensure that the complaint is accurately documented.

All employee problems at every step of this process will be confidential to the extent the College can do so without compromising its investigatory obligations.

There will be no discrimination, recrimination or penalty against any employee for his/her good faith participation in this process.

Chapter 4

Academic Policies and Procedures

4.1 Registration

4.1.1 Academic Advising and Registration Office

4.1.2 Registration Procedures

New Students: New students receive a letter welcoming them to the College along with their username and password. Students are sent electronic communication from their academic advisor with directions on how to register along with an academic evaluation. New Students are encouraged to register online via WebAdvisor or in person with their Academic Advisor. WebAdvisor is a secure Web interface that allows students and faculty to access information contained in the college's administrative database. For example, students can view their grades and transcript, search for open classes, view account balance information and print degree audits. Faculty members can view their class rosters, their scheduled classes, student information, and enter grades.

Returning Students: Returning students are emailed an academic evaluation from the Academic Advising and Registration Office. The Advisor audits the student's academic evaluation. If the student is on track with their academic program they are free to register in person or on-line. If the Advisor detects a concern with the academic evaluation, they place an advising hold on the student's record. The student is then required to meet with their Academic Advisor to consult about their schedule. Once the hold is removed, the student may register online or at the Academic Advising and Registration Office. All students must pay a \$100 commitment fee in order to register.

4.1.3 Class Rosters

Taking attendance is a mandatory requirement and must be done electronically through the WebAdvisor system (see Appendix L). The preliminary class rosters are passed out as a courtesy for you to have on the first day of class. The first week of each semester is an add/drop period during which students may drop courses for which they previously registered or register for new courses with no penalty. After the add/drop period instructors must access their attendance roster online. Instructors are required to maintain attendance records electronically, which must be submitted at the end of the semester along with final grades. The roster includes all students registered in your class(es) through the end of the add/drop period.

If there is a person in your class who is NOT on your roster, it means the student is NOT REGISTERED for your class. It is imperative that you immediately send them to the Academic Advising and Registration office. Students are not permitted to be in your class unless they have officially registered for that class.

Faculty will begin to receive a weekly “drop notice” via email to inform you of any student who has officially withdrawn from your class(es). If there is a student listed on your roster who is not attending class you must contact the Academic Advising and Registration Office, and they will inquire why he/she has not been attending.

In addition, you may notice a “V” next to the names of some students on your roster. This means the students receive benefits from the U.S. Dept of Veterans Affairs. The VA requires attendance rosters, and it is the instructor’s responsibility to monitor this. The Academic Advising and Registration Office must report non-attendance of these students to the VA within 30 days of the last date of attendance. Instructors must report any “V” student who has missed three (3) weeks of class as soon as he/she misses the third week.

4.1.4 Adding/Dropping Classes

Courses for which a student is enrolled at the conclusion of the Add/Drop period will be used to determine attempted courses for the Course Completion Rate. Therefore, if it is necessary to adjust one’s class schedule, it is best to do so during the Add/Drop period of the semester. Courses that are dropped after conclusion of the Add/Drop period will show a recorded grade of W, WN, or WF. This will be counted as an unsuccessfully completed course, thus lowering your completion rate.

- Students may use WebAdvisor¹ to add or drop classes up until the first day of class. After this time, if a student wishes to add or drop a course, students must complete the add/drop form that is available from the Academic Advising and Registration Office.

¹WebAdvisor (
<https://helena.collegeforcreativestudies.edu/WebAdvisor/WebAdvisor?TYPE=M&PID=CORE-WBMAIN&TOKENIDX=9865274880>)

- Students who drop classes during the first 7 business days of classes (see Academic Calendar for specific dates) are not charged for the drop. After the 7th day dropped classes are charged on a sliding scale and those courses will receive a grade of “W”, “WN”, or “WF”.
- Please refer to the academic calendar² for specific tuition reimbursement information. The last day to withdraw from a course is on Friday, the thirteenth week of classes. No exceptions to this deadline will be made.
- The College reserves the right to cancel or change classes, instructors and schedules; to revise tuition and fee structure; and to amend College policies for the efficient operation of the College. Students are notified by the Academic Advising and Registration Office of any course changes.

4.1.5 Waived Course

A required course may be waived by the Department Chair only. Waiving a course means only that the specific course is waived, not the credits attached to that course. The student must still plan to take a course to fill the credit deficiency. The Program Chair must complete a Curriculum Change form to indicate which course will replace the waived course. The Curriculum Change form is then submitted to the Academic Advising and Registration Office.

4.1.6 Restricted Course

Students who intend to register for a course that is restricted to a particular major or class level (for example, Crafts only or juniors only) and who are not in that department or at the required class level must have the department chair or administrator complete and sign the Registration Permission Form and submit it to the Academic Advising and Registration Office.

4.1.7 Independent Study

An Independent Study is available to undergraduate students who are at Junior or Senior level standing and first and second year graduate students with a cumulative grade point average of 3.00 or above. The student may receive approval to work in an area or on a project that is not otherwise offered or addressed in the curriculum. Students may receive credit toward graduation for no more than 6 credit hours.

- The student must complete an Independent Study Form. Please see the Academic Credit Opportunities³ page for more information.

²Academic Calendar (<https://campus.collegeforcreativestudies.edu/academic-calendar/>)

³Academic Credit Opportunities (<https://campus.collegeforcreativestudies.edu/academic-advising/academic-credit-opportunities/>)

- The student must submit a minimum 150-word Independent Study Proposal, along with the Independent Study Approval Form, to the faculty member overseeing the Independent Study. The proposal should state the reason for the independent study and their plan for study, including topics to be covered and goals.
- The faculty member appointed to oversee the Independent Study must write an Independent Study Syllabus with a detailed course description, learning outcomes, assignments, meeting dates (minimum of four), due dates, and grading criteria.
- Students must submit the Independent Study Proposal and the completed Syllabus from the faculty member to the Department Chair. The Department Chair approves of the Student's proposal, the Independent Study and the Syllabus with a detailed course description, learning outcomes, assignments, meeting dates (minimum of four), due dates, and grading criteria.
- The Independent Study Approval Form, with faculty and Chair signatures, must be submitted to the Office of Academic Affairs for final approval by the Undergraduate Dean, Graduate Dean, or the Dean of Academic Affairs.
- The student takes the final approved form to the Academic Advising and Registration Office in order to register for the Independent Study. Independent Study forms must be turned in no later than the final day to add a class of the semester in which the Independent Study is to be taken.

4.2 Academic Advising and Registration Office Forms

A list of helpful Academic Advising and Registration forms available on the College's Campus Offices page follows:

- Academic Alert Form⁴ – This online form was designed to proactively help students who may need additional support with their academic progress. An instructor may submit an Academic Alert Referral for any student in order to address an academic concern.
- Registration Permission⁵ – An online form that requires the signature of the Department Chair or Program Manager, granting a student permission to register for a course that is filled or that has some other restriction.

- Drop Request⁶ – An online form that the student must complete in order to begin the process of dropping (withdrawing) a course. The student's Academic Advisor must sign the form for drops. If the student is changing section numbers no Advisor's signature is needed.
- Curriculum Change – An online form completed by a Department Chair advising Registration to alter a student's curriculum in some way. Contact the Academic Advising and Registration Office⁷ to obtain the appropriate form.
- Change of Major⁸ – A form with which a student may transfer from one program to another. The student must present their portfolio to the proposed new Department Chair for acceptance. The new Department Chair will sign and date the form, which indicates acceptance of the student into the major and confirms the assignment of studio credit.
- Declaration of Minor – A form with which an undergraduate student may declare a minor.
 - Liberal Arts Minor Declaration⁹
 - Studio Minor Declaration¹⁰
- Complete Withdrawal Form¹¹ – If a student intends a complete withdrawal from CCS for the semester they must meet with an Advisor in the Academic Advising and Registration Office and then a Financial Aid officer for an exit interview. The Academic Advising and Registration Office processes the Complete Withdrawal form and distributes it to all concerned departments.

4.3 Grading and Academic Progress

4.3.1 Grading

Grading is based on performance in coursework, growth in ability, and professionalism. A continuous record of all grades throughout a student's enrollment is kept in the Academic Advising and Registration Office. Final grade reports

4.3.2 Midterm Grade Procedure

CCS requires that midterm grades be submitted electronically during the eighth (8th) week of the semester. The Academic Advising and Registration office will email instructions to faculty on how to submit midterm grades via WebAdvisor during the sixth (6th) week of classes. Faculty should notify a student if their

name does not appear on the electronic roster. The student **MUST** be advised to see the Academic Advising and Registration Office to verify enrollment in that course. Once all midterm grades are submitted via WebAdvisor they are made available to students. Instructors are obligated to assign a midterm grade to each student who is listed as registered for their class.

Valid mid-term grades are: A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F, WF*. You may not assign the "I", "W", or "WN" grades at midterm. A "WF" may be assigned at midterm.

*The "WF" grade is counted in the student's grade point average calculation like an "F" grade. Students that receive a "WF" grade for all classes in a semester will be administratively withdrawn from CCS effective on the last date of attendance. "WF" grades may affect grade point average and satisfactory academic progress.

Midterm grades are a progress report only; they do not affect a student's cumulative grade point average. However, these grades are an essential component in the advising process.

4.3.3 Final Grade Procedure

The Academic Advising and Registration Office emails faculty instructions on how to enter final grades into the WebAdvisor portal on the Monday of the 13th week of the semester (students are not permitted to withdraw after the 12th week of classes).

Faculty must enter final grades into WebAdvisor, the Monday after the last day of classes for the semester. There are no exceptions to the due date. Final grades are available to students once all grades are entered and they verified by the Academic Advising and Registration Office.

Faculty are obligated to assign a grade to each student who is still registered for their class. If a student is listed as anything other than a drop on your roster, the student is still officially registered for your class and you **MUST** assign a grade.

Valid final grades are: A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F, I*, W, WN, WF**.

* A grade of I (incomplete) should only be given rarely, when a student has encountered an unusual situation that prevented him/her from completing a SMALL portion of the semester's work. When you enter an "I" grade in WebAdvisor you must also enter an expiration date. This date will be given to you. Incomplete ("I") grades should **NOT** be assigned to a student if a student has stopped coming to class or has missed several assignments. If you have given a grade of "I" to a student in your class, you must also submit an Incomplete Grade Verification Form to the Academic Advising and Registration Office in addition to submitting the "I" grade via WebAdvisor. You and your Department Chair must sign this form before its submission. This form is available from your Department Administrator or the Academic Advising and Registration Office. Grades of "I" automatically become "F" if the instructor has not submitted a grade change form by the end of the next full semester.

** The “WF” grade is counted in the student’s grade point average calculation like an “F” grade. Students that receive a “WF” grade for all classes in a semester will be administratively withdrawn from CCS effective on the last date of attendance. “WF” grades may affect grade point average and satisfactory academic progress.

4.3.4 Grade Change Forms

An instructor may change a student’s grade. The reason for this change may be due to completion of work from the previous semester (grade of “I” being changed to a letter grade) or a review of the student’s work which resulted in a better grade. A student who receives an “I” grade has one semester (Fall or Winter) to complete the work and receive the appropriate grade. After the one semester deadline, the “I” grade will be changed to an “F”. Instructors and Program Managers can obtain the Grade Change form from the Academic Advising and Registration Office¹² (AARO). The instructor and Department Chair must sign the form, and it is then sent to the Office of Academic Affairs who return the approved form to the AARO. Instructors must provide complete and accurate information to ensure quick processing.

Students may appeal a grade up to 60 days after the last day of the semester in which the student was enrolled in the course. Appealing students should submit a written request to the Office of Academic Affairs identifying the course, instructor, and an explanation of the circumstances and reason for the request. The request will be reviewed and decided upon by the Academic Performance Committee.

4.3.5 Course Repetitions

A student may repeat a course in which credit has been earned in order to improve their grade. When a course is repeated, the higher grade will be used in the calculation of the cumulative grade point average. Any course, or its equivalent transfer course, may be applied only once toward fulfillment of any and all degree requirements, including elective credit. Work from previous attempts at the course cannot be reused in future attempts without written approval from the faculty member teaching the repeated course.

4.3.6 Dean’s or President’s List

Students who complete a minimum of 12 credits during any semester and who attain a grade point average of 3.50 to 3.799 are placed on the Dean’s List. Students who achieve a GPA of 3.80 or above are placed on the President’s List. A notation will be placed on the student’s transcript for each semester that Dean’s List status is achieved. Students on the Dean’s or President’s List for two consecutive semesters will receive a letter of acknowledgement from the Office of Academic Affairs.

¹²Academic Advising and Registration Office (aaro@collegeforcreativestudies.edu)

4.3.7 Junior Status

A student achieves Junior Status upon earning a minimum of 60 credits, as required for Junior class level¹³. The completion of Studio Foundations and core Liberal Arts courses is necessary to ensure progression toward degree requirements and eligibility for Junior level (or higher) courses. Students must:

Complete all 15-18 credits of Foundation courses (based on their major requirements).

Complete 15 credits of 100/200 level core Liberal Arts credits before enrolling in Junior-level departmental studio courses, including:

- DEN 101, Composition I
- DEN 102, Composition II
- DVC 100, Material Visual Culture [applies to students on the 2024 catalog or later.]
- DAH —, History of Major or other designated art history requirement (e.g. History of Advertising, Photography etc.) [applies to students on the 2022 catalog year or later.]
- Art History Option, Choose one of the following:
 - DAH 200, Western Art History/Visual Culture
 - DAH 201, Visual Narration: Africa/America
 - DAH 202, Visual Narration Asia

Students who do not meet Junior Status requirements by the end of their sophomore year (or later) are evaluated and may receive a “Junior Status hold” to address outstanding credits; registration approval may then be required. Each department determines which departmental courses students must complete before progressing to junior-level courses within their department.

Exceptions:

Academic Advisors or Department Chairs may grant exceptions for students with transfer credits or those in specific majors, considering degree timelines and completed credits.

Students placed in ELS 107 are exempt from the same Junior Status Policy requirements, for Liberal Arts.

Incoming transfer students who 1) are at or near Junior Status by credits and 2) have verified completion of appropriate credits through transcript review for freshman and sophomore-level major studios will be exempt from the Junior Status Policy upon entry, in order to accommodate first-semester scheduling needs, Prerequisite or other restrictions may still apply. Holds may be applied if issues are identified during annual degree progress reviews.

4.4 Satisfactory Academic Progress

4.4.1 Financial Aid Satisfactory Academic Progress – Graduate Students

Graduate Students

The standards of Satisfactory Academic Progress (SAP) measure a student's academic progress using both qualitative and quantitative measurements. These measurements include a cumulative Grade Point Average (GPA) requirement, a Pace/Course Completion Rate requirement, and a Maximum Timeframe requirement.

Students who receive financial aid must demonstrate SAP as determined by the College for Creative Studies (CCS) in accordance with federal regulations. Financial aid recipients are required to be in good academic standing and to maintain satisfactory academic progress toward their degree requirements for each semester in which they are enrolled.

SAP is evaluated at the end of each term in which a student is enrolled (Fall, Winter, and Summer). Federal regulations require the College to evaluate students who receive federal financial aid using standards that are at least as strict as standards that apply to students who do not receive federal financial aid; CCS evaluates all students using the same standards. SAP is evaluated based on the student's cumulative academic record.

REQUIREMENTS FOR MAINTAINING SAP

GRADE POINT AVERAGE At the end of each semester, a student's cumulative grade point average is calculated. He or she must have a minimum cumulative grade point average of 3.0 to achieve SAP.

REQUIRED PACE/COURSE COMPLETION RATE Required course completion rate also determines SAP. Students must complete their academic program within 150% of the published length of the program. To meet this requirement, students must successfully complete, with a grade of C or better, at least two-thirds (67%) of attempted cumulative credit hours. Examples are as follows:

Credits Attempted	Must Complete
6	4
15	10
30	20

MAXIMUM TIMEFRAME (MTF) Federal regulations require that a student must complete his or her educational program within a MTF no longer than 150% of the published length of the educational program measured in credit hours attempted.

Example: Graduate Student

If a graduate student is enrolled in an academic program that requires 60 credit

hours for graduation, he or she would be allowed a maximum of 90 (60 x 150%) attempted credits in order to obtain his/her degree.

TRANSFER CREDITS Courses that are transferred from another institution and accepted toward an academic degree program at the College (at the time of SAP Review) count as attempted and completed hours for Pace/Course Completion Rate (CCR) and MTF. The GPA is determined only with courses taken in residence at the College.

GRADE CHANGES Students who have a grade change or incomplete grade changed after SAP has already been process for any semester must notify Academic Advising and Registration of the change. At that time SAP will be recalculated to determine if the SAP status needs to be modified and the Office of Academic Advising and Registration will notify the Office of Financial Aid.

CHANGE OF MAJOR/DEGREE If a student decides to change majors, all classes already taken will count in the maximum timeframe SAP evaluation. It is possible a change of major could impact your SAP standing.

GRADES Successful completion of attempted courses is required for SAP. Therefore, grades of A through C are acceptable unless otherwise specified. Courses for which these grades are received will be used to establish your cumulative GPA and CCR.

Grades of D, F (failing), I (incomplete), W or WN (withdraw), WF (withdraw-unofficial) are not acceptable. Courses for which these grades are received will not be counted as successfully completed courses and will be valued at 0.00 grade points, thus also lowering your CCR and cumulative GPA.

NOTE: *Due to the COVID-19 Pandemic, students have the option to request that their grade(s) be changed to P/NC (Pass/No Credit) for the Winter 2020, Fall 2020, and Winter 2021 semesters. Please see the Pass/No Credit - Winter 2020¹⁴ and Pass/No Credit - 2020 - 2021 Academic Year¹⁵ policies for more details.*

DROPPING CLASSES (after the Add/Drop period) Courses for which a student is enrolled at the conclusion of the Add/Drop period will be used to determine attempted courses for the CCR. Therefore, if it is necessary to adjust one's class schedule, it is best to do so during the Add/Drop period of the semester. Courses that are dropped after conclusion of the Add/Drop period will show a recorded grade of W or WN. This will be counted as an unsuccessfully

completed course valued at 0.00 grade points, thus lowering your completion rate and cumulative GPA.

COMPLETE WITHDRAWALS (OFFICIAL OR UNOFFICIAL) Students who officially withdraw from the College or stop participating in their courses (unofficial withdrawal) after the Add/Drop period are considered to have no successfully completed courses for the semester. This will lower your CCR and cumulative GPA and can result in being placed on Academic Probation or being suspended from the College resulting in the loss of financial aid eligibility if you already had a low pace/course completion rate or GPA or there are consecutive withdrawals over a number of semesters. Unofficial withdrawals will be reviewed at mid-term and end of the semester. If a student has been determined to be unofficially withdrawn, the Office of Financial Aid (OFA) will reach out to all enrolled course professors to determine last date of attendance (LDA). If the OFA does not receive a response, mid-term date will be used to determine the withdrawal date.

REPEATED COURSES When a successfully completed course is repeated, the previous enrollment is not counted as a successfully completed course; therefore, this will lower your CCR. Only the last grade received is counted in the cumulative GPA.

Per the Federal Student Aid Handbook, students may repeat a course as many times as necessary to receive a passing grade and receive federal funding for that course. The federal definition of a passing grade is anything above an F.

Once the student has taken the course and received a grade above failing (anything above an F), the student may repeat the course only one additional time to try to earn a higher grade and receive federal financial aid funds. Any subsequent repeats of that course cannot be covered by federal financial aid funds. CCS does have some required courses that require at least a C grade per College policy. The College policy does not affect federal eligibility, so the student may still only retake this course one after receiving a grade above an F and receive federal funding.

