

College for Creative Studies Student Housing Medical Information

Medical Information:

All residents of CCS student housing must have proof of health insurance on file with the Office of Student Life. All students applying for housing must have a completed Medical History form and Medical Release and Proof of Health Insurance form, and a local doctor on file, before housing is assigned.

Please be aware that all medical information is kept strictly confidential. This information will only be used in the case of an emergency.

If you do not have health insurance, you can contact the Office of Student Life for a brochure of the health insurance plan offered through CCS at 313-664-7678.

It is the responsibility of the student to inform CCS of any changes in their health that is not recorded on their Medical History form.

Finding a Local Doctor:

It is required that you have a doctor in the Detroit area for regular check-ups and when you become ill. In the past many students have waited until they became ill before realizing they did not have a local doctor, and as a result had to go to the emergency room for treatment.

Here are some suggestions for finding a doctor in the Detroit area:

- Contact your health insurance company for a list of Detroit area doctors.
- Call a physician referral service, which will match you with a doctor by specialty, location, insurance coverage and your personal needs. Some referral services such as St. John Health System will even give you background information on the doctor. The following are some Detroit area physician referral services:

St. John Health Systems:	1-888-757-5463
Henry Ford Health System:	1-800-653-6568
The Detroit Medical Center:	1-888-362-2500

- Look on the internet at Yahoo "Yellow Pages" or Yellowpages.com. Choose a doctor. Call to make sure the physician is accepting new patients and accepts your type of health insurance.
- If you cannot find a doctor in the Detroit area that will accept your insurance, the health insurance plan offered through CCS is accepted in the Detroit area. Contact 313-664-7678 for more information on insurance.