FAILURE TO MEET SAP SAP is monitored at the end of each semester and if a student fails to meet the 3.0 cumulative GPA requirement or does not complete two-thirds (67%) of the cumulative credit hours attempted to date, he or she will be placed on SAP financial aid warning for a period of one semester. During the SAP financial aid warning semester, a student can receive financial aid. If the student fails to raise the GPA to 3.0 or the completion rate to two-thirds (67%) at the end of the financial aid warning semester, they will lose eligibility for financial aid.

NOTIFICATION OF UNSATISFACTORY ACADEMIC PROGRESS Students who do not meet SAP standards will be notified, by the Director of Fi-

nancial Aid, in writing via email, which will be sent to their College for Creative Studies email.

SAP APPEAL PROCESS Students may appeal their loss of financial aid eligibility by submitting an appeal letter to the Director of Financial Aid. Appeals should be based on circumstances beyond the student's control such as, injury or illness, death of a relative, or other special circumstances. The appeal must explain the failure to make satisfactory progress and what has changed that will allow satisfactory progress in the future.

If the appeal is approved, the student will be placed on SAP financial aid probation and will be required to follow an Academic Success Plan. This status is limited to one semester (or time as specified by the Academic Success Plan), during which the student may receive financial aid. At the end of that semester, a student on SAP financial aid probation will have his/her academic progress reviewed and must be meeting the SAP standards. If a student fails to meet these standards, the student loses financial aid eligibility.

REESTABLISH FINANCIAL AID ELIGIBILITY WITHOUT AN APPEAL Students who become ineligible for assistance can reestablish their eligibility by attending CCS at their own expense until they achieve the minimum SAP standards.

Note: Neither paying for classes nor sitting out periods of enrollment in and of themselves improves a student's SAP standing; therefore, neither action is sufficient to regain financial aid eligibility.

4.4.2 Financial Aid Satisfactory Academic Progress – Undergraduate Students

Undergraduate Students

The standards of Satisfactory Academic Progress (SAP) measure a student's academic progress using both qualitative and quantitative measurements. These measurements include a cumulative Grade Point Average (GPA) requirement, a Pace/Course Completion Rate requirement, and a Maximum Timeframe requirement.

Students who receive financial aid must demonstrate SAP as determined by the College for Creative Studies (CCS) in accordance with federal regulations. Financial aid recipients are required to be in good academic standing and to maintain satisfactory academic progress toward their degree requirements for each semester in which they are enrolled.

SAP is evaluated at the end of each term in which a student is enrolled (Fall, Winter, and Summer). Federal regulations require the College to evaluate students who receive federal financial aid using standards that are at least as strict as standards that apply to students who do not receive federal financial aid; CCS evaluates all students using the same standards. SAP is evaluated based on the student's cumulative academic record.

REQUIREMENTS FOR MAINTAINING SAP

GRADE POINT AVERAGE At the end of each semester, a student's cumulative grade point average is calculated. He or she must have a minimum cumulative grade point average of 2.0 to achieve SAP.

GRADE POINT AVERAGE REQUIREMENT FOR ART EDUCATION MAJORS In the Art Education program it is the student's responsibility to maintain a cumulative grade point average of 2.50 at the end of each term. Additionally, teacher candidates must maintain a cumulative grade point average of 2.70 in Art Education courses. Only grades of "C" or better will be accepted in required art education courses. If a student receives a grade of "C-" or below they must retake the course to obtain a grade of "C" or better. The higher grade is always recorded for purposes of calculating cumulative GPA; each attempt is counted as "credits attempted" but only the attempt associated with the higher grade is counted as a successfully completed course for purposes of the Pace/Course Completion Rate. The Center for Tutoring and Writing ¹⁶ is available for all students seeking assistance with any course content.

REQUIRED PACE/COURSE COMPLETION RATE Required course completion rate also determines SAP. Students must complete their academic program within 150% of the published length of the program. To meet this requirement, students must successfully complete, with a grade of D- or better, at least two-thirds (67%) of attempted cumulative credit hours. Examples are as follows:

Credits Attempted	Must Complete
6	4
12	8
15	10
18	12
66	44
100	67
126	84

MAXIMUM TIMEFRAME (MTF) Federal regulations require that a student must complete his or her educational program within a MTF no longer than 150% of the published length of the educational program measured in credit hours attempted.

Example: Undergraduate Student

If an undergraduate student is enrolled in an academic program that requires 127 credit hours for graduation, he or she would be allowed a maximum of 191 (127 x 150%) attempted credits in order to obtain his/her degree.

Example: Undergraduate Art Education Student

If an undergraduate Art Education student is enrolled in an academic program

¹⁶Center for Tutoring and Writing

<https://campus.collegeforcreativestudies.edu/tutoring-writing-center/>

that requires 148 credit hours for graduation, he or she would be allowed a maximum of 222 (148 x 150%) attempted credits in order to obtain his/her degree.

TRANSFER CREDITS Courses that are transferred from another institution and accepted toward an academic degree program at the College (at the time of SAP Review) count as attempted and completed hours for Pace/Course Completion Rate (CCR) and MTF. The GPA is determined only with courses taken in residence at the College.

GRADE CHANGES Students who have a grade change or incomplete grade changed after SAP has already been process for any semester must notify Academic Advising and Registration of the change. At that time SAP will be recalculated to determine if the SAP status needs to be modified and the Office of Academic Advising and Registration will notify the Office of Financial Aid.

CHANGE OF MAJOR/DEGREE If a student decides to change majors, all classes already taken will count in the maximum timeframe SAP evaluation. It is possible a change of major could impact your SAP standing.

SECOND DEGREE If you are obtaining a second degree, you will need to have a degree audit performed to determine your new SAP standing. This will allow Financial Aid to create a new Maximum Timeframe.

GRADES Successful completion of attempted courses is required for SAP. Therefore, grades of A through D- are acceptable unless otherwise specified. Courses for which these grades are received will be used to establish your cumulative GPA and CCR.

Grades of F (failing), I (incomplete), W or WN (withdraw), WF (withdraw-unofficial) are not acceptable. Courses for which these grades are received will not be counted as successfully completed courses and will be valued at 0.00 grade points, thus also lowering your CCR and cumulative GPA.

NOTE: *Due to the COVID-19 Pandemic, students have the option to request that their grade(s) be changed to P/NC (Pass/No Credit) for the Winter 2020, Fall 2020, and Winter 2021 semesters. Please see the Pass/No Credit - Winter 2020¹⁷ and Pass/No Credit - 2020 - 2021 Academic Year¹⁸ policies for more details.*

¹⁷Pass/No Credit - Winter 2020 (<https://campus.collegeforcreativestudies.edu/policy/pass-no-credit-winter-2020-2/>)

¹⁸Pass/No Credit - 2020 - 2021 (<https://campus.collegeforcreativestudies.edu/policy/pass-no-credit-fall-2020/>)

DROPPING CLASSES (after the Add/Drop period) Courses for which a student is enrolled at the conclusion of the Add/Drop period will be used to determine attempted courses for the CCR. Therefore, if it is necessary to adjust one's class schedule, it is best to do so during the Add/Drop period of the semester. Courses that are dropped after conclusion of the Add/Drop period will show a recorded grade of W or WN. This will be counted as an unsuccessfully completed course valued at 0.00 grade points, thus lowering your completion rate and cumulative GPA.

COMPLETE WITHDRAWALS (OFFICIAL OR UNOFFICIAL) Students who officially withdraw from the College or stop participating in their courses (unofficial withdrawal) after the Add/Drop period are considered to have no successfully completed courses for the semester. This will lower your CCR and cumulative GPA and can result in being placed on Academic Warning or being suspended from the College resulting in the loss of financial aid eligibility if you already had a low pace/course completion rate or GPA or there are consecutive withdrawals over a number of semesters. Unofficial withdrawals will be reviewed at mid-term and end of the semester. If a student has been determined to be unofficially withdrawn, the Office of Financial Aid (OFA) will reach out to all enrolled course professors to determine last date of attendance (LDA). If the OFA does not receive a response, mid-term date will be used to determine the withdrawal date.

REPEATED COURSES When a successfully completed course is repeated, the previous enrollment is not counted as a successfully completed course; therefore, this will lower your CCR. Only the last grade received is counted in the cumulative GPA.

Per the Federal Student Aid Handbook, students may repeat a course as many times as necessary to receive a passing grade and receive federal funding for that course. The federal definition of a passing grade is anything above an F.

Once the student has taken the course and received a grade above failing (anything above an F), the student may repeat the course only one additional time to try to earn a higher grade and receive federal financial aid funds. Any subsequent repeats of that course cannot be covered by federal financial aid funds. CCS does have some required courses that require at least a C grade per College policy. The College policy does not affect federal eligibility, so the student may still only retake this course one after receiving a grade above an F and receive federal funding.

EXAMPLE: A student has taken a course requiring a C grade and received above an F but less than a C. The student takes the course a second time but again earns less than a C. The student must continue to retake the course to pass it per CCS policy but is no longer eligible for federal financial aid for that course. If the student subsequently enrolls for 12 credits, including the course they are having to repeat, only 9 of those credits are eligible for federal financial

aid. Institutional aid is not affected and can still be processed at the full-time amount. Students who are enrolled for 15 credits are not affected since they will still have 12 eligible credits and would still be considered full-time.

FAILURE TO MEET SAP SAP is monitored at the end of each semester and if a student fails to meet the 2.0 cumulative GPA requirement or does not complete two-thirds (67%) of the cumulative credit hours attempted to date, he or she will be placed on SAP financial aid warning for a period of one semester. During the SAP financial aid warning semester, a student can receive financial aid. If the student fails to raise the GPA to 2.0 or the completion rate to two-thirds (67%) at the end of the financial aid warning semester, they will lose eligibility for financial aid.

NOTIFICATION OF UNSATISFACTORY ACADEMIC PROGRESS

Students who do not meet SAP standards will be notified, by the Director of Financial Aid, in writing via email, which will be sent to their College for Creative Studies email.

SAP APPEAL PROCESS Students may appeal their loss of financial aid eligibility by submitting an appeal letter to the Director of Financial Aid. Appeals should be based on circumstances beyond the student's control such as, injury or illness, death of a relative, or other special circumstances. The appeal must explain the failure to make satisfactory progress and what has changed that will allow satisfactory progress in the future.

If the appeal is approved, the student will be placed on SAP financial aid probation and will be required to follow an Academic Success Plan. This status is limited to one semester (or time as specified by the Academic Success Plan), during which the student may receive financial aid. At the end of that semester, a student on SAP financial aid probation will have his/her academic progress reviewed and must be meeting the SAP standards. If a student fails to meet these standards, the student loses financial aid eligibility.

REESTABLISH FINANCIAL AID ELIGIBILITY WITHOUT AN APPEAL

Students who become ineligible for assistance can reestablish their eligibility by attending CCS at their own expense until they achieve the minimum SAP standards.

Note: Neither paying for classes nor sitting out periods of enrollment in and of themselves improves a student's SAP standing; therefore, neither action is sufficient to regain financial aid eligibility.

4.5 Readmission

4.5.1 Undergraduate Student Readmission

Students returning to CCS after an absence of more than two consecutive academic years or students who seek readmission after suspension must complete the Application for Readmission¹⁹. This application along with a \$50 nonrefundable readmission fee should be submitted to the Academic Advising and Registration Office at least two months prior to the start of the semester the student wishes to attend. Official transcripts with final grades from other institutions attended during the absence from CCS should be included with the readmission application.

Readmitted students must meet the program and graduation requirements in effect at the time of readmission. Studio courses older than seven years at the time of readmission cannot be used toward the degree, except with prior written approval from the department chair and Director of Academic Advising and Registration. The department chair must review and approve studio courses completed prior to the seven-year limit or taken at another college during the absence from CCS. This approval will be based on the student's ability to demonstrate current curriculum proficiency as evidenced by a review of a current portfolio. The cumulative grade point average for all readmitted students includes all CCS grades, regardless of how much time elapsed between enrollments.

Students, who have left for mandatory military service, are able to resume studies at CCS without completing the readmission application for up to three academic years from the time of their withdrawal.

Procedure

Readmission For Students In Good Standing: Students, who left CCS in good academic standing with a grade point average of 2.0 or higher, should complete the Application for Readmission²⁰ and attach the \$50 Readmission Fee. Students will be notified via mail when their application has been processed.

Readmission After Academic Suspension: Students applying for readmission after academic suspension, must complete the Application for Readmission, attach the \$50 Readmission Fee, and address the problems that led to the academic suspension and put forth the case for the student's success upon returning to CCS. This information should be provided in the "Student Explanation" section of the Application for Readmission²¹. The Committee on Academic Performance will review appeals for readmission after academic suspension. If approved, the student's academic standing would carry the status

of “Continued Academic Warning.”

Readmission After Suspension Related To Conduct: Students applying for readmission after suspension related to conduct must complete the Application for Readmission²², attach the \$50 Readmission Fee, and include any relevant information that will build a case for the student’s success upon returning to CCS. This information should be provided in the “Student Explanation” section of the readmission application. The Dean of Students will review appeals for readmission after a conduct suspension.

4.5.2 Graduate Student Readmission

Students returning to College for Creative Studies (CCS) after an absence of more than two consecutive academic years or students who seek readmission after suspension, must complete the Application for Readmission. This application along with a \$50 nonrefundable readmission fee must be submitted to the Academic Advising and Registration Office at least two months prior to the start of the semester the student wishes to attend. Official transcripts with final grades from other institutions attended during the absence from CCS must be included with the readmission application.

Readmitted students must meet the program and graduation requirements in effect at the time of readmission. Studio courses older than seven years at the time of readmission cannot be used toward the degree, except with prior written approval from the program chair and Director of Academic Advising and Registration. The program chair must review and approve studio courses completed prior to the seven-year limit or taken at another college during the absence from CCS. This approval will be based the student’s ability to demonstrate current curriculum proficiency as evidenced by review of a current portfolio. The cumulative grade point average for all re-admitted students includes all CCS grades, regardless of how much time elapsed between enrollments. Students, who have left for mandatory military service, are not required to apply for readmission to the college for up to three academic years from the time of their withdrawal.

Readmission for students in good standing

Students, who left CCS in good academic standing with a grade point average of 3.0 or higher, must complete the Application for Readmission and attach the \$50 Readmission Fee. Students will be notified via email when their application has been processed.

Readmission after academic suspension

Students applying for readmission after academic suspension, must complete the Application for Readmission, attach the \$50 Readmission Fee, and address the problems that led to the academic suspension and put forth the case for

²²Application for Readmission (<https://ccsedu.wufoo.com/forms/z1p30jppj1ldkc4/>)

their success upon returning to CCS. This information must be provided in the “Student Explanation” section of the Application for Readmission. The Committee on Academic Performance will review appeals for readmission after academic suspension. If approved, the student’s academic standing would carry the status of “Continued Academic Warning.”

Readmission after suspension related to conduct

Students applying for readmission after suspension related to conduct, must complete the Application for Readmission, attach the \$50 Readmission Fee, and include any relevant information that will build a case for the student’s success upon returning to CCS. This information must be provided in the “Student Explanation” section of the readmission application. The Dean of Students will review appeals for readmission after a conduct suspension.

4.6 Attendance

Regular class attendance is essential for learning and academic success. Students are expected to attend all class meetings, on time and for the full duration, and be prepared to work on that day’s assignment. Faculty are responsible for establishing an attendance policy for each of their classes and for outlining that policy on the course syllabus. Students are responsible for knowing the attendance policy for their class and adhering to those requirements. Exceptions to an instructor’s attendance policy should be discussed with that instructor.

CCS Students using veterans’ benefits will have attendance monitored throughout the semester for reporting purposes to the Department of Veterans Affairs (DVA).

4.8 Graduation Requirements

To be certified for graduation, students must:

1. Fulfill all departmental and academic course requirements for graduation in his/her major as outlined in the College catalog. Students have the option of electing the requirements listed in the catalog that was in effect at the time of their most recent admission to the college or those in the catalog that is in effect at the time of their final course completion.
2. Receive departmental permission to graduate based on a final review and exhibition of their work, unless waived by the department. Departmental permission to graduate is good for one year. A commencement ceremony takes place in the spring and fall semesters. Students who have applied for graduation and have completed all their requirements for graduation within the year preceding this event are invited to participate.

4.9 Academic Integrity

4.9.1 Introduction

College for Creative Studies adheres to the highest standards of academic integrity throughout the educational experience, in both academic writing and research and in studio work. Students who violate the standards of academic integrity face serious disciplinary consequences, including letters documenting the incident in their permanent record, failure of the assignment, immediate course failure, and/or dismissal from the College.

Faculty members have a responsibility to foster a culture of creative honesty, freedom, and intellectual expression for all students. Promoting and cultivating an environment of integrity reinforces that mandate and upholds the reputation of the College and its students.

Students should make sure they that have a clear understanding of these important issues and how they apply to both Liberal Arts and studio classes. Special consideration may be given if the student's intent is to use parody or satire as their vehicle for communication. The instructor or Department Chair should be consulted for clarification of those considerations.

4.9.2 Scope and Purpose

This statement on academic integrity applies to all undergraduate and graduate students at College for Creative Studies. Students are responsible for seeking clarification in assignments to ensure full understanding of what practices might be deemed an incidence of academic misconduct, including unethical use of language, ideas, or creative expression.

The purpose of this statement is to:

1. Clarify the College's expectations of academic integrity, and
2. Outline the process to be followed if this policy is violated.

4.9.3 Definition

The College condones no form of dishonesty in any academic activities, whether in academic writing and research or studio work. This is defined as the use of another's words, ideas, visual material, or physical artifacts as one's own original work without proper permission, citation, or other appropriate recognition of source. Any act that assists academic dishonesty is itself a violation of the academic integrity policy. Acts of academic dishonesty include, but are not limited to, the following:

- **Written Plagiarism.** Using another person's language or ideas without proper acknowledgment. When using the exact words of another in the presentation of written material, those words must be placed in quotation marks, with attribution to the original source, including proper citation of the source. Referencing or appropriating ideas may be part of an assignment, but it is always the student's responsibility to properly acknowledge the source of the original material.
- **Creative Dishonesty.** Artists and designers commonly draw on the work of others for reference or inspiration or the conceptual use of an appropriated image. This type of exploration and use is to be expected; however, there is an important distinction between drawing inspiration from a piece and copying it. These distinctions may vary by discipline and students are ultimately responsible for knowing how they relate to the creative integrity of their work. Students should consult their Department Chair and/or faculty member for clarification as to what practices do and do not constitute creative dishonesty.

4.9.4 Types of Violations

- Buying papers or having someone else write a paper, or produce a studio project for a student.
- Submitting the same work in two courses without explicit permission.
- Presenting all or part of work done from one course or independent study to another course requires permission of the instructor in the current course.
- Unauthorized collaboration. Many course activities permit and encourage collaboration. Course syllabi and in-class instructions will usually identify situations where collaboration on assignments is allowed. The student shares responsibility for determining whether collaboration is approved by seeking clarification from the instructor.
- Cheating. This is a very broad category encompassing a variety of unfair or dishonest methods to gain an advantage. Examples include: copying another student's work, using "crib notes" on tests, and accepting from or giving aid to another student unless authorized by the instructor.
- Misrepresenting experience or ability. This includes providing false information concerning academic and creative achievement or background. For example: falsely reporting the substance of an internship, omitting transcripts, or otherwise providing false information, including submitting a falsified portfolio as part of the admission process.
- Falsifying data or records.

- **Deleting/Destroying Student Work.** All students must refrain from altering work that does not belong to them, regardless of the date the piece was created or its location. Destruction or deliberate inhibition of the progress of another student's work is also strictly prohibited. This includes the deletion or destruction of digital files, sabotaging another student's artwork, or destroying College property, including library materials, lab materials, and computer software, hardware, or studio space.

4.9.5 Statute of Limitations

There is no statute of limitations on academic integrity violations. Academic integrity violations may be discovered and acted upon at any time during the course of a semester, after a semester has ended, and even after a student has graduated. Academic dishonesty that occurred prior to a student being admitted to CCS, and which has a bearing upon their status as a student in good standing, may also be discovered and acted upon, including but not limited to falsification of transcripts, portfolio work, or relevant experience.

4.9.6 Reporting Misconduct

Faculty, students, exam proctors, and administrative staff all share responsibility ensuring the honesty and fairness of the intellectual environment at CCS. It is the responsibility of every individual to report incidents of academic dishonesty to the appropriate faculty, Department Chair, exam proctor, and/or College officer.

4.9.7 Processes, Procedures, and Potential Outcomes

- Faculty or staff who suspect a violation of academic integrity should immediately inform the student of the nature of the violation and advise him/her that they will not be able to withdraw from the course until the case is reviewed and resolved.
- Faculty or staff should complete an online Academic Integrity Violation Report²⁷ documenting the alleged violation. The report is sent automatically to the Office of Academic Affairs and the Academic Advising and Registration Office for recording.
- The faculty member or staff member should identify and collect supporting evidence of the alleged violation, such as comparisons of writing samples or creative processes, witness statements, and/or forensic investigations.
- Within seven business days of receiving the report, the chairperson of the department in which the alleged violation occurred, will notify the

²⁷Academic Integrity Violation Report (<http://campus.collegeforcreativestudies.edu/policy/wp-content/uploads/sites/7/AA-ACADEMIC-INTEGRITY-VIOLATION.011419.pdf>)

Office of Academic Affairs. The Office of Academic Affairs will appoint a Hearing Officer and will schedule an academic hearing to be attended by the instructor, the student, the Department Chair, and the Hearing Officer. The Student Advocate²⁸ may attend the hearing, at the student's request. No other persons will be allowed in the hearing. The Hearing Officer will chair the hearing.

- All relevant factors, including the nature of the offense, the severity of any damage, injury or harm resulting from the offense, and the student's statement will be taken into consideration in the hearing.
- Outcomes of the hearing will be determined by the instructor, the Department Chair, and the Hearing Officer, who will communicate the findings to the student.

4.9.8 Potential Outcomes

Charged Dropped- Insufficient Evidence

- In the case of denial by the student and the impossibility of determining adequate support of the violation, the charge will be dismissed. (Determination of adequate support may include but is not limited to comparisons of writing samples or creative processes, witness statements, and/or forensic investigations.)

First Offense

- If the work is determined or affirmed by the student to be in violation, an academic sanction will be imposed and a letter placed in the student's file. First offense sanctions may be but are not limited to:
- Repeating the assignment
- Failure of the assignment
- Failure of the course
- Academic probation
- Suspension
- Dismissal from the College

²⁸Student Advocate (<https://campus.collegeforcreativestudies.edu/policy/student-advocate/>)

Second Offense

- Second offense sanctions may be but are not limited to:
- Academic probation

4.9.9 Process of Record Keeping

If the work is determined or acknowledged by the student to be in violation, a letter will be placed in the student's file in the Registrar's Office.

4.9.10 Student Rights and Responsibilities

A student accused of an academic integrity violation is entitled to:

- Review the evidence prior to the academic hearing.
- Offer an explanation as to what occurred and present any supporting material.
- Determine the validity of the charge without reference to any past record of misconduct.
- Have the Student Ombudsman present in the hearing to ensure a fair process is granted (optional).

4.9.11 Appeals

Students have the right to appeal the results of an academic hearing. Appeals must be initiated in writing either via email or in hardcopy to the Office of Academic Affairs within seven business days following the findings of the academic hearing and imposition of a sanction.

The appeal will be submitted to the Committee on Academic Performance who will review it and render a final decision or conduct an appeal hearing before reaching a final decision. If the Committee is unable to meet in a timely manner, the appropriate Dean or the Provost may serve as the Hearing Officer. The appeal decision will be communicated to the student in written form and documentation will be placed in their file. The ruling of Committee on Academic Performance (or the Provost or appropriate Dean, as applicable) is final.

4.10 Code of Student Conduct

The Code of Student Conduct is in place to ensure students are aware of the behavior expected of them as members of the CCS community. The purpose of this Code is to create an environment that fosters civility, personal responsibility, and mutual respect of others and their differences.

4.11 Family Educational Rights And Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records. (An "eligible student" under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution at any age.) These rights include:

4.11. FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA) 177

1. The right to inspect and review the student's education records within 45 days after the day the College for Creative Studies (CCS) receives a request for access. A student should submit to the Registrar, a written request that identifies the record(s) the student wishes to inspect. The Registrar will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
2. The right to request the amendment of the student's education records that the student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.
A student who wishes to ask CCS to amend a record should write the Registrar, clearly identifying the part of the record the student wants changed and specify why it should be changed.
If CCS decides not to amend the record as requested, the Registrar will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to provide written consent before CCS discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

FERPA permits the disclosure of PII from students' education records, without consent of the student, if the disclosure meets certain conditions found in § 99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, § 99.32 of FERPA regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures. A postsecondary institution may disclose PII from the education records without obtaining prior written consent of the student —

- To other school officials, including faculty, within CCS whom the College has determined to have legitimate educational interests. This includes Board of Trustees, a student serving on an official committee, contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in § 99.31(a)(1)(i)(B)(1) – (a)(1)(i)(B)(3) are met. (§ 99.31(a)(1))
- To officials of another school where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of § 99.34. (§ 99.31(a)(2))

- To authorized representatives of the U. S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as a State postsecondary authority that is responsible for supervising the university's State-supported education programs. Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§ 99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§ 99.31(a)(4))
- To organizations conducting studies for, or on behalf of, the school, in order to:
 - develop, validate, or administer predictive tests;
 - administer student aid programs;
 - improve instruction. (§ 99.31(a)(6))
- To accrediting organizations to carry out their accrediting functions. (§ 99.31(a)(7))
- To comply with a judicial order or lawfully issued subpoena. (§ 99.31(a)(9))
- To appropriate officials in connection with a health or safety emergency, subject to § 99.36. (§ 99.31(a)(10))
- To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense, subject to the requirements of § 99.39. The disclosure may only include the final results of the disciplinary proceeding with respect to that alleged crime or offense, regardless of the finding. (§ 99.31(a)(13))
- Information the school has designated as “directory information” under § 99.37. (§ 99.31(a)(11)). CCS defines the following as “directory information:”
 - Name
 - Dates of Attendance
 - Graduation Date

Family Policy Compliance Office
400 Maryland Avenue, SW
U.S. Department of Education
Washington, DC 20202

4.11.1 Information For Dual Enrolled High School Students

A student attending a postsecondary institution – at any age – the rights under FERPA have transferred to the student. However, in a situation where a student is enrolled in both a high school and a postsecondary institution, the two schools may exchange information on that student. If the student is under 18, the parents still retain the rights under FERPA at the high school and may inspect and review any records sent by the postsecondary institution to the high school.

4.11.2 Student Information Release Authorization

To release PII to a parent, another individual, or organization, the Student Information Release Authorization must be completed and signed. This form is available in the Academic Advising and Registration Office (AARO).

4.11.3 Request To Withhold Release Of Directory Information

To request to withhold the release of directory information, the Request to Withhold Release of Directory Information must be completed and signed. This form is available in the Academic Advising and Registration Office (AARO).

4.12 Intellectual Property Rights

4.12.1 Policy Goals

The College for Creative Studies (“the College” or “CCS”) is committed to nurturing students’ creative and intellectual abilities. This is best done in an environment that encourages exploration and experimentation and in which artistic and academic freedom are respected and protected. As artists, designers, writers, and scholars, the College’s faculty and students continually produce creative works in the course of their academic activities. These works constitute Intellectual Property (“IP”). It is important that the rights to ownership and use of this Intellectual Property are understood by all members of the CCS community and by those members of the public who support their work.

This policy explains those rights. It proceeds from the basic principles that the College's primary responsibility is the education of its students and not the commercialization of their work, and that creators should in general retain intellectual property rights in their works subject to reasonable use rights held by various members of the CCS community. The policy is intended to promote innovation and excellence in educational and artistic pursuits, to encourage the best educational experiences for students, to allow faculty and students to reap the benefits of their own creativity, and to enable the College to celebrate the work of its faculty and students in order to promote the College to its varied constituencies.

4.12.2 Policy Overview

This policy covers work created at or in connection with CCS and sets forth the intellectual property rights of faculty, students, staff, and CCS in that work. It describes the categories of works subject to the policy and specifies the ownership and usage rights for each of those categories. This policy also describes when and how the ownership and usage rights applying to a particular work may be changed, typically by mutual agreement of the relevant parties.

4.12.3 Categories Of Works

Several categories of Works that may be subject to Intellectual Property Rights are covered by this policy. "Works" refers to all designs, works of authorship, works of art, literary works, writings, student theses, inventions, software, discoveries, and other work products that may be subject to Intellectual Property Rights. The categories include the following:

- "Scholarly and Artistic Works"—Works created by faculty or students in the scope of their respective employment or student status at the College, including instructional materials produced by faculty for use in the course of classroom and studio activities, Works of art or scholarship produced by faculty or students in the course of classroom and studio activities, and other Works created using more than a minimal amount of CCS facilities or equipment. Should a faculty member choose to leave the College, CCS retains the right to use course materials for two subsequent semesters after their departure.
- "Sponsored Works"—Works created by faculty or students with the sponsorship or special support of a Sponsor pursuant to a written sponsorship agreement.
- "Commissioned Works"—Works created by faculty or students at the specific request of CCS and not in the course of their individual scholarly, academic, and artistic pursuits, including materials created for use in or as CCS publications and promotional materials, logos, graphic or other

designs, commemorative items, and the like. Course description and architecture of syllabi (for example: weekly schedule, assignments, outcomes) are owned by CCS. If CCS commissions for curriculum development, the College owns the course and content within.

- “Administrative Works”—Works created by employees in the course and scope of their employment other than Scholarly and Artistic Works, Sponsored Works, and Commissioned Works, including evaluations of student work, correspondence and memos, materials prepared in connection with work on CCS committees, materials created for use in CCS bulletins, brochures, and catalogs, and the like; and Works created by staff (including student employees) in the course and scope of their employment. Teaching material content (for example: classroom content, pedagogical content generated by the instructor – i.e. lectures, PowerPoints, videos) is the property of the instructor.
- “Non-Covered Works”—Works created by faculty, staff, or students outside the scope of their employment or student status at the College using minimal or no CCS facilities or equipment, without the sponsorship or support of a Sponsor, and not created at the request of CCS.

4.12.4 General Rules On Intellectual Property Ownership And Usage

The following explains who owns the intellectual property rights in the Works described above:

- Faculty own the IP Rights in their own Scholarly and Artistic Works.
- Students own the IP Rights in their own Scholarly and Artistic Works. However, in a case where the College provides resources in the development of a Work that go beyond what the College typically provides to students in their daily academic activities, the College may share in the ownership of the IP Rights in that Work.
- Ownership of IP Rights in Sponsored Works is determined by a written agreement between the College and the Sponsor. Sponsored Projects are accepted in CCS classes only when they provide educational value and are approved by the course instructor and department chair. In cases where the College agrees to transfer to or share with a Sponsor the ownership of the IP Rights in a Sponsored Work or Works produced by students, the College will inform students of this agreement prior to the commencement of the Sponsored Project and will obtain their informed consent to the terms of the agreement. If a student is unwilling to relinquish his/her IP Rights, the College will find an equivalent class in which the student can enroll. Students should never be coerced into taking a class with a Sponsored Project or relinquishing their IP Rights. Regardless of who owns

the IP Rights in Sponsored Works, students must be permitted to include the Work products in their portfolios for purposes of self-promotion, subject to certain limitations in Sponsorship agreements, such as removing company logos.

- CCS owns all Intellectual Property Rights in all Commissioned Works and all Administrative Works.
- CCS does not claim any ownership or use rights in Non-Covered Works.

4.12.5 Use Rights

Although the IP Rights in a Work may be owned by an individual, a Sponsor, or the College under this policy, others may have the right to make use of that Work or the IP rights to it. These rights are called “Use Rights” and are as follows:

- Faculty and Students have the right to make, distribute, display, perform, and otherwise use reproductions of, and make derivative works based on, their own Works for noncommercial educational and scholarly purposes, as examples of their own work, and for purposes of exhibition.
- Faculty also have the right to make photographic or similar representational reproductions of their students’ Works; and to distribute, display, perform, and otherwise use those reproductions for noncommercial educational and scholarly purposes and as examples of their students’ work.
- CCS has the right to make, distribute, display, perform, and otherwise use photographic or similar representational reproductions of faculty and student Works for noncommercial purposes of education, scholarship, exhibition, accreditation, development, alumni relations, promotion, and the like; as examples of faculty and student work; and for inclusion in CCS’s permanent collection and archives.
- A Sponsor has the right to make, distribute, display, perform, and otherwise use reproductions of, and make derivative works based on, Works for commercial and non-commercial purposes pursuant to the terms of a written sponsorship agreement.

4.12.6 Modification Of The General Rules With Respect To Particular Works

It is anticipated that members of the CCS community may on occasion wish to modify the General Rules of this Policy with respect to specific Works, particularly in cases involving Sponsored Works. Such modification is allowed if all of the parties having an ownership interest in the Work under the applicable General Rules agree in writing to the desired modification. The burden of seeking and obtaining such written agreement is on the party seeking the modification.

If all of the parties having rights in the Work under the applicable General Rules are unable to reach a written agreement, then the allocation of ownership and usage rights in the Work provided by the relevant General Rule will remain in effect.

4.12.7 Patent Policy

In a case where the College shares in the ownership of the IP Rights in a student's Work, the College may, from time to time, at its own initiative or upon request, elect to pursue the registration of a patent on the Work in one or more jurisdictions, and shall do so entirely at CCS's cost; no creators of a Work shall be charged or assessed any fees or cost in connection with that registration. In furtherance of this policy, the creator(s) of the Work may be required to execute formal paperwork relating to the registration process, and CCS shall be responsible for the costs associated with execution. CCS will share with the creator(s) of the Work any monetary proceeds that are derived from the patented Work, according to an agreement that the College will reach with the creators, prior to filing the patent application. Any third parties interested in licensing a Work for commercialization should consult the Senior Director for Corporate Relations in the Office of Institutional Advancement.

4.12.8 Procedures

This policy will be administered by the Academic Affairs Office. The Academic Deans will establish procedures to be adopted by CCS to ensure compliance with this policy, including a procedure for considering in a timely manner any questions, objections, complaints, or other challenges arising from or relating to this policy. We welcome any questions or concerns that you may have concerning this policy or its application.

This policy is complete and effective as of the date set out above, and may be amended from time to time in consultation with the faculty and with the approval of the President and Board of Trustees. This policy and all amendments thereto will be published on and made available through the CCS Policy Database²⁹. Amendments will be effective as of their date of publication.

Chapter 5

Student Support Services

5.1 Goals

CCS strives to engage students in an active learning environment that challenges them to grow as artists and designers while providing the support network for them to succeed. The programs and services offered through various student support offices and programs are intended to help students develop into successful and civically engaged artists and designers. Student success and persistence to graduation are the overarching goals for these offices.

5.2 Academic Advising and Registration Office

5.2.1 General Statement

CCS believes that academic advising is an essential part of the educational process. The advising program is intended to make advising consistent across all departments and to assure that the academic needs and progress of each student are carefully supervised so that each may achieve his or her full educational and professional potential.

The Academic Advising and Registration Office coordinates all advising activities. Trained advisors advise students, conduct academic evaluations, and assist students through the registration process.

5.3 Academic Evaluation

Students should review their academic evaluation at the end of each semester. A copy of the academic evaluation may be obtained through WebAdvisor or the Academic Advising and Registration Office. The academic evaluation identifies academic progress made toward a degree. Courses are identified by alpha letters indicating progress:

- “C” next to a course indicates course completion
- “I” indicates a course in progress
- “N” is a course not started
- “P” is a course pending completion of unfinished activity

5.3.1 Other Courses

In the academic evaluation there is an “other courses” section at the end of the evaluation. Courses that are not applying to the student’s major will default into this area. These courses normally default into this area if a student has changed their major and the old course is not applicable to the new major. Students can speak with their department chair about having these courses applied to their current program. Students will also see courses that they’ve withdrawn from or failed into this section. These courses are not applying to the students current degree program.

Academic advisors routinely review academic evaluations to ensure progress is being made. Students with questions should contact the Academic Advising and Registration Office.

5.4 Mentor Program

All full-time faculty are required to serve as mentors to students. The responsibility of mentors is to provide curriculum and career guidance, discuss the student’s experience at CCS and their progress in the department, and discuss trends in the industry or field for which the student is preparing. Each student in the department is assigned a faculty mentor for their freshman year and the first-semester of their sophomore year. The assigned faculty mentor is expected to meet with their mentees twice in the first semester of the freshman year and then at least once in the second semester of the freshman year and first semester of the sophomore year. Mentoring sessions can be one-on-one or in groups. Beginning with the second semester sophomore year, students may select a mentor for whom they feel an affinity, as mutually agreed upon by the student and the faculty member. This mentor need not be a faculty member in the student’s major department.

Mentoring activities vary from one department to another. Specific information concerning departmental activities can be obtained from the department chairperson or department administrator. Students are welcome to visit the Academic Advising and Registration Office to find answers to general questions regarding the mentor program.

5.4.1 Center for Tutoring and Writing

The Center for Tutoring and Writing (CTW) provides academic support for all students. It is staffed by full-time higher education professionals as well as

departmental tutors who are Juniors or Seniors in their major. CTW services include one-on-one tutorial assistance tailored to each individual's learning style and academic needs.

CTW services are free to all students and offer the possibility to boost classroom performance, develop better learning strategies, and hone study, writing and time management skills. Workshops highlighting these types of topics are conducted throughout each semester at lunchtime. As an alternate computer lab, students have access to software specific to their majors in the CTW. Writing assistance is also available for any type of assignment, including research papers, essays, artist's statements, and resumes. International students can receive assistance specific to their needs as English Language learners.

Students come to the CTW on a voluntary basis, but may be encouraged by faculty to utilize this resource. If a student is struggling in the classroom for any one of a multitude of reasons including absenteeism, missing assignments, poor academic performance or social issues, faculty can contact the CTW with questions as well as refer the student directly. You may use the form available on Blackboard in the Content Collection under Center for Tutoring and Writing or just email or phone to discuss. CTW personnel work closely with faculty, Academic Advising & Registration staff and other Student Affairs departments to build a network of support for students challenged by their workload. Communication between these various parties aids significantly in students' success.

In addition, if you are allowing a student to make up a test, the CTW can work with you to provide time for that student to come and take the test in the CTW.

5.5 Students with Disabilities

The transition to college can be very confusing and it helps to take advantage of all the resources available to you. If you have a disability, it may be in your best interest to communicate this.

All students are encouraged to disclose disabilities that they feel may affect their academic success. We want you to succeed, and our ability to offer you the best education is made possible if you are receiving the appropriate assistance.

The Americans with Disabilities Act in conjunction with section 504 of the Rehabilitation Act are Federal laws that protect people with disabilities, both life-long as well as short-term disabilities.

Students identified as having any type of disability are entitled and encouraged to request accommodations. Requesting Accommodations As the student you will need to:

Contact the Dean of Students, Dan Long at 313.664.7675 or Email to discuss.

Students requesting accommodations must provide documentation substantiating their disability. This documentation may be either through the Disability Verification Form or by providing a letter from a treating doctor or mental health profession that includes the information outlined by the Disability Verification Form . It is important that whichever form of documentation you

provide to the College include recommended accommodations that are related to the symptoms of your disability.

5.5.1 CCS will then:

- Review your request for accommodations with you
Take appropriate measures to provide approved accommodations
- Information disclosed to CCS regarding disabilities will not be shared with anyone except CCS staff who will assist in meeting your accommodation needs. You will be notified prior to the sharing of any information regarding your disability.
- You are encouraged to self-disclose your disability if you feel it will affect your academic performance. This should be done before the start of each term. You may choose to disclose at anytime during the semester but remember – retroactive accommodations cannot be made after an assignment is due or an exam has been taken. Disabilities accommodations are not meant to guarantee academic success at the College but are meant to provide equal access to educational opportunities to all individuals regardless of disabilities.

5.6 Student Concerns Committee

The Student Concerns Committee (SCC) is an avenue for early communication for faculty and staff to raise concerns about College for Creative Studies students in a confidential environment. The information shared during the course of the SCC meetings is considered sensitive and is used as one tool to determine if, when, and how further intervention will take place with a student. This committee is an information gathering body that is used to help maintain a safe and caring environment for all community members.

A cross section of personnel from the College serves on the committee to gather the broadest picture possible of a student of concern. At a minimum, representatives from Student Affairs, Campus Safety, Academic Advising and Registration, Financial Aid, Personal Counseling, Residence Life, and Academic Affairs will participate in the SCC meetings with additional staff being invited as seen fit. The members of the SCC are encouraged to share information both personally collected and those concerns reported to them by other CCS personnel.

Some examples of concerns would be unusually withdrawn behavior, a dramatic change in mood, the student expressing loneliness or depression, or a recent and significant decrease in academic performance. Please keep in mind that the Student Concerns Committee is not an emergency response team. If an emergency arises please call Campus Safety. Information reported to the committee is considered highly sensitive and will be shared only with those

individuals at CCS who would be responding to the situation. To make a referral to the SCC, you can email either the Dean of Students or the Director of Wellness & Counseling Services

5.7 Student Affairs

The Office of Student Affairs is overseen by the Dean of Students and includes Student Life, Residence Life, the Wellness Center, and Multicultural Affairs. The purpose of Student Affairs is to enhance the CCS educational environment through co-curricular programming and initiatives to engage the student body in learning and growth outside of the classroom.

5.7.1 Student Life

The Director of Student Life is responsible for new student orientation, CCS Experience, student activities, student organization oversight, Student Government, commencement ceremonies, and the Student Ombudsman function.

5.7.2 Residence Life

CCS offers students the option to live on campus in the Taubman Center and on the Ford Campus in the Art Centre Building. Approximately 480 students live on campus each year in the two buildings. The Director of Residence Life and the Residence Life Coordinator oversee the operation and management of the residence life program and 18 student staff members work as Resident Assistants in the buildings. The Residence Life staff works to maintain a safe and welcoming environment in the residence halls. Staff are trained in educational programming, crisis response, conflict mediation, and similar skills to enable them to help students make the most out of their learning environment. Students must abide by both the CCS Code of Conduct as well as the CCS Housing Policies and Regulations in addition to being full-time students to live on campus.

5.7.3 Counseling and Wellness Center

The Wellness Center offers free personal counseling to all registered CCS students, wellness seminars, yoga classes, and access to a nurse practitioner for basic medical care.

5.8 Admissions

The Admissions Office is responsible for recruiting new students through various activities such as: high school visits, campus visits, campus events, college fairs, National Portfolio Days, international recruitment fairs, direct mail, email and telephone campaigns. In addition to the full-time staff, a team of Admissions

Student Ambassadors assists with telecounseling, campus tours, and various Admissions events.

Department chairs and faculty play an important role in the student recruitment process. Chairs and faculty may be asked to participate in a variety of activities including, but not limited to: National Portfolio days, information sessions, high school visits, college fairs, portfolio reviews and the placement of transfer credit, and phone calls to inquirers, applicants and accepted students on a case by case basis.

In addition to the activities above, Chairs may be asked to participate in annual features and benefits meetings, art educators breakfasts, workshops for prospective students, and other events.

5.9 Financial Aid

The Financial Aid Office is responsible for administering all federal, state, institutional and private sources of financial assistance. This includes:

- Counseling current and prospective students on the availability and terms of aid programs and assisting them in calculating their yearly out of pocket expense
- Determining eligibility for need-based programs based on the results of the Free Application for Federal Student Aid (FAFSA)
- Applying scholarships awarded by CCS through the admissions process, competitions, sponsored projects in the classroom, and from third party donors
- Processing student loan funds available through government and private sources and providing counseling regarding the rights and responsibilities of borrowers
- Recalculating aid amounts based on changes to enrollment level, such as half-time or less than half-time enrollment
- Coordinating the work-study/student employee program

Faculty are encouraged to direct students to the Financial Aid Office when they express financial concerns, or to contact the office directly if they feel the situation is of special concern that may recommend the student for additional assistance.

Some specific circumstances for which students should be directed to the Financial Aid Office are:

- If they are considering dropping classes or doing a complete withdrawal
- They will be enrolled less than half-time

- They are experiencing financial difficulties and/or there has been a change in the family's financial circumstances
- They need advice on applying for loans to supplement their financial aid package

5.10 International Student Services

The International Student Services Office (ISSO) is staffed by the Director, an Academic Advisor, and a part-time Coordinator. The ISSO is responsible for academic advising for undergraduate international students and all graduate student international exchange partnerships and student advising, as well as advising for all F-1 Visa and J-1 Visa International Students. The ISSO maintains (SEVI) Student and Exchange Visitor records and SEVP certification for the College and its students and offers programming.

On-campus programming includes orientation sessions for new international students, International Education Week activities; Student Ambassador Program, Curricular Practical Training (CPT) and Optional Practical Training (OPT) information sessions; and other meetings/training for students when necessary.

The ISSO maintains and grows international partnerships with CCS including advising study abroad outgoing and incoming students. The office also assists with Faculty-Led Global Programs and the student Global Club.

The ISSO maintains the College's international travel registry, as well as several related policies including Protecting CCS Students Abroad and the International High Risk Destination Travel Policy¹.

The ISSO is responsible for reviewing international student satisfaction surveys and developing strategies to address the needs revealed by those surveys as well as providing ongoing support services.

Please find all policies for International Services and Study Abroad on the following pages:

- International Student Services²
- Study Abroad³

5.11 Off-campus Study

CCS is a member of the Association of Independent Colleges of Art and Design (AICAD). AICAD operates two programs that offer the benefits of study at

¹International High Risk Destination Travel Policy (

³Study Abroad (
<https://campus.collegeforcreativestudies.edu/intl-student-services/study-abroad/>)

other institutions and locales to CCS students. In addition, CCS offers a variety of opportunities to study abroad.

5.11.1 Study Abroad

To be eligible for all study abroad opportunities, students must have a cumulative GPA of 3.0 and written permission from the department chair. Study for an academic semester or year abroad requires that a student be a junior or in the first semester of the senior year. Graduate students should meet with their chair to determine the best semester to participate in a study abroad opportunity. Participation in one of the summer, faculty-led programs is open to all students, regardless of year. Study abroad during the final semester at CCS is not permitted. For more information, please see the **Study Abroad Blackboard Page**⁴.

Students must meet with the Director of International Student Services and their department chair no later than **March 1 for fall** or **October 1 for winter**.

Students must:

1. Complete the **Study Abroad Approval Form and Packet** and submit to the International Student Services Office (ISSO)
2. Comply with the **CCS International Travel Policy requirements**
3. Attend a **Pre-departure Informational Meeting** with the ISSO

All forms are available from the office of International Student Services. The ISSO is located on the 2nd Floor of the Yamasaki Building.

Academic Resources and Related Programs

6.1 Assessment Program

The College engages in assessment of student learning to evaluate outcomes that demonstrate the effectiveness of the curriculum in meeting the educational goals and objectives of the undergraduate and graduate programs and to foster continuous improvement of the curriculum. Assessment initiatives are coordinated and administered via the office of Academic Affairs under the direction of the Associate Provost.

The Assessment Committee of the Faculty Assembly consists of faculty members across all majors who serve a three-year term and support the College's engagement in assessment initiatives. The Associate Provost of the College is an ex officio member of the Assessment Committee, and also works closely with the Deans and Department Chairs, who are responsible for the implementation of assessment initiatives, evaluation of departmental student learning outcomes, and continuous improvement of the curriculum within their respective majors.

6.2 Library

The CCS Library, housed in the Manoogian Visual Resource Center on the Ford campus, serves both undergraduate and graduate programs. The Library contains over 70,000 print volumes, 238 print periodicals, 4,690 video/DVDs, and an extensive material sample collection. Approximately 90 percent of the Library's holdings are related to art and design.

The online Library catalog, accessible through the Library website¹, allows students to review their check-outs, renew materials, and place holds on materials. The Library provides access to wi-fi and computer workstations for

¹Library (<https://lib.collegeforcreativestudies.edu/>)

students, faculty, and staff. The Library provides access to over 100 databases with curated database lists available for each academic department. Remote access to all electronic resources is available through e-z proxy via the College's portal. Interlibrary loan services are available for resource needs that extend beyond local holdings. In addition, currently registered students have borrowing privileges at Detroit Public Library, Wayne State University libraries, and a number of other academic Detroit area institutions.

Reference services are available to provide support to students on an individual basis. Library instruction sessions are offered to classes to provide tailored information literacy and research assignment support. Classes are offered in the Library lab on the Ford campus or via in-class instruction. The Library website includes links to worksheets and resource guides on numerous topics including writing, research, citation, and academic integrity.

6.2.1 Director

The Library Director oversees all library operations, collections, and technology. The director works with the faculty, students and staff to develop library collections and services. The Director is an ex-officio member of the Library Committee of Faculty Assembly that works to establish library policies and to communicate those policies to the CCS community. The director provides for research assistance and instruction to students, faculty and staff.

6.2.2 Library Hours

Library hours are available on the Library website².

You must show a current CCS ID in order to check out library materials; in order to have library privileges, adjuncts must be currently teaching at CCS. In addition, adjunct faculty must leave a current e-mail address and/or telephone number with library staff. Click the following link to access the CCS library's

²Library website (<https://libguides.collegeforcreativestudies.edu/home>)

online catalog³; access is also available through Blackboard⁴. From the catalog's main menu, you can access your patron record to see what books you have checked out, what their due dates are, and if you have overdue books; faculty can also request online that items be placed on course reserve.

Faculty are strongly encouraged to contact the library prior to the start of the semester in order to ensure the library has the materials you need for class, whether textbooks, books, or movies. If you are going to show a movie in class or want to ensure that books and/or movies are available to all students throughout the semester, please contact the library to request the material(s) be placed on course reserve. These items will then be available to students in four hour periods for use solely in the library.

If you wish to make recommendations for materials not currently owned by the Library, please email ccslibrary@collegeforcreativestudies.edu or fill out the Suggest a (Library) Purchase form. All lost or unreturned items will be charged the replacement cost plus a \$30.00 processing fee.

Resources Available

The library provides instructional sessions that can either be tailored to a specific class assignment or, more generally, focus on how to use the library's resources, particularly the electronic databases. Sessions are typically held in the library's computer lab (I-004) in the basement of the building and must be scheduled in advance to ensure that librarians are available and equipped to help with specific assignments.

Digital images are provided via Luna⁵, a digital tool for teaching and research that allows users to create presentations within the software. Students and faculty are both strongly encouraged to use Luna for high quality images with detailed information; however, students are not able to download full-size images (although they can create flashcards with thumbnail images). After signing an agreement stating that the images will be used solely for pedagogical purposes, faculty are able to download individual images or entire presentations into PowerPoint.

Faculty have borrowing privileges with Wayne State University via the InfoPass system⁶; please come to the CCS library to obtain the form from a staff member before going to Wayne's libraries. After receiving the form from CCS, present both your CCS ID and the form at Wayne's libraries in order to borrow materials.

The library is equipped with seven Macs and eight PCs; only staff, faculty, and registered CCS students may use the computers. The library subscribes to numerous databases that can be found via Blackboard; the majority of these databases can be accessed from any location, on campus and off, although a couple require using a computer physically connected to the CCS internet network.

6.2.5 Digital Image Collections Using Luna Software

Growing inquiry concerning the development of additional CCS in-house digital image collections using Luna software has led the Library's Visual Resources team to develop new policies in this regard. Starting in 2004, teaching and research has been our mission; however, we have recently added collections that are administrative and archival in nature with the Select Student Work Repository and Student Work Archive. Because the Visual Resources staff is small, the development of new stand-alone CCS focused collections must be a collaborative effort. This document provides an explanation for that process.

The Visual Resources policy of honoring student and faculty requests for the teaching and research collection, as well as the development of smaller topic-specific media groups as a subset, remains unchanged. In fact, it is our highest priority. As such, Visual Resources is unable to consider developing personal, as opposed to departmental, digital image collections. All collections must directly benefit the college. Slide and photo negatives are currently outside of our scope because of time and equipment constraints. The consideration of new digital image collections that are historical in nature will be referred to the Library Archivist or Library Director for review.

Visual Resources Commitment Statement

The CCS Library's Visual Resources team recognizes the importance of managing digital material for the purpose of teaching, scholarship, review, and publication. There is a growing need to safeguard, organize, and enable easy, centralized access of digital material specific to a wide range of uses on campus, including academic and administrative departmental functions. For parties who approach Visual Resources for help establishing and building a collection, we commit to the following:

- Make the digital preservation process understandable: explain common terminology, identify standards and best practices, help create specification guidelines for collection building, and list resources that will further inform on the benefits of the digitization process
- Assist in identifying scope, purpose, function, and patron base for the digital collection discussed
- Recommend appropriate strategies that result in the best long-term solutions pertaining to the specific character of the digital collection under consideration including: recommending the most logical storage and retrieval system, choosing the right metadata scheme, etc.
- Depending on the amount of work hours required to manage the proposed digital collection, offer the use of the Luna software system and server, as well as function as Digital Asset Managers as described under "Roles and Responsibilities"

Roles and Responsibilities in Digital Collection Building

This section describes key stakeholders and their respective roles in the digital preservation and collection-building process in general terms. It is acknowledged that the stakeholders' roles and responsibilities can overlap, depending on the project's size and scope. However, if the digital collection development process is to go forward in partnership with Visual Resources, the following stakeholders listed below must be clearly identified and in agreement with said role. For image collections external to the library, the Visual Resources team will fulfill the role of Digital Asset Managers, with the partnering department(s) filling the roles of Content Specialist, Project Coordinator, and Metadata and Imaging Work Group; the role of Information Technology Administrator is already discharged by the Information Technology Department. Visual Resources shall provide initial guidance for external collections in the form of identifying appropriate strategies and supplying documentation for the technical specifications to guide the Content Specialist, Project Coordinator, and the Metadata and Imaging Work Group. Visual Resources must be informed of the identified partners:

Content Specialist(s) – determines the nature and extent of the collection, selects material for inclusion, defines purpose, function, scope and goals of proposed collection

Project Coordinator – meets with all parties involved to ensure that standards and best practices are followed, maintains a production schedule, coordinates communication, understands rights-based constraints and intellectual property rights pertaining to specific digital material being processed, collaborates with Digital Asset Manager(s) to design appropriate template and specifications for Work Group to follow

Metadata and Imaging Work Group – individuals responsible for creating metadata and making sure digital images meet specified standards for upload into the system

Digital Asset Manager(s) (established: Visual Resources) – creates template and header in Luna for collection, administrates settings and access levels for end users, uploads metadata and digital material, aids in the definition of standards for best practices, helps Project Coordinator educate and train all involved in metadata creation and image format requirements in order to meet designated collection outcomes, advises according to best practices on issues pertaining to intellectual property rights as they relate to the field of digitization at large

Information Technology Administrator (established: IT) – maintains server, monitors server space, offers technical advice as needed, ensures that campus network incorporates Luna software functions to its fullest capacity, initiates software upgrade process as revisions become available

Library Director (established) — monitors potential challenges in the partnership process, including the increasing volume of digital material to be maintained, Visual Resources staff limitations, the need to update Visual Resources staff expertise as technologies evolve, administrative complexities in ensuring cost-effective and timely action

College for Creative Studies Administration – commits to supporting an environment in which digital preservation is regarded as a critically necessary endeavor. This support includes providing adequate managerial and financial commitment to develop a digital preservation program

Introduction

After understanding the Visual Resources Policy for the Formation of New Digital Image Collections, interested CCS departments may proceed through the following steps. Please note that Visual Resources is unable to consider developing personal digital image collections that fall outside of the college's overriding mission. The consideration of new digital image collections that are historical in nature will be referred to the Library Archivist or Library Director for review.

Process

- Meet with the Library Director and Visual Resources team in order to determine scope, purpose, function, and patron base of proposed image collection, recognizing that Luna software may not be the best option for storage, organization, and retrieval, at the time. Permission limitations

and access levels will be discussed. See also the “Visual Resources Commitment Statement” in the Policy for the Formation of New Digital Image Collections.

- If the use of Luna software and an arrangement with Visual Resources is agreed upon, determine a desirable metadata scheme allowing for cataloging in Excel or Open Office, image specifications and formatting, naming conventions, and a clearly written guide that spells out expectations for your Metadata and Imaging Work Group. The Visual Resources team will steer you through the process and provide examples used by other digital collections.
- Identify the project participants: Content Specialist, Project Coordinator, and Metadata and Imaging Work Group members. Provide their names, and contact information, to the Visual Resources team. If the collection is small, it is acceptable for individuals to function in more than one role.
- Determine a timeline, deadlines, and meeting dates with the Visual Resources team. Material will not be uploaded into Luna unless agreed upon specifications are met.

6.3 Academic Facilities

Academic Facilities currently includes the Metalshop & Foundry, Model shop & Digital Fabrication Lab (CNC/rapid prototyping, and laser cutting), and the Wood shop. These are a group of individually budgeted & managed shops or departments that operate under the Academic Facilities umbrella. The Director reports to the Provost of the College. There is a lateral reporting structure for the technical staff for the departments of Craft and Foundation.

Academic facilities maintain consistent open shop hours to facilitate the needs of the students, faculty, and staff. Hours are posted at the beginning of each semester and are aligned with the building hours posted by Campus Safety.

Currently the educational structure for students to be able to work in the shops is to complete the Foundation course – DFN 116 – 3D Design Techniques. Students who pass with a C (2.0) or better are allowed access to the shops during their tenure at the college. This provides for entry-level access and does not mean they can use every tool in the shop. Permission to use certain tools must be obtained from the Director or shop manager(s).

- The Digital Fabrication Lab, Foundry, Metalshop, Model shop, and Woodshop are not instructional facilities. All faculty are responsible for teaching their students how to utilize the tools and techniques they expect their students to use in the construction of finished projects.
- Faculty must notify the shop managers if they wish to instruct their classes in any of the shops at the beginning of each semester. An Academic Project Form¹² is required with a copy of the course syllabus, a complete timeline, and support materials. These forms are necessary for any class project that needs to utilize the shop and will help us to schedule and communicate more effectively. These documents need to be turned in to your Department Chair and to the appropriate Academic Facility Manager at the same time syllabi are due. The reason for this is three-fold;
 1. Timelines & appointments let the shop be better prepared for your class and identify potential overload. There are usually 12+ classes that are scheduled in the shops as a classroom and have priority.
 2. Identify potential training, supplies, equipment, staff & budget needs.
 3. Faculty Training. Because faculty understand how to use the shop equipment does not mean they are teaching consistent and proper safety techniques to students or know the limitations and requirements of our individual facilities.
- Classes that wish to be held in the classroom within the metalshop or woodshop for the entire semester need to be scheduled appropriately through Colleague.
- If faculty are not capable to teach the techniques needed to complete an assigned project the project should be modified to accommodate the skills of the instructor, or the instructor should give themselves ample time to learn the skills they wish to pass on to the student.
- Shop technicians and work-study are not necessarily qualified to teach faculty and students how to use equipment. Nor are they allowed to complete work for students or faculty during working hours.
- Mandatory Safety Orientation for each individual shop area is required for all faculty and staff of the college that would like to use the shops in

¹²Academic Project Form (<https://campus.collegeforcreativestudies.edu/policy/wp-content/uploads/sites/7/AF-ACADEMIC-PROJECT-FORM-2017.docx>)

their course curriculum or would just like to utilize the shops. There is at least one orientation session at the beginning of each semester. Contact the appropriate shop manager for scheduling.

- Forms are required for: Academic projects, Individual projects, & Independent student projects. Hold Harmless Waivers are required for any visiting artist or any one that is going to be in the shop working in any capacity that is not enrolled or in the college payroll system as they are not covered by any liability insurance.

Thank you in advance for your cooperation and we look forward to working with you!

6.3.1 Director of Academic Facilities

The Director of Academic Facilities is responsible for strengthening the infrastructure for teaching and learning in an interdisciplinary environment through the safe operation of the facilities. The Director of Academic Facilities provides direction for operations, equipment purchasing, training, growth and technology, and works with the Health and Safety Committee of Faculty Assembly to assure the safety of the facilities.

6.3.2 Hours and Access

Academic Facilities maintains consistent open shop hours to facilitate the needs of students, faculty and staff. Hours are posted at the beginning of each semester and are aligned with the building hours posted by Campus Safety.

6.3.3 Competency Training and Testing

In order for students to be able to work in the shops they must take DFN-116 3D Design Techniques. If students pass the course with a C / (2.0) or better they are allowed access to the shops during their tenure at the college.

Academic facilities are not instructional facilities. All faculty are responsible for instructing their students in the use of the tools and techniques in each individual shop that they expect their students to use in the completion of course work and finished projects.

Competency training is mandatory for faculty and staff who wish to use the shops.

6.3.4 Emergency Response

All Academic Facilities shop managers, staff and work-study technicians are certified in First Aid, CPR and AED. Campus Safety has implemented a step-by-step response plan for accidents, injuries and fire that may occur in the shops. The plan is posted in each area. Faculty should familiarize themselves with these procedures.

When anyone is injured, the supervisor at the shop must fill out an Accident/Injury Report Form at the CCS Security Office.

6.3.5 Hazardous Waste

Hazardous waste disposal is contracted out to a contractor licensed by the State of Michigan. Containers are provided for areas where hazardous waste has been identified. It is the departments' responsibility to inform the Facilities Office of hazardous waste located in areas other than the shops and labs.

6.3.6 Tools and Equipment

The Shops may at their discretion lend out tools and equipment by having the faculty, staff, or student fill out a form and leave their I.D. or drivers license. Certain materials are available for purchase in the shops and labs. The Bookstore stocks respirators and safety glasses for sale. Faculty and staff must require users of the shop to use the proper safety gear.

6.4 Galleries

6.4.1 Center Galleries

Center Galleries, located on the Ford Campus in the Manoogian Visual Resource Center, presents the work of faculty, alumni, and local and nationally prominent artists for the education and enjoyment of both the students and faculty of CCS and the community at large. The programs of Center Galleries are accessible to and encourage the participation of the widest possible audience consistent with its mission and resources.

Center Galleries is dedicated to exploring the relationship between culture and artistic practice, to fostering intellectual inquiry, and to creating multidisciplinary exhibitions and educational programming that enable diverse audiences to connect their experiences of art to everyday life. Center Galleries recognizes a special responsibility to support the academic and teaching missions of the College through close collaboration with academic departments on campus. Off campus, Center Galleries places special emphasis on serving the cultural needs of the people of southeastern Michigan, while simultaneously participating as an active member of the national art community.

Center Galleries also showcases the work of alumni, faculty and staff in its Alumni and Faculty Hall and the College's own art collection in the Permanent Collection Gallery. Additional programming by Center Galleries includes film, literary and performance events, benefits and artist receptions, and occasional special exhibitions throughout the campus. Center Galleries' educational programs are designed for the education and enjoyment of CCS students, and to help build audiences for contemporary art. Lectures, gallery talks with artists and curators, workshops, catalogues and other publications, and ongoing gallery

tours for art educators and their students introduce visitors to new artists, new work, and other issues and ideas about contemporary art practice.

6.4.2 Valade Family Gallery

The Valade Family Gallery is located on the first floor of the A. Alfred Taubman Center for Design Education. The Gallery offers 5500 square feet of event space available for internal and external use. The Assistant Provost oversees the Gallery, including scheduling events and managing floor supervisors. Ideas for exhibitions are generated by the Speakers and Exhibitions Committee and through outside proposals submitted to the Assistant Provost. The exhibition schedule is determined at the beginning of the academic year.

The Valade Family Gallery showcases the work of visiting artists, alumni, faculty, and staff. Additional programming of the Gallery includes special events, benefits, student exhibitions, and artist receptions. The space can accommodate up to 150 people and provides a flexible layout to accommodate all types of exhibitions and events.

6.4.3 U245 Gallery

The U245 Gallery is a student-managed space that offers CCS students the opportunity to showcase their creative achievements to the public. Located on the ground floor of the Art Centre Building, the gallery has easy access and good visibility from the campus.

The Chair of the Fine Arts department or his/her designee serves as Faculty Advisor for U245 Gallery. The Chair appoints the gallery manager. When necessary, Exhibit Services may support installation of work.

6.4.4 Knight Foundation Gallery

The Knight Foundation Gallery is located on the 11th floor of Taubman Center and is part of the Benson & Edith Ford Conference Center. It has 5,600 square feet of space designed for exhibition and other social events such as receptions, banquets, or seated presentations. This space can accommodate 200 guests for a sit-down dinner, 300 for a reception or 350 guests for theater-style seating.

6.5 Auditoria

6.5.1 Wendell W. Anderson, Jr. Auditorium

The Wendell W. Anderson, Jr. Auditorium is located on the ground floor of the Walter B. Ford II Building. This 250 person auditorium serves the entire college for internal events, classes and lectures as well as the college-sponsored events open to the public. It has two projectors and the capability for surround sound audio. The auditorium further provides the capability for HD projection, podium-based lectures, table lectures, or panel discussions.

The maintenance and technical support for the systems within the auditorium are provided by Audio Visual Services staff within Academic Technology. Reservations for the auditorium are made through the Executive Office. Since certain events will override class presentation reservations, be sure to check before committing a reservation to a class schedule.

6.5.2 General Motors Auditorium

The General Motors Auditorium is located on the 11th floor of the Taubman Center within the Benson & Edith Ford Conference Center. It has over 5,800 square feet of space and can accommodate a variety of configurations for any type of event. An ideal location for conferences, lectures, parties, luncheons and award ceremonies, the auditorium can accommodate 450 guests with theater-style seating and 360 guests at banquet rounds. Immediately outside the auditorium is the Knight Gallery which serves as a prefunction area for auditorium events and also a site for exhibits, meetings and other smaller events.

6.6 Lecture Series

6.6.1 Woodward Lecture Series

The Woodward Lecture Series is supported by an endowed fund to bring three visiting artists to campus each semester. Visitors may be selected from the areas of Fine Arts, Crafts, Photography, Illustration, Art History and Criticism, and History. The visitors are well established with national or international reputations. During each visit there is a public lecture and an opportunity for students to interact with the visitor in a classroom or studio setting. The Director of Center Galleries manages the series in consultation with the faculty Speakers and Exhibitions Committee.

6.6.2 Toyota Lecture Series

The Toyota Lecture Series in Design was established through a generous \$1 million endowment gift to the College for Creative Studies from Toyota Motor Company. The endowment is used to bring prominent designers and scholars in all fields of design to speak at CCS. There are between six and eight Toyota Lectures that occur throughout the academic year. The Executive Assistant to the Provost manages the Series, including scheduling guest lecturers and special workshops. Ideas for lecturers are generated by the Chairs and their Departments when requested by the Executive Assistant to the Provost in February. The Speakers and Exhibitions Committee then reviews submissions and approves six-eight with two alternatives. The lecture schedule is determined by April end for the next academic year.

6.7 Community Outreach

Located in the heart of a complex urban region and possessing unique resources of value to that region, CCS recognizes a responsibility to serve the community of which it is a part. Thus, its mission includes not only collegiate education in art and design but community education as well. The goals of its community outreach activities include:

- bringing the enrichment of art and design education to a wider population
- illuminating the satisfying career opportunities available in the art and design fields
- increasing the representation of minorities in the art and design professions
- promoting economic and community development in Detroit and South-eastern Michigan

Community outreach occurs in many ways at CCS, through the activities of individual faculty members, through the academic departments, and through special projects and programs. These offices play key roles in outreach and comprise the Community Arts Division: Center Galleries (described above), Pre-College and Continuing Studies and Community Arts Partnerships.

6.7.1 Precollege and Continuing Studies

The Precollege and Continuing Studies (PCS) program at CCS offers art and design courses for high school students; pre-college programs such as Precollege Summer Experience, Create + Connect; youth programs; adult courses; and Professional Automotive Modeling certificate programs; and professional development programs.

6.7.2 Community Arts Partnerships

Community Arts Partnerships program develops and maintains collaborations between the College and community organizations to bring educational experiences in art, design, and new technologies to underserved populations. The Director acts as a resource for faculty and programs within the College that seek to develop community partnerships.

6.8 Henry Ford Academy: School for Creative Studies

Henry Ford Academy: School for Creative Studies is a charter middle and high school (grades 6 – 12) founded and operated by CCS and the Henry Ford Learning Institute. It has a strong art and design focus combined with an academic curriculum keyed to the Michigan Common Core standards. Its purpose is to

give inner-city students the opportunity to pursue a path leading to an art and design college and ultimately to a career in the creative industries. It is located in the Taubman Center. CCS faculty and students, and particularly the Art Education department, play an active role at the school.

6.9 Detroit Creative Detroit

Design Core Detroit is an economic development organization within the College with the mission of developing Detroit into a global resource for creative talent. Design Core serves design-driven industries that specialize in design or utilize design as a central discipline of their business strategy. The steward of Detroit's UNESCO City of Design designation, Design Core is located on the first floor of the A. Alfred Taubman Center for Design Education. Design Core Detroit champions design-driven businesses and their role in strengthening Detroit's economy through its three main programs: Detroit Design Network, Detroit Month of Design, and Detroit City of Design. It offers services to strengthen, grow and attract design businesses, increases market demand for design services, and tells Detroit's design story locally and globally. More information can be found at designcore.org¹³.

6.10 Book and Art Supply Stores

The main College bookstore¹⁴ is located on the ground floor of the Taubman Center. It is open Monday through Saturday during the academic year. Throughout the summer months, it is open on a limited schedule. A smaller College bookstore is located on the Ford campus in the Yamasaki Building on the ground floor. It is open Monday through Friday during the academic year and limited hours during the summer. Textbooks and other supplies are stocked each semester based upon the faculty's needs. The bookstore sends out a request to all academic departments in May (for the following fall semester) and in October (for the following winter semester) for information regarding required texts. Based upon these requests, the bookstore will carry the necessary textbooks and supplies.

ITS_AVC CONTRACT²

7.1.2 Imaging Center

The Imaging Center (IC) provides a variety of print services to the CCS community. It is located on the 6th floor of the Taubman Center in room 631.

The IC's regular hours are Monday – Thursday from 8am to 10pm and Friday from 8am to 3pm. There are extended weekend hours during midterms and finals, which are posted on Blackboard and on the CCS information monitors.

The Imaging Center has two Canon production laser printers, which include basic copying & scanning services, two Epson wide-format printers, and two Epson sheet-feed inkjet printers. In addition, the IC also offers draft quality wide-format printing on an Epson plotter printer. On the Canon laser printer, the IC can print up to 13" x 19" and use 110 lb. card stock. The Imaging Center also provides various plastic coil and wire binding services. Students can provide their own laser paper to print at a low-cost rate; they must bring the

²ITS.AVC CONTRACT (https://campus.collegeforcreativestudies.edu/policy/wp-content/uploads/sites/7/ITS_AVC-CONTRACT.docx)

paper in its original packaging so that the IC has all of the accurate information on paper type.

Students must bring files to the IC that are print-ready and on a flash drive. The Imaging Center will accept files from staff and faculty through fillable online forms that can be found on the “Imaging Center” link within the “Campus Offices” page on the CCS Blackboard website. Services are available at a discounted price for staff and faculty. If color prints or posters are being charged to a department, an 8-digit budget code number is required in order for the job to be processed. The appropriate account number can be obtained from your Department Administrator.

When using the inkjet printers, we strongly encourage students to create test strips or hard proofs prior to submitting their final print job. These test strips are free. Students can also use a Soft Proofing station located in the 24-hour lab to preview their print job with our laser and inkjet color profiles on a calibrated monitor.

For faculty teaching a sponsored project course, or any other course that will require large-scale printing, please contact the Imaging Center within the first few weeks of the semester with information on what type and how much printing is needed to complete the project and any major due dates. In order to set up a student print budget, the Imaging Center will need a current class roster.

Black and white copying is available for faculty (self-serve) in the adjunct faculty office space located on the 2nd floor of the Kresge-Ford building, room C205.

For more information, click the “Imaging Center” link within the “Campus Offices” page on Blackboard. The Imaging Center can be also contacted at (313) 664-1507 or by emailing ic@collegeforcreativestudies.edu.

7.2 Business Services

The Business Office is located in the Yamasaki Building, main floor. Please make sure to have your CCS ID.

Business Services Training Manual³.

7.3 Information Technology Services

Information Technology Services (ITS) supports the College’s mission by implementing and maintaining academic, administrative, and enterprise (shared) infrastructure technologies and systems. These include the institution’s administrative and student information systems software, Colleague; the institutional communication portal, Canvas; the room scheduling system, R25; as

³Business Services Training Manual (<https://campus.collegeforcreativestudies.edu/policy/wp-content/uploads/sites/7/Business-Services-Training-Manual-01-14-19.pdf>)

well as managing the institutional technology help desk. ITS also manages the campus-wide network and Internet access, email, and voice and data services. ITS further oversees compliance with required governmental and contractual policies and protocols. Finally, ITS manages the College's physical and virtual computing resources including computer labs, virtual desktop infrastructure, and faculty and staff computers.

7.4 Facilities and Administrative Services

7.4.1 Buildings and Grounds

The Office of Facilities and Administrative Services is responsible for the maintenance and repair of the institution's buildings and grounds. Cleaning is performed on a daily basis. To avoid harming student or faculty work, classrooms and studios will only have trash removed. Faculty should communicate with Facilities if classrooms and studios are not being cleaned properly.

For most maintenance and repair, a Maintenance Service Request (MSR) should be completed and submitted to Facilities. MSR's are assigned a priority. Every effort is made to fulfill all MSR's in a timely manner. If the work has not been performed within two weeks, the Facilities staff will inform the department as to the status of the MSR. The department should call the Facilities department coordinator if there has been no communication regarding a submitted MSR within the indicated time.

The Facilities department also oversees major construction projects, and will coordinate these activities with the normal operations of CCS.

7.4.2 Mailroom

All CCS mail is processed through the mailroom. Incoming mail is picked up by Facilities staff in the morning from the post office, and all outgoing mail is picked up from CCS offices by 3:00 p.m. so it can be delivered to the post office by 4:30 p.m. Personal mail sent from CCS must have the proper postage affixed. Under no circumstances may CCS postage be used for personal mail.

7.5 Security

Campus Safety provides 24-hour security at both the Ford Campus and the Taubman Center. Three college administrative positions (Director, Assistant Director, Security Manager) are responsible for enforcing the security policies and procedures, as well as directing and overseeing security guard services. Other Security personnel are employed by a contract guard agency that provides fixed and mobile security patrols, patrol supervisors and shuttle drivers supervised by CCS personnel. Services provided by Campus Safety include safety patrols, escort service to parked vehicles on campus, auto lock out service, battery jump starts and tire inflation, and issuing and replacing access cards.

Participation in new student orientation as well as periodic specialized training on topics such as active shooter is provided in coordination with the Student Affairs Office.

Campus Safety also maintains fifty-eight First Aid stations located throughout the campuses that provide immediate accessible first aid supplies to injured persons. The department also has trained first medical responders located on each campus. If immediate medical attention or transportation is needed, Campus Safety will contact the contracted ambulance company which will provide transport to a local medical facility.

7.5.1 Everbridge

The emergency notification system, Everbridge, is maintained by the Security administrative staff to send out emergency notifications to all personnel enrolled in the program. In addition to electronic notification, the system has the capability to send emergency messages to computer labs and electronic information monitors on both campuses in case of a critical incident. To enroll, log on to Blackboard, locate the Quick Links menu on the left hand side, select Alert Notifications, and click on “SIGN-UP NOW” for Everbridge.

7.5.2 Security Procedures and Services

If you notice any suspicious or inappropriate activity, please notify the Security office (extension 7444, Ford Campus or extension 1444, Taubman Center) immediately, or push the red “assistance button” on one of the Emergency phones located around each campus and in the parking decks. When Campus Safety is notified of an incident, they will take the appropriate action to ensure your safety on campus.

In addition to the emergency phones and patrols, activity on campus and in the parking deck at CCS is monitored and digitally recorded by 250 closed circuit television cameras strategically placed on the campuses.

If you become a victim of a crime while on campus or in the vicinity of campus, call Security immediately or report to the Campus Safety office on the main level of the Kresge-Ford Building, across from the CCS bookstore or on the main floor of the Taubman Center. Campus Safety will provide immediate assistance and first aid if required. If additional assistance is needed, the shift supervisor will make the necessary notifications.

If at any time you would like an escort anywhere on campus, dial extension 7444 at the Ford Campus and 1444 at the Taubman Center and let the Campus Safety officer know your location. The on duty supervisor will send a Campus Safety officer to escort you to your indicated destination on campus.

A pamphlet on emergency procedures is available in each administrative office. Additional copies can be obtained from the Office of Campus Safety and Security or the Human Resources office.

7.5.3 Crisis Management Plan

The College has a Crisis Management Plan⁴, developed by Campus Safety and Human Resources, that details procedures for responding to man-made and natural emergencies that might confront the College. The plan covers medical emergencies, crimes in progress, bomb threats, tornadoes and fires. The focus is on reporting emergencies, critical infrastructure assessment, evacuations of buildings, recovery of services and return to operating standards. The full plan⁵ is available on the CCS Policy Database and, additionally, a pamphlet is available from Campus Safety with important summary information.

7.6 Institutional Advancement

Philanthropy helps the College for Creative Studies accomplish its mission by supporting scholarships, faculty, programs, student wellbeing, facilities, and more. A growing base of donors – individuals, corporations, foundations, and government – supplement the financial resources provided by tuition and other operating income. Institutional Advancement (IA) is responsible for overseeing the acceptance of charitable gifts, fundraising initiatives, and alumni engagement at the College-level to complement activities at the department level. Moreover, IA collaborates with the Office of Partnerships (7.6.5), to support their leadership efforts to engage the Corporate community in support of funds to impact the College.

7.6.1 Development

The Development unit in IA raises funds to support CCS at all levels, from supporting general operations and addressing ongoing needs to enabling special projects, new initiatives, endowed programs, and positions, reducing the financial burden of students through scholarships, capital improvements, and more. The Development team is also responsible for all gift processing, compliance with IRS laws related to receipting/acknowledgment of gifts, documentation of gifts to support the audit and donor intention, coordination with the Office of Business Services related to philanthropy, as well as coordinating efforts on behalf of the College related to donor relations and stewardship.

If faculty and staff are interested in raising money or securing/accepting a gift-in-kind for a project or initiative, they should begin by discussing their idea with their Department Chair and/or Dean to ensure that their initiative aligns with the College's mission and priorities. Once approved at a conceptual level, faculty and staff should contact the Office of Institutional Advancement for further conversation. Policies related to fundraising may be found in the

policy database in the section pertaining to Fundraising and Marketing⁶ or by searching the database using the keywords “charitable gifts⁷.”

For gifts-in-kind specifically, the College accepts gifts-in-kind on a limited basis and they must be approved by Institutional Advancement (IA) in advance of accepting any such gift. If the donor stated value of the gift exceeds \$105,000, approval by the Vice President for Administration and Finance is also required to ensure the College is complying with IRS laws that require an independent appraisal/documentation to determine the value of goods, reporting after use/sale, and more. Refer to the policy in the College’s database titled, “Charitable Gifts – Types and Acceptance⁸” for additional information. The Gift-in-Kind Form⁹ can be obtained from the Institutional Advancement¹⁰ (IA) office and should be returned to IA once the donor completes the form for acknowledgment and record-keeping purposes.

Corporate, Foundation And Government Relations

The Corporate, Foundation and Government Relations unit in IA secures financial and in-kind contributions from corporations, foundations and government sources. This unit works closely with faculty, staff and others to organize and develop programs for funding, while also cultivating and soliciting prospects for capital giving, endowments, grants, scholarships and other support. A primary role of this unit is corporate sponsored research projects.

Sponsored Projects

The College partners with corporations, associations and other enterprises to incorporate sponsored research projects into the educational experience for CCS students. Sponsors typically present a design challenge of strong educational value to a CCS studio class for the class to work on over the course of a semester. Students present their solutions to leading industry representatives at the end of each project. Beyond the educational benefits to students, sponsored research projects enable CCS to build relationships with industry for internships and career placement as well as generating revenue and helping create marketing and public relations opportunities for the College.

Gifts In Kind

The College accepts gifts in kind on a limited basis and they must be approved by Institutional Advancement (IA) in advance of accepting any such gift. If the donor stated value of the gift exceeds \$10,000, approval by the Vice President for Administration and Finance is also required. The Gift in Kind Form can be found on the IA page of Blackboard or can be obtained from IA and should be returned to IA once the donor completes the form for acknowledgement and record-keeping purposes.

7.6.2 Marketing and Communications

The IA Marketing and Communications unit is responsible for planning, budgeting, writing, design, production and distribution of all internal and external CCS communications including student recruitment materials and the CCS website and social media channels. The Marketing and Communications unit also manages the CCS brand and graphic identity standards.

CCS staff needing print, video, or web-based marketing materials should contact the Director of Marketing and Communications. CCS personnel other than Marketing and Communications staff should not hire designers, contract printing or develop websites or Facebook pages without the involvement of IA. All print jobs must go through the Marketing and Communications office.

7.6.3 Public Relations

Public Relations, primarily news media outreach, is managed from within IA Marketing and Communications. The CCS Public Relations function is charged with engaging key audiences (potential students, donors and potential donors, industry and government opinion leaders) to promote and strengthen the CCS brand image. Chief responsibilities of the public relations unit include initiating and maintaining relationships with the media, promoting newsworthy CCS events and activities to key audience segments, while helping coordinate CCS involvement in community activities. Any requests made to faculty or staff for media interviews, tours, etc. should be run through the Public Relations manager prior to being accepted.

7.6.4 Special Events

The Special Events is responsible for overseeing all the logistics of fundraising, community, and third-party events for the College. It works with academic and administrative departments, outside organizations, and individuals to schedule auditoriums, galleries, and conference spaces for purposes other than regular classes. The events team books facilities ensuring that the appropriate facilities are used, and coordinates audio-visual and other equipment set-ups, catering, crowd control, security, and parking arrangements.

The College has outlined General Event Policies for events being held at the A. Alfred Taubman Center for Design Education, and the Walter and Josephine Ford Campus in the Facility Use and Special Events Manual.

Chapter 8

Administrative Policies and Procedures

8.1 Personnel Records

8.1.1 Staff

A master personnel record containing administrative staff records and other pertinent data is maintained in the Human Resources office. The Human Resources office maintains records concerning employment, performance, payroll, benefits, and other miscellaneous items. No information, except verification of employment dates, will be released to outside sources without the employee's written authorization, unless disclosure is required by subpoena or court order or is necessary to meet some legal obligation of CCS. A written authorization from the employee is required for the Human Resources office to release salary information.

It is each administrative staff member's responsibility to inform the Human Resources office of any changes in the following: name, address, telephone, marital status, dependents, beneficiaries, and emergency contacts.

Administrative staff have the right to review their Personnel Record in the Human Resources office, with a prior appointment. These Personnel Records are confidential and may only be reviewed by the administrative member, or the appropriate supervisory personnel of the administrative staff member.

8.1.2 Faculty

A master personnel record containing faculty records and other pertinent data is maintained in the Human Resources office. The Human Resources office maintains records concerning employment, performance, payroll, benefits, and other miscellaneous items. The Academic Affairs Office also maintains records on each faculty member which include: Full-Time Faculty Annual Reports, Department

Chair Annual Reviews of Full-Time Faculty, faculty member's resume, and correspondence. No information, except verification of employment dates, will be released to outside sources without the employee's written authorization, unless disclosure is required by subpoena or court order or is necessary to meet some legal obligation of CCS. A written authorization from the employee is required for the Human Resources office to release salary information.

It is each faculty member's responsibility to inform the Human Resources office of any changes in the following: name, address, telephone, marital status, dependents, beneficiaries, and emergency contacts.

Faculty members have the right to review their Personnel Record in the Human Resources office or their file in the Academic Affairs Office, with a prior appointment. These Personnel Records are confidential and may only be reviewed by the faculty member, or the appropriate supervisory personnel of the faculty member.

8.2 Work Schedules

For purposes of benefit plan administration, recording Paid Time Off benefits, and reporting hours worked, administrative staff employees are required to log hours in TimeClock Plus using the Webclock. Digital Time Sheets (TimeClock Plus) are to be completed by all staff and should report days or hours worked. Hours are to be entered by the employee and approved by the supervisor no later than three (3) business days following the completion of a pay period.

8.2.1 Work Schedules and Digital Time Sheets (Time Clock Plus)

Full-time staff are generally expected to work a minimum of 35 hours per week. Some full-time staff are expected to work 40 hours per week. Core hours of operation for most departments are 8:30 am to 4:30 pm, Monday through Friday. Actual work schedules may vary from department to department based on individual department needs.

8.2.2 Overtime and Non-Exempt Employee Pay

Non-exempt employees are those who do not fit within any of the exemptions to the Fair Labor Standards Act. They receive overtime at the rate of one and one-half ($1\frac{1}{2}$) times the regular rate of pay for hours worked in excess of 40 in any one week, or as required by law. For non-exempt employees who have a 35 hour workweek, hours worked between the regularly scheduled 35 hours and 40 hours will be compensated at straight time rates. Hours over 40 in a workweek will be compensated at time and a half. Paid Time Off and College holidays do not count as hours worked and will not count toward overtime calculations. The College defined work week is 12:00 a.m. Sunday to 11:59 p.m. Saturday.

Any work above non-exempt employee's scheduled hours must be approved by the employee's supervisor in advance. Non-exempt employees who work overtime that is not authorized in advance will be paid for all time worked, but may be subject to disciplinary action.

Each non-exempt employee is responsible for his/her own time record keeping, and non-exempt employees must accurately report all hours worked. It is a violation of CCS policy for a non-exempt employee to record more hours than worked or fewer hours than worked. Likewise, it is a violation of CCS policy for anyone to instruct a non-exempt employee to record more or fewer hours than worked. Further, it is a violation of CCS policy to alter or falsify time records. CCS takes such offenses extremely seriously, and even a single violation may result in immediate termination of employment.

Non-exempt employees are entitled to paid rest periods and an unpaid meal period, which will be discussed with the employee's supervisor. If an employee is not able to take his or her meal or break periods at the usual time on any given day, then they should be taken at a different time. Generally, employees must be completely relieved of all duties during the meal period and free to use the time as they choose. Employees should not be required to perform any work during meal or break periods. However, in the event that an employee does perform work due to business needs that arise during the meal or break period, the employee must be paid for the meal period or, to the extent allowed by law, the meal or break period will be extended. Meal periods must be reported accurately on employee timesheets, including both the start and end times to ensure that employees are properly compensated. Break times are not reported as they are paid.

8.2.3 Earned Sick Time Act Policy

Earned Sick Time

This policy complies with Michigan's Earned Sick Time Act ("ESTA" or "the Act") and reflects our commitment to support employee health and safety. The College will adhere to these guidelines while maintaining a respectful approach to employee privacy.

What Is ESTA?

ESTA provides paid leave to employees when they are unable to perform their scheduled work responsibilities due to illness or for ESTA-covered absences.

Who Is Eligible For ESTA Leave?

The Earned Sick Time Act is applicable to all eligible CCS employees whose work is performed in Michigan:

- Full-time Staff
- Part-time Staff

- Full-time Faculty
- Stipend Paid Employees—Adjunct Faculty, CE Mentors, RA's
- Part-time Variable Hours Paid Employees — Models, Temporary, CAP, CE, Work-Study, Graduate Assistantships

If you are unsure of your eligibility, please contact Human Resources.

Eligibility Does Not Include: Individuals who are employed in accordance with the Youth Employment Standards Act, 1978 PA 90, MCL 409.101 to 409.124. 15

In states where other leave laws are required, the state in which the employee resides and works will prevail.

How Is ESTA Leave Requested?

Employees will continue to follow their internal department absence/leave process for requesting or notifying about time off.

Further, if ESTA-related leave is foreseeable, an employee shall provide at least seven (7) days advance notice of the intention to use the leave; however, if the leave is not foreseeable, an employee shall give notice as soon as practicable, which is generally the same or next business day.

Employees who are required to record work hours in TimeClock Plus (TCP) are expected to record hours weekly. For employees utilizing TimeClock Plus (TCP), the ESTA hours code is to be used to record absences taken for ESTA-related reasons.

For earned sick time of 3 or more consecutive days, the College may require reasonable documentation that the earned sick time has been used for a purpose described in the Act. If requested, the employee must provide the documentation to the College in a timely manner, not more than 15 days after the College's request. The College shall not delay the commencement of earned sick time because the employer has not yet received documentation.

Acceptable Forms Of Documentation If Requested:

- Medical-Related Absence: A note from a healthcare provider confirming a visit or need for care, without a description of the illness or specific diagnosis details.
- Domestic Violence/Stalking: A court document, police report, or letter from a counselor/victim advocate confirming the situation, without details of the violence.
- Public Health Emergency: A notice of school closure or an employer's email about workplace shutdown due to a health emergency.
- Family Member Care: A note verifying the employee's presence for a family member's appointment or care, again without health specifics.

How Is ESTA Leave Earned? Employees may earn ESTA hours through the following methods and as reflected in the below table:

- **Within Employee's PTO Calculation:** For employees who currently receive PTO benefits, ESTA hours are already included in your current PTO calculation. In other words, employees may use their earned PTO for ESTA-related reasons. There are no additional hours allocated. Employees are either front-loaded PTO at the beginning of the calendar year or accrue PTO annually based on hours worked as identified in the below table.
- **Front Load – Full-Time Employees:** The College will provide salaried exempt employees who do not currently receive PTO benefits (as reflected in the table below) with 72 hours of paid earned sick time at the beginning of the calendar year for immediate use. For 2025, employees received a prorated amount of ESTA hours for the 2025 calendar year on February 21, 2025 (which was ESTA's effective date). There will be no carryover of unused hours to the following benefit year.
- **Front Load – Part-Time, Temporary, Seasonal Employees:** The College will provide certain part-time, temporary, and seasonal employees who do not currently receive PTO benefits (as reflected in the table below) with a prorated amount of paid earned sick time that can be taken for qualifying reasons under the ESTA, up to a maximum of 72 hours, based upon the amount of sick time the employee would otherwise be expected to accrue during the benefit year. Employees will be notified of this amount in writing. If a part-time, temporary, or seasonal employee works more hours than expected, the Company will provide additional hours accordingly on the basis of 1 hour of earned sick time for every 30 hours worked. These employees may not carry over accrued, unused PTO from one benefit year to the next.
- **Accrual Method:** The College will provide certain employees who do not currently receive PTO benefits (as reflected in the table below) accrual of one (1) hour of paid ESTA Leave for every 30 hours worked, but employees may use no more than 72 hours of PTO annually. The College's benefit year is a calendar year running from January 1 – December 31.
 - Employees may carry over up to 72 hours of unused earned sick time to the following benefit year.
 - Accrual begins on February 21, 2025 or upon commencement of the employee's employment, whichever is later.

ESTA hours are paid at the employee's normal base rate and does not include overtime pay, holiday pay, bonuses, commissions, supplemental pay, piece-rate pay, tips or gratuities.

A maximum of 72 hours of PTO may be used for ESTA-related purposes annually.

Please reference table below for further details:

How Is ESTA Leave Used?

- ESTA leave, and PTO taken for ESTA-related reasons, must be taken in one (1) hour increments.
- Employees are entitled to use no more than 72 hours of ESTA leave, or PTO for ESTA-related reasons, per year.
- Reasons for ESTA Leave are detailed below.
- An employee's ESTA leave bank will be available under Self-Service – leave bank. If ESTA hours are recorded in TCP, information will be on pay statements.

Reasons For ESTA Leave Usage

ESTA Leave may be used only for the following reasons:

- The employee's mental or physical illness, injury, or health condition; medical diagnosis, care, or treatment of the employee's mental or physical illness, injury, or health condition; or preventative medical care for the employee.
- For the employee's family member's mental or physical illness, injury, or health condition, medical diagnosis, care, or treatment of the employee's family member's mental or physical illness, injury, or health condition or preventative medical care for a family member of the employee.
- If the employee or the employee's family member is a victim of domestic violence or sexual assault, for medical care or psychological or other counseling for physical or psychological injury or disability, to obtain services from a victim services organization, to relocate due to domestic violence or sexual assault, to obtain legal services, or to participate in any civil or criminal proceedings related to or resulting from the domestic violence or sexual assault.
- For meetings at a child's school or place of care related to the child's health or disability, or the effects of domestic violence or sexual assault on the child.
- For closure of the employee's place of business by order of a public official due to a public health emergency, for an employee's need to care for a child whose school or place of care has been closed by order of a public official due to a public health emergency, or when it has been determined by the health authorities having jurisdiction or by a health care provider that the employee or employee's family member's presence in the community would jeopardize the health of others because of the employee's or family member's exposure to a communicable disease, whether or not the employee or family member has actually contracted the communicable disease.

For purposes of ESTA Leave, “family members” include:

- A biological, adopted or foster child, stepchild or legal ward, a child of a domestic partner, or a child to whom the employee stands in loco parentis.
- A biological parent, foster parent, stepparent, or adoptive parent or a legal guardian of an employee or an employee’s spouse or domestic partner or an individual who stood in loco parentis when the employee was a minor child.
- An individual to whom the employee is legally married under the laws of any state or a domestic partner.
- A grandparent.
- A grandchild.
- A biological, foster, or adopted sibling.
- An individual related by blood to the employee.
- An individual whose close association with the employee is the equivalent of a family relationship.

Separation From Employment

Unused, accrued ESTA hours will not be paid out upon separation from employment.

Employees that separate from employment for more than two (2) months lose all accrued, unused earned sick time. Should an employee return to employment prior within two (2) months, the employee’s ESTA hours balance will be reinstated.

Job Protection And Non-Retaliation

Employees are entitled to use ESTA hours without fear of retaliation or disciplinary action. Employees are not required to find a replacement when ESTA hours are used.

Coordination With Other Leave Policies

ESTA hours can be used in conjunction with other leave entitlements, such as FMLA or Short-Term Disability, where applicable. Employees should consult HR for specific guidance on combining leaves.

Administration And Contact

For more information regarding your rights under the ESTA, see the legal posting located in the following buildings across the Ford and TC campuses and also outside of the Human Resources Office and on the Human Resources Office Page.

For questions about this policy, contact the HR Department. Questions regarding your PTO hours or ESTA hours, contact the Payroll Department.

8.2.4 Attendance and Timeliness

Absenteeism and tardiness place a burden on other employees and can affect the level of service your department provides. If you must absent yourself from work, arrive late or depart early, you must notify your supervisor as soon as possible in advance of the anticipated tardiness or absences. Employees must contact the supervisor directly and speak to them personally. If the supervisor does not answer, the employee should leave a voicemail and also send an email or text message to the supervisor. Employees who fail to notify their supervisors of an absence in accordance with this procedure may be subject to disciplinary action. Employees must notify their supervisors each day they will be absent, in accordance with this procedure. If the absence extends for a period of time, a schedule for reporting on a less frequent basis may be established.

Employees may be subject to discipline, up to and including termination of employment, when unscheduled absenteeism or tardiness becomes excessive. Even if an employee has Paid Time Off available, excessive use of unscheduled time off is disruptive and may lead to disciplinary action. Whether absenteeism or tardiness is excessive is at the sole discretion of the College. The College will consider the frequency of unscheduled absences and/or tardiness, the patterns of absences (such as a pattern of Monday or Friday absences or absences on the day before or after a holiday or weekend), and the reasons for the absences. Pre-approved, pre-scheduled absences, bereavement leave, military leave, jury duty leave, and medical leaves (including Family and Medical Leave Act leave) shall not count against the employee, provided that proper notice and any required documentation are provided.

Absences, late arrivals and early departures may result in a reduction in wages for non-exempt employees.

Any employee who fails to report to work without notification to his or her supervisor for a period of three consecutive days will be considered to have voluntarily terminated his or her employment.

8.2.5 Lunch Periods

Unless otherwise specified, employees have one hour for lunch. For non-exempt salaried and hourly employees, this time is without pay and must be scheduled with your supervisor to ensure proper coverage in your department. Normal lunch periods are between 11:30am and 1:30pm.

8.2.6 Bereavement Leave

In the event of the death of a member of your immediate family, you are permitted three (3) working days off with pay. Immediate family includes husband, wife, child, parent, brother, sister, grandparent, grandchildren, and in-laws and step relationships in these categories. If you wish additional time off it may be granted at the discretion of your supervisor and the Office of Human Resources, or you may use PTO days.

8.2.7 Jury Duty – Witness Service

If you are required to report for jury duty or to appear as a witness in a legal proceeding, you must notify your supervisor and bring the trial summons or witness subpoena to the Office of Human Resources. The College will grant you time off to enable you to fulfill your jury/witness service obligations.

Time off for jury/witness service covers only the time you are actually serving. Whenever your attendance is not required, you are expected to report to work. Any remuneration you receive from the court must be submitted to the Office of Human Resources.

8.2.8 Military Leave

The College provides military leaves of absence to all full-time and part-time employees in compliance with applicable state and federal laws. Your request for military leave should be submitted promptly and accompanied by a copy of your orders indicating the beginning and ending dates of your duty period.

Guidance For Students

Students are not relieved from responsibility for any part of the course work required during the period of absence, if an absence from classes or examinations occurs as a result of religious reasons. When religious observances cause a student to miss classes, examinations, or other assignments, faculty are expected to provide reasonable accommodations, if possible. Students must provide a written notice at least two weeks prior to any religious holy day or cultural observance. If the absence must occur within the first three weeks of a semester or session, the student must provide written notice one week in advance of the absence.

Students who are absent on days of examinations or class assignments shall be offered an opportunity to make up the work, without penalty, unless it can be demonstrated that a make-up opportunity would interfere unreasonably with the delivery of the course. Should a disagreement arise over any aspect of this policy, the parties involved should contact the Department Chair and the Dean of Academic Affairs. Final appeals will be resolved by the Dean of Academic Affairs.

Guidance For Educators

CCS Educators whose classes conflict with their own religious obligations should work with their Chair and Program Manager to find a substitute for the course or initiate steps for coursework to be covered within another class time. Faculty are expected to provide these dates to the Chair and Program Manager prior to the start of the academic term. Alternative arrangements should not inconvenience other students, staff, or faculty. Employees should make every effort to avoid scheduling assembly meetings and campus-wide events on religious holidays. It should be noted that some holidays extend over many days. Staff members who observe religious holidays that are not on the current CCS holiday/observance schedule may use Paid Time Off (PTO). Please adhere to CCS PTO guidelines when submitting PTO requests.

If you have any questions regarding this guidance, please consult with your supervisor.

8.3 Budget

CCS's fiscal year is a twelve-month period, beginning on July 1, and ending June 30. The budget for CCS is prepared annually, with formal Board of Trustees approval in the May preceding the commencement of the next budget year. The process of preparing the budget begins in the fall preceding the start of the next fiscal year. At that time, enrollment projections are made for the following year, and by December, the tuition rates for the following year are established and approved by the Board of Trustees. Following soon thereafter, the process of developing detailed revenue, expense and capital acquisition budgets commences.

In January, all department chairpersons and other staff with budget responsibilities are given information regarding the budget preparation process. They prepare revenue, expense and capital budget requests based upon the information in the budget package, as well as needs they might have due to curriculum or enrollment expectations. These requests are submitted in late February, with individual departmental presentations made to senior management in early March. Following these presentations, senior management makes final budget decisions, and the budget is prepared for submission to the Finance and Audit Committee of the Board in early April. This is followed by presentations to the Executive Committee of the Board in late April and to the Board of Trustees for final approval in May.

8.4 Contractual Commitments

Any contract that legally binds CCS or any of its employees to perform a service, pay a fee, or fulfill any other responsibility must be signed by either the Vice President for Administration and Finance or the President. Faculty may not sign contracts on behalf of CCS. In all matters that require an official signature

on a contractual commitment the following steps shall apply in order for CCS to be legally responsible:

- Faculty members may recommend contractual commitments to their department chairs or directors.
- Department Chairs may initiate and recommend contractual commitments within their area of responsibility to the Provost.
- The Provost and/or the Vice-President for Administration and Finance must review and approve all contractual commitments for official authorization.
- The Vice-President for Administration and Finance will determine the necessity for the President's signature. In all cases, any contractual arrangements between CCS and another party will only be considered officially approved if signed by the Vice President for Administration and Finance and/or the President, or their designee.

8.5 Records Management

Following established records management practices and participating in regular campus-wide record purges will save departments and offices valuable time and free up space, and save the college from unnecessary costs. Please refer to the guidelines here¹ when managing college records.

8.6 Severe Weather

CCS's policy is to keep the school open during periods of inclement weather, if at all possible. We realize there are times when the College may remain open and you feel it is unsafe for you to attempt to come in. If this occurs, please call and leave a message for your supervisor as soon as possible. Administrative staff will be required to take Paid Time Off (PTO) for days they are unable to come in. Faculty should make every attempt to reschedule any classes that are canceled due to bad weather. If a class is unable to be rescheduled, it is up to the faculty member to ensure that any missing coursework is covered.

In the event it is necessary to close due to severe weather conditions or any other emergency, the following procedures for notification are followed:

- The decision to close or cancel Day Classes will be made by 6:00 a.m. and to cancel Evening Classes will be made by 2:00 p.m.
- Closings and class cancellations will be announced through Campus Emergency Alert² Program via e-mail or text alerts.

8.7 Identification Cards

Identification cards are issued to all employees at the time of hire. You must display your ID card at all times while you are on campus and must present it when asked by Security personnel. ID cards are issued through the Campus Safety and Security Office, upon completion of new hire employment forms with the Human Resources Office. You are responsible for your ID card, and if you lose it, you will be required to pay a \$20 replacement fee.

8.8 Business Cards

Business cards are provided for full-time employees with a legitimate business need. Part-time staff will be provided business cards with a legitimate need on a case-by-case basis. Business cards are ordered through the Human Resources Department with titles and departments verified by the Human Resources Office.

8.10 Access to Buildings and Parking Areas

If you need access to College buildings outside of posted hours, contact the CCS Ford Campus Security Office at 313-664-7444 or the Taubman Security Office at 313-664-1444. You must check in with the Security Office upon arrival and check out when departing. Your CCS ID must be presented to be admitted to the building.

Please refer to the Traffic and Parking Policies and Guidelines in Appendix I.

8.11 Keys

Keys for use on gates, doors, desks, file cabinets, vehicles and other CCS equipment are issued through the Facilities Department. They remain the property of CCS. If you are provided with a key, you are responsible for its safekeeping. You will be required to pay for the replacement of lost or stolen keys that have been assigned to you. If your job changes or you leave CCS, you must return all keys to the Director of Human Resources. You may not duplicate keys without authorization.

8.12 Children in the Workplace

All College employees, including faculty, staff, and students, may occasionally experience the need to bring children to campus. The following guidelines are established to clarify the College's practice regarding such situations.

Employees and students who are responsible for the care of minor children are expected to arrange childcare away from the workplace and campus. The College does not condone bringing children into the workplace and on campus, except as provided below. The College accepts no responsibility for the actions of children on campus; the parents or custodians assume all such responsibility. Bringing children into the workplace or classroom creates a distraction, for the parent or custodian, for other employees and for students, impeding the performance of College duties and could also endanger the child. The immediate

supervisor or instructor will counsel or notify employees or students who bring children to campus without proper authorization in advance.

8.12.1 Exceptions for Employees

Employees may bring children to campus under the following conditions:

An employee is coming to campus for a short visit, or errand, of less than two (2) hours:

- delivering College-related work (forms, reports, grades, pay a bill, etc.)
- bringing a new baby to introduce to co-workers
- other casual, informal College business with co-workers
- College for Creative Studies sponsored special events

Other conditions to bring children to campus will need approval from the immediate supervisor and Director of Human Resources.

8.12.2 Exceptions for Students

- delivering College-related work (forms, registration, reports, grades, pay a bill, etc.)
- bringing a new baby, outside of class time, to introduce to classmates, instructors
- College for Creative Studies sponsored special events

Other conditions to bring children to campus will need approval from the Dean of Students.

8.13 College Purchasing

A purchase order is a promise to pay for goods and services that is sent to a vendor in order to process an order before payment is received. A purchase order **MUST** be used to procure goods and services unless prior authorization has been obtained from the office of the Vice President of Finance/CFO or is travel and entertainment related. Any purchases made by an employee without prior authorization may not be reimbursed!

Mastercards are available and provided to employees for the purpose of charging legitimate travel and entertainment expenses to the College. Card-holders should not use the corporate credit cards to circumvent the Colleges purchasing function by charging for other than approved travel-related expenses unless previously approved by the VP of Finance/CFO. Authorization to obtain a card must be through the VP of Finance/CFO. Although the card is issued in an individual's name, it should be considered College property. Complete

details and more information may be obtained through the Business Services department.

The purchase requisition form is available on the public directory in the Business Services folder and on the office's campus office page. This is an electronic form.

8.13.1 Credit Application

Credit applications are available from Business Services. It may be necessary to send a credit application to a new vendor so a PO will be accepted. If a new vendor requires the completion of their credit application, please contact the Business Services Department.

8.13.2 Tax Exempt

CCS is a non-profit organization and is tax-exempt. The College's tax-exempt ID # is available from Business Services, as well as a tax-exempt letter. Business Services can provide a copy of a W-9 form, the Request for Taxpayer Identification and Certification if necessary.

8.14 Smoking

State and local laws prohibit smoking in all parts of College buildings. City ordinance prohibits smoking within 15 feet of any building entrance.

In the interest of providing a safe and healthy environment for all staff, faculty, students and visitors, and in accordance with the Michigan Clean Indoor Act and the City of Detroit Smoking Pollution Control Ordinance, smoking is prohibited in all CCS buildings and within 15 feet of all building entrances and air intakes.

8.14.1 Enforcement Of Policy

The success of this policy depends upon the thoughtfulness, consideration and cooperation of smokers and non-smokers. Students are encouraged to ask offending smokers to stop smoking. Any student smoking in a non-smoking area must immediately stop upon being requested to do so. Failure to do so will result in formal disciplinary action as outlined below.

8.14.2 Complaints

Complaints regarding the smoking of faculty and staff should be made to the Department Chair, the employee's immediate supervisor or the Director of Human Resources. Complaints regarding students smoking should be made to the Director of Student Life.

8.14.3 Disciplinary Action

All student complaints should be made in writing to the Dean of Students. The Dean of Students will notify the student in writing that a complaint has been issued. A second offense will result in a \$50 fine. A third offense will result in a \$100 fine. Further violations will be subject to CCS disciplinary policies, up to and including expulsion.

Students wishing to contest the above may do so in writing to the Office of Student Affairs. Evidence of non-violation should be attached.

8.15 Travel and Entertainment

CCS recognizes that the effective conduct of the College's activities will require employees to travel from time to time on behalf of CCS. It is therefore the policy of the College to reimburse employees for all expenses that are necessary, and incurred, when traveling on authorized College business.

8.15.1 Reason for Policy

This policy is to establish and communicate equitable standards and effective procedures for administering and controlling travel and entertainment expenses, and ensure consistent and fair treatment of all employees who travel on CCS business. This policy's purpose is:

- To provide guidance to employees, and those with authority to approve expense reports, on travel and entertainment expenditures incurred on behalf of CCS
- To ensure compliance with legal and internal control requirements
- To identify reimbursable and non-reimbursable expenses
- To clarify employee responsibility for controlling and reporting travel and entertainment expenses.

8.15.2 Rationale

CCS's Travel and Entertainment expense guidelines are based on generally accepted business practices and IRS regulations⁴ which describe those expenses that a business or an individual may legally deduct from gross income when paying Federal taxes. In addition, certain procedures and practices have been included to maintain good internal accounting controls.

⁴IRS regulations (<https://www.irs.gov/taxtopics/tc511.html>)

8.15.3 Procedures

For each trip an employee takes, an expense report must be completed, approved and submitted to Business Services within ten business days of completion of the trip. Expense reports must contain a detailed description of all business expenses and appropriate receipts, to include airline boarding passes and/or a copy of the travel itinerary. Receipts are normally provided for airfare, hotel, and car rental. If not provided, you should request a receipt for meals, taxi, parking and miscellaneous items. Acceptable receipts must be original and itemized.

8.15.4 General

CCS wishes that its employees who are required to travel, do so in reasonable comfort. Employees are expected to exercise good judgment in distinguishing between reasonable comfort and extravagance. Employees are expected to:

- exercise discretion and good judgment with respect to expenses
- check for accuracy of bills prior to payment
- report all expenses and advancements promptly and accurately with required documentation
- if plans change and the employee does not make a trip, return all advanced funds to Business Services immediately
- reference the list of recommended local restaurants and hotels on Blackboard for local meetings
- plan travel in advance to insure lowest cost
- research arriving one day before and/or staying one day later on trips if that may be less expensive and time effective (considering work schedules, air fare, hotel, and meals)
- provide documentation for all advance cost quotes for air fare, hotel, car rental, and taxi/limo service vs mileage/parking.

8.15.5 Travel Guidelines

(effective May 1, 2009, all travel must be pre-approved by an officer of the College)

Air

All employees will travel the most economical fare available at all times. Reservations should provide the most economical airfare within a two hour window of requested departure and arrival times (one hour before or after requested

departure and one hour before or after requested arrival). Airfare change or upgrade fees are allowable only if necessary due to College business, and approved in writing by reporting officer. Reporting officers have some discretion to approve seat only upgrades on flights over four (4) hours. Trip Protector insurance is not an allowable expense except for international travel and only with reporting officer approval. Employees are allowed one (1) piece of checked luggage on domestic flights.

Automobile

Employees must obtain prior approval from their supervisor before using personal vehicles for business trips when doing so would be more economical and time effective than traveling by air. Personal vehicle mileage will be reimbursed per the current IRS limits, which are subject to change annually, and may not exceed the cost of the most economical air fare. For evaluation purposes, employees must confirm airfare rates at the time they register or plan their trip. Personal vehicle mileage allowance covers the cost of gasoline, oil, and wear and tear of the automobile. Employees using personal vehicles must have a current Motor Vehicle Record file in Human Resources. If two or more employees are attending the same event, it is recommended that they make every effort to carpool.

Cash Advance

A cash advance may be approved for legitimate business purposes and in cases of emergency. A cash advance must be requested and approved no later than five working days in advance of any planned travel. A cash advance may not be requested prior to ten business days before the start of any planned travel. A cash advance may be used only by the person requesting it and approved for the cash advance. Cash advance balances must be cleared with a personal check or cash submitted with the expense report within ten business days of completion of the trip. Petty cash advances must be cleared with Business Services within five business days.

Car Rental

With many promotional programs constantly changing, the least expensive car should be reserved unless there is a business necessity to upgrade. Travelers should decline Collision Damage Waiver (CDW) and Personal Accident Insurance. This coverage is provided through our College policy. Rental cars need to be re-fueled prior to drop off to avoid the refueling and service charges.

Frequent Flyer

Frequent Flyer bonus programs and usage credits awarded by airlines, car rental agencies or hotels shall be assigned to the employee. CCS considers this a

perquisite well earned by the employee. However, the employee must still travel at the lowest possible rate.

Family

Spouse or family members may accompany employees on trips, with approval from your immediate supervisor. When a spouse, companion or family travel with an employee, their travel must be accounted for, and paid for separately. The College will pay for a standard room, no upgrades. Any additional charges for spouse, companion, or family sharing a room is the employee's responsibility. Employees must separate all expenses associated with spouse, companion, or family members, with no incremental expenses to the College.

Hotel

Reservations will be made at moderately priced establishments that will be comfortable, but not extravagant. Travelers should insure that the rate charged matches the rate on the itinerary. “*No-show*” bills are incurred when “*guaranteed*” hotel reservations are not used and have not been canceled. It is the responsibility of the traveler to cancel hotel rooms which become unnecessary due to changes in travel plans. The cancellation can be made through the travel agency or with the hotel directly. In either case, the traveler should obtain a cancellation number. Room change or upgrade fees are allowable only if necessary due to College business and approved in writing by a reporting officer. Personal upgrades and changes are not reimbursable.

Local Transportation

Employees are expected to use their own transportation when traveling to/from home and/or CCS campus to Metro Airport or other local sites. CCS or the employee's home, whichever is less mileage, is considered the home base for local trips. Mileage will be reimbursed from the home base to the local site. Limousine services (e.g. Checker⁵, Metro Cars⁶) are not to be used when traveling to/from CCS or the employee's home and Metro Airport⁷ unless the cost is less than the cost for mileage and airport parking. Employees are expected to use the most economical ground transportation when traveling to and from airports and hotels while out of town. Taxi, rental car, bus, and van are all acceptable. Travelers should always ask if the hotel at which they are staying provides a shuttle service to and from the airport.

Meals

While traveling, employees should eat at moderately priced restaurants. The actual cost of meals, including tips, incurred while traveling on CCS business is

⁵Checker (<http://www.checkerdetroit.com/>)

⁶Metro Cars (<http://metrocars.com/>)

⁷Metro Airport (<http://www.metroairport.com/>)

reimbursable. Up to twenty (20%) percent of the meal cost is the maximum tip in the U. S. The tip or “service” is often included in the meal cost at certain restaurants. Alcoholic beverages are limited to one (1) per person with any meal. Employees are expected to exercise discretion and good judgement with respect to meals, alcoholic beverages and tipping.

Parking

Discounted parking rates are available at lots around Detroit Metropolitan Airport. These lots provide parking for about one half the cost of parking at airport lots. All of these lots provide 24/7 shuttle service to all terminals. On-line coupons for one day free parking are available at their websites. Discounted parking is available at these lots:

- Airlines Parking⁸: 800-300-9069
- Park N Go⁹: 734-729-3000
- Quik Park¹⁰: 888-844-PARK
- US Park¹¹: 800-447-PARK

Employees should not park in Detroit Metropolitan Airport lots and valet parking is not allowed as it is approximately twice the cost of long-term lots.

Telephone

Telephone and Internet access from hotel rooms should be used only as necessary and with discretion. Personal phone calls should be limited to one call per day, except for emergencies or special circumstances. Cell phones and pre-paid calling cards are low-cost options.

International Travel

Employees on international travel should always use their credit card and not cash for expenses. Credit card use insures charges are processed at the current exchange rate on the day the charges were incurred. This eliminates the need to research the exchange rate when the expense report is processed.

Entertainment

Entertainment is defined in this policy as limited to entertainment when traveling on College business. Employees will be reimbursed for the actual cost of entertainment, when such expenses have been determined reasonable and beneficial to the College. Entertainment must conform to current tax and legal

⁸Airlines Parking (<https://airlinesparking.com/>)

⁹Park N Go (<https://www.bookparkngo.com/>)

¹⁰Quik Park (<https://qwikpark.com/>)

¹¹US Park (<https://us-park.com/>)

requirements. Discretion must be used as to levels of entertainment. Unreasonable entertainment expenses will not be reimbursed. When an employee pays the expense of any other person who is not an employee of the College, the expenses of all persons in attendance, including CCS employees, are to be listed on the expense report and itemized receipt. Spouses or partners expenses are not eligible for reimbursement, unless approved in advance by a reporting officer.

Expenses not Authorized

The following is given as a guide, and not necessarily a complete list, of expenses that are not reimbursable:

- alcoholic beverages not part of a meal, with discretion allowed for College officers to approve appropriate entertainment
- alcoholic beverages in excess of one (1) per person at any meal
- alcoholic beverages at department meeting or events
- tobacco products
- minibar expenses
- snack food
- personal care (spas, medication – laundry is allowed up to a maximum of \$50 for domestic trips longer than 7 days and for international travel); personal entertainment (movies in hotels or on flights)
- personal items (books, dvds, newspapers, magazines, maps, personal care items, souvenirs, etc.)
- parking or traffic tickets
- rental car GPS charges, unless approved in advance by a reporting officer.
- airline or travel insurance; Trip Protector insurance except for
- international travel with officer pre-approval
- valet parking at airports
- ATM fees
- gifts to employees or departments

Exceptions

In unusual business circumstances, actual expenses that are incurred, and that are not covered by this policy, are subject to approval and/or adjustment by the Vice President of Finance or the President.

Federal Income Tax Regulations and Compliance

Employee's will appreciate that, if the Travel and Entertainment Policy is to work to everyone's best interest, each employee must be responsible for supporting and complying with it in both spirit and letter. To meet IRS requirements, travel and entertainment expenses must adhere to the following conditions:

- the expenditure must be shown to be ordinary and necessary in the course of business
- original, itemized receipts, no photocopies, must be submitted
 - credit card statements or non-itemized receipts are not acceptable
 - credit card receipts with only a total amount are not reimbursable
 - ATM receipts for cash are not acceptable
- the expenditure must actually be incurred, and supported with exact and detailed records, verifying the names, amount, date and location, business purpose and business relationship of the person entertained (name, company, title)
- name, title and company affiliation of those present
- employees must account for all travel expenditures by submitting a complete and accurate Expense Report within 10 business days after the completion of a trip or business event
- incomplete reports and those lacking receipts, approvals, or other required documentation, will be returned, delaying reimbursement
- no reimbursement will be made for expenses incurred in violation of the Travel and Entertainment Policy
- Expense Reports will be monitored and audited on a regular basis to ensure adherence to the provisions of the Travel and Entertainment Policy non-compliance may result in disciplinary action

Approvals

The Internal Revenue Code specifically states that an individual may not approve his/her own expense report. Immediate supervisors must approve cash advances, expense reports, and travel related expenses charged to the College Corporate American Express and Master Card of employees reporting to them. Additionally, Deans and Vice Presidents must approve cash advances, expense reports, and Corporate American Express and Master Card charges for faculty and staff in their division. It is the responsibility of the approving individual to determine if the advance and expense was:

- ordinary and necessary for the benefit of the College and within budget; properly substantiated to meet CCS policy.

- The Expense Report will be further reviewed and approved by Business Services, for conformance to both College policy and IRS regulations. All Expense Reports over \$1,000 will require approval by the Administration and Finance division. Individual expenses not approved will be returned and be the responsibility of the employee. The employee will be required to complete and resubmit a new Travel and Expense Report.

8.16 International Travel

8.16.1 I. Introduction

The College for Creative Studies (CCS) is committed to developing global partnerships, increasing international diversity on campus, and providing international study opportunities for students.

The College and the individual travelers have a responsibility for promoting health, safety, and security while traveling abroad. This policy defines institutional requirements that promote safety during international travel.

Individual travelers are responsible for compliance with this international travel policy. Academic departments and College offices sponsoring CCS Related Travel (defined below) are responsible for informing travelers of this international travel policy and for facilitating compliance for individuals where appropriate.

This International Travel Policy outlines the College's requirements for CCS related travel abroad.

8.16.2 II. Definitions

This section defines four terms used in this document: Travel Abroad, CCS Managed or Organized travel, CCS Related Travel, and Group Travel Abroad.

- **Travel Abroad:** destinations outside the Fifty States of the United States of America and the District of Columbia. Travel to U.S. territories (including American Samoa, Guam, Northern Mariana Islands, Puerto Rico, the U.S. Virgin Islands, and the United States Minor Outlying Islands) and journeys on the High Seas are also considered travel abroad.
- **CCS Managed or Organized Travel:** An international experience managed or organized by a CCS department/office, faculty or staff member. Managed and organized includes: creating, funding, instructing, or approving the experience, or coordinating the applications and selection of participants.
- **CCS Related Travel:** is defined in terms of two traveler roles:
 - **CCS Faculty or Staff**
Faculty or staff members who are traveling abroad within the context of their job responsibilities are considered to be on CCS Related

Travel. If faculty or staff members receive CCS funds or CCS managed funds for travel or if they are representing CCS even if funded by an international partner or third-party entity, they are considered to be on CCS Related Travel. While a trip might include personal activities outside of the traveler's job responsibilities, if the primary purpose is work-related the trip is CCS Related Travel.

– **Student**

Participants in Travel Abroad can include both individuals enrolled as students at CCS, but also individuals not enrolled as CCS students who participate in a CCS program; such persons are designated Students within this policy. A person traveling in a Student participant role who meets one or more of the following criteria is on CCS Related Travel:

- * Receives CCS academic credit for the experience.
- * Travels on a program or trip that is CCS Managed or Organized.
- * Travels on a program or trip organized by Student Affairs or a program or trip that is formally sanctioned by a CCS department or office as a Sponsored Event.
- * Receives funding from CCS or receives funds managed by CCS for their travel.
- * **Group Travel Abroad:**
a cohort of CCS student participants with similar program experience dates, itinerary, related activities at the destination, and identical or related accommodations, for whom an organizer or leader is assuming some responsibility. There is significant interdependence of participants within the cohort.

8.16.3 III. Policy

A. CCS International Travel Registry

The CCS International Travel Registry is a confidential and secure database for maintaining key travel information for faculty, staff and students traveling abroad. The Vice President for Enrollment and Student Services, and Associate Provost for Academic Affairs are responsible for the overall management of the CCS International Travel Registry.

The CCS International Travel Registry is the official source of traveler information for locating and communicating with travelers, responding to emergencies, and managing media and public relations during critical incidents abroad. It also serves as the central source of travel abroad data for institutional reporting.

All faculty, staff, and students traveling abroad for CCS Related Travel must register their travel in the CCS International Travel Registry before the expected departure date. Whenever possible, travelers are expected to update the registration, including travel dates, destinations, and on-site contact information, if updated information becomes available.

Individual travelers are responsible for verifying their travel registration through either self-registration or coordination with their sponsoring units. Departments/Offices sponsoring CCS Related Travel are responsible for informing travelers of this travel registration requirement.

The travel registry can be accessed at:

- Student Travel Registry¹²
- Staff Travel Registry¹³

B. Travel Abroad Health Insurance

All students, staff and faculty traveling abroad for CCS or affiliated with CCS are required to have travel abroad health insurance coverage from the College's authorized vendor, regardless of whether the Student traveler has other health care coverage. Student travelers are responsible for verifying travel abroad health insurance coverage either through self-enrollment or coordination with their sponsoring units. Group leaders are responsible for informing their students and participants of this insurance requirement.

*CCS will accept the following plans

- Geo Blue Travel Medical Insurance¹⁴
- STA Travel — Word Nomads¹⁵
- ISI Travel Medical Insurance¹⁶

C. Emergency Evacuation Insurance and Support

All Students, Faculty and Staff traveling abroad for or affiliated with CCS must carry insurance that covers emergency evacuation due to political unrest or natural disaster.

The college may evacuate or cancel travel at any time before, or during a program due to emergency situations. In making the decision to evacuate a person or group, the Office of Global Engagement consults the Travel Risk Committee. Evacuation support relies on CCS faculty, staff, and students to register their travel.

Students who remain in-country after being advised to evacuate will not be eligible for college funding or academic credit related to the travel experience and may be subject to disciplinary action.

*The plans outlined above carry evacuation insurance. Please inquire when enrolling to be certain the additional coverage is added.

D. High Risk Destination Travel

The College will conduct reviews and designate locations as High Risk Destinations.

The Vice President for Enrollment and Student Services (students) or the employee's Vice President will make the final determination on this designation, upon consultation with the Travel Risk Committee. This designation may occur at any time before, or during an international trip. The College will not approve CCS related travel to destinations where health, safety, or security risks are determined to be significant and require unusual caution and risk mitigation strategies. For example, travel to destinations experiencing serious outbreaks of infectious disease, war or violent civil unrest. Students may not travel for or affiliated with CCS to destinations that are under a High Risk designation.

To submit an appeal for travel to these destinations, please follow the separate policy for Student Travel to High Risk Destinations¹⁷ or Employee Travel to High Risk Destinations¹⁸.

E. Incident Reporting Requirements

While traveling abroad affiliated with CCS, individuals should promptly report conduct that may violate College policies including: TITLE IX, student or staff conduct violations, or crimes. Individuals are encouraged to report incidents that may violate criminal law to both the College and to local law enforcement. These processes are not mutually exclusive.

Why Is Personal Information Collected?

CCS is an institution of higher education that provides a variety of programming for students. To provide a meaningful, engaging and safe experience, CCS must collect personal information about students in its programs to permit the College to develop and administer academic programs, facilitate internships and other experiences, identify and provide housing arrangements, help students budget and pay for the programs, assess and provide any necessary accommodations for academic or living conditions, and to help students ensure a healthy and safe experience.

It is necessary for CCS to collect each piece of personal information identified above to perform the contract to provide and support CCS' programs. Students cannot be admitted into CCS without providing contact information, academic information described above, and the College cannot assess whether to award a grant or scholarship without the financial information described above. It is highly unlikely that the College can place students in an internship program without the information about abilities and interests described below. Students enrolled in CCS programs are bound to follow the College's Code of Student Conduct²⁸ and the College's Sexual Misconduct Policy²⁹. The College will investigate and document all allegations of violations of those policies.

The following procedures apply to all electronic media and services that are:

- accessed on or from CCS premises;

- cost analysis;
- resource allocation;
- optimum technical management of information resources; and
- detecting patterns of use that indicate employees are violating CCS policies or engaging in illegal activity

8.20 Social Media

8.20.1 CCS Official Accounts

The College's Marketing & Communications Office is responsible for the management of the official CCS social media accounts. These include:

- Facebook³¹
- Instagram³²
- Twitter³³
- LinkedIn³⁴
- TikTok
- YouTube³⁵

Departments and offices may also create accounts for their specific areas of the college. Account management is the responsibility of the office or program that created the account and should follow the policies listed below. Failure to do so will result in deactivation and deletion of the corresponding social media account.

8.20.2 Account Management

Getting Started

Social media accounts that represent an official CCS department are considered to be sponsored by the institution. **Before creating an official CCS social media channel, a proposal³⁶ must be reviewed and approved by Marketing & Communications.** All accounts must be approved through the Office of Marketing & Communications, who will provide governance, oversight, and advice to all department social media administrators. If your account pre-dates this new process, we are requesting that all existing accounts go through

³¹Facebook (<https://www.facebook.com/ccs>)

³²Instagram (https://www.instagram.com/ccs_detroit/)

³³Twitter (https://twitter.com/CCS_Detroit)

³⁴LinkedIn (<https://www.linkedin.com/school/college-for-creative-studies/>)

³⁵YouTube (<https://www.youtube.com/user/ccsedu>)

³⁶proposal

<https://docs.google.com/forms/d/1leH8pfhhfYlgVQcB0Nr5zJlGokjStiPQrGjdTIVQ40s/edit>

this same approval process. Approvals will be sent back within two business weeks. Please consider the following questions when considering a new social account:

- How will this support the college as a whole as well as the individual department/office?
- What are your goals for the account?
- Who is your target audience?
- What platform are you hoping to use & why?
- What kind of content will you post and how often will you post?
- Are you able to provide enough content to maintain a social presence year-round?
- Do you have the time to do this well?
- Who will act as “Account Administrator”?

Any College-sponsored account must follow CCS’s branding guidelines³⁷, including but not limited to:

- Handles & accounts names:
- For undergraduate programs, @ccs_departmentname Ex: @ccs_interiordesign, @ccs_photo, @ccs_transportation
- For graduate programs, @ccsgrad_departmentname Ex: @ccsgrad_cmd
- The profile picture must include the official CCS logo and be approved by the Marketing & Communications office.
- Your biography or about section must include the College’s main handle (ex. @ccs_detroit Product Design Department).
- Your biography or about section should reflect your department description found on your CCS department site.
- Your biography or about should include the link to your program page on the CCS Website.

Once the account is active it will be added to the Marketing & Communications social account inventory. Account Administrators are responsible for keeping the Marketing & Communications team up-to-date on any changes to their account including password changes and changes in contributors to the account.

³⁷CCS’s branding guidelines (<https://www.ccsdetroit.edu/ccs-editorial-guidelines/>)

Account Management And Monitoring

CCS's Marketing & Communications department reserves all rights to review and remove inappropriate content and to shut down inactive accounts. Additional guidance relating to inappropriate content or account management can be found in the Content Management and Community Standards sections of this policy.

Every official CCS social account needs at least one, full-time staff or faculty member acting as "Account Administrator" managing the account.

- To prevent lapses in engagement, or turnover, please add CCS's social media manager [email link³⁸] as an admin to the account. Your login information must be shared with the Marketing & Communications Office via the CCS-related Social Accounts form³⁹.
- Account Administrators are responsible for overseeing posting and using content and maintaining compliance with HIPPA (Health Insurance Portability and Accountability Act) regulations and CCS policies concerning privacy, security, human services and FERPA (Federal Education Records Protection Act).
- Each official CCS social account should catalog and retain an official account inventory and contact info for all account contributors.

Work-study students are an excellent way to manage your social media account, while also using student perspectives to share a true representation of life on campus.

Guidelines For Supervising Work Study Students

- Account Administrators have the right to remove content that violates CCS's institutional values or community standards.
- Account Administrators are responsible for ensuring that any contributors, including work-study positions, are compliant with CCS's Policies.
- Students are required to abide by CCS's Code of Student Conduct⁴⁰ at all times.
- Students should not be given full administrative access to CCS departmental accounts. It is recommended that departments utilize third-party platforms (Later, Planoly, etc.) to allow students the opportunity to schedule posts. This provides an added layer of password security, and gives the Account Administrator the opportunity to review content before posting.

Any materials may be shared at any time on main and departmental social media accounts, as long as the winner of the competition is announced appropriately via social media.

Considerations Related to Equitable Representation

The College and all departments will endeavor to make sure the diversity of the student body is represented in any social media presence.

Threats of Violence, Hate Speech and Harassment

CCS’s Anti- Harassment and Discrimination⁴⁴ and Title IX⁴⁵ policies prohibit discrimination, including harassment, because of age, race, color, national origin, religion, sex, sexual orientation, gender identity, gender expression, marital status, disability or any other characteristic protected by law.

- Notify your supervisor immediately.
- Evaluate the severity of the crisis. If anyone in immediate danger, call 911
- Take a screenshot of the post, message, or comment.
- Notify the Marketing & Communications department. We will assist in monitoring the situation and if necessary, aid in crafting a response.
- Refer to CCS's institutional policies, including:
 1. Student Code of Conduct⁴⁶
 2. Title IX / Prohibited Discrimination, Harassment, and Sexual Misconduct⁴⁷
- If appropriate, report the content on the platform, as threats of violence, hate speech, and harassment typically violate community standards.

8.20.5 Personal Accounts

CCS students and employees are welcome to represent CCS on their personal social account, following these guidelines:

- Including CCS in your profile is one way to spread the word - but doing so means agreeing to act professionally on your account. Be respectful and note that your opinions do not represent the views and opinions of CCS, unless specifically authorized to do so.
- Sensitive information should never be shared via social platforms (yes, even over Direct Messages).
- Be aware of liability. You are legally liable for what you post on your own sites and on others.

⁴⁶Student Code of Conduct

8.20.6 Community Standards

CCS has established a set of community standards to govern all participation in our social media accounts, which are administered and moderated by Marketing & Communications.

Additionally, individual departments that administer social accounts across any social media channels reserve the right to delete comments, replies or other content and interactions that they deem to be in violation of CCS's social media community standards or in violation of the social media platforms' community standards. The administrators may also take action to report, block or ban users from social media platforms for violations.

This ensures a unified strategy for messaging, branding, and resource allocation across the College.

Conduct Violations and Crime Reporting:

CCS encourages all members of the College for Creative Studies community to engage in accurate and prompt reporting of all crimes to Campus Security and the appropriate law enforcement agencies, when the victim of the crime elects not to, or is unable to, make such a report. While abroad please work within the local law enforcement agencies, and report incidents to the college administration immediately.

Title IX Reporting:

The Title IX reporting responsibilities of CCS Study Abroad Leadership apply while abroad. All College community members are strongly encouraged to report incidents of sexual misconduct to the Title IX Coordinator or any of the reporting resources listed below, by phone, email, or in person.

8.21.11 Behavior violations resulting program expulsion for students:

In the event of an incident/infracton where there is an allegation of a violation of the laws, regulations, and customs of the host country, community, institution or program or a violation of the CCS College Code of Conduct, **but does not cause immediate danger to others**, the following procedures will apply:

Student Behavioral Procedure:

1. **VERBAL NOTIFICATION:** The faculty member-in-residence or program assistant representing the Office of Academic Affairs (referred to as the “leader or mentor”) will investigate the alleged violation using the resources available to him or her. They will have a frank discussion with the student of expectations and consequences, giving the student an opportunity to respond in person and present any witnesses or ask questions of witnesses, if any, that the complainant has identified.

2. **WRITTEN NOTIFICATION:** The student will receive a written notification of the expectations and consequences. This is the final warning and any continuation of the undesirable behavior will result in immediate dismissal with no refund academic credit and grade will be awarded according to college policy.

3. **DISMISSAL:** If, after the facts have been examined and after discussion and authorization from the Office of Academic Affairs, it has been decided to dismiss the student from the program, the student receives written notification of the decision. The student is responsible with all costs incurred due to program dismissal. Upon return to the campus a decision regarding the need for further action will be made.

Behavior violations resulting program expulsion for Staff:

Violations of Staff conduct prior to or during travel will result in immediate removal from the study abroad program and replacement of role by an alternate staff member or potential cancellation of program. The CCS staff handbook, and conduct rules listed in this document policies apply while abroad on a CCS Program.

8.21.12 Emergencies Abroad:

The College has the right to make cancellations, substitutions or changes in case of emergency or changed conditions in the destination country or region. In the case of serious emergency situations, the Program Leadership is responsible for taking immediate care of participants, and notifying the college. The college will utilize its internal Emergency Procedures, and Crisis Management Team as they apply to study abroad, notify all emergency contacts of students and staff, the US Embassy, and other organizations that may aid in securing the safety of our program participants. Students and Program Leadership should take care to ensure their immediate needs and safety and then contact College immediately.

8.21.13 Lost Passports:

You will have to replace the passport before returning to the United States. Contact the nearest U.S. embassy or consulate⁵² for assistance. Ask to speak to the Consular Section to report your passport lost or stolen. If you have been the victim of a serious crime⁵³, be sure to tell a consular officer about it as soon as possible so they can provide appropriate assistance. If you are scheduled to leave the foreign country shortly, please provide our consular staff with the details of your travel.

8.21.15 Mandatory Emergency Insurance:

Students and staff are required to purchase emergency medical and travel insurance that covers the duration of their trip. The insurance policy should include repatriation and evacuation coverage in cases of health emergencies, or death. The emergency insurance policy should also cover travel costs for family members in cases where the participants cannot leave the country in cases of hospitalization.

8.21.16 Evacuation Insurance

In addition to international health insurance for employees and students who travel abroad, we also require evacuation insurance due to natural disasters or political unrest.

8.21.17 SMART traveler enrollment:

<https://step.state.gov/>

CCS encourages students to enroll in the SMART program prior to college sponsored trips abroad. The Smart Traveler Enrollment Program (STEP) is a free service to allow U.S. citizens and nationals traveling and living abroad to enroll their trip with the nearest U.S. Embassy or Consulate.

- Receive important information from the Embassy about safety conditions in your destination country, helping you make informed decisions about your travel plans.
- Help the U.S. Embassy contact you in an emergency, whether natural disaster, civil unrest, or family emergency.
- Help family and friends get in touch with you in an emergency.
